Chapter 7: UNIFORM ADMINISTRATIVE PROVISIONS**§111. DEFINITIONS**

As used in this Title, unless the context otherwise indicates, the following terms have the following meanings. [1981, c. 698, §174 (AMD).]

1. Assessor. "Assessor" means the State Tax Assessor, except that, in Part 2, Property Taxes, it means the State Tax Assessor with respect to the unorganized territory and the respective municipal assessors or chief assessors of primary assessing areas with respect to the organized areas.

[1979, c. 378, §2 (NEW) .]

1-A. Code. "Code" means the United States Internal Revenue Code of 1986 and amendments to that Code as of December 31, 2015.

[2015, c. 388, Pt. A, §1 (AMD); 2015, c. 388, Pt. A, §16 (AFF) .]

1-B. Bureau. "Bureau" means the Bureau of Revenue Services, which may be referred to as "Maine Revenue Services."

[1997, c. 668, §7 (AMD) .]

1-C. Board. For purposes of sections 151 and 151-D and section 191, subsection 2, paragraphs C, XX and YY, "board" means the Maine Board of Tax Appeals as established in Title 5, section 12004-B, subsection 10.

[2013, c. 331, Pt. C, §1 (AMD); 2013, c. 331, Pt. C, §41 (AFF) .]

2. Notice. "Notice" means written notification served personally, sent by certified mail or sent by first-class mail to the last known address of the person for whom the notification is intended. A person's last known address is the person's address as reported on the person's most recently filed Maine tax return or as otherwise specified by the person in written correspondence on file with the bureau, unless the bureau determines that a different address is the most current address for the person, in which case the bureau must use that address. Notice by first-class mail is deemed to be received 3 days after the mailing, excluding Sundays and legal holidays. If the State Tax Assessor is required by a provision of this Title to give notice by certified mail and attempts to do so but the mailing is returned with the notation "unclaimed" or "refused" or a similar notation, the assessor may then give notice by sending the notification by first-class mail. In the case of a joint income tax return, notice may be a single joint notice except that, if the assessor is notified by either spouse that separate residences have been established, the assessor must mail a joint notice to each spouse. If the person for whom notification is intended is deceased or under a legal disability, and the assessor knows of the existence of a fiduciary relationship with respect to that person, notice must be sent by first-class mail to the last known address of the fiduciary.

[2011, c. 380, Pt. J, §1 (RPR) .]

3. Person. "Person" means an individual, firm, partnership, association, society, club, corporation, financial institution, estate, trust, business trust, receiver, assignee or any other group or combination acting as a unit, the State or Federal Government or any political subdivision or agency of either government.

[1997, c. 404, §1 (AMD); 1997, c. 404, §10 (AFF) .]

4. Return. "Return" means any document, digital file or electronic data transmission containing information required by this Title to be reported to the State Tax Assessor.

[2003, c. 588, §1 (AMD) .]

5. Tax. "Tax" means the total amount required to be paid, withheld and paid over or collected and paid over with respect to estimated or actual tax liability under this Title, any credit or reimbursement allowed or paid pursuant to this Title that is recoverable by the assessor and any amount assessed by the assessor pursuant to this Title, including any interest or penalties provided by law. For purposes of this chapter, "tax" also means any fee, fine, penalty or other debt owed to the State provided for by law if that fee, fine, penalty or other debt is subject to collection by the assessor pursuant to statute or transferred to the bureau for collection pursuant to section 112-A.

[2009, c. 625, §2 (AMD) .]

6. Tax Assessor.

[2007, c. 627, §3 (RP) .]

7. Taxpayer. "Taxpayer" means any person required to file a return under this Title or to pay, withhold and pay over or collect and pay over any tax imposed by this Title. For the purposes of sections 171, 175-A and 176-A, "taxpayer" also means any person obligated to the State for the payment of a fee, fine, penalty or other obligation to the State provided for by law, if this obligation is subject to collection by the assessor pursuant to an agreement entered into by the bureau and another agency of the State. "Taxpayer" also means any pass-through entity doing business in the State or having a Maine resident member, including an S corporation, general partnership, limited partnership, limited liability partnership, limited liability company or similar entity, that is not taxed as a C corporation for federal tax purposes.

§141. ASSESSMENT

1. General provisions. Except as otherwise provided by this Title, an amount of tax that a person declares on a return filed with the State Tax Assessor to be due to the State is deemed to be assessed at the time the return is filed and is payable on or before the date prescribed for filing the return, determined without regard to an extension of time granted for filing the return. When a return is filed, the assessor shall examine it and may conduct audits or investigations to determine the correct tax liability. If the assessor determines that the amount of tax shown on the return is less than the correct amount, the assessor shall assess the tax due the State and provide notice to the taxpayer of the assessment. Except as provided in subsection 2, an assessment may not be made after 3 years from the date the return was filed or 3 years from the date the return was required to be filed, whichever is later. The assessor may make a supplemental assessment within the assessment period prescribed by this section for the same period, periods or partial periods previously assessed if the assessor determines that a previous assessment understates the tax due or otherwise is imperfect or incomplete in any material respect.

[2011, c. 380, Pt. J, §2 (AMD) .]

2. Exceptions. The following are exceptions to the 3-year time limit specified in subsection 1.

A. An assessment may be made within 6 years from the date the return was filed if the tax liability shown on the return, after adjustments necessary to correct any mathematical errors apparent on the face of the return, is less than 1/2 of the tax liability determined by the assessor. In determining whether the 50% threshold provided by this paragraph is satisfied, the assessor may not consider any portion of the understated tax liability for which the taxpayer has substantial authority supporting its position. [2011, c. 380, Pt. J, §3 (AMD).]

B. An assessment may be made at any time with respect to a time period for which a fraudulent return has been filed. [1979, c. 378, §4 (NEW).]

C. An assessment may be made at any time with respect to a period for which a return has become due but has not been filed. If a person who has failed to file a return does not provide to the assessor, within 60 days of receipt of notice, information that the assessor considers necessary to determine the person's tax liability for that period, the assessor may assess an estimated tax liability based upon the best information otherwise available. In any proceeding for the collection of tax for that period, that estimate is prima facie evidence of the tax liability. The 60-day period provided by this paragraph must be extended for an additional 60 days if the taxpayer requests an extension in writing prior to the expiration of the original 60-day period. [2011, c. 1, Pt. BB, §1 (AMD); 2011, c. 1, Pt. BB, §3 (AFF).]

D. [2007, c. 627, §4 (RP).]

E. The time limitations for assessment specified in this section may be extended to any later date to which the assessor and taxpayer agree in writing. [2011, c. 380, Pt. J, §3 (AMD).]

§142. CANCELLATION AND ABATEMENT

The State Tax Assessor may, within 3 years from the date of assessment or whenever a written request has been submitted by a taxpayer within 3 years of the date of assessment, cancel any tax that has been levied illegally. In addition, if justice requires, the assessor may, with the approval of the Governor or the Governor's designee, abate, within 3 years from the date of assessment or whenever a written request has been submitted by a taxpayer within 3 years of the date of assessment, all or any part of any tax assessed by the assessor. The decision of the assessor pursuant to this section not to abate all or any part of any tax assessed under this Title is not subject to review under section 151. [1999, c. 708, §6 (RPR).]

§143. COMPROMISE OF TAX LIABILITY

The State Tax Assessor may compromise a tax liability arising under this Title upon the grounds of doubt as to liability or doubt as to collectibility, or both. Upon acceptance by the assessor of an offer in compromise, the liability of the taxpayer in question is conclusively settled and neither the taxpayer nor the assessor may reopen the case except by reason of falsification or concealment of assets by the taxpayer, fraud or mutual mistake of a material fact. The decision of the assessor to reject an offer in compromise is not subject to review under section 151. The assessor's authority to compromise a tax liability pursuant to this section is separate from and in addition to the assessor's authority to cancel or abate a tax liability pursuant to section 142. [2011, c. 439, §1 (AMD); 2011, c. 439, §12 (AFF).]

The submission of an offer in compromise does not automatically operate to stay the collection of a tax liability, but the assessor may stay collection action if the interests of the State are not jeopardized by that action. [1993, c. 486, §1 (NEW).]

The assessor may adopt rules regarding the procedures to be followed for the submission and consideration of offers in compromise. [1993, c. 486, §1 (NEW).]

§144. APPLICATION FOR REFUND

1. Generally. A taxpayer may request a credit or refund of any tax that is imposed by this Title or administered by the State Tax Assessor within 3 years from the date the return was filed or 3 years from the date the tax was paid, whichever period expires later. Every claim for refund must be submitted to the assessor in writing and must state the specific grounds upon which the claim is founded and the tax period for which the refund is claimed. A claim for refund is deemed to be a request for reconsideration of an assessment under section 151.

[2013, c. 331, Pt. C, §3 (AMD); 2013, c. 331, Pt. C, §41 (AFF) .]

2. Exceptions.

A. Subsection 1 does not apply in the case of premiums imposed pursuant to Title 10, section 1020, subsection 6-A, sales and use taxes imposed by Part 3, estate taxes imposed by chapter 575 or 577, income taxes imposed by Part 8 and any other tax imposed by this Title for which a specific statutory refund provision exists. [2011, c. 211, §18 (AMD); 2011, c. 380, Pt. M, §2 (AMD) .]

B. For any claim by an individual for credit or a refund of any tax imposed under this Title, the assessor may toll the applicable statute of limitations for a period of up to 3 years on the grounds of mental incapacity of the claimant. The period may be tolled only if the mental incapacity existed at a time when the claim could have been timely filed. The limitations period resumes running when the mental incapacity no longer exists. For the purposes of this paragraph, the term "mental incapacity" means the overall inability to function in society that prevents an individual from protecting the individual's legal rights. §145. DECLARATION OF JEOPARDY

If the State Tax Assessor determines that the collection of any tax will be jeopardized by delay, the assessor, upon giving notice of this determination to the person liable for the tax by personal service or certified mail, may demand an immediate return with respect to any period or immediate payment of any tax declared to be in jeopardy, or both, and may terminate the current reporting period and demand an immediate return and payment with respect to that period. Notwithstanding any other provision of law, taxes declared to be in jeopardy are payable immediately, and the assessor may proceed immediately to collect those taxes by any collection method authorized by this Title. The person liable for the tax may stay collection by requesting reconsideration of the declaration of jeopardy in accordance with section 151 and depositing with the assessor within 30 days from receipt of notice of the determination of jeopardy a bond or other security in the amount of the liability with respect to which the stay of collection is sought. A determination of jeopardy by the assessor is presumed to be correct, and the burden of showing otherwise is on the taxpayer. [2011, c. 380, Pt. J, §4 (AMD) .]

§151. REVIEW OF DECISIONS OF STATE TAX ASSESSOR

1. Petition for reconsideration. A person who is subject to an assessment by the State Tax Assessor or entitled by law to receive notice of a determination of the assessor and who is aggrieved as a result of that action may request in writing, within 60 days after receipt of notice of the assessment or the determination, reconsideration by the assessor of the assessment or the determination. If a person receives notice of an assessment and does not file a petition for reconsideration within the specified time period, a review is not available in Superior Court or before the board regardless of whether the taxpayer subsequently makes payment and requests a refund.

[2011, c. 694, §3 (RPR) .]

2. Reconsideration by division. If a petition for reconsideration is filed within the specified time period, the assessor shall reconsider the assessment or the determination as provided in this subsection.

A. Upon receipt by the assessor, all petitions for reconsideration must be forwarded for review and response to the division in the bureau from which the determination issued. [2011, c. 694, §3 (RPR) .]

B. Within 90 days of receipt of the petition for reconsideration by the responding division, the division shall approve or deny, in whole or in part, the relief requested. Prior to rendering its decision and during the 90 days, the division may attempt to resolve issues with the petitioner through informal discussion and settlement negotiations with the objective of narrowing the issues for an appeals conference or court review, and may concede or settle individual issues based on the facts and the law, including the hazards of litigation. By mutual consent of the division and the petitioner, the 90 days may be extended for good cause, such as to allow further factual investigation or litigation of an issue by that or another taxpayer pending in court. [2011, c. 694, §3 (RPR) .]

C. If the matter between the division and the petitioner is not resolved within the 90-day period, and any extension thereof, the petitioner may consider the petition for reconsideration denied. The petitioner may not consider the petition for reconsideration denied after either the reconsidered decision has been received by the petitioner or the expiration of 9 years following the filing of the petition for reconsideration, whichever occurs first. A petition for reconsideration considered denied pursuant to this paragraph constitutes final agency action. A petitioner elects to consider the petition for reconsideration denied pursuant to this paragraph by:

(1) For a small claim request, filing a petition for review in Superior Court. For purposes of this subparagraph, "small claim request" has the same meaning as in paragraph E; or

(2) For all other requests:

(a) Filing a statement of appeal with the board; or

(b) Filing a petition for review in Superior Court. [2011, c. 694, §3 (RPR) .]

D. A reconsideration by the division is not an adjudicatory proceeding within the meaning of that term in the Maine Administrative Procedure Act. [2011, c. 694, §3 (RPR) .]

E. A reconsidered decision rendered on any request other than a small claim request constitutes the assessor's final determination, subject to review either by the board or directly by the Superior Court. A reconsidered decision rendered on a small claim request constitutes the assessor's final determination and final agency action and is subject to de novo review by the Superior Court. For purposes of this paragraph, "small claim request" means a petition for reconsideration when the amount of tax or refund request in controversy is less than \$1,000. [2013, c. 45, §4 (AMD) .]

F. A person who wishes to appeal a reconsidered decision under this section:

(1) To the board must file a written statement of appeal with the board within 60 days after receipt of the reconsidered decision; or

(2) Directly to the Superior Court must file a petition for review in the Superior Court within 60 days after receipt of the reconsidered decision.

If a person does not file a request for review with the board or the Superior Court within the time period specified in this paragraph, the reconsidered decision becomes final and no further review is available. [2011, c. 694, §3 (NEW).]

G. Upon receipt of a statement of appeal or petition for review filed by a person pursuant to paragraph F, the board or Superior Court shall conduct a de novo hearing and make a de novo determination of the merits of the case. The board or Superior Court shall enter those orders and decrees as the case may require. The burden of proof is on the person, except as otherwise provided by law. [2011, c. 694, §3 (NEW).]

§151-A. ADDITIONAL SAFEGUARDS

1. Recording of interviews. The State Tax Assessor, upon advance request, shall allow a taxpayer to make an audio recording of any in-person interview concerning the determination and collection of any tax. The recording must be made at the taxpayer's own expense and with that person's own equipment.

The State Tax Assessor may record the interview if the State Tax Assessor:

A. Informs the taxpayer of the recording prior to the interview; and [1989, c. 848, §4 (NEW).]

B. Upon request of the taxpayer, provides the taxpayer with a transcript or copy of the recording, but only if the taxpayer provides reimbursement for the cost of the transcription and reproduction of the transcript or copy. [1989, c. 848, §4 (NEW).]

[1989, c. 848, §4 (NEW).]

2. Representative of taxpayer. The taxpayer may bring to any interview with the State Tax Assessor or to any proceeding pursuant to section 151-D any attorney, certified public accountant, enrolled agent, enrolled actuary or any other person permitted to represent the taxpayer. If the taxpayer does not bring anyone to the interview or proceeding but clearly states at any time during the interview or proceeding that the taxpayer wishes to consult with an attorney, certified public accountant, enrolled agent, enrolled actuary or any other person permitted to represent the taxpayer, the State Tax Assessor shall suspend the interview or the board shall suspend the proceeding. The suspension must occur even if the taxpayer has answered one or more questions before that point in the interview or proceeding. The interview must be rescheduled to be held within 10 working days.

The Governor may remove any member of the board for cause.

[2011, c. 694, §6 (NEW) .]

3. Qualifications. The members of the board must be residents of this State and must be selected on the basis of their knowledge of and experience in taxation. A member of the board may not hold any elective office or any public office involving assessment of taxes or administration of any of the tax laws of this State. [2011, c. 694, §6 (NEW) .]

The Chief Appeals Officer serves at the pleasure of the commissioner. The Chief Appeals Officer shall:

- A. If requested by a petitioner within 20 days of filing a statement of appeal, the appeals office shall hold an appeals conference to receive additional information and to hear arguments regarding the protested assessment or determination. The board shall set a rate of no more than \$150 as a processing fee for each petition that proceeds to an appeals conference. These fees must be credited to a special revenue account to be used to defray expenses in carrying out this section. Any balance of these fees in the special revenue account does not lapse but is carried forward as a continuing account to be expended for the same purposes in the following years. [2013, c. 331, Pt. B, §1 (AMD).]
- B. The appeals office shall provide a petitioner with at least 10 working days' notice of the date, time and place of an appeals conference. The appeals conference may be held with fewer than 10 working days' notice if a mutually convenient date, time and place can be arranged. [2011, c. 694, §6 (NEW).]
- C. An appeals officer shall preside over an appeals conference. The appeals officer has the authority to administer oaths, take testimony, hold hearings, summon witnesses and subpoena records, files and documents the appeals officer considers necessary for carrying out the responsibilities of the board. [2011, c. 694, §6 (NEW).]
- D. If a petitioner does not timely request an appeals conference, the appeals officer shall determine the matter based on written submissions by the petitioner and the division within the bureau making the original determination. [2013, c. 331, Pt. B, §2 (AMD).]
- E. Both a petitioner and the assessor may submit to the appeals officer, whether or not an appeals conference has been requested, written testimony in the form of an affidavit, documentary evidence and written legal argument and written factual argument. In addition, if an appeals conference is held, both the petitioner and the assessor may present oral testimony and oral legal argument. The appeals officer need not observe the rules of evidence observed by courts, but shall observe the rules of privilege recognized by law. If the appeals officer considers it appropriate, the appeals officer may encourage the petitioner and the assessor to resolve disputed issues through settlement or stipulation. The appeals officer may limit the issues to be heard or vary any procedure adopted for the conduct of the appeals conference if the parties agree to that limitation. [2011, c. 694, §6 (NEW).]

F. Except when otherwise provided by law, a petitioner has the burden of proving, by a preponderance of the evidence, that the assessor has erred in applying or interpreting the relevant law. [2011 , c . 694 , §6 (NEW) .]

G. The appeals officer shall exercise independent judgment. The appeals officer may not have any ex parte communications with or on behalf of any party, including the petitioner, the assessor or any other employee of the Department of Administrative and Financial Services except those employees in the appeals office; however, the appeals officer may have ex parte communication limited to questions that involve ministerial or administrative matters that do not address the substance of the issues or position taken by the petitioner or the assessor. [2011 , c . 694 , §6 (NEW) .]

H. The appeals officer shall prepare a recommended final decision on the appeal for consideration by the board based upon the evidence and argument presented to the appeals officer by parties to the proceeding. The decision must be in written form and must state findings of fact and conclusions of law. The appeals officer shall deliver copies of the recommended final decision to the board. [2011 , c . 694 , §6 (NEW) .]

I. The board shall consider the recommended final decision on a timely basis. The board may not have any ex parte communication with or on behalf of any party, including the petitioner, the assessor or any other employee of the Department of Administrative and Financial Services except those employees in the appeals office; however, the board may have ex parte communication limited to questions that involve ministerial or administrative matters that do not address the substance of the issue or position taken by the petitioner or assessor. After considering the recommended final decision, the board may:

- (1) Adopt the recommended final decision as delivered by the appeals officer;
- (2) Modify the recommended final decision;
- (3) Send the recommended final decision back to the same appeals officer, if possible, for the taking of further evidence, for additional consideration of issues, for reconsideration of the application of law or rules or for such other proceedings or considerations as the board may specify; or
- (4) Reject the recommended final decision in whole or in part and decide the appeal itself on the basis of the existing record.

A determination by the board is not an adjudicatory proceeding within the meaning of that term in the Maine Administrative Procedure Act. The decision, as adopted, modified or rejected by the board or appeals officer pursuant to this paragraph is the final administrative decision on the appeal and is subject to de novo review by the Superior Court. Either the taxpayer or the assessor may appeal the decision to the Superior Court and may raise on appeal in the Superior Court any facts, arguments or issues that relate to the final administrative decision, regardless of whether the facts, arguments or issues were raised during the proceeding being appealed, if the facts, arguments or issues are not barred by any other provision of law. The court shall make its own determination as to all questions of fact or law, regardless of whether the questions of fact or law were raised before the division within the bureau making the original determination or before the board. The burden of proof is on the taxpayer.

A person who wishes to appeal a decision adopted under this paragraph to the Superior Court must file a petition for review within 60 days after receipt of the board's decision. If a person does not file a request for review with the Superior Court within the time period specified in this paragraph, the decision becomes final and no further review is available. [2011 , c . 694 , §6 (NEW) .]

Subject to any applicable requirements of the Maine Administrative Procedure Act, the board shall adopt rules to accomplish the purposes of this section. Those rules may define terms, prescribe forms and make suitable order of procedure to ensure the speedy, efficient, just and inexpensive disposition of all proceedings under this section. Rules adopted pursuant to this subsection are routine technical rules pursuant to Title 5, chapter 375, subchapter 2-A.

Beginning in 2014 and annually thereafter, the board shall prepare and submit a report by January 1st on the activities of the board to the Governor, the assessor and the joint standing committee of the Legislature having jurisdiction over taxation matters.

§173. COLLECTION BY WARRANT

1. Request and issuance of warrant. If the taxpayer does not make payment as demanded pursuant to section 171, the State Tax Assessor may file in the office of the clerk of the Superior Court of any county a certificate addressed to the clerk of that court specifying the amount of tax, interest and penalty which was demanded, the name and address of the taxpayer as it appears on the records of the State Tax Assessor, the facts whereby the amount has become due, and the notice given and requesting that a warrant be issued against the taxpayer in the amount of the tax, penalty and interest set forth in the certificate and with costs. If the State Tax Assessor reasonably believes that the taxpayer may abscond within the 10-day period provided by section 171, he may, without giving notice to or making demand upon the taxpayer, request immediate issuance of a warrant. Immediately upon the filing of the certificate, the clerk of the Superior Court shall issue a warrant in favor of the State against the taxpayer in the amount of tax, interest and penalty set forth in the certificate and with costs.

[1985, c. 691, §4 (NEW) .]

2. Effect of warrant. The warrant shall have the force and effect of an execution issued upon a judgment in a civil action for taxes and may be served in the county where the taxpayer may be found by the sheriff of that county or his deputies or by any agent of the State Tax Assessor authorized under section 112, subsection 6 to collect any tax imposed by this Title. In the execution of the warrant and collection of taxes pursuant to this Title, including supplementary disclosure proceedings for that purpose under Title 14, chapter 502, an agent of the State Tax Assessor shall have the powers of a sheriff and shall be entitled to collect from the debtor the same fees and charges permitted to a sheriff. Any such fees and charges collected by that agent shall be remitted promptly to the State.

[1985, c. 691, §4 (NEW) .]

Warrants are returnable within 5 years of issuance. New warrants may be issued for collection of sums remaining unsatisfied, upon the filing of the certificate described in subsection 1, within 2 years from the return day of the last preceding warrant. [1989, c. 880, Pt. C, §1 (AMD) .]

§174. COLLECTION BY CIVIL ACTION

1. Generally. If a taxpayer fails to pay a tax imposed by this Title on or before the due date of that tax, the State Tax Assessor, through the Attorney General, may commence a civil action within 6 years after receipt by the taxpayer of the demand notice required by section 171 in a court of competent jurisdiction in

this State in the name of the State for the recovery of that tax. In this action, the certificate of the assessor showing the amount of the delinquency is prima facie evidence of the levy of the tax, of the delinquency and of the compliance by the assessor with this Title in relation to the assessment of the tax.

[2001, c. 583, §4 (AMD) .]

2. Other jurisdictions. The Attorney General may bring civil actions in the courts of other states in the name of this State or any of its tax-collecting agencies to collect taxes legally due this State or those agencies.

[1981, c. 364, §12 (NEW) .]

3. Comity. The courts of this State shall recognize and enforce liabilities for taxes lawfully imposed by another state to the same extent that the laws of that other state permit the enforcement in its courts of tax liabilities arising under this Title. The duly authorized officer of any such state may sue for the collection of such a tax in the courts of this State. A certificate by the Secretary of State of such other state that an officer suing for the collection of such a tax is duly authorized to collect the tax shall be conclusive proof of that authority.

[1981, c. 364, §12 (NEW) .]

4. Stay of running of period of limitation. The running of the period of limitation for commencement of a civil action for the recovery of any tax pursuant to this section is stayed for the period of time, plus 120 days, during which the tax collection action is stayed by the bankruptcy proceeding under the United States Bankruptcy Code.

§175. APPLICANTS FOR LICENSE OR RENEWAL OF LICENSE

1. Information provided to State Tax Assessor. Every department, board, commission, division, authority, district or other agency of the State issuing or renewing a license or other certificate of authority to conduct a profession, trade or business shall annually, on or before April 1st, provide to the State Tax Assessor, in such form as the assessor may prescribe, a list of all licenses or certificates of authority issued or renewed by that agency during the preceding calendar year. The list provided to the State Tax Assessor must contain the name, address, Social Security or federal identification number of the licensees and such other identifying information as the State Tax Assessor may adopt by rule. Notwithstanding other provisions of law, all persons seeking a license or certificate of authority or a renewal shall provide and the responsible agency shall collect the information required by the State Tax Assessor under this section. Failure by persons to provide a licensing or certifying agency that information results in an automatic denial of any request for a license or certificate of authority or a renewal.

[1991, c. 820, §1 (AMD) .]

2. Failure to file or pay taxes; determination to prevent renewal, reissuance or other extension of license or certificate. If the assessor determines that a person who holds a license or certificate of authority issued by this State to conduct a profession, trade or business has failed to file a return at the time required under this Title or to pay a tax liability due under this Title that has been demanded, other than taxes due pursuant to Part 2, and the person continues to fail to file or pay after at least 2 specific written notices, each giving 30 days to respond, have been sent by first-class mail, then the assessor shall notify the person by certified mail or personal service that continued failure to file the required tax return or to pay the overdue

tax liability may result in loss of the person's license or certificate of authority. If the person continues for a period in excess of 30 days from notice of possible denial of renewal or reissuance of a license or certificate of authority to fail to file or show reason why the person is not required to file or if the person continues not to pay, the assessor shall notify the person by certified mail or personal service of the assessor's determination to prevent renewal, reissuance or extension of the license or certificate of authority by the issuing agency. A review of this determination is available by requesting reconsideration as provided in section 151. Either by failure to proceed to the next step of appeal or by exhaustion of the steps of appeal, the determination to prevent renewal or reissuance of the license or certificate of authority becomes final unless otherwise determined on appeal. In any event, the license or certificate of authority remains in effect until all appeals have been taken to their final conclusion.

[2013, c. 331, Pt. C, §5 (AMD); 2013, c. 331, Pt. C, §41 (AFF) .]

3. Refusal to renew, reissue or otherwise extend license or certificate. Notwithstanding any other provision of law, any issuing agency that is notified by the State Tax Assessor of the assessor's final determination to prevent renewal or reissuance of a license or certificate of authority under subsection 2 shall refuse to reissue, renew or otherwise extend the license or certificate of authority. Notwithstanding Title 5, sections 10003 and 10005, an action by an issuing agency pursuant to this subsection is not subject to the requirements of Title 5, chapter 375, subchapters IV and VI, and no hearing by the issuing agency or in District Court is required. A refusal by an agency to reissue, renew or otherwise extend the license or certificate of authority is deemed a final determination within the meaning of Title 5, section 10002.

[1991, c. 820, §3 (RPR); 1999, c. 547, Pt. B, §78 (AMD); 1999, c. 547, Pt. B, §80 (AFF) .]

4. Subsequent reissuance, renewal or other extension of license or certificate. The agency may reissue, renew or otherwise extend the license or certificate of authority in accordance with the agency's statutes and rules after the agency receives a certificate issued by the State Tax Assessor that the person is in good standing with respect to all returns due or with respect to any tax due as of the date of issuance of the certificate. An agency may waive any applicable requirement for reissuance, renewal or other extension if it determines that the imposition of that requirement places an undue burden on the person and that a waiver of the requirement is consistent with the public interest.

[1991, c. 820, §4 (NEW) .]

5. Financial institutions excluded. This section does not apply to any registration, permit, order or approval issued pursuant to Title 9-B.

[1991, c. 820, §4 (NEW) .]

6. Certificate of good standing. The assessor must issue a certificate of good standing to the person conditioned upon the person's agreement to complete obligations under this Title. If the person fails to complete obligations under this Title in accordance with that agreement, the assessor may notify the person and the issuing agency of the assessor's determination to revoke the license or certificate of authority. A review of this determination is available by requesting reconsideration as provided in section 151. Either by failure to proceed to the next step of appeal or by exhaustion of the steps of appeal, the determination to revoke the license or certificate of authority becomes final unless otherwise determined on appeal. The issuing agency, on receipt of notice that the determination to revoke the license or certificate of authority has become final, shall revoke the license or certificate of authority within 30 days. The assessor and the licensee may agree to nonbinding mediation for an agreement to complete obligations under this Title.

§175-A. TAX LIEN

1. Filing. If any tax imposed by this Title or imposed by any other provision of law and authorized to be collected by the bureau is not paid when due and no further administrative or judicial review of the assessment is available pursuant to law, the assessor may file in the registry of deeds of any county, with respect to real property, or in the office of the Secretary of State, with respect to property of a type a security interest in which may be perfected by a filing in such office under Title 11, Article 9-A, a notice of lien specifying the amount of the tax, interest, penalty and costs due, the name and last known address of the person liable for the amount and, in the case of a tax imposed by this Title, the fact that the assessor has complied with all the provisions of this Title in the assessment of the tax. The lien arises at the time the assessment becomes final and constitutes a lien upon all property, whether real or personal, then owned or thereafter acquired by that person in the period before the expiration of the lien. The lien imposed by this section is not valid against any mortgagee, pledgee, purchaser, judgment creditor or holder of a properly recorded security interest until notice of the lien has been filed by the assessor, with respect to real property, in the registry of deeds of the county where such property is located and, with respect to personal property, in the office in which a financing statement for such personal property is normally filed. Notwithstanding this subsection, a tax lien upon personal property does not extend to those types of personal property not subject to perfection of a security interest by means of the filing in the office of the Secretary of State. The lien is prior to any mortgage or security interest recorded, filed or otherwise perfected after the notice, other than a purchase money security interest perfected in accordance with Title 11, Article 9-A. In the case of any mortgage or security interest properly recorded or filed prior to the notice of lien that secures future advances by the mortgagee or secured party, the lien is junior to all advances made within 45 days after filing of the notice of lien, or made without knowledge of the lien or pursuant to a commitment entered into without knowledge of the lien. Subject to the limitations in this section, the lien provided in this section has the same force, effect and priority as a judgment lien and continues for 10 years from the date of recording unless sooner released or otherwise discharged. The lien may, within the 10-year period, or within 10 years from the date of the last extension of the lien in the manner provided in this subsection, be extended by filing for record in the appropriate office a copy of the notice and, from the time of filing, that lien must be extended for 10 years unless sooner released or otherwise discharged.

[1999, c. 699, Pt. D, §26 (AMD); 1999, c. 699, Pt. D, §30 (AFF) .]

2. Release. The assessor shall issue to the taxpayer a certificate of release of the lien or release all or any portion of the property subject to any lien provided for in this Part or subordinate the lien to other liens if:

- A. The assessor finds that the liability for the amount demanded, together with costs, has been satisfied or has become unenforceable by reason of lapse of time; [1997, c. 526, §10 (AMD) .]
- B. A bond is furnished to the assessor with surety approved by the assessor in a sum sufficient to equal the amount demanded, together with costs, and conditioned upon payment of any judgment rendered in proceedings regularly instituted by the assessor to enforce collection of the bond at law or of any amount agreed upon in writing by the assessor to constitute the full amount of the liability; [1997, c. 526, §10 (AMD) .]
- C. The assessor determines at any time that the interest of this State in the property has no value; or [1997, c. 526, §10 (AMD) .]

D. The assessor determines that the taxes are sufficiently secured by a lien on other property of the taxpayer or that the release or subordination of the lien will not endanger or jeopardize the collection of the taxes. [1997, c. 526, §10 (AMD).]

[1997, c. 526, §10 (AMD) .]

3. Enforcement. The lien provided for by subsection 1 may be enforced at any time after the tax liability with respect to which the lien arose becomes collectible under section 173, subsection 1 by a civil action brought by the Attorney General in the name of the State in the Superior Court of the county in which the property is located to subject any property, of whatever nature, in which the taxpayer has any right, title or interest, to the payment of such tax or liability. The court shall, after the parties have been duly notified of the action, proceed to adjudicate all matters involved in the action and finally determine the merits of all claims to and liens upon the property and, in all cases where a claim or interest of the State therein is established, may decree a sale of the property by the proper officer of the court and a distribution of the proceeds of such sale according to the findings of the court. If the property is sold to satisfy a lien held by the State, the State may bid at the sale such sum, not exceeding the amount of that lien plus expenses of sale, as the assessor directs.

[1997, c. 526, §10 (AMD) .]

4. Recording fees part of tax liability. Fees paid by the assessor to registrars of deeds for recording notices of lien pursuant to subsection 1 and notices of release of a lien pursuant to subsection 2 may be added to the tax liability that gave rise to the lien and, in the case of a tax imposed by this Title, may be collected by all the methods provided for in chapter 7. In the case of other obligations owed to the State and authorized to be collected by the bureau, the fees may be collected by any collection method authorized by this section or section 176-A.

§176. LEVY

(REPEALED)

SECTION HISTORY

1985, c. 691, §5 (NEW). 1987, c. 497, §§2,3 (AMD). 1987, c. 772, §3 (AMD). 1989, c. 880, §E2 (RP).

§176-A. LEVY UPON PROPERTY

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Delinquent," when used to refer to a tax imposed by this Title, means a tax liability reported by a taxpayer or a tax assessed by the assessor that is not paid by its due date and to which no further administrative or judicial review is available pursuant to section 151. "Delinquent" may also refer to any other obligation owed to the State and authorized to be collected by the bureau or to a taxpayer liable for delinquent taxes. [1997, c. 526, §11 (AMD).]

B. "Levy" means an administrative power to collect delinquent taxes through the means prescribed by this section, or the exercise of that power. The power to levy includes the power of distraint by any lawful means, the power to sell the property and the power to release the levy when it is no longer necessary or appropriate to further the process of collecting delinquent taxes. Exercise of the levy power creates a lien and makes the assessor a judgment creditor.

Except with respect to intangible personal property, a levy extends only to property possessed and obligations existing at the time the levy is made. A levy with respect to intangible personal property has the effect set forth in subsection 2, paragraph E. [1989, c. 880, Pt. E, §3 (NEW).]

B-1. "Notice" means written notification served personally or sent by certified mail, except with respect to notice to a person who has consented in writing to some other means of notification. [2011, c. 380, Pt. J, §9 (NEW).]

C. "Property" means any right, title and interest held in property by a delinquent taxpayer, whether real or personal, tangible or intangible, located within this State. [1989, c. 880, Pt. E, §3 (NEW).]

D. [2011, c. 380, Pt. J, §10 (RP).]

[2011, c. 380, Pt. J, §§9, 10 (AMD) .]

2. Levy upon property for payment of delinquent tax. The procedure for the levy upon property for payment of delinquent tax is as follows.

A. [2001, c. 583, §5 (RP).]

B. If a person liable to pay any delinquent tax neglects or refuses to pay that tax within 10 days after receipt of notice pursuant to section 171, the State Tax Assessor may collect the tax and an additional amount sufficient to cover the expenses of the levy, by levy upon all property belonging to that person except as provided in subsection 5. If the assessor makes a determination of jeopardy pursuant to section 145, having given notice of that determination and made demand for immediate payment of that tax, the assessor may proceed immediately without regard to the 10-day period provided in section 171 to collect by levy the tax and an additional amount sufficient to cover the expenses of the levy. [2009, c. 434, §8 (AMD).]

C. If any property upon which levy has been made is not sufficient to satisfy the claim of the State, the assessor may, thereafter and as often as necessary, proceed to levy upon any other property of the person against whom the claim exists liable to levy until the amount due together with all expenses is fully paid. [2001, c. 583, §5 (AMD).]

D. The assessor shall promptly release a levy made pursuant to this section when the liability giving rise to the levy is satisfied or becomes unenforceable due to lapse of time and shall then promptly notify the person upon whom the levy is made that the levy has been released. [2001, c. 583, §5 (AMD).]

E. The effect of a levy on salary or wages payable to or received by a taxpayer is continuous from the date the levy is first made until the liability giving rise to the levy is satisfied. Except as otherwise provided by this paragraph, a levy on any other intangible personal property or rights to intangible personal property remains in effect until one year after the date that notice of levy under subsection 3, paragraph A is received by the person in possession of or liable to the taxpayer with respect to intangible personal property, including property that is first possessed or liabilities that arise after the date of receipt of the notice of levy. In the case of a levy upon property held by a financial institution described in subsection 3, paragraph A, the levy extends only to accounts in existence on the date the notice of levy is received by the financial institution, but includes deposits made or collected in those accounts after

the notice of levy is received. A levy on intangible personal property or rights to intangible personal property, ownership of which is disputed on the date that notice the levy is received, remains in effect until one year after the dispute is resolved. [2011, c. 380, Pt. J, §11 (AMD).]

[2011, c. 380, Pt. J, §11 (AMD) .]

3. Surrender of property or discharge of obligation; exceptions; personal liability; penalty. A surrender of property or discharge of obligation is governed by this subsection.

A. Except as otherwise provided in paragraph B, any person who is in possession of, or obligated with respect to, property or rights to property subject to levy upon which a levy has been made shall, upon demand of the assessor, surrender the property or rights or discharge the obligation to the assessor within 21 days after receipt of the notice of levy, except that part of the property or rights that is, at the time of the demand, subject to an attachment or execution under judicial process. It is a defense to the liability imposed by this subsection that the person who fails to comply with the terms of a notice of levy or that person's bailor has a valid claim against the delinquent taxpayer that accrued prior to receipt of the notice of levy or a valid security interest or lien upon the property of the taxpayer that was perfected prior to receipt of the notice of levy; but this defense is available only to the extent of that claim, security interest or lien.

Any financial institution chartered under state or federal law, including, but not limited to, trust companies, savings banks, savings and loan associations, national banks and credit unions, shall surrender to the assessor any deposits, including any interest in the financial institution that would otherwise be required to be surrendered under this subsection only after 21 days after receipt of the notice of levy, but not later than 30 days after receipt of the notice of levy. Except as provided in subsection 5, paragraph D, with respect to a levy on salary or wages, any person in possession of, or obligated with respect to, property subject to a continuing levy against intangible personal property, which property is first possessed or which obligation first arises subsequent to receipt of a notice of levy by that person, shall, upon demand of the assessor, surrender the property or rights, or discharge the obligation to the assessor within 30 days after the property is first possessed or the obligation first arises. [2011, c. 380, Pt. J, §12 (AMD).]

B. A levy with respect to a life insurance or endowment contract is governed by this paragraph.

(1) A levy on an organization with respect to a life insurance or endowment contract issued by that organization, without necessity for the surrender of the contract document, constitutes a demand by the assessor for payment of the amount described in subparagraph (2) and the exercise of the right of the person against whom the tax is assessed to the advance of that amount. The organization shall pay over the amount no later than 90 days after receipt of the notice of levy. Notice must include a certification by the assessor that a copy of the notice has been mailed to the person against whom the tax is assessed at that person's last known address.

(2) A levy under this paragraph is deemed to be satisfied if the organization pays over to the assessor the amount that the organization could have advanced to the person against whom the tax is assessed on the date prescribed in subparagraph (1) for the satisfaction of the levy, increased by the amount of any advance, including contractual interest, made to the person on or after the date the organization received notice or otherwise had knowledge of the existence of the lien with respect to which the levy is made, other than an advance, including contractual interest, made automatically to maintain the contract in force under an agreement entered into before the organization received such notice or had such knowledge.

(3) The satisfaction of a levy under subparagraph (2) is without prejudice to any civil action for the enforcement of any lien imposed by section 175-A with respect to the contract. [2011, c. 380, Pt. J, §12 (AMD).]

C. Any person who fails or refuses to surrender any property or rights to property, subject to levy, upon demand by the assessor:

(1) Is liable in person and estate to the State in a sum equal to the value of the property not so surrendered, but not exceeding the amount of taxes for the collection of which the levy has been made, together with costs and interest at the rate determined pursuant to section 186 on the sum from the date of the levy. Any amount, other than costs, recovered under this paragraph must be credited against the tax liability for the collection of which the levy was made; and

(2) Without reasonable cause, is liable for a penalty equal to 50% of the amount recoverable under subparagraph (1). A part of the penalty may not be credited against the tax liability for the collection of which the levy was made.

The assessor may collect the liability established by this paragraph by assessment and collection in the manner described in this Part. [2011, c. 380, Pt. J, §12 (AMD).]

D. Any person in possession of, or obligated with respect to, property subject to levy upon which a levy has been made, who, upon demand by the assessor, surrenders that property or rights to that property, or discharges the obligation to the assessor, or who pays a liability under paragraph C, subparagraph (1) is discharged from any obligation or liability to the delinquent taxpayer with respect to the property arising from the surrender or payment. In the case of a levy satisfied pursuant to paragraph B, the organization is discharged from any obligation or liability to any beneficiary arising from the surrender or payment. [1989, c. 880, Pt. E, §3 (NEW).]

[2011, c. 380, Pt. J, §12 (AMD).]

4. Books or records relating to property subject to levy. If a levy has been made or is about to be made on any property, any person having custody or control of any books or records containing evidence or statements relating to the property subject to levy shall, upon demand of the assessor, exhibit those books and records to the assessor. Failure to comply with such an order is a Class E crime.

[1989, c. 880, Pt. E, §3 (NEW).]

5. Exempt property. This subsection governs property exempt from levy.

A. The following property is exempt from levy:

- (1) Items of wearing apparel and school books necessary for the taxpayer or the members of the taxpayer's family;
- (2) If the taxpayer is the head of a family, the fuel, provisions, furniture and personal effects in the taxpayer's household, arms for personal use, livestock and poultry of the taxpayer, the total value of which does not exceed \$1,500;
- (3) Books and tools necessary for the trade, business or profession of the taxpayer, the value of which, in the aggregate, does not exceed \$1,000;
- (4) Any amount payable to the taxpayer with respect to the taxpayer's unemployment, including any portion payable with respect to dependents, under an unemployment compensation law of the United States or any state;
- (5) Mail, addressed to any person, that has not been delivered to the addressee;
- (6) Annuity or pension payments under the federal Railroad Retirement Act of 1974, 45 United States Code, Chapter 9, Subchapter IV, benefits under the federal Railroad Unemployment Insurance Act, 45 United States Code, Chapter 11, special pension payments received by a person whose name has been entered on the Army, Navy, Air Force and Coast Guard Medal of Honor Roll, 38 United States Code, Chapter 15, Subchapter IV and annuities based on retired or retainer pay under 10 United States Code, Chapter 73 (1982);
- (7) If the taxpayer is required by judgment of a court of competent jurisdiction, entered prior to the date of levy, to contribute to the support of minor children, as much of the taxpayer's salary, wages or other income as is necessary to comply with that judgment;

(8) Any amount payable to or received by a taxpayer as wages or salary for personal services, during any period, to the extent that the total of the amounts payable to or received by the taxpayer during that period does not exceed the applicable exempt amount determined under paragraph D; and

(9) The principal residence of the taxpayer, unless the assessor has made a determination of jeopardy pursuant to section 145 or the assessor personally approves in writing the levy of that property. [2009, c. 434, §9 (AMD).]

B. The officer seizing property of the type described in paragraph A shall appraise and set aside to the owner the amount of the property declared to be exempt. If the taxpayer objects at the time of the seizure to the valuation fixed by the officer making the seizure, the assessor shall summon 3 disinterested individuals who shall make the valuation. [1989, c. 880, Pt. E, §3 (NEW).]

C. Notwithstanding any other law, no property or rights to property are exempt from levy other than the property specifically made exempt by paragraph A. [1989, c. 880, Pt. E, §3 (NEW).]

D. A levy upon salary and wages must specify the amount of percentage to be surrendered and delivered to the assessor by the taxpayer's employer for each pay period, consistent with the provisions of this paragraph. Salaries and wages are exempt from levy to the extent of 75% of the taxpayer's disposable earnings for any pay period, or an amount equal to the federal minimum hourly wage multiplied by 30, multiplied by the number of weeks in the pay period, whichever is less. A levy on salaries and wages is continuous from the date on which the notice of levy is received until the delinquency is discharged and applies to all pay periods commencing after that date. The assessor shall notify the taxpayer's employer as soon as practicable upon discharge of the delinquency that the levy has been discontinued. [2011, c. 380, Pt. J, §13 (AMD).]

[2011, c. 380, Pt. J, §13 (AMD).]

6. Seizure of property; notice; sale. Seizure, notice of seizure and sale of seized property are governed by this subsection.

A. As soon as practicable after seizure of property, the assessor shall give notice to the owner of the property, or, in the case of personal property, the possessor of the property, or leave notice at the owner's or possessor's usual place of abode or business, if any, within the State. If the owner or possessor cannot be readily located, or has no dwelling or place of business within the State, the notice may be sent by first-class mail. In the case of real property, the notice must be filed in the registry of deeds in the county where the property is located. The notice must specify the sum demanded and contain:

(1) In the case of personal property, an account of the property seized; and

(2) In the case of real property, a description with reasonable certainty of the property seized.

In the case of levy on a motor vehicle that is the subject of a Certificate of Title issued by the Secretary of State, a copy of the notice must be filed with the Secretary of State, who shall note the levy in the records of ownership of the motor vehicle in question. In the case of levy on that type of personal property, a security interest in which may be perfected by filing in the office of the Secretary of State, a copy of the notice must be filed in the office of the Secretary of State, who shall file the notice of levy as a financing statement. [2011, c. 380, Pt. J, §14 (AMD).]

B. The assessor, as soon as practicable after the seizure of property, shall cause a notice to be published in a newspaper of general circulation within the county where the seizure is made, or, if there is no such newspaper, post the notice at the city or town hall nearest the place where the seizure is made and in at least 2 other public places. In the case of real property, the notice must be sent by certified mail to all persons holding an interest of record, including, without limitation, recorded leases and security interest of all types, in the property as reflected at the time the notice of levy is recorded by the indices of the registry of deeds in the county where the property is located. In the case of a motor vehicle subject to a certificate of title issued by the Secretary of State, notice must be sent by certified mail to all persons holding a security interest of record in the motor vehicle as set forth in the records of the Secretary of

State. In the case of personal property that is the subject of a security interest perfected by filing in the office of the Secretary of State, notice must be sent by certified mail to all secured parties claiming an interest in the property seized as reflected at the time the notice of levy is recorded in the records maintained by the Secretary of State pursuant to Title 11. The notice must specify the property to be sold, subject to the liabilities of prior encumbrances, if any, and the time, place, manner and conditions of the sale. If levy is made without regard to the 10-day period provided in section 171, public notice of sale of the property seized may not be made within the 10-day period unless subsection 7 applies. It is a Class E crime to intentionally remove or deface the posted notice of sale prior to the scheduled sale date, unless the property has been redeemed or the sale is for some other reason canceled. The assessor or any law enforcement officer may enter onto the land if necessary to carry out the purposes of this section. [2011, c. 380, Pt. J, §15 (AMD).]

C. If any property liable to levy is not divisible to enable the assessor by sale of a part of the property to raise the whole amount of the tax and expenses, the whole property must be sold. [1989, c. 880, Pt. E, §3 (NEW).]

D. The time of sale may be not less than 10 days nor more than 40 days from the time of giving notice under paragraph B. The sale may be adjourned from time to time but adjournments may not be for a period to exceed a total of 30 days. Notice of any adjournments of the sale must be posted in the public places within the county where the notice prescribed in paragraph B was posted. [1989, c. 880, Pt. E, §3 (NEW).]

E. Before the sale, the assessor shall determine a minimum price for which the property must be sold. If no person offers the amount of the minimum price for the property, the property is declared to be purchased at that price for the State; otherwise the property is declared to be sold to the highest bidder. In determining the minimum price, the assessor shall take into account the expense of making the levy and sale.

(1) The assessor may by rule prescribe the manner and other conditions of the sale of property seized by levy or purchased by the sale.

(2) If payment in full is required at the time of acceptance of a bid and is not paid at that time, the assessor shall forthwith proceed to again sell the property in the manner provided in this subsection. If the conditions of the sale permit part of the payment to be deferred, and if a deferred part is not paid within the prescribed period:

(a) Suit may be instituted against the purchaser for the purchase price or the part of the price that has not been paid, together with interest from the date of the sale; or

(b) In the discretion of the assessor, the sale may be declared by the assessor to be void for failure to make full payment of the purchase price and the property may again be advertised and sold as provided in this subsection. In the event of a readvertisement and sale, any new purchaser receives the property, or rights to the property, free and clear of any claim or right to the former defaulting purchaser, of any nature whatsoever, and the amount paid on the bid price by the defaulting purchaser is forfeited.

(3) Only the right, title and interest of the delinquent taxpayer in and to the property seized may be offered for sale, and the interest must be offered subject to any prior outstanding mortgage, encumbrances, or other liens in favor of 3rd parties that are valid as against the delinquent taxpayer and are superior to the lien of the State. All seized properties must be offered for sale "as is" and "where is" and without recourse against the State. No guarantee or warranty, express or implied, may be made by the officer offering the property for sale, as to the validity of title, quality, quantity, weight, size or condition of any of the property or its fitness for any use or purpose. No claim may be considered for allowance or adjustment or for rescission of the sale based upon failure of the property to conform with any representation, express or implied. [1989, c. 880, Pt. E, §3 (NEW).]

[2011, c. 380, Pt. J, §§14, 15 (AMD) .]

7. Disposition of hard to keep property; notice to owner; public sale. If the assessor determines that any property seized is liable to perish or become greatly reduced in price or value by keeping, or that the property cannot be kept without great expense, the assessor shall appraise the value of the property and, if the owner of the property can be readily found, shall give the owner notice of determination of the appraised value of the property. The property must be returned to the owner if within such time as may be specified in the notice the owner either pays to the assessor an amount equal to the appraised value, or gives bond in such form with such sureties, and in such amount as the assessor prescribes, to pay the appraised amount at such time as the assessor determines to be appropriate in the circumstances.

If the owner does not pay the amount or furnish bond in accordance with this section, the assessor shall, as soon as practicable, make public sale of the property in accordance with any rules prescribed by the assessor.

[1989, c. 880, Pt. E, §3 (NEW) .]

8. Junior encumbrances; priority of encumbrances. Priority of encumbrances is governed by this subsection.

A. A deed to real property executed pursuant to subsection 11 discharges the property from all liens and encumbrances over which the levy had priority. [1989, c. 880, Pt. E, §3 (NEW).]

B. The filing of the notice of levy provided in subsection 6, paragraph A perfects the lien of the State created under subsection 1, paragraph B with respect to the types of property covered by such a filing under subsection 6, paragraph A. A levy and lien not covered by the filing provisions of subsection 6, paragraph A is perfected by possession by the assessor or by demand upon a 3rd party holding the property under subsection 3, paragraphs A or B, whichever occurs first. The priority of the lien perfected by a filing under subsection 6, paragraph A is determined pursuant to section 175-A as if the notice of levy had been filed as a notice of lien. The lien of any other levy has priority over any interest that is perfected after the lien of the State is perfected by possession or demand. [1989, c. 880, Pt. E, §3 (NEW).]

[1989, c. 880, Pt. E, §3 (NEW) .]

9. Redemption of property. A right of redemption exists according to this subsection.

A. Any person whose property has been levied upon and any person having a valid lien upon such property has the right to pay the amount due, together with the expenses of the proceeding, if any, to the assessor at any time prior to the sale of the property. Upon payment, the assessor shall restore the property to the taxpayer, and all further proceedings in connection with the levy must cease from the time of that payment. [1989, c. 880, Pt. E, §3 (NEW).]

B. The owners of any property sold as provided in subsection 6, their heirs, executors or administrators, or any person having any interest in or lien on the sold property, or any person in their behalf, are permitted to redeem the property sold at any time within 90 days after the sale of the property. The property may be redeemed upon payment to the assessor, for the use of the purchaser, or the heirs or assigns of the purchaser, of the amount paid by the purchaser and interest on that amount at the rate of interest established pursuant to section 186, together with the expenses of the proceeding. [1993, c. 395, §4 (AMD).]

[1993, c. 395, §4 (AMD) .]

10. Certificates of sale; execution of deeds. The assessor shall give the purchaser of property, sold as provided in subsection 6, a certificate of sale upon payment in full of the purchase price. In the case of real property, the certificate must set forth the real property purchased, for whose taxes the property was sold, the name of the purchaser and the price paid for the property.

A. In the case of any real property sold as provided in subsection 6 and not redeemed in the manner and within the time provided in subsection 9, the assessor shall execute to the purchaser of the real property, upon surrender of the certificate of sale by the purchaser, a deed of the real property stating the facts set forth in the certificate. [1989, c. 880, Pt. E, §3 (NEW).]

B. If real property is declared purchased by the State at a sale pursuant to subsection 6, the assessor shall, at the proper time, execute a deed for the property, and without delay cause the deed to be duly recorded in the proper registry of deeds. [1989, c. 880, Pt. E, §3 (NEW).]

[1989, c. 880, Pt. E, §3 (NEW) .]

11. Effect of certificates of sale and deeds. Certificates of sale and deeds have the following effects.

A. In cases of sale of property, other than real property, pursuant to subsections 6 and 7, the certificate of sale:

- (1) Is prima facie evidence of the right of the assessor to make the sale and conclusive evidence of the regularity of proceedings in making the sale;
- (2) Transfers to the purchaser of all right, title and interest of the delinquent party in and to the property sold subject to the applicable redemption period and subject to all senior liens determined under subsection 8, paragraph B. In the case of personal property, the assessor shall provide a final validation stamp following the expiration of the redemption period if the property is not redeemed;
- (3) If the property consists of stocks, constitutes notice, when received, to any corporation, company or association of the transfer, and gives authority to the corporation, company or association to record the transfer in the same manner as if the stocks were transferred or assigned by the party holding them in lieu of any original or prior certificate, which is void, whether or not the certificate is canceled;
- (4) If the subject of sale is securities or other evidences of debt, constitutes a valid receipt to the person holding the securities or evidences of debt, against any person holding or claiming to hold possession of the securities or other evidences of debt; and
- (5) If the property consists of a motor vehicle, constitutes notice, when received, to the Secretary of State, or to any public official charged with the registration of title to motor vehicles in any other state, of the transfer and gives authority to the Secretary of State or other official to record the transfer in the same manner as if the certificate of title to the motor vehicle were transferred or assigned by the party holding the certificate in lieu of any original or prior certificate, which is void, whether or not the certificate is canceled. [1989, c. 880, Pt. E, §3 (NEW).]

B. In the case of the sale of real property pursuant to subsection 6, the deed of sale given pursuant to subsection 10, paragraph A, is prima facie evidence of the facts stated in the deed. If the proceedings of the assessor are substantially in accordance with the law, the deed operates as a conveyance of all the right, title and interest the delinquent party had in the real property sold at the time the lien of the State attached to the property, subject to all senior liens determined under subsection 8, paragraph B. [1989, c. 880, Pt. E, §3 (NEW).]

C. A certificate of sale of personal property given or a deed to real property executed pursuant to this section discharges the property from all liens, encumbrances and title over which the lien of the State, with respect to which the levy was made, had priority. [1989, c. 880, Pt. E, §3 (NEW).]

[1989, c. 880, Pt. E, §3 (NEW) .]

12. Records of sales and redemption of real property. The assessor shall keep records of all sales of property under subsections 6 and 7 and of all redemptions of that property. Each record must include the tax for which the sale was made, the dates of seizure and sale, the name of the party assessed and all proceedings

in making the sale, the amount of expenses, the names of the purchasers and the date of the deed. A copy of a record, or any part of a record, certified by the assessor is evidence in any court of the truth of the facts stated in that record.

[1989, c. 880, Pt. E, §3 (NEW) .]

13. Expenses of levy and sale. The assessor shall determine the expenses to be allowed in all cases of levy and sale. The assessor may pay the expenses from the revenue account intended to benefit by the receipts of the levy.

[1989, c. 880, Pt. E, §3 (NEW) .]

14. Disposition of money realized under this section. Any money realized by proceedings under this section by seizure, surrender under subsection 3, except pursuant to subsection 3, paragraph C, subparagraph (2), or sale of seized property, or by sale of property redeemed by the State must be applied in the following order of priority:

A. Against the expenses of the proceedings under this section; [1989, c. 880, Pt. E, §3 (NEW) .]

B. The amount, if any, remaining after payment of senior claims and expenses is then applied against the liability for which the levy was made or the sale was conducted; and [1989, c. 880, Pt. E, §3 (NEW) .]

C. Upon application and satisfactory proof in support of the application, credited or refunded by the assessor to the person or persons legally entitled to any remaining surplus proceeds. [1989, c. 880, Pt. E, §3 (NEW) .]

[1989, c. 880, Pt. E, §3 (NEW) .]

15. Actions permitted. Any person, other than the taxpayer whose delinquency occasioned the levy:

A. Who claims an interest in property that has wrongfully been levied upon may apply to the assessor for a stay of proceedings under this section at any time before the property has been sold but within 5 days after receiving notice of levy. An action for a stay is governed by Title 5, section 11004; or [2011, c. 380, Pt. J, §16 (AMD) .]

B. Who claims pecuniary loss because property was wrongfully levied upon and sold, may bring a civil action against the assessor in the Superior Court. A recovery in such an action may not exceed the proceeds of the sale. [1989, c. 880, Pt. E, §3 (NEW) .]

Except as provided in this subsection, a suit contesting or restraining the collection of taxes pursuant to this section may not be maintained in any court of this State by any person. Any award must be paid from the revenue account to which the money was originally credited.

[2011, c. 380, Pt. J, §16 (AMD) .]

16. Time for collection of taxes. Taxes imposed by this Title must be collected by levy within 10 years after the assessment of the tax becomes final or before the expiration of the period of collection agreed upon in writing by the assessor and the taxpayer. Other obligations owed to the State and authorized to be collected by the bureau must be collected by levy within 10 years from the time the obligation arises. The period agreed upon may be extended by subsequent agreements in writing made before the expiration of the period previously agreed upon. A levy action ordered by the assessor before the expiration of the 10-year period continues beyond the expiration of the 10-year period for a period of 6 months from the date the levy is first made or until the liability out of which the levy arose is satisfied or becomes unenforceable, whichever occurs first. The running of the 10-year period is stayed during the time that a consensual payment plan between the taxpayer and the assessor is in effect. When a taxpayer files for protection under the United States Bankruptcy

Code, the assessor's right to collect the tax due by levy continues until 6 years after the date of discharge or dismissal of the bankruptcy proceeding or until 10 years after the assessment of the tax becomes final, whichever occurs later.

§176-B. ACCESS TO FINANCIAL RECORDS OF INDIVIDUALS WHO OWE MAINE TAXES

1. Definitions. For the purposes of this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Customer" means any person who has an account, including, but not limited to, a deposit, loan, mortgage or credit card account, with any financial institution and for which the financial institution is obligated to maintain records. [2009, c. 213, Pt. AAAA, §8 (NEW).]

B. "Financial institution" means a trust company, savings bank, industrial bank, commercial bank, savings and loan association or credit union organized under the laws of this State or otherwise authorized to do business in this State. [2009, c. 213, Pt. AAAA, §8 (NEW).]

C. "Match" means an automated comparison by name and social security number or federal employer identification number of a list of taxpayers provided to a financial institution by the bureau and a list of customers of any financial institution. [2009, c. 213, Pt. AAAA, §8 (NEW).]

[2009, c. 213, Pt. AAAA, §8 (NEW) .]

2. Computer data match. Upon written request from the State Tax Assessor to a financial institution in this State with the technological capacity to perform a match, the financial institution shall perform a match using the list of taxpayer social security numbers or federal employer identification numbers provided by the bureau. The bureau is responsible for making its computer data compatible with the data of the financial institution with which a match is sought. The bureau's data, at a minimum, must include the name and social security number or federal employer identification number of and, when known, the amount of taxes owed by each taxpayer. The bureau may not request a financial institution to perform a match under this section more often than once every calendar quarter.

[2009, c. 213, Pt. AAAA, §8 (NEW) .]

3. Compilation of match list. After completing a match requested by the bureau under subsection 2, a financial institution shall compile for the bureau a list of those customers whose social security numbers or federal employer identification numbers match the list of social security numbers or federal employer identification numbers of taxpayers provided by the bureau. The list must contain the following information, if available to the financial institution through its matching procedure, for each account identified:

A. The taxpayer's name; [2009, c. 213, Pt. AAAA, §8 (NEW).]

B. The taxpayer's social security number or federal employer identification number; [2009, c. 213, Pt. AAAA, §8 (NEW).]

C. The financial institution account number; and [2009, c. 213, Pt. AAAA, §8 (NEW).]

D. The account type, account balance and any known encumbrances. [2009, c. 213, Pt. AAAA, §8 (NEW) .]

[2009, c. 213, Pt. AAAA, §8 (NEW) .]

4. Notice to bureau. A financial institution that has compiled a match list under subsection 3 shall send the list to the bureau at the address designated by the bureau.

[2009, c. 213, Pt. AAAA, §8 (NEW) .]

5. Notice to customer. The financial institution may not provide notice in any form to a customer contained in a match list submitted to the bureau under subsection 4. Notwithstanding any other provision of law, failure to provide notice to a customer does not constitute a violation of the financial institution's duty of good faith to its customers.

[2009, c. 213, Pt. AAAA, §8 (NEW) .]

6. Reasonable fee. To cover the costs of carrying out the requirements of this section, a financial institution may assess a reasonable fee to the bureau not to exceed the actual costs incurred by the financial institution.

[2009, c. 213, Pt. AAAA, §8 (NEW) .]

7. Confidentiality. The list of taxpayers under subsection 3, with their social security numbers or federal employer identification numbers and the amount of the tax debt provided by the bureau to a financial institution, is confidential. The information may be used only for the purpose of carrying out the requirements of this section. Any person who willfully violates this subsection commits a Class E crime.

[2009, c. 213, Pt. AAAA, §8 (NEW) .]

8. Immunity from liability; hold harmless. A financial institution is immune from any liability for its good faith actions to comply with this section. The bureau shall defend and hold harmless, including compensation for attorney's fees, a financial institution that acts in good faith to carry out the requirements of this section.

§177. TRUST FUND STATUS OF CERTAIN COLLECTIONS

1. Generally. All sales and use taxes collected by a person pursuant to Part 3, all taxes collected by a person under color of Part 3 that have not been properly returned or credited to the persons from whom they were collected, all taxes collected by or imposed on a person pursuant to chapter 451 or 459, all fees collected pursuant to chapter 719 and all taxes collected by a person pursuant to chapter 827 constitute a special fund in trust for the State Tax Assessor. The liability for the taxes or fees and the interest or penalty on taxes or fees is enforceable by assessment and collection, in the manner prescribed in this Part, against the person and against any officer, director, member, agent or employee of that person who, in that capacity, is responsible for the control or management of the funds or finances of that person or is responsible for the payment of that person's taxes. An assessment against a responsible individual pursuant to this section must be made

within 6 years from the date on which the return on which the taxes were required to be reported was filed. An assessment pursuant to this section may be made at any time with respect to a time period for which a return has become due but has not been filed.

[1999, c. 708, §9 (AMD) .]

2. Responsible individual. Each person required to collect taxes that are designated by subsection 1 as trust funds shall inform the State Tax Assessor, at the time an audit of that person's trust fund obligation is performed by the assessor, of the name and position of the individual who generally is responsible for the control or management of that person's funds or finances and, if different, the individual who is specifically responsible for the collection and paying over of those trust funds.

[1999, c. 414, §8 (AMD) .]

3. Notice to segregate. Whenever the State Tax Assessor finds that the payment of the trust funds established under subsection 1 will be jeopardized by delay, neglect or misappropriation or whenever any person fails to make payment of taxes or file returns as required by Part 3, or by chapter 451, 459 or 827, the assessor may direct that person to segregate the trust funds from and not to commingle them with any other funds or assets of that person. All taxes that are collected after receipt of the notice of the segregation requirement must be paid on account to the assessor until the taxes are due. The assessor shall establish in the segregation notice the manner in which the taxes are to be paid. The segregation requirement remains in effect until a notice of cancellation is given by the assessor.

[2007, c. 438, §8 (AMD) .]

4. Revocation for nonsegregation. If any person who is a retailer under Part 3 or a fuel supplier, retailer, distributor or importer subject to Part 5 fails to make the required payments on account to the State Tax Assessor, the assessor may revoke any registration certificate that has been issued to that person. The revocation is reviewable in accordance with section 151.

[2003, c. 705, §2 (AMD) .]

5. Stay of running of period of limitation. The running of the period of limitation for assessment of trust fund taxes against a responsible officer, director, member, agent or employee of a person that has collected those taxes is stayed for the period of time, plus 120 days, during which an assessment against that person is subject to administrative or judicial review.

[1999, c. 414, §8 (AMD) .]

6. Sale or cessation of business; purchaser liable for tax. If a person liable for any trust fund taxes incurred in the course of operating a business sells the business or stock of goods or quits the business, the person shall make a final return and payment within 15 days after the date of selling or quitting the business. The successor, successors or assignees, if any, shall withhold a sufficient amount of the purchase money to cover the amount of those taxes, along with applicable interest and penalties, until such time as the former owner produces a receipt from the State Tax Assessor showing that the taxes have been paid, or a certificate from the assessor stating that no trust fund taxes, interest or penalties are due. The liability of a purchaser is limited to the amount of the purchase price. A purchaser who fails to withhold a sufficient amount of the purchase price is jointly and severally liable for the payment of the taxes, penalties and interest accrued and unpaid on account of the operation of the business by the former owner, owners or assignors and the assessor may make an assessment against the purchaser at any time within 6 years from the date of the sale, transfer or assignment.

§178. PRIORITY OF TAX

Whenever the estate of a deceased person liable for any tax is insufficient to pay all the debts owed by the decedent or whenever the estate and effects of an absconding, concealed or absent person liable for any tax are levied upon by process of law, the tax, together with interest attaching thereto, must be first settled. This section may not be construed to give the State a preference over any recorded lien that attached prior to the date when the tax became due. [2005, c. 218, §7 (NEW).]

§182. INJUNCTIONS

1. Generally. The State Tax Assessor may, through the Attorney General, file an action in Superior Court applying for an order to enjoin from doing business any person who has:

- A. Failed to register with the assessor when the person is required to register by any provision of Part 3, chapter 358 or Part 5 or by any rule adopted pursuant to this Title, as long as the assessor has provided written notice and the person continues to fail to register 15 days after receiving notice from the assessor of such failure; [2007, c. 437, §2 (AMD).]
- B. Failed to file with the assessor any overdue return required by Part 3, chapter 358 or Part 5 within 15 days after receiving notice from the assessor of such failure; [2007, c. 437, §2 (AMD).]
- C. Failed to pay any tax required by Part 3, chapter 358 or Part 5 when the tax is shown to be due on a return filed by that person, or that is otherwise conceded by that person to be due, or has been determined by the assessor to be due and that determination has become final; [2007, c. 437, §2 (AMD).]
- D. Knowingly filed a false return required by Part 3, chapter 358 or Part 5; or [2007, c. 437, §2 (AMD).]
- E. Failed to deduct and withhold, or truthfully account for or pay over or make returns of, income taxes in violation of the provisions of chapter 827. [2001, c. 583, §8 (NEW).]

2. Payroll processors.

[2003, c. 668, §12 (AFF); 2003, c. 668, §8 (RP).]

3. Venue; form and content of complaint. The complaint may be filed in the Superior Court in any county where the defendant has a regular place of business or in Kennebec County if the defendant has no regular place of business. The complaint must set forth the name and the address of the defendant as stated in the defendant's last return filed with the assessor or, if no such return was filed, the defendant's last known address; the breach of the law or rule committed by the defendant; and the assessor's prayer for relief. The complaint need not be verified.

[2001, c. 583, §8 (NEW).]

4. Procedure. The Superior Court shall fix a time and place for hearing and cause notice of the time and place of the hearing to be given to the defendant. The defendant shall serve upon the assessor a copy of any answer to the complaint at least 3 days before the day of the hearing. The Superior Court may enter and change such orders and decrees from time to time as the nature of the case may require and, if necessary, may appoint a receiver.

[2001, c. 583, §8 (NEW) .]

5. Other remedies no defense. The existence of other civil or criminal remedies is not a defense to a proceeding brought pursuant to this section.

§186. INTEREST

A person who fails to pay any tax, other than a tax imposed pursuant to chapter 105, on or before the last date prescribed for payment is liable for interest on the tax, calculated from that date and compounded monthly. The rate of interest for any calendar year equals the highest prime rate as published in the Wall Street Journal on the first day of September of the preceding calendar year or, if the first day of September falls on a weekend or holiday, on the next succeeding business day, rounded up to the next whole percent plus 3 percentage points. For purposes of this section, the last date prescribed for payment of tax must be determined without regard to any extension of time permitted for filing a return. A tax that is upheld on administrative or judicial review bears interest from the date on which payment would have been due in the absence of review. Any amount that has been erroneously refunded and is recoverable by the assessor bears interest at the rate determined pursuant to this section from the date of payment of the refund. A credit or reimbursement that has been allowed or paid pursuant to this Title and is recoverable by the assessor bears interest at the rate determined pursuant to this section from the date it was allowed or paid. Interest accrues automatically, without being assessed by the assessor, and is recoverable by the assessor in the same manner as if it were a tax assessed under this Title. If the failure to pay a tax when required is explained to the satisfaction of the assessor, the assessor may abate or waive the payment of all or any part of that interest. [2009, c. 625, §3 (AMD).]

Except as otherwise provided in this Title, and except for taxes imposed pursuant to chapter 105, interest at the rate determined pursuant to this section must be paid on overpayments of tax from the date the return listing the overpayment was filed or the date payment was made, whichever is later. [2009, c. 625, §3 (AMD).]

§187-A. PREPARER PENALTY

If any part of any understatement of liability with respect to any return or claim for refund is due to a willful attempt in any manner to understate the liability for a tax by a person who prepares those returns or claims for compensation, or whose employees do so, that person shall pay a penalty of \$500 with respect to each return or claim. [1987, c. 772, §8 (NEW).]

SECTION HISTORY

1987, c. 772, §8 (NEW).

§187-B. PENALTIES

1. Failure to file return. A person who fails to make and file any return required under this Title at or before the time the return becomes due is liable for one of the following penalties if the person's tax liability shown on that return or otherwise determined to be due is greater than \$25.

A. If the return is filed before or within 60 days after the taxpayer receives from the assessor a formal demand that the return be filed, or if the return is not filed but the tax due is assessed by the assessor before the taxpayer receives from the assessor a formal demand that the return be filed, the penalty is \$25 or 10% of the tax due, whichever is greater. [2011, c. 644, §2 (AMD); 2011, c. 644, §33 (AFF).]

B. If the return is not filed within 60 days after the taxpayer receives from the assessor a formal demand that the return be filed, the penalty is \$25 or 25% of the tax due, whichever is greater. The period provided by this paragraph must be extended for up to 90 days if the taxpayer requests an extension in writing prior to the expiration of the original 60-day period. [2011, c. 644, §3 (AMD); 2011, c. 644, §33 (AFF).]

C. If the return is not filed and the assessor makes a determination of jeopardy pursuant to section 145, the penalty is 25% of the tax due. [2011, c. 380, Pt. K, §1 (AMD); 2011, c. 380, Pt. K, §2 (AFF).]

This subsection does not apply to a return required pursuant to chapter 459 that is administered pursuant to the International Fuel Tax Agreement.

[2011, c. 644, §§2, 3 (AMD); 2011, c. 644, §33 (AFF) .]

1-A. Failure to file information return.

[2013, c. 424, Pt. A, §22 (RP) .]

2. Failure to pay. The following penalties apply.

A. Any person who fails to pay, on or before the due date, any amount shown as tax on any return required under this Title is liable for a penalty of 1% of the unpaid tax for each month or fraction of a month during which the failure continues, to a maximum in the aggregate of 25% of the unpaid tax. [1999, c. 708, §10 (AMD) .]

A-1. Any person who fails to make and file any return required under this Title at or before the time the return becomes due against whom the assessor has made an assessment of tax pursuant to section 141 and who has not paid the tax on or before the date specified in that assessment is liable for a penalty of 1% of the unpaid tax for each month or fraction of a month during which the tax remains unpaid, calculated retroactively from the original due date of the unfiled return, to a maximum in the aggregate of 25% of the unpaid tax. [1999, c. 708, §11 (NEW) .]

B. Any person who fails to pay a tax assessment for which no further administrative or judicial review is available pursuant to section 151 and the Maine Administrative Procedure Act is liable for a penalty in the amount of 25% of the amount of the tax due if the payment of the tax is not made within 10 days of the person's receipt of notice of demand for payment as provided by this Title. This penalty must be explained in the notice of demand and is final when levied. [1995, c. 281, §8 (AMD) .]

This subsection does not apply to taxes due pursuant to chapter 459 and administered pursuant to the terms of the International Fuel Tax Agreement.

[2001, c. 396, §9 (AMD) .]

3. Negligence; fraud.

[1991, c. 873, §5 (NEW); 1991, c. 873, §9 (AFF); T. 36, §187-B, sub-§3 (RP) .]

3-A. Negligence; fraud. A person who files a return under this Title that results in an underpayment of tax, any portion of which is attributable to negligence or intentional disregard of this Title or rules adopted pursuant to this Title, but is not attributable to fraud with intent to evade the tax, is liable for a penalty in the amount of \$25 or 25% of that portion of the underpayment, whichever is greater. A person who files a return under this Title that results in an underpayment of tax, any portion of which is attributable to fraud with intent to evade the tax, is liable for a penalty in the amount of \$75 or 75% of that portion of the underpayment, whichever is greater. For the purposes of this section, "negligence" means any failure to make a reasonable attempt to comply with the provisions of this Title.

[2007, c. 627, §7 (AMD) .]

4. Substantial understatement.

[1991, c. 873, §5 (NEW); 1991, c. 873, §9 (AFF); T. 36, §187-B, sub-§4 (RP) .]

4-A. Substantial understatement. A person who files a return under this Title that results in an underpayment of tax, any portion of which is attributable to a substantial understatement of tax, without negligence or intentional disregard of this Title or rules adopted pursuant to this Title and without fraud with intent to evade the tax, is liable for a penalty of \$5 or 1% of that portion of the underpayment, whichever is greater, for each month or fraction of a month during which the failure to pay that portion of the underpayment continues, up to a maximum in the aggregate of \$25 or 25% of the underpayment, whichever is greater.

There is a substantial understatement of tax if the amount of the understatement on the return or returns for the period covered by the assessment exceeds 10% of the total tax required to be shown on the return or returns for that period or \$1,000, whichever is greater. For purposes of determining whether an understatement is substantial and calculating the amount of a substantial understatement that is subject to penalty under this subsection, the amount of an understatement is reduced by that portion of the understatement that is attributable to the tax treatment of any item by the taxpayer if there is or was substantial authority for that treatment.

[2007, c. 627, §8 (AMD) .]

4-B. Excessive refund. A person who files a claim for refund or reimbursement under Part 5 that is the basis for the receipt of a refund or reimbursement that substantially exceeds the amount to which the person is legally entitled is liable for a penalty of \$5 or 1% of the excess amount, whichever is greater, for each month or fraction of a month during which the failure to repay that portion of the refund or reimbursement continues, to a maximum in the aggregate of \$25 or 25% of the overpayment, whichever is greater. For purposes of this subsection, a refund or reimbursement substantially exceeds the amount to which the person is legally entitled if the amount of the refund or reimbursement exceeds the amount to which the person is legally entitled by more than 10% of the corrected amount or \$1,000, whichever is greater. For purposes of this subsection, the amount by which a refund or reimbursement exceeds the amount to which the person is legally entitled and the excess amount that is subject to penalty under this subsection must be reduced by any portion of the excessive claim for which the person has substantial authority supporting its position.

[2007, c. 437, §4 (NEW) .]

5. Insufficient funds. Any person who makes payment of an amount due under this Title by means of a check or electronic funds transfer that is returned unpaid by the bank on which it is drawn because of insufficient funds or the closing or nonexistence of the account on which it is drawn is liable for a penalty of \$20 or 1% of the payment amount, whichever is greater.

[1999, c. 708, §12 (AMD) .]

5-A. Electronic funds transfers. Any person required by the assessor to remit taxes by electronic funds transfer that fails to remit electronically is liable for a penalty of the lesser of 5% of the tax due or \$5,000. For purposes of this section, a person fails to remit electronically when:

A. Two or more required payments in any consecutive 6-month period are either not made or are made by the person by means other than electronic funds transfer and the person has been notified in writing by the assessor of that person's noncompliance and of the fact that the penalty imposed by this section may be imposed; or [1997, c. 668, §15 (NEW) .]

B. The person makes 2 or more required electronic payments in any consecutive 6-month period that do not comply with the specifications set forth in a rule issued by the assessor pursuant to section 193. [1999, c. 414, §10 (AMD) .]

[1999, c. 414, §10 (AMD) .]

5-B. Electronic data submission. Any person required by the State Tax Assessor to file returns by electronic data submission that fails to file electronically is liable for a penalty of \$50. For purposes of this subsection, a person fails to file electronically when:

A. Two or more required returns in any consecutive 6-month period either are not filed or are filed by the person by means other than electronic data submission and the person has been notified in writing by the State Tax Assessor of that person's noncompliance and of the fact that the penalty authorized by this subsection may be imposed; or [2005, c. 332, §4 (NEW); 2005, c. 332, §30 (AFF).]

B. The person files 2 or more required electronic returns in any consecutive 6-month period that do not comply with the specifications set forth in rules adopted by the State Tax Assessor pursuant to section 193. [2005, c. 332, §4 (NEW); 2005, c. 332, §30 (AFF).]

[2005, c. 332, §4 (NEW); 2005, c. 332, §30 (AFF) .]

6. Penalties not exclusive. Each penalty provided under this section is in addition to any interest and other penalties provided under this section and other law, except as otherwise provided in this section. Interest may not accrue on the penalty. This section does not apply to any filing or payment responsibility pursuant to Part 2 except that this section does apply to a filing or payment responsibility pursuant to the state telecommunications excise tax imposed under section 457. The penalties imposed under subsections 1 and 2 accrue automatically, without being assessed by the State Tax Assessor. Each penalty imposed under this section is recoverable by the assessor in the same manner as if it were a tax assessed under this Title.

[2013, c. 331, Pt. C, §7 (AMD) .]

7. Reasonable cause. The assessor shall waive or abate or, in the case of those penalties that do not accrue automatically under subsection 6, refrain from imposing any penalty imposed by subsection 1, 2, 4-A, 4-B, 5-A or 5-B or by the terms of the International Fuel Tax Agreement if grounds constituting reasonable cause are established by the taxpayer or if the assessor determines that grounds constituting reasonable cause are otherwise apparent. Reasonable cause includes, but is not limited to, the following circumstances:

A. The failure to file or pay resulted directly from erroneous information provided by the Bureau of Revenue Services; [1991, c. 873, §5 (NEW); 1991, c. 873, §8, 9 (AFF); 1997, c. 526, §14 (AMD).]

B. The failure to file or pay resulted directly from the death or serious illness of the taxpayer or a member of the taxpayer's immediate family; [1991, c. 873, §5 (NEW); 1991, c. 873, §8, 9 (AFF).]

C. The failure to file or pay resulted directly from a natural disaster; [1991, c. 873, §5 (NEW); 1991, c. 873, §8, 9 (AFF).]

D. A return that was due monthly was filed and paid less than one month late and all of the taxpayer's returns and payments during the preceding 12 months were timely; [1995, c. 281, §9 (AMD).]

E. A return that was due other than monthly was filed and paid less than one month late and all of the taxpayer's returns and payments during the preceding 3 years were timely; [1995, c. 281, §9 (AMD).]

F. The taxpayer has supplied substantial authority justifying the failure to file or pay; or [1991, c. 873, §5 (NEW); 1991, c. 873, §8, 9 (AFF).]

G. The amount subject to a penalty imposed by subsection 1, 2, 4-A or 5-A is de minimis when considered in relation to the amount otherwise properly paid, the reason for the failure to file or pay and the taxpayer's compliance history. [2011, c. 380, Pt. L, §1 (AMD).]

Absent a determination by the assessor that grounds constituting reasonable cause are otherwise apparent, the burden of establishing grounds for waiver or abatement is on the taxpayer.

[2011, c. 655, Pt. QQ, §3 (AMD); 2011, c. 655, Pt. QQ, §8 (AFF) .]

For purposes of this section, the term "person" includes an individual, corporation or partnership or any officer or employee of a corporation, including a dissolved corporation, or a member or employee of a partnership who, as the officer, employee or member, is under a duty to perform the act in respect of which a violation occurs. §191. CONFIDENTIALITY OF TAX RECORDS

(CONFLICT)

1. Basic prohibition. It is unlawful for any public official or any employee or agent of the bureau to inspect willfully any return or examine information contained on any return, for any purpose other than the conduct of official duties. Except as otherwise provided by law, it is unlawful for any person who, pursuant to this Title, has been permitted to receive or view any portion of the original or a copy of any report, return or other information provided pursuant to this Title to divulge or make known in any manner any information set forth in any of those documents or obtained from examination or inspection under this Title of the premises or property of any taxpayer. This prohibition applies to both state tax information and federal tax information filed as part of a state tax return.

1969, c. 502, §2 (NEW). 1975, c. 628, §1 (RPR). 1985, c. 764, §6 (AMD). 1993, c. 395, §8 (AMD).

§208-A. ADJUSTMENT FOR SUDDEN AND SEVERE DISRUPTION OF VALUATION

1. Request for adjustment. A municipality that has experienced a sudden and severe disruption in its municipal valuation may request an adjustment to the equalized valuation determined by the State Tax Assessor under section 208 for the purposes of calculating distributions of education funding under Title 20-A, chapter 606-B and state-municipal revenue sharing under Title 30-A, section 5681. A municipality requesting an adjustment under this section must file a petition, with supporting documentation, with the State Tax Assessor by March 31st of the year following the tax year in which the sudden and severe disruption occurred and indicate the time period for which adjustments to distributions are requested under subsection 5.

[2013, c. 368, Pt. O, §2 (AMD); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF).]

2. Sudden and severe disruption. A municipality experiences a sudden and severe disruption in its municipal valuation if:

- A. The municipality experiences a net reduction in equalized municipal valuation of at least 2% from the equalized municipal valuation that would apply without adjustment under this section; [2013, c. 368, Pt. O, §3 (AMD); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF).]
- B. The net reduction in equalized municipal valuation is attributable to the cessation of business operations, removal, functional or economic obsolescence not due to short-term market volatility or destruction of or damage to property resulting from disaster attributable to a single taxpayer that occurred in or was not reasonably determinable until the prior tax year; and [2013, c. 368, Pt. O, §3 (AMD); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF).]
- C. The municipality's equalized tax rate of residential property following the sudden and severe disruption in municipal valuation exceeds the most recent state average of residential property for which data is available. [2015, c. 236, §1 (AMD).]

For purposes of this subsection, "removal" does not include property that was present in the municipality for less than 24 months. This subsection does not apply to property acquired by a municipality that otherwise could seek relief pursuant to this section.

[2015, c. 236, §1 (AMD) .]

3. Procedure. A municipality may request an adjustment under this section by filing a petition with the State Tax Assessor in accordance with this subsection.

A. The municipality, on forms prescribed by the State Tax Assessor, shall identify a net reduction in equalized municipal valuation of at least 2% of the municipality's equalized value attributable to the property of a single taxpayer, the date of the loss and the cause of the loss. The municipality must include an appraisal report prepared by a qualified professional appraiser with respect to the property responsible for the loss that shows the value of the property immediately prior to the loss and the value of the property following the loss. The appraisal report must include a summary of the appraiser's consideration of the cost, income capitalization and sales comparison approaches to the value of the property. The municipality is required to provide any other documentation to support its claim as determined by the State Tax Assessor, including, if requested, all records associated with the municipality's assessment of the property subject to the requested adjustment for the 3-year period prior to the date of the reduction in valuation.

For purposes of this paragraph, "qualified professional appraiser" means an individual who has at least 5 years' experience determining the just value of real and personal property of the commercial and industrial type using the 3 standard methods of valuation and who attests in writing to the State Tax Assessor that the individual has a current working knowledge of the application of the 3 standard methods of valuation to real and personal property of the commercial and industrial type and:

- (1) Is a certified general real property appraiser licensed under Title 32, chapter 124; or
- (2) Is an assessor certified under Title 36, section 310. [2013, c. 368, Pt. O, §4 (NEW); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF).]

B. The State Tax Assessor shall examine the documentation provided by the municipality and determine whether the municipality qualifies for an adjustment under this section. [2013, c. 368, Pt. O, §4 (NEW); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF).]

C. If the State Tax Assessor determines that a municipality qualifies for an adjustment under this section, the State Tax Assessor shall calculate the amount of the adjustment for the municipality by determining the amount by which the state valuation determined under section 208 would be reduced as a result of the net sudden and severe disruption of equalized municipal valuation for the state valuations to be used in the next fiscal year by the Commissioner of Education and the Treasurer of State. The State Tax Assessor shall adjust subsequent state valuations until such time as the state valuation recognizes the loss. The State Tax Assessor may limit the time period or amount of adjustment to reflect the circumstances of the sudden and severe loss of valuation. [2013, c. 368, Pt. O, §4 (NEW); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF).]

[2013, c. 368, Pt. O, §11 (AFF); 2013, c. 368, Pt. O, §4 (RPR); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF) .]

4. Notifications. After review of the claim, the State Tax Assessor, in writing, shall approve or deny, in whole or in part, the adjustment requested.

A. The written decision must include the findings of fact upon which the decision is based. Notwithstanding section 151, the State Tax Assessor's written determination constitutes final agency action that is subject to review by the Superior Court in accordance with the Maine Administrative

Procedure Act, except that Title 5, section 11006 does not apply. [2013, c. 368, Pt. O, §5 (NEW); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF).]

B. Within 30 days of providing the municipality the written determination denying, in whole or in part, a claim for adjustment, the State Tax Assessor shall provide a copy of the denial letter to the joint standing committee of the Legislature having jurisdiction over taxation matters. [2013, c. 368, Pt. O, §5 (NEW); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF).]

C. The State Tax Assessor shall notify the Commissioner of Education and the Treasurer of State of any adjustment to state valuation determined under this section and the time period to which the adjustment applies. [2013, c. 368, Pt. O, §5 (NEW); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF).]

[2013, c. 368, Pt. O, §11 (AFF); 2013, c. 368, Pt. O, §5 (RPR); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF) .]

5. Effect of modified state valuation. The determination of an adjustment to state valuation has the following effect.

A. The Commissioner of Education shall use the adjusted state valuation amount instead of the valuation certified under section 305 in calculating education funding obligations for the following fiscal year. [2013, c. 368, Pt. O, §6 (AMD); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF).]

B. The Treasurer of State shall use the adjusted state valuation amount instead of the valuation certified under section 305 in calculating distributions of state-municipal revenue sharing for the following fiscal year. [2013, c. 368, Pt. O, §6 (AMD); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF).]

[2013, c. 368, Pt. O, §6 (AMD); 2013, c. 368, Pt. O, §11 (AFF); 2013, c. 385, §§1, 3 (AFF); 2013, c. 544, §§6, 7 (AFF) .]

6. Report. By February 1st, annually, the State Tax Assessor shall submit a report to the joint standing committee of the Legislature having jurisdiction over taxation matters identifying all requests for adjustment of equalized valuation under this section during the previous calendar year, the assessor's determination regarding each request and the amount of any payments made by the Commissioner of Education under subsection 5, paragraph A.

Primary assessing areas, both single units and districts, shall be reviewed at least every 10 years by the State Tax Assessor. When conditions justify alteration of the boundaries of the primary assessing areas, the State Tax Assessor may so order after appropriate hearing. Any municipality may withdraw from designation as a primary assessing area upon proper notice.

[1979, c. 666, §8 (AMD).]

2. Municipal assessing units. Any municipality may decide not to be designated as a primary assessing area and shall be designated a municipal assessing unit. For any tax year for which the maximum interest rate established by the Treasurer of State under subsection 4 is 2 percentage points or more lower than the maximum rate established by the Treasurer of State for the previous tax year, the municipality may adopt an interest rate that is up to 2 percentage points over the rate established by the Treasurer of State for the tax year under subsection 4.

[2001, c. 635, §2 (NEW) .]

5. Abatement when taxes paid prior to time. That all taxpayers who pay their taxes prior to specified times shall be entitled to abatement thereon, which abatement shall not exceed 10%, and shall be specified in the vote. A notification of such vote shall be posted by the treasurer in one or more public places in the municipality within 7 days after the commitment of the taxes.

1. Reductions to tax. The property tax bill must contain a statement or calculation that demonstrates the amount or percentage by which the taxpayer's tax has been reduced by the distribution of state-municipal revenue sharing, state reimbursement for the Maine resident homestead property tax exemption and state aid for education. Such service charges must be calculated according to the actual cost of providing municipal services to that real property and to the persons who use that property, and revenues derived from the charges must be used to fund, to the extent possible, the costs of those services. The municipal legislative body shall identify those institutions and organizations upon which service charges are to be levied.

A municipality that imposes service charges on any institution or organization must impose those service charges on every similarly situated institution or organization. Subchapter 2: REAL PROPERTY TAXES

§551. REAL ESTATE; DEFINED

Real estate, for the purposes of taxation under this Part, includes all lands in the State and all buildings, mobile homes, camper trailers and other things that are affixed to land, together with any appurtenant water power, shore privileges and rights, forests and mineral deposits; interests and improvements in land, the fee of which is in the State; interests by contract or otherwise in real estate exempt from taxation; and lines of electric light and power companies. Buildings, mobile homes, camper trailers and other things that are affixed to leased land or land not owned by the owner of the buildings must be taxed as real estate in the place where that land is located. Mobile homes, except stock in trade, are considered real estate for purposes of taxation under this Part. [2007, c. 627, §13 (AMD) .]

1967, c. 271, §1 (AMD). 1971, c. 235, §1 (AMD). 1975, c. 252, §14 (AMD). 2007, c. 627, §13 (AMD).

§552. -- TAX LIEN

There shall be a lien to secure the payment of all taxes legally assessed on real estate as defined in section 551, provided in the inventory and valuation upon which the assessment is made there shall be a description of the real estate taxed sufficiently accurate to identify it. Such lien shall take precedence over all other claims on said real estate and shall continue in force until the taxes are paid or until said lien is otherwise terminated by law.

§553. -- WHERE TAXED

All real estate shall be taxed in the place where it is to the owner or person in possession, whether resident or nonresident.

§554. MORTGAGED REAL ESTATE; TAXES; PAYMENT

In cases of mortgaged real estate, the mortgagor, for the purposes of taxation, shall be deemed the owner, until the mortgagee takes possession, after which the mortgagee shall be deemed the owner. Any mortgagee of real estate, on which any taxes remain unpaid for a period of 8 months after the taxes are assessed, may pay such taxes, and the amount so paid together with interest and costs thereon shall become a part of the mortgage debt and shall bear interest at the same rate as the lowest rate of interest provided for in any of the notes secured by any mortgage on that real estate held by such mortgagee.

§555. TENANTS IN COMMON AND JOINT TENANTS

A tenant in common or a joint tenant may be considered sole owner for the purposes of taxation, unless he notifies the assessors what his interest is; but when a tax is assessed on lands owned or claimed to be owned in common, or in severalty, any person may furnish the tax collector an accurate description of his interest in the land and pay his proportion of such tax; and thereafter his land or interest shall be free of all lien created by such tax.

§556. LANDLORD AND TENANT

When a tenant paying rent for real estate is taxed therefor, he may retain out of his rent half of the taxes paid by him. When a landlord is taxed for such real estate, he may recover half of the taxes paid by him and his rent in the same action against the tenant, unless there is an agreement to the contrary.

§557. ASSESSMENT; CONTINUED UNTIL NOTICE OF TRANSFER

When assessors continue to assess real estate to the person to whom it was last assessed, such assessment is valid, although the ownership or occupancy has changed, unless previous written notice to the assessors has been given of such change and of the name of the person to whom it has been transferred or surrendered.

§557-A. ASSESSMENT; UNKNOWN OWNER

In the case of real property for which no owner is known to the assessors for at least the preceding 20 tax years and for which the assessor has, with reasonable diligence, attempted to determine ownership, the following assessment procedure must be used. [1993, c. 422, §3 (AMD).]

Property of an unknown owner is assessed as other property, except that the owner must be indicated as "unknown." Additionally, the assessing must be advertised once a week for 3 consecutive weeks in a newspaper of general circulation in the county in which the property is located. The notice must describe the real estate that is being assessed so that a reasonable person may know, with probable certainty, what premises are subject to tax, together with a statement that the property is assessed to an unknown owner as the result of the failure of a reasonable search to ascertain an owner of record. This newspaper publication is sufficient legal notice of that assessment. At the time of this publication, a copy of the same notice must be sent by certified mail, return receipt requested, to each abutting property owner. [1993, c. 422, §3 (AMD).]

If the owner of property is still unknown, after use of this notice procedure for assessment purposes, the tax collector and treasurer shall use the same procedure for those notices required under sections 942 and 943. [1993, c. 422, §3 (AMD).]

§558. TAXES PRORATED BETWEEN SELLER AND PURCHASER

A purchaser of real estate may agree with the previous owner or party to whom the real estate was formerly taxed to pay the pro rata or proportional share of taxes. Unless otherwise specified by the parties to the agreement, the taxes shall be prorated over the period of the fiscal year of the municipality in which the land is located. [1981, c. 23, (RPR).]

SECTION HISTORY

1981, c. 23, (RPR).

§558-A. LIABILITY FOR FAILURE TO PAY PRORATED PROPERTY TAXES

1. Civil action authorized. If after a real estate closing in which the parties have prorated property taxes pursuant to section 558, any party knowingly fails to pay that party's share of the taxes, which results in a lien being filed, any other party to the transaction who pays the taxes that are owed by the delinquent party may recover in a civil action from the delinquent party the amount of unpaid taxes, costs incurred in releasing the lien and reasonable attorney's fees.

[2007, c. 687, §1 (NEW) .]

2. Effect on credit rating. If a party prevails in an action filed under subsection 1 and a record of a lien in that party's name has been placed in that party's file with a consumer reporting agency, that lien must be considered inaccurate information under 15 United States Code, Section 1681i if the party requesting relief submits a copy of the court judgment and proof of payment of the lien to the consumer reporting agency.

§559. DECEASED PERSONS

Until notice is given to the assessors of the division of the estate and the name of the several heirs or devisees, the undivided real estate of a deceased person may be taxed to his heirs or devisees, or may be taxed to his personal representative. [1979, c. 540, §42-A (AMD) .]

1. Heirs or devisees. A tax to the heirs or devisees may be made without designating any of them by name and each heir or devisee shall be liable for the whole of such tax. Any heir or devisee so taxed may recover of the other heirs or devisees their portions thereof when paid by him. In an action to recover the tax paid, the undivided shares of such heirs or devisees in the real estate, upon which such tax has been paid, may be attached on mesne process or taken on execution issued on a judgment recovered in an action therefor.

2. Personal representative. A tax to the personal representative shall be collected of him the same as a tax assessed against him in his private capacity. Such tax shall be a charge against the estate and shall be allowed by the judge of probate; but when the personal representative notifies the assessors that he has no funds of the estate to pay such tax and gives them the names of the heirs or devisees, and the proportions of their interests in the real estate to the best of his knowledge, the real estate shall no longer be taxed to him.

This section does not apply to loan and building associations.

§561. RAILROAD BUILDINGS

The buildings of every railroad corporation or association, whether within or without the located right-of-way, its lands and fixtures outside of its located right-of-way, and so much of its located right-of-way over which all railroad service has been abandoned, are subject to taxation in the places in which the same are situated, as other property is taxed therein, and shall be regarded as nonresident land. §562. STANDING WOOD, BARK AND TIMBER; TAXED TO PURCHASER

Whenever the owner of real estate notifies the assessors that any part of the wood, bark and timber standing thereon has been sold by contract in writing, and exhibits to them proper evidence, they shall tax such wood, bark and timber to the purchaser. A lien is created on such wood, bark and timber for the payment of such taxes, and may be enforced by the collector by a sale thereof when cut, as provided in section 991.

§563. FOREST LAND; POLICY

It is declared to be the public policy of the State, by which all officials of the State and of its municipal subdivisions are to be guided in the performance of their official duties, to encourage by the maintenance of adequate incentive the operation of all forest lands on a sustained yield basis by their owners, and to establish and maintain uniformity in methods of assessment for purposes of taxation according to the productivity of the land, giving due weight in the determination of assessed value to location and public facilities as factors contributing to advantage in operation.

§564. -- ASSESSMENT

An assessment of forest land for purposes of taxation shall be held to be in excess of just value by any court of competent jurisdiction, upon proof by the owner that the tax burden imposed by the assessment creates an incentive to abandon the land, or to strip the land, or otherwise to operate contrary to the public policy declared in section 563. In proof of his contention the owner shall show that by reason of the burden of the tax he is unable by efficient operation of the forest land on a sustained yield basis to obtain an adequate annual net return commensurate with the risk involved.

For the purposes of this section forest land shall be held to include any single tract of land exceeding 25 acres in area under one ownership which is devoted to the growing of trees for the purpose of cutting for commercial use.

Subchapter 2-A: TREE GROWTH TAX LAW**§571. TITLE**

This subchapter may be cited as the "Maine Tree Growth Tax Law." [1971, c. 616, §8 (NEW).]

SECTION HISTORY

1971, c. 616, §8 (NEW).

§572. PURPOSE

It has for many years been the declared public policy of the State of Maine, as stated in sections 563 and 564, to tax all forest lands according to their productivity and thereby to encourage their operation on a sustained yield basis. However, the present system of ad valorem taxation does not always accomplish that objective. It has caused inadequate taxation of some forest lands and excessive taxation and forfeiture of other forest lands. [1979, c. 127, §196 (AMD).]

It is declared to be the public policy of this State that the public interest would be best served by encouraging forest landowners to retain and improve their holdings of forest lands upon the tax rolls of the State and to promote better forest management by appropriate tax measures in order to protect this unique economic and recreational resource. [1971, c. 616, §8 (NEW).]

This subchapter implements the 1970 amendment of Section 8 of Article IX of the Maine Constitution providing for valuation of timberland and woodlands according to their current use by means of a classification and averaging system designed to provide efficient administration. [1973, c. 308, §1 (NEW).]

Therefore, this subchapter is enacted for the purpose of taxing forest lands generally suitable for the planting, culture and continuous growth of forest products on the basis of their potential for annual wood production in accordance with the following provisions. [1971, c. 616, §8 (NEW).]

SECTION HISTORY

1971, c. 616, §8 (NEW). 1973, c. 308, §1 (AMD). 1979, c. 127, §196 (AMD).

A plan may include, but is not limited to, schedules and recommendations for timber stand

improvement, harvesting plans and recommendations for regeneration activities. The plan must be prepared by a licensed professional forester or a landowner and be reviewed and certified by a licensed professional forester as consistent with this subsection and with sound silvicultural practices.

[1971, c. 616, §8 (NEW) .]

5. Hardwood type. "Hardwood type" means forests in which maple, beech, birch, oak, elm, basswood, poplar and ash, singly or in combination, comprise 75% or more of the stocking.

8. Stumpage value. "Stumpage value" means the average value of standing timber before it is cut expressed in terms of dollars per unit of measure as determined by the State Tax Assessor.

[1971, c. 616, §8 (NEW) .]

9. Value of the annual net wood production. "Value of the annual net wood production" means the average annual net wood production rate per acre for a forest type multiplied by the weighted average of the stumpage values of all species in the type.

(REPEALED)

SECTION HISTORY

1971, c. 616, §8 (NEW). 1973, c. 308, §3 (AMD). 1981, c. 517, §4 (AMD). 1981, c. 625, §2 (AMD). 1989, c. 555, §15 (RP).

§574-A. INELIGIBILITY

The Legislature finds that when the value of a recreational use lease of forest land exceeds the value of the tree growth that can be extracted from that land on a sustained basis per acre as determined pursuant to section 576, then the land is no longer primarily used for the continuous growth of forest products. This finding is sufficient cause to remove from taxation under this subchapter those parcels that are more valuable for recreational use and are being leased on that basis. Therefore, notwithstanding sections 573 and 574-B, a parcel of forest land that is leased for consideration to any person to use for recreational purposes does not qualify for taxation under this subchapter if that parcel of land exceeds 100 acres and if the consideration for that lease per acre exceeds the value of the growth that can be extracted on a sustained basis per acre as determined pursuant to section 576. The owner of the leased parcels shall submit a copy of the lease or leases on land subject to taxation under this subchapter to the State Tax Assessor for land in the unorganized territory and to the municipal assessors for land in municipalities. The State Tax Assessor or the municipal assessor shall determine whether the value of the lease exceeds the sustained growth value. If the value of the lease is determined to exceed the sustained growth value, the owner of the forest land has 60 days from the date of receipt of notice of that determination to either terminate the lease, amend the lease to comply with the requirements of this section or withdraw the land covered by the lease from taxation under this subchapter. A withdrawal pursuant to this section is subject to the provisions of section 581. [2007, c. 627, §14 (AMD).]

SECTION HISTORY

1987, c. 755, (NEW). 1989, c. 508, §9 (AMD). 2007, c. 627, §14 (AMD).

§574-B. APPLICABILITY

An owner of a parcel containing forest land may apply at the landowner's election by filing with the assessor the schedule provided for in section 579, except that this subchapter does not apply to any parcel containing less than 10 acres of forest land. For purposes of this subchapter, a parcel is deemed to include a unit of real estate, notwithstanding that it is divided by a road, way, railroad or pipeline, or by a municipal or county line. The election to apply requires the written consent of all owners of an interest in a parcel except for the State. For applications submitted on or after August 1, 2012, the size of the exclusion from classification under this subchapter for each structure located on the parcel and for each residential structure located on the parcel in shoreland areas is determined pursuant to section 574-C. [2011, c. 618, §2 (AMD).]

A parcel of land used primarily for growth of trees to be harvested for commercial use is taxed according to this subchapter, as long as the landowner complies with the following requirements: [2011, c. 618, §2 (AMD).]

1. Forest management and harvest plan. A forest management and harvest plan must be prepared for each parcel and updated every 10 years. The landowner shall file a sworn statement with the municipal assessor for a parcel in a municipality or with the State Tax Assessor for a parcel in the unorganized territory that a forest management and harvest plan has been prepared for the parcel;

A. [1999, c. 33, §1 (RP).]

B. [1999, c. 33, §1 (RP).]

C. [1999, c. 33, §1 (RP).]

[2009, c. 434, §15 (AMD) .]

2. Evidence of compliance with plan. The landowner must comply with the plan developed under subsection 1, and must submit, every 10 years to the municipal assessor in a municipality or the State Tax Assessor for parcels in the unorganized territory, a statement from a licensed professional forester that the landowner is managing the parcel according to schedules in the plan required under subsection 1;

[2011, c. 618, §2 (AMD) .]

3. Transfer of ownership. When land taxed under this subchapter is transferred to a new owner, within one year of the date of transfer, the new landowner must file with the municipal assessor or the State Tax Assessor for land in the unorganized territory one of the following:

A. A sworn statement indicating that a new forest management and harvest plan has been prepared; or
[2001, c. 603, §4 (NEW).]

B. A statement from a licensed professional forester that the land is being managed in accordance with the plan prepared for the previous landowner. [2001, c. 603, §4 (NEW).]

The new landowner may not harvest or authorize the harvest of forest products for commercial use until a statement described in paragraph A or B is filed with the assessor. A person owning timber rights on land taxed under this subchapter may not harvest or authorize the harvest of forest products for commercial use until a statement described in paragraph A or B is filed with the assessor.

Parcels of land subject to section 573, subsection 3, paragraph B or C are exempt from the requirements under this subsection.

For the purposes of this subsection, "transferred to a new owner" means the transfer of the controlling interest in the fee ownership of the land or the controlling interest in the timber rights on the land; and

[2011, c. 618, §2 (AMD) .]

4. Attestation. Beginning August 1, 2012, when a landowner is required to provide to the assessor evidence that a forest management and harvest plan has been prepared for the parcel or updated pursuant to subsection 1, or when a landowner is required to provide evidence of compliance pursuant to subsection 2, the landowner must provide an attestation that the landowner's primary use for the forest land classified pursuant to this subchapter is to grow trees to be harvested for commercial use or that the forest land is land described in section 573, subsection 3, paragraphs A, B, C or E. The existence of multiple uses on an enrolled parcel does not render it inapplicable for tax treatment under this subchapter, as long as the enrolled parcel remains primarily used for the growth of trees to be harvested for commercial use.

§574-C. REDUCTION OF PARCELS WITH STRUCTURES; SHORELAND AREAS

If a parcel of land for which an owner seeks classification under this subchapter on or after August 1, 2012 contains a structure for which a minimum lot size is required under state law or by municipal ordinance, the owner in the schedule under section 579 shall apply the following reduction to the land to be valued under this subchapter. [2011, c. 618, §3 (NEW).]

1. Structures. For each structure located on the parcel for which a minimum lot size is required under state law or by municipal ordinance, the owner in the schedule under section 579 shall exclude from the forest land subject to valuation under this subchapter the area of land in the parcel containing the structure or structures, which may not be less than 1/2 acre.

[2011, c. 618, §3 (NEW) .]

2. Shoreland areas. For each residential structure located within a shoreland area, as identified in Title 38, section 435, the owner in the schedule under section 579 shall exclude from the forest land subject to valuation under this subchapter the area of land in the parcel containing the structure or structures, which may not be less than 1/2 acre, and the excluded parcel must include 100 feet of shoreland frontage or the minimum shoreland frontage required by the applicable minimum requirements of the zoning ordinance for the area in which the land is located, whichever is larger. If the parcel has less than 100 feet of shoreland frontage, the entire shoreland frontage must be excluded. This subsection does not apply to a structure that is used principally for commercial activities related to forest products that have commercial value as long as any residential use of the structure is nonrecreational, temporary in duration and purely incidental to the commercial use.

§575-A. DETERMINING COMPLIANCE WITH FOREST MANAGEMENT AND HARVEST PLAN

1. Assistance to assessor. Upon request of a municipal assessor or the State Tax Assessor and in accordance with section 579, the Director of the Bureau of Forestry within the Department of Agriculture, Conservation and Forestry may provide assistance in evaluating a forest management and harvest plan to determine whether the plan meets the definition of a forest management and harvest plan in section 573, subsection 3-A. Upon request of a municipal assessor or the State Tax Assessor, the Director of the Bureau of Forestry may provide assistance in determining whether a harvest or other silvicultural activity conducted on land enrolled under this subchapter complies with the forest management and harvest plan prepared for that

parcel of land. When assistance is requested under this section and section 579, the Director of the Bureau of Forestry or the director's designee may enter and examine forest land for the purpose of determining compliance with the forest management and harvest plan.

2. Random sampling and report. The Director of the Bureau of Forestry within the Department of Agriculture, Conservation and Forestry is authorized to conduct periodic random sampling of land enrolled under this subchapter to identify any differences in compliance with forest management and harvest plans based on location or type of parcel and to assess overall compliance with the requirements of this subchapter. For the purposes of this subsection, the Director of the Bureau of Forestry or the director's designee may:

A. With appropriate notification to the landowner, enter and examine forest land for the purpose of determining compliance with the forest management and harvest plan pursuant to section 574-B; [2011, c. 619, §1 (NEW).]

B. Request and review a forest management and harvest plan required under section 574-B, which must be provided by a landowner or the landowner's agent upon request; and [2011, c. 619, §1 (NEW) .]

C. Request and review an expired forest management and harvest plan, which must be provided by a landowner or the landowner's agent upon request, if the expired plan is in the possession of the landowner or the landowner's agent. [2011, c. 619, §1 (NEW) .]

A forest management and harvest plan provided to the Director of the Bureau of Forestry or the director's designee under this subsection is confidential. Information collected pursuant to this subsection is confidential and is not a public record as defined in Title 1, section 402, subsection 3, except that the director shall publish at least one summary report, which may not reveal the activities of any person and that is available as a public record. This subsection is repealed on December 31, 2014.

§576. POWERS AND DUTIES

The State Tax Assessor shall determine the average annual net wood production rate for each forest type described in section 573, subsections 5 to 7, in each county or region to be used in determining valuations applicable to forest land under this subchapter, on the basis of the surveys of average annual growth rates applicable in the State made from time to time by the United States Forest Service or by the Maine Forestry Bureau. The growth rate surveys must be reduced by the percentage discount factor prescribed by section 576-B to reflect the growth that can be extracted on a sustained basis. The rates when determined remain in effect without change for each county through the property tax year ending March 31, 1975. In 1974 and in every 10th year thereafter, the State Tax Assessor shall review and set rates for the following 10-year period in the same manner. [1997, c. 504, §6 (AMD) .]

The State Tax Assessor shall determine the average stumpage value for each forest type described in section 573, subsections 5 to 7, applicable in each county, or in alternative forest economic regions as the assessor designates, after passage of this subchapter and in each year thereafter, taking into consideration the prices upon sales of sound standing timber of that forest type in that area during the previous calendar year, and any other appropriate considerations. [1997, c. 504, §6 (AMD) .]

The proportions of the various species making up the type are to be used in the computations of the average annual net wood production rates and average stumpage values for each forest type and the proportions of the various products are to be used in the computations of average stumpage values. [1971, c. 616, §8 (NEW).]

After the State Tax Assessor has made the foregoing determinations, the assessor shall apply the capitalization rate prescribed by section 576-B to the value of the annual net wood production to determine the 100% valuation per acre for each forest type for each area and shall state the wood production rates and values used to compute those rates and values. [1997, c. 504, §6 (AMD).]

The State Tax Assessor shall certify and transmit rules to the municipal assessors of each municipality with respect to forest land therein on or before April 1st of each year. [1997, c. 504, §6 (AMD).]

§576-B. DISCOUNT FACTOR AND CAPITALIZATION RATE

The percentage factor by which the growth rates set by the State Tax Assessor pursuant to section 576 must be reduced to reflect the growth that can be extracted on a sustained basis is 10%. The capitalization rate applied to the value of the annual net wood production pursuant to section 576 is 8.5%. [1997, c. 504, §7 (RPR).]

§577. REDUCED VALUATION UNDER SPECIAL CIRCUMSTANCES

1. On January 1, 1972.

[2007, c. 438, §13 (RP).]

2. Destruction by natural disaster. In the case of forest land areas upon which the trees are destroyed by fire, disease, insect infestation or other natural disaster, so that the area contains not more than 3 cords per acre of wood that is merchantable for forest products, the valuation of that specific land area must be reduced by 75% for the first 10 property tax years following the loss.

[2007, c. 438, §14 (AMD).]

3. Procedure to obtain reduced valuation. In order to obtain a reduced valuation, the landowner must submit a written request to the assessor on or before January 1st the preceding tax year, presenting facts in affidavit form that meet the requirements of subsection 2. The assessor may investigate the facts, utilizing the procedures set forth in section 579, and shall then determine whether the requirements of subsection 2 are met. If the requirements are met, the forest land areas must be valued as provided in subsection 2.

[2007, c. 438, §15 (AMD) .]

4. Report and recommendation from Director of the Bureau of Forestry. In determining the applicability of this section, the assessor may request a report and recommendation from the Director of the Bureau of Forestry.

§578. ASSESSMENT OF TAX

1. Organized areas. The municipal assessors or chief assessor of a primary assessing area shall adjust the State Tax Assessor's 100% valuation per acre for each forest type of their county by whatever ratio, or percentage of current just value, is applied to other property within the municipality to obtain the assessed values. Forest land in the organized areas, subject to taxation under this subchapter, must be taxed at the property tax rate applicable to other property in the municipality.

The State Tax Assessor shall determine annually the amount of acreage in each municipality that is classified and taxed in accordance with this subchapter. Each municipality is entitled to annual payments distributed in accordance with this section from money appropriated by the Legislature if it submits an annual return in accordance with section 383 and if it achieves the minimum assessment ratio established in section 327. The State Tax Assessor shall pay any municipal claim found to be in satisfactory form by August 1st of the year following the submission of the annual return. The municipal reimbursement appropriation is calculated on the basis of 90% of the per acre tax revenue lost as a result of this subchapter. For property tax years based on the status of property on April 1, 2008 and April 1, 2009, municipal reimbursement under this section is further limited to the amount appropriated by the Legislature and distributed on a pro rata basis by the State Tax Assessor for all timely filed claims. For purposes of this section, "classified forest lands" means forest lands classified pursuant to this subchapter as well as all areas identified as forested land within farmland parcels that are transferred from tree growth classification pursuant to section 1112 on or after October 1, 2011. For the purposes of this section, the tax lost is the tax that would have been assessed, but for this subchapter, on the classified forest lands if they were assessed according to the undeveloped acreage valuations used in the state valuation then in effect, or according to the current local valuation on undeveloped acreage, whichever is less, minus the tax that was actually assessed on the same lands in accordance with this subchapter, and adjusted for the aggregate municipal savings in required educational costs attributable to reduced state valuation. A municipality that fails to achieve the minimum assessment ratio established in section 327 loses 10% of the reimbursement provided by this section for each one percentage point the minimum assessment ratio falls below the ratio established in section 327.

The State Tax Assessor shall adopt rules necessary to implement the provisions of this section. Rules adopted pursuant to this subsection are routine technical rules for the purposes of Title 5, chapter 375, subchapter 2-A.

A. [2007, c. 438, §16 (RP).]

B. [2007, c. 438, §16 (RP).]

C. The State Tax Assessor shall distribute reimbursement under this section to each municipality in proportion to the product of the reduced tree growth valuation of the municipality multiplied by the property tax burden of the municipality. For purposes of this paragraph, unless the context otherwise indicates, the following terms have the following meanings.

- (1) "Property tax burden" means the total real and personal property taxes assessed in the most recently completed municipal fiscal year, except the taxes assessed on captured value within a tax increment financing district, divided by the latest state valuation certified to the Secretary of State.
- (2) "Undeveloped land" means rear acreage and unimproved nonwaterfront acreage that is not:
 - (a) Classified under the laws governing current use valuation set forth in chapter 105, subchapter 2-A, 10 or 10-A;
 - (b) A base lot; or
 - (c) Waste land.
- (3) "Average value of undeveloped land" means the per acre undeveloped land valuations used in the state valuation then in effect, or according to the current local valuation on undeveloped land as determined for state valuation purposes, whichever is less.
- (4) "Reduced tree growth valuation" means the difference between the average value of undeveloped land and the average value of tree growth land times the total number of acres classified as forest land under this subchapter plus the total number of acres of forest land that is transferred from tree growth classification to farmland classification pursuant to section 1112 on or after October 1, 2011. [2011, c. 404, §1 (AMD).]

[2011, c. 404, §1 (AMD) .]

2. Unorganized territory. The State Tax Assessor shall adjust the 100% valuation per acre for each type for each county by such ratio or percentage as is then being used to determine the state valuation applicable to other property in the unorganized territory to obtain the assessed values. Commencing April 1, 1973, forest land in the unorganized territory subject to taxation under this subchapter shall be taxed at the same property tax rate as is applicable to other property in the unorganized territory, which rate shall be applied to the assessed values so determined. Upon collection by the State Tax Assessor, such taxes shall be deposited in the Unorganized Territory Education and Services Fund in accordance with section 1605.

[1981, c. 706, §8 (AMD) .]

3. Divided ownership. In cases of divided ownership of land and the timber and grass rights thereon, the assessor shall apportion 10% of the valuation to the land and 90% of the valuation to the timber and grass rights.

§579. SCHEDULE, INVESTIGATION

The owner or owners of forest land subject to valuation under this subchapter shall submit a signed schedule, on or before April 1st of the year in which that land first becomes subject to valuation under this subchapter, to the assessor upon a form prescribed by the State Tax Assessor, identifying the land to be valued under this subchapter, listing the number of acres of each forest type, showing the location of each forest type and representing that the land is used primarily for the growth of trees to be harvested for commercial use. Those schedules may be required at such other times as the assessor may designate upon 120 days' written notice. [2011, c. 240, §6 (AMD).]

The assessor shall determine whether the land is subject to valuation and taxation under this subchapter and shall classify the land as to forest type. [2011, c. 240, §6 (AMD).]

The assessor or the assessor's duly authorized representative may enter and examine the forest lands under this subchapter and may examine any information submitted by the owner or owners. A copy of the forest management and harvest plan required under section 574-B must be available to the assessor to review upon request and to the Director of the Bureau of Forestry within the Department of Agriculture, Conservation and Forestry or the director's designee to review upon request when the assessor seeks assistance in accordance with section 575-A. For the purposes of this paragraph, "to review" means to see or possess a copy of a plan for a reasonable amount of time to verify that the plan exists or to facilitate an evaluation as to whether the plan is appropriate and is being followed. Upon completion of the review, the plan must be returned to the owner or an agent of the owner. A forest management and harvest plan provided in accordance with this section is confidential and is not a public record as defined in Title 1, section 402, subsection 3. [2003, c. 30, §1 (AMD); 2011, c. 657, Pt. W, §§5, 7 (REV); 2013, c. 405, Pt. A, §23 (REV).]

Upon notice in writing by certified mail, return receipt requested, or by another method that provides actual notice, any owner or owners shall appear before the assessor, at such reasonable time and place as the assessor may designate and answer questions or interrogatories the assessor considers necessary to obtain material information about those lands. [2011, c. 240, §6 (AMD).]

If the owner or owners of any parcel of forest land subject to valuation under this subchapter fails to submit the schedules as provided under this section or fails to provide information after notice duly received as provided under this section, such owner or owners are deemed to have waived all rights of appeal pursuant to section 583 for that property tax year, except for the determination that the land is subject to valuation under this subchapter. [2011, c. 240, §6 (AMD).]

It is the obligation of the owner or owners to report to the assessor any change of use or change of forest type of land subject to valuation under this subchapter. [2011, c. 240, §6 (AMD).]

If the owner or owners fail to report to the assessor a change of use as required by the foregoing paragraph, the assessor shall assess the taxes that should have been paid, shall assess the penalty provided in section 581 and shall assess an additional penalty equal to 25% of the penalty provided in section 581. The assessor may waive the additional penalty for cause. [2011, c. 240, §6 (AMD).]

For the purposes of this section, the acts of owners specified in this section may be taken by an authorized agent of an owner. [1981, c. 706, §9 (AMD).]

§580. RECLASSIFICATION

Land subject to taxes under this subchapter may be reclassified as to forest type by the assessor upon application of the owner with a proper showing of the reasons justifying such reclassification or upon the initiative of the respective assessor where the facts justify same. [1971, c. 616, §8 (NEW).]

SECTION HISTORY

1971, c. 616, §8 (NEW).

§581. WITHDRAWAL

1. Assessor determination; owner request. If the assessor determines that land subject to this subchapter no longer meets the requirements of this subchapter, the assessor must withdraw the land from taxation under this subchapter. An owner of land subject to taxation under this subchapter may at any time request withdrawal of that land from taxation under this subchapter by certifying in writing to the assessor that the land is no longer to be classified under this subchapter.

[2009, c. 577, §1 (AMD) .]

1-A. Notice of compliance. No earlier than 185 days prior to a deadline established by section 574-B, if the landowner has not yet complied with the requirements of that section, the assessor must provide the landowner with written notice by certified mail informing the landowner of the statutory requirements that need to be met to comply with section 574-B and the date of the deadline for compliance or by which the parcel may be transferred to open space classification pursuant to subchapter 10. The notice must also state that if the owner fails to meet the deadline for complying with section 574-B or transferring the parcel to open space classification, a supplemental assessment of \$500 will be assessed and that continued noncompliance will lead to a subsequent supplemental assessment of \$500. If the notice is issued less than 120 days before the deadline, the owner has 120 days from the date of the notice to provide the assessor with the documentation to achieve compliance with section 574-B or transfer the parcel to open space classification, and the notice must specify the date by which the owner must comply.

If the landowner fails to provide the assessor with the documentation to achieve compliance with section 574-B or transfer the parcel to open space classification pursuant to subchapter 10 by the deadline specified in the notice, the assessor shall impose a \$500 penalty to be assessed and collected as a supplemental assessment in accordance with section 713-B. The assessor shall send notification of the supplemental assessment by certified mail and notify the landowner that, no later than 6 months from the date of the 2nd notice, the landowner must comply with the requirements of section 574-B or transfer the parcel to open space classification pursuant to subchapter 10 and that failure to comply will result in an additional supplemental assessment of \$500 and the landowner will have an additional 6-month period in which to comply with these requirements before the withdrawal of the parcel and the assessment of substantial financial penalties against the landowner.

At the expiration of 6 months, if the landowner has not complied with section 574-B or transferred the parcel to open space classification under subchapter 10, the assessor shall assess an additional \$500 supplemental assessment. The assessor shall send notification of the 2nd supplemental assessment by certified mail and notify the landowner that, no later than 6 months from the date of the notice, the landowner must comply with the requirements of section 574-B or transfer the parcel to open space classification pursuant to subchapter 10 or the land will be withdrawn from the tree growth tax program.

If the landowner has not complied within 6 months from the date of the 2nd supplemental assessment, the assessor shall remove the parcel from taxation under this subchapter and assess a penalty for the parcel's withdrawal pursuant to subsection 3.

This subsection does not limit the assessor from issuing other notices or compliance reminders to property owners at any time in addition to the notice required by this subsection.

[2011, c. 618, §4 (AMD) .]

2. Withdrawal of portion. In the case of withdrawal of a portion of a parcel, the owner, as a condition of withdrawal, shall file with the assessor a plan showing the area withdrawn and the area remaining subject to taxation under this subchapter. In the case of withdrawal of a portion of a parcel, the resulting portions must be treated after the withdrawal as separate parcels under section 708.

[2007, c. 627, §16 (RPR) .]

3. Penalty. If land is withdrawn from taxation under this subchapter, the assessor shall impose a penalty upon the owner. The penalty is the greater of:

A. An amount equal to the taxes that would have been assessed on the first day of April for the 5 tax years, or any lesser number of tax years starting with the year in which the land was first classified, preceding the withdrawal had that land been assessed in each of those years at its just value on the date of withdrawal. That amount must be reduced by all taxes paid on that land over the preceding 5 years, or any lesser number of tax years starting with the year in which the land was first classified, and increased by interest at the prevailing municipal rate from the date or dates on which those amounts would have been payable; and [2007, c. 627, §16 (RPR) .]

B. An amount computed by multiplying the amount, if any, by which the just value of the land on the date of withdrawal exceeds the 100% valuation of the land pursuant to this subchapter on the preceding April 1st by the following rates.

(1) If the land was subject to valuation under this subchapter for 10 years or less prior to the date of withdrawal, the rate is 30%.

(2) If the land was subject to valuation under this subchapter for more than 10 years prior to the date of withdrawal, the rate is that percentage obtained by subtracting 1% from 30% for each full year beyond 10 years that the land was subject to valuation under this subchapter prior to the date of withdrawal, except that the minimum rate is 20%. [2007, c. 627, §16 (RPR) .]

For purposes of this subsection, just value at the time of withdrawal is the assessed just value of comparable property in the municipality adjusted by the municipality's certified assessment ratio.

[2007, c. 627, §16 (RPR) .]

4. Assessment and collection of penalties. The penalties for withdrawal under this section must be paid upon withdrawal to the tax collector as additional property taxes. Penalties may be assessed and collected as supplemental assessments in accordance with section 713-B.

[2007, c. 627, §16 (RPR) .]

5. Eminent domain. A penalty may not be assessed under this section for a withdrawal occasioned by a transfer to an entity holding the power of eminent domain if the transfer results from the exercise or threatened exercise of that power.

[2007, c. 627, §16 (RPR) .]

6. Relief from requirements. Upon withdrawal under this section, the land is relieved of the requirements of this subchapter immediately and is returned to taxation under chapter 105, subchapter 2 beginning the following April 1st.

[2007, c. 627, §16 (RPR) .]

7. Reclassification as farmland or open space land. A penalty may not be assessed upon the withdrawal of land from taxation under this subchapter if the owner applies for classification of that land as farmland or open space land under subchapter 10 and that application is accepted. If a penalty is later assessed under section 1112, the period of time that the land was taxed as forest land under this subchapter is included for purposes of establishing the amount of the penalty.

[2007, c. 627, §16 (RPR) .]

8. Report of penalty. A municipality that receives a penalty for the withdrawal of land from taxation under this subchapter must report the total amount received in that reporting year to the State Tax Assessor on the municipal valuation return form described in section 383.

If a parcel resulting from that sale is less than 10 forested acres in area, that parcel must be considered withdrawn from taxation under this subchapter as a result of the sale and the penalty assessed against the transferor of the resulting parcel of less than 10 forested acres. Except as otherwise provided in this section, the collection of such taxes shall be in accordance with this chapter.

§612. TAX LIEN ON PERSONAL PROPERTY

1. Lien. The legal assessment of taxes upon personal property as defined in section 601 against a particular taxpayer creates and constitutes a lien upon all of the property assessed to secure payment of the resulting taxes, provided that the inventory and valuation upon which the assessment is made contains a description of the personal property taxed that meets the requirements of Title 11, section 9-1504. Except as otherwise provided in this section, the lien takes precedence over all other claims on the personal property and continues in force until the taxes are paid or until the lien is otherwise terminated by law.

[2003, c. 355, §1 (AMD); 2003, c. 355, §§9, 10 (AFF) .]

2. Definitions. As used in this section, unless the context otherwise indicates, the terms used in this section have the same meanings as in Title 11.

[1983, c. 403, §1 (NEW) .]

3. Perfection of lien. The lien established by subsection 1 attaches on the date of assessment and must be perfected as against all lien creditors, as defined in Title 11, section 9-1102, subsection (52), without the necessity of further action by the municipality or any other party. The lien becomes perfected as against parties other than lien creditors at the time when a notice of the lien is communicated, pursuant to the provisions of Title 11, section 9-1516, to the office identified in Title 11, section 9-1501, subsection (1), paragraph (b). Any filing is ineffective to perfect a lien as against parties that are not lien creditors to the extent that the filing covers taxes upon property whose status for those taxes was fixed pursuant to section 502 or 611 more than 2 years prior to the filing date. The lien does not have priority against any interest as to which it is unperfected during the period in which it is not so perfected. If the lien is perfected as to some interests in the property subject to the tax, but not as to other interests, and the interests as to which it is perfected are superior in priority to the interests against which the lien is unperfected, then the lien has priority over the interests against which it has not been perfected to the extent of the superior interests against which it has been perfected.

[2003, c. 355, §§9, 10 (AFF); 2003, c. 355, §2 (RPR) .]

4. Notice of lien. Each notice of lien, which may be in the form of a financing statement, must:

A. Name the owner of the property upon which the lien is claimed, if the owner is not the taxpayer and is known to the municipality; [2003, c. 355, §§9, 10 (AFF); 2003, c. 355, §2 (RPR) .]

B. Provide the residence or business address of the owner, if known to the municipality; [2003, c. 355, §§9, 10 (AFF); 2003, c. 355, §2 (RPR) .]

C. Provide the taxpayer's name and the taxpayer's residence or business address, if known to the municipality, and if not otherwise known, the address where the property that is being taxed was located on the date the status of such taxable property was fixed pursuant to section 502 or 611; [2003, c. 355, §§9, 10 (AFF); 2003, c. 355, §2 (RPR) .]

D. Describe the property claimed to be subject to the lien in a manner that meets the requirements of Title 11, section 9-1504; [2003, c. 355, §§9, 10 (AFF); 2003, c. 355, §2 (RPR) .]

E. State the amount of tax, accrued interest and costs, as of the date on which the municipality sends the notice for filing, claimed due the municipality and secured by the lien; [2003, c. 355, §§9, 10 (AFF); 2003, c. 355, §2 (RPR).]

F. State the tax year or years for which the lien is claimed; [2003, c. 355, §§9, 10 (AFF); 2003, c. 355, §2 (RPR).]

G. Name the municipality claiming the lien; [2003, c. 355, §§9, 10 (AFF); 2003, c. 355, §2 (RPR).]

H. Set forth the phrase "NOTICE OF PERSONAL PROPERTY TAX LIEN" in that part of the financing statement otherwise used to describe the collateral; [2003, c. 355, §2 (NEW); 2003, c. 355, §§9, 10 (AFF).]

I. Indicate that the notice is filed as a non-UCC filing; and [2003, c. 355, §2 (NEW); 2003, c. 355, §§9, 10 (AFF).]

J. Indicate that the taxpayer or owner, if an organization, has no organizational identification number, regardless of whether such a number may exist for that entity. [2003, c. 355, §2 (NEW); 2003, c. 355, §§9, 10 (AFF).]

Except as provided in this subsection, the notice of lien need not contain the information required by Title 11, section 9-1516, subsection (2), paragraph (e), subparagraph (iii) and must be accepted for filing without that information notwithstanding the provisions of Title 11, section 9-1520, subsection (1). A copy of the notice of lien must be given by certified mail, return receipt requested, at the last known address, to the taxpayer, to the owner, if the owner is not the taxpayer, and to any party who has asserted that it holds an interest in any of the property that is subject to the lien in an authenticated notification received by the municipality within 5 years prior to the date on which the municipality sends the notice of lien for filing, or who has filed a financing statement with the office identified in Title 11, section 9-1501, subsection (1), paragraph (b) that remains effective as of the date on which the municipality sends the notice of lien for filing. Failure to give notice to any secured party who has a perfected security interest prevents the lien from taking priority over that security interest, but does not otherwise affect the validity of the lien.

[2003, c. 631, §81 (AMD) .]

5. Effective period of lien; limitation period. Perfection of any lien by the filing of a notice of lien is effective for a period of 5 years from the date of filing, unless discharged as provided in this section or unless a continuation statement is filed prior to the lapse. A continuation statement may be filed on behalf of the municipality within 6 months prior to the expiration of the 5-year period provided in this section in the same manner and to the same effect as provided in Title 11, section 9-1515.

[2003, c. 355, §3 (AMD); 2003, c. 355, §§9, 10 (AFF) .]

6. Rights and remedies of municipality and taxpayer. A municipality that has filed a notice of tax lien has the rights and remedies of a secured party, the taxpayer and the owner of the property against whom the lien has been filed have the rights and remedies of a debtor, all parties to whom the municipality is required to provide a copy of the lien notice pursuant to subsection 4 have the rights and remedies of a junior secured party and all lien creditors have the rights of lien creditors, as provided for in Title 11, Article 9-A, Part 6, except that:

A. The municipality does not have the rights provided to a secured party in Title 11, sections 9-1620, 9-1621 and 9-1622; [2003, c. 355, §4 (NEW); 2003, c. 355, §§9, 10 (AFF).]

7. Personal property liens; discharge. If any lien created under this section is discharged, then a certificate of discharge must promptly be filed by the tax collector of the municipality which originally filed the notice of lien, or by that tax collector's successor, in the same manner as termination statements are filed under Title 11, section 9-1513. The municipal officer who has filed the notice of lien shall file a notice of discharge of the lien in the manner provided in this section, if:

9. Liens subordinate to security interests. The lien authorized by subsection 1 is subordinated to security interests that were perfected before September 23, 1983 and that have remained perfected thereafter, except to the extent that such perfected security interests would be subordinate to the rights of the municipality if the municipality were considered, whether or not such is actually the case, to be a lien creditor under Title 11, section 9-1323 by virtue of its rights pursuant to the lien authorized by subsection 1.

[2003, c. 355, §§9, 10 (AFF); 2003, c. 355, §6 (RPR).]

The procedures of this section as amended effective July 1, 2001 or October 1, 2003 apply only to liens authorized in this section that are perfected by a filing made on or after July 1, 2001, or for which a continuation statement is filed on or after that date.

[2003, c. 355, §7 (AMD); 2003, c. 355, §§9, 10 (AFF).]

12. Location of filing. A tax lien filed on or after July 1, 2001 with the office identified in Title 11, section 9-1501, subsection (1), paragraph (b) is not invalid or otherwise ineffectual by reason of filing with that office.

[2003, c. 355, §8 (NEW); 2003, c. 355, §§9, 10 (AFF) .]

1. Property of institutions and organizations. The property of institutions and organizations is exempt from taxation as provided in this subsection.

A. The real estate and personal property owned and occupied or used solely for their own purposes by benevolent and charitable institutions incorporated by this State are exempt from taxation. An exemption granted under this subparagraph must be revoked for any year in which the owner of the property is no longer a nonprofit housing corporation or the operation of the residential rental housing is an unrelated trade or business to that nonprofit housing corporation.

(a) For the purposes of this subparagraph, the following terms have the following meanings.

(iv) "Unrelated trade or business" means any trade or business whose conduct is not substantially related to the exercise or performance by a nonprofit corporation of the purposes or functions constituting the basis for exemption under Section 501(c)(3) of the Code.

§684. FORMS; APPLICATION

1. Generally. The bureau shall furnish to the assessor of each municipality a sufficient number of printed forms to be filed by applicants for an exemption under this subchapter and shall determine the content of the forms. A municipality shall provide to its inhabitants reasonable notice of the availability of application forms. An individual claiming an exemption under this subchapter for the first time shall file the application form with the assessor or the assessor's representative. Except for a person on active duty serving in the Armed Forces of the United States who is permanently stationed at a military or naval post, station or base in the State, an individual who claims to be a permanent resident of this State under this subchapter who also claims to be a permanent resident of another state for the tax year for which an application for a homestead exemption is made commits a Class E crime.

[2009, c. 418, §2 (AMD); 2009, c. 418, §3 (AFF) .]

3. Continuation of eligibility. The assessor shall evaluate annually the ongoing eligibility of property for which a homestead exemption has been approved under this subchapter. The evaluation must be based on the status of the property on April 1st of the year on which the homestead exemption is based. The evaluation must include, but is not limited to, a review of whether the ownership of the property has changed in any manner that would disqualify the property for an exemption under this subchapter or whether the owner has ceased to use the property as a homestead. Unless the assessor determines that the property is no longer entitled to an exemption under this subchapter, the owner is entitled to receive the exemption without

having to reapply. If the assessor determines that the property is no longer entitled to an exemption under this subchapter, the assessor shall notify the owner as provided in section 686 that the property is no longer entitled to an exemption under this subchapter.

[2003, c. 13, §1 (AMD) .]

4. Owner notification. An owner of property receiving an exemption under this subchapter shall notify the assessor promptly when the ownership or use of the property changes so as to change the qualification of the property for an exemption under this subchapter.

§685. DUTY OF ASSESSOR; REIMBURSEMENT BY STATE

2. Entitlement to reimbursement by the State; calculation. A municipality that has approved homestead exemptions under this subchapter may recover from the State:

B. For property tax years beginning on or after April 1, 2017, 62.5% of the taxes lost by reason of the exemptions under section 683, subsections 1 and 1-B. [2015, c. 390, §4 (RPR) .]

The municipality must provide proof in a form satisfactory to the bureau. The bureau shall reimburse the Unorganized Territory Education and Services Fund in the same manner for taxes lost by reason of the exemptions.

[2015, c. 390, §§3, 4 (AMD) .]

3. Information provided to State; deviations in assessment ratio. The assessor shall provide by June 1st, annually, any relevant information requested by the bureau for the purpose of determining the actual assessment ratio for developed parcels in use in a municipality. The certified ratio declared by the municipality must be considered accurate by the bureau if it is within 10% of the assessment ratio last determined by the bureau in its annual report of ratio studies involving developed parcels of property. The assessor may submit additional information on the relevant assessment ratio to the bureau in order to prove that a different ratio should apply. The bureau may accept a certified ratio that deviates more than 10% from the last reported developed parcel ratio only if the information submitted by the municipality clearly indicates that the certified ratio is more accurate than the assessment ratio contained in the bureau's most recent annual report.

B. A municipality claiming reimbursement under this section shall submit a claim to the bureau by November 1st of the year in which the exemption applies or within 30 days of commitment of taxes, whichever occurs later. The bureau shall review the claims and determine the total amount to be paid. The bureau shall certify and the Treasurer of State shall pay by July 15th of the year following the year in which the exemption applies the difference between the estimated payment issued and the amount that the bureau finally determines for the year in which the exemption applies. If the total amount of reimbursement to which a municipality is entitled is less than the amount received under paragraph A, the municipality shall repay the excess to the State by December 30th of that year, or the amount may be offset against the amount of state-municipal revenue sharing due the municipality under Title 30-A, section 5681. (b) "Useful energy" is energy in any form that does not include waste heat, efficiency losses, line losses or other energy dissipation. [2005, c. 623, §1 (NEW) .]

B. Pollution control facilities that are entitled to exemption pursuant to section 656, subsection 1, paragraph E are not entitled to an exemption under this subchapter, except if:

(1) The property is entitled to an exemption under section 656, subsection 1, paragraph E but has not yet been certified for exemption under that paragraph;

(2) The property has been placed in service after the December 1st immediately preceding April 1st of the tax year for which the exemption is sought but prior to April 1st of the property tax year for which the exemption is sought; and

(3) The taxpayer has submitted the required application for certification to the Commissioner of Environmental Protection prior to April 1st.

The exemption under this subchapter continues for property that meets the requirements of subparagraphs (1), (2) and (3) only until the certification for exemption under section 656, subsection 1, paragraph E has been granted. If the State Tax Assessor or an assessor denies an exemption on the ground that the property in question is entitled to exemption under section 656, subsection 1, paragraph E and the taxpayer appeals the denial, the State Tax Assessor or assessor shall, at the taxpayer's request, allow the taxpayer up to one year to obtain a statement from the Commissioner of Environmental Protection that the property at issue is not exempt under section 656, subsection 1, paragraph E. If the taxpayer timely produces such a statement or otherwise demonstrates that the property is not exempt under section 656, subsection 1, paragraph E, the State Tax Assessor or an assessor shall allow the exemption under this subchapter, but only for the year in question. §692. EXEMPTION OF BUSINESS EQUIPMENT

1. Eligible business equipment exempt. Eligible business equipment is exempt from all taxation under this Part, except chapters 111 and 112.

[2005, c. 623, §1 (NEW) .]

2. Just value of exemption. In determining the just value of exempt business equipment, the assessor shall determine the just value of the property in the same manner as prescribed in section 701-A as if the property were subject to taxation.

[2005, c. 623, §1 (NEW) .]

3. Effect on state valuation. The exemption has the following effect on state valuation.

A. Except as provided in paragraph B, the percentage of just value of exempt business equipment to be included in the annual determination of state valuation under sections 208 and 305 for tax year 2008 and subsequent tax years is as follows:

- (1) The applicable percentage specified in section 694, subsection 2, paragraph A for exempt business equipment for which the municipality receives reimbursement under section 694, subsection 2, paragraph A;
- (2) The applicable percentage calculated under section 694, subsection 2, paragraph B for exempt business equipment for which the municipality receives reimbursement under section 694, subsection 2, paragraph B; and
- (3) Zero for exempt business equipment for which the municipality receives reimbursement under section 694, subsection 2, paragraph C. [2007, c. 438, §22 (AMD) .]

B. In the case of a municipality that has one or more tax increment financing districts authorized pursuant to Title 30-A, chapter 206, subchapter 1 and effective under Title 30-A, section 5226, subsection 3 prior to April 1, 2008 or authorized pursuant to Title 30-A, former chapter 207 and effective under Title 30-A, former section 5253, subsection 1, paragraph F prior to April 1, 2008, for the 2008 tax year and subsequent tax years, the percentage of just value of TIF exempt business equipment located in such a tax increment financing district that must be included in the annual determination of state valuation pursuant to paragraph A, subparagraph (1) or (2) is decreased, but not below zero, by a percentage amount equal to the municipal tax increment percentage for the tax increment financing district in which the TIF exempt business equipment is located. [2007, c. 438, §23 (AMD) .]

[2007, c. 438, §§22, 23 (AMD) .]

4. Property tax rate. The following percentages of the value of exempt business equipment must be included in the total municipal valuation used to determine the municipal tax rate for 2008 and subsequent tax years:

- A. The applicable percentage specified in section 694, subsection 2, paragraph A for exempt business equipment for which the municipality is entitled to receive reimbursement under section 694, subsection 2, paragraph A; [2005, c. 623, §1 (NEW) .]
- B. The applicable percentage calculated under section 694, subsection 2, paragraph B for exempt business equipment for which the municipality receives reimbursement under section 694, subsection 2, paragraph B; and [2005, c. 623, §1 (NEW) .]
- C. The applicable percentage calculated under section 694, subsection 2, paragraph C for exempt business equipment for which the municipality receives reimbursement under section 694, subsection 2, paragraph C. [2005, c. 623, §1 (NEW) .]

For purposes of this subsection, the value of exempt business equipment must be adjusted by the percentage of just value upon which the assessment of the total value of all assessed property in the municipality is based, as certified pursuant to section 383.

§693. FORMS; REPORTING

1. Reporting. On or before May 1st of each year, a taxpayer claiming an exemption under this section shall file a report with the assessor of the taxing jurisdiction in which the property would otherwise be subject to taxation on April 1st of that year. The report must identify the property for which exemption is claimed that would otherwise be subject to taxation on April 1st of that year and must be made on a form prescribed by the State Tax Assessor or substitute form approved by the State Tax Assessor. The State Tax Assessor shall furnish copies of the form to each municipality in the State and the form must be made available to taxpayers prior to April 1st annually. The assessor of the taxing jurisdiction may require the taxpayer to sign the form and make oath to its truth. If the report is not filed by April 1st, the filing deadline is automatically extended to May 1st without the need for the taxpayer to request or the assessor to grant that extension. Upon written request, the assessor may at any time grant further extensions of time to file the report. If a taxpayer fails to file the report in a timely manner, including any extensions of time, the taxpayer may not obtain an exemption for that property under this subchapter for that tax year. The assessor of the taxing jurisdiction may require in writing that a taxpayer answer in writing all reasonable inquiries as to the property for which exemption is requested. A taxpayer has 30 days from receipt of such an inquiry to respond. Upon written request, a taxpayer is entitled to a 30-day extension to respond to the inquiry and the assessor may at any time grant additional extensions upon written request. The answer to any such inquiry is not binding on the assessor.

All notices and requests provided pursuant to this subsection must be made by personal delivery or certified mail and must conspicuously state the consequences of the taxpayer's failure to respond to the notice or request in a timely manner.

If an exemption has already been accepted and the State Tax Assessor subsequently determines that the property is not entitled to exemption, a supplemental assessment must be made within 3 years of the original assessment date with respect to the property in compliance with section 713, without regard to the limitations contained in that section regarding the justification necessary for a supplemental assessment.

[2013, c. 544, §1 (AMD); 2013, c. 544, §7 (AFF) .]

2. False filing. An individual who knowingly gives false information for the purpose of claiming an exemption under this subchapter commits a Class E crime.

[2005, c. 623, §1 (NEW) .]

3. Continuation of eligibility. A person must annually file the report required by this section for all eligible business equipment, even though there may be no substantive change in the property from one year to the next.

[2005, c. 623, §1 (NEW) .]

4. Information confidential.

§694. DUTY OF ASSESSOR; REIMBURSEMENT BY STATE

1. Examination and identification. The assessor shall examine each report pursuant to section 693 that is timely filed, determine whether the property identified in the report is entitled to an exemption under this subchapter and determine the just value of the property.

[2013, c. 544, §3 (AMD); 2013, c. 544, §7 (AFF) .]

2. Entitlement to reimbursement by State; calculation. Reimbursement is calculated as follows.

A. Notwithstanding section 661, upon proof in a form satisfactory to the bureau, unless a municipality chooses reimbursement under paragraph B, a municipality that has accepted a valid exemption under this subchapter is entitled to recover from the State the applicable percentage of property tax revenue lost by reason of the exemption. Except as otherwise provided in this subsection, the applicable percentage is:

- (1) For property tax years beginning April 1, 2008, 100%;
- (2) For property tax years beginning April 1, 2009, 90%;
- (3) For property tax years beginning April 1, 2010, 80%;
- (4) For property tax years beginning April 1, 2011, 70%;
- (5) For property tax years beginning April 1, 2012, 60%; and
- (6) For property tax years beginning April 1, 2013 and for subsequent tax years, 50%. [2005, c. 623, §1 (NEW) .]

B. In the case of a municipality that chooses reimbursement under this paragraph in which the personal property factor exceeds 5%, the applicable percentage for exempt business equipment is 50% plus an amount equal to 1/2 of the personal property factor. For purposes of this paragraph, "personal property factor" means the percentage derived from a fraction, the numerator of which is the value of business personal property in the municipality, whether taxable or exempt, and the denominator of which is the value of all taxable property in the municipality plus the value of exempt business equipment. For purposes of this paragraph, the taxable value of exempt business equipment is the value that would have been assessed on that equipment if it were taxable. [2013, c. 544, §4 (AMD); 2013, c. 544, §7 (AFF) .]

C. In the case of a municipality that has one or more tax increment financing districts authorized pursuant to Title 30-A, chapter 206, subchapter 1 and effective under Title 30-A, section 5226, subsection 3 prior to April 1, 2008 or authorized pursuant to Title 30-A, former chapter 207 and effective under Title 30-A, former section 5253, subsection 1, paragraph F, prior to April 1, 2008, the applicable percentage with respect to TIF exempt business equipment is 50% plus a percentage amount equal to the percentage amount, if any, by which the municipal tax increment percentage for the tax increment financing district in which the TIF exempt business equipment is located exceeds 50%. This paragraph applies only when it will result in a greater percentage of reimbursement for the TIF exempt business equipment than would be provided under the greater of paragraph A or B. [2007, c. 627, §26 (AMD) .]

[2013, c. 544, §4 (AMD); 2013, c. 544, §7 (AFF) .]

3. Reimbursement to unorganized territory education and services. The bureau shall calculate the reimbursement to the Unorganized Territory Education and Services Fund for property tax revenue lost by reason of the exemption in the same manner as it does for municipalities and at the same percentages as are applicable to municipalities.

[2007, c. 627, §27 (AMD) .]

4. Information provided to State; deviations in assessment ratio.

[2007, c. 627, §28 (RP) .]

5. Payments by State. Reimbursements to municipalities must be made as described in this subsection. A municipality claiming reimbursement under this section shall submit a claim to the bureau by November 1st of the year in which the exemption applies or within 30 days of commitment of taxes, whichever occurs later. The bureau shall review the claims and determine the total amount to be paid. The bureau shall certify and the Treasurer of State shall pay by December 15th of the year in which the exemption applies the amount that the bureau determines for that tax year. Municipal claims that are timely filed after November 1st must be paid as soon as reasonably possible after the December 15th payment date.

§695. DENIAL OF EXEMPTION; APPEALS

If the assessor determines that a property is not entitled to an exemption under this subchapter, the assessor shall provide a written notice of denial prior to the tax commitment date in that municipality, including the reasons for the denial, to the applicant by either personal delivery or certified mail. An applicant may contest a denial by the assessor of an exemption under this subchapter either by using the procedures provided in subchapter 8 or by pursuing such other actions or proceedings by which other property tax exemptions under this chapter may be reviewed or adjudicated. If the assessor determines that a property receiving an exemption under this subchapter in any year within the 3 preceding years was not eligible for the exemption, the assessor shall immediately notify the bureau in writing. SECTION HISTORY

2005, c. 623, §1 (NEW).

§696. SUPPLEMENTAL ASSESSMENT

If the assessor makes a determination under section 695 that property receiving an exemption under this subchapter was not entitled to an exemption under this subchapter, the assessor shall by means of a supplemental assessment assess the property for which the exemption was improperly received, plus costs and interest. The taxpayer may contest a supplemental assessment under this subchapter either by using the procedures provided in subchapter 8 or by pursuing such other actions or proceedings by which other property tax exemptions under this chapter may be reviewed or adjudicated. The supplemental assessment must be assessed and collected pursuant to section 713. The bureau shall deduct the amount of the portion of the supplemental assessment that pertains to any funds previously reimbursed to the municipality under section 694 from the next reimbursement issued to the municipality. [2005, c. 623, §1 (NEW).]

SECTION HISTORY

2005, c. 623, §1 (NEW).

§697. AUDITS; DETERMINATION OF BUREAU

The bureau may audit the records of a municipality to ensure compliance with this subchapter. The bureau may independently review the records of a municipality to determine if exemptions have been properly approved. If the bureau determines that an exemption was improperly approved for any of the 3

years immediately preceding the determination, the bureau shall ensure, by setoff against other payments due the municipality under this subchapter or subchapter 4-B, that the municipality is not reimbursed for the exemption. [2005, c. 623, §1 (NEW).]

SECTION HISTORY

2005, c. 623, §1 (NEW).

§698. APPEALS

The bureau shall send notice of its determination that an exemption was improperly or erroneously approved by the municipality to the taxpayer, in the manner provided for in section 151. The taxpayer may seek reconsideration pursuant to section 151 of any such decision. Notwithstanding any other provision of law, if a taxpayer does not timely request reconsideration of the bureau's decision under section 151, the local taxing jurisdiction must issue a supplemental assessment with respect to such property within 90 days after the bureau's determination. The taxpayer may not appeal that supplemental assessment except as to issues unrelated to the applicability of the exemption. Notwithstanding any other provision of law, if a taxpayer appeals a decision of the bureau to disqualify an exemption and does not prevail in that appeal, the local taxing jurisdiction must issue a supplemental assessment with respect to the property at issue within 90 days after the appeal has been resolved in the bureau's favor. The taxpayer may not appeal that supplemental assessment except as to issues unrelated to the applicability of the exemption. Notwithstanding any other provision of law, if a taxpayer appeals a decision of the bureau that an exemption was improperly or erroneously approved and the taxpayer prevails in that appeal, the bureau shall promptly restore any reimbursement to the municipality that was not made or was set off or otherwise denied the municipality under section 697. [2005, c. 623, §1 (NEW).]

§699. LEGISLATIVE FINDINGS; INTENT

1. Findings. The Legislature finds that encouragement of the growth of capital investment in this State is in the public interest and promotes the general welfare of the people of the State. The Legislature further finds that the high cost of owning qualified business property in this State is a disincentive to the growth of capital investment in this State. The Legislature further finds that the tax exemption set forth in this subchapter is a reasonable means of overcoming this disincentive and will encourage capital investment in this State.

Subchapter 5: POWERS AND DUTIES OF ASSESSORS

§701. RULES FOR ASSESSMENT

In the assessment of all taxes, assessors shall govern themselves by this chapter and, when applicable, chapter 102 and shall obey all warrants received by them while in office. [1973, c. 620, §14 (AMD).]

SECTION HISTORY

1973, c. 620, §14 (AMD).

§701-A. JUST VALUE DEFINED

In the assessment of property, assessors in determining just value are to define this term in a manner that recognizes only that value arising from presently possible land use alternatives to which the particular parcel of land being valued may be put. In determining just value, assessors must consider all relevant factors, including without limitation the effect upon value of any enforceable restrictions to which the use of the land may be subjected including the effect on value of designation of land as significant wildlife habitat under Title 38, section 480-BB, current use, physical depreciation, sales in the secondary market, functional obsolescence and economic obsolescence. Restrictions include but are not limited to zoning restrictions limiting the use of land, subdivision restrictions and any recorded contractual provisions limiting the use of lands. The just value of land is determined to arise from and is attributable to legally permissible use or uses only. [2007, c. 389, §1 (AMD).]

For the purpose of establishing the valuation of unimproved acreage in excess of an improved house lot, contiguous parcels and parcels divided by road, powerline or right-of-way may be valued as one parcel when: each parcel is 5 or more acres; the owner gives written consent to the assessor to value the parcels as one parcel; and the owner certifies that the parcels are not held for sale and are not subdivision lots. §702. ASSESSORS' LIABILITY

Assessors of municipalities and primary assessing areas are not responsible for the assessment of any tax which they are by law required to assess; but the liability shall rest solely with the municipality for whose benefit the tax was assessed, and the assessors shall be responsible only for their own personal faithfulness and integrity. [1973, c. 620, §14 (AMD).]

SECTION HISTORY

1973, c. 620, §14 (AMD).

§703. SELECTMEN TO ACT AS ASSESSORS

If any municipality does not choose assessors and is not a part of a primary assessing area, the selectmen are the assessors, and each of them must be sworn as an assessor. A selectman who is an assessor pursuant to this paragraph may resign the position of assessor without resigning the office of selectman. The position of assessor must then be filled by appointment pursuant to Title 30-A, section 2602, subsection 2. [1991, c. 270, §4 (AMD).]

SECTION HISTORY

1973, c. 620, §14 (AMD). 1991, c. 270, §4 (AMD).

§704. DELINQUENT ASSESSORS; VIOLATION

Any assessor who refuses to assess a state, county or municipal tax as required by law, or shall knowingly omit or fail to perform any duty imposed upon him by law, commits a civil violation for which a forfeiture not to exceed \$100 may be adjudged. [1977, c. 696, §267 (RPR).]

SECTION HISTORY

1977, c. 696, §267 (RPR).

§705. COUNTY COMMISSIONERS MAY APPOINT ASSESSORS; PROCEDURE

If for 3 months after any warrant for a state or county tax has been issued, a municipality which is not part of a primary assessing area or is not a primary assessing area has neglected to choose assessors, or the assessors chosen have neglected to assess and certify such tax, the Treasurer of State or of the county may so notify the county commissioners. [1973, c. 620, §15 (AMD).]

On receipt of such notification the county commissioners shall appoint 3 or more suitable persons in the county to be assessors for such municipality. New warrants shall be issued to such assessors, which said warrants shall supersede the state and county warrants originally issued to the assessors of the delinquent municipality.

Assessors appointed under this section shall be duly sworn; shall be subject to the same duties and penalties as other assessors; and shall assess upon the polls and estates of the municipality its due proportion of state and county taxes, and such reasonable charges for time and expense in making the assessment as the county commissioners may approve, which said charges shall be paid from the county treasury.

SECTION HISTORY

1973, c. 620, §15 (AMD).

§706. TAXPAYERS TO LIST PROPERTY, NOTICE, PENALTY, VERIFICATION

Before making an assessment, the assessor or assessors, the chief assessor of a primary assessing area or the State Tax Assessor in the case of the unorganized territory may give seasonable notice in writing to all persons liable to taxation or qualifying for exemption pursuant to subchapter 4-C in the municipality, primary assessing area or the unorganized territory to furnish to the assessor or assessors, chief assessor or State Tax Assessor true and perfect lists of all their estates of which they were possessed on the first day of April of the same year. [2013, c. 544, §5 (AMD); 2013, c. 544, §7 (AFF).]

The notice to owners may be by mail directed to the last known address of the taxpayer or by any other method that provides reasonable notice to the taxpayer. [1977, c. 509, §13 (RPR).]

If notice is given by mail and the taxpayer does not furnish the list, the taxpayer is barred of the right to make application to the assessor or assessors, chief assessor or State Tax Assessor or any appeal from an application for any abatement of those taxes, unless the taxpayer furnishes the list with the application and satisfies the assessing authority or authority to whom an appeal is made that the taxpayer was unable to furnish the list at the time appointed. [2013, c. 544, §5 (AMD); 2013, c. 544, §7 (AFF).]

The assessor or assessors, chief assessor or State Tax Assessor may require the person furnishing the list to make oath to its truth, which oath any of them may administer. [2013, c. 544, §5 (AMD); 2013, c. 544, §7 (AFF).]

The assessor or assessors, chief assessor or State Tax Assessor may require the taxpayer to answer in writing all proper inquiries as to the nature, situation and value of the taxpayer's property liable to be taxed in the State or subject to exemption pursuant to subchapter 4-C. As may be reasonably necessary to ascertain the value of property according to the income approach to value pursuant to the requirements of section 208-A or generally accepted assessing practices, these inquiries may seek information about income and expenses, manufacturing or operational efficiencies, manufactured or generated sales price trends or other related information. A taxpayer has 30 days from receipt of such an inquiry to respond. Upon written request, a taxpayer is entitled to a 30-day extension to respond to the inquiry and the assessor may at any time grant additional extensions upon written request. Information provided by the taxpayer in response to an inquiry that is proprietary information, and clearly labeled by the taxpayer as proprietary and confidential information, is confidential and is exempt from the provisions of Title 1, chapter 13. An assessor of the taxing jurisdiction may not allow the inspection of or otherwise release such proprietary information to anyone other than the State Tax Assessor, who shall treat such proprietary information as subject to section 191, subsection 1, except that the exemption provided in section 191, subsection 2, paragraph I does not apply to such proprietary information. As used in this subsection, "proprietary information" means information that

is a trade secret or production, commercial or financial information the disclosure of which would impair the competitive position of the person submitting the information and would make available information not otherwise publicly available and information protected from disclosure by federal or state law or regulations. A person who knowingly violates the confidentiality provisions of this paragraph commits a Class E crime. [2013, c. 544, §5 (NEW); 2013, c. 544, §7 (AFF).]

A taxpayer's refusal or neglect to answer inquiries bars an appeal, but the answers are not conclusive upon the assessor or assessors, chief assessor or State Tax Assessor. [2013, c. 544, §5 (NEW); 2013, c. 544, §7 (AFF).]

If the assessor or assessors, chief assessor or State Tax Assessor fail to give notice by mail, the taxpayer is not barred of the right to make application for abatement; however, upon demand the taxpayer shall answer in writing all proper inquiries as to the nature, situation and value of the taxpayer's property liable to be taxed in the State. A taxpayer's refusal or neglect to answer the inquiries and subscribe the same bars an appeal, but the list and answers are not conclusive upon the assessor or assessors, chief assessor or the State Tax Assessor. [2013, c. 544, §5 (AMD); 2013, c. 544, §7 (AFF).]

A supplemental assessment may be made during the municipal year whenever, through error or inadvertance, the assessors have omitted from their assessment or commitment taxes duly raised by the municipality or its proportion of any state or county tax payable during the municipal year. In municipalities not a part of a primary assessing area, the assessors for the time being may, by a supplement to the invoice and valuation and the list of assessments, assess such estates for their due proportion of such tax, according to the principles on which the previous assessment was made. In primary assessing areas, the chief assessor may, by a supplement to the valuation list, certify the valuation of such estates to the municipal officers who shall assess such estates according to the principles upon which the previous assessment was made. [1979, c. 31, (AMD).]

Such supplemental assessments shall be committed to the collector for the time being with a certificate as provided in sections 709 and 709-A stating that they were invalid or void or omitted and that the powers in the previous warrant, naming the date of it, are extended thereto. The tax collector has the same power, and is under the same obligation to collect them, as if they had been contained in the original list. Interest shall accrue on all unpaid balances of any supplemental tax, beginning on the 60th day after the date of commitment of the supplemental tax to the collector or the date interest accrues for delinquent taxes under

the original commitment, whichever occurs later. The rate of interest shall be the same as specified by the municipality for the current tax year, in accordance with section 505, subsection 4. [1979, c. 612, (AMD).]

All assessments shall be valid, notwithstanding that by such supplemental assessment the whole amount exceeds the sum to be assessed by more than 5%.

Subchapter 5-A: UNDEVELOPED LAND VALUATION

§721. PURPOSE

(REPEALED)

In order to encourage a more uniform and accurate approach to the local valuation of undeveloped land, this subchapter provides assessors with a benchmark value of undeveloped land in the region within which their local jurisdiction is located, and requires assessors to establish the basis for deviations from this benchmark value. [1989, c. 411, §§1, 2 (NEW); 1989, c. 871, §23 (AFF); 1989, c. 871, §4 (RP).]

§722. DEFINITIONS

(REPEALED)

As used in this subchapter, unless the context otherwise indicates, the following terms have the following meanings. [1989, c. 411, §§1, 2 (NEW); 1989, c. 871, §23 (AFF); 1989, c. 871, §4 (RP).]

§723. APPLICABILITY

(REPEALED)

This subchapter shall have mandatory application to parcels consisting of at least 5 acres of undeveloped land. The approach to valuing the undeveloped land applies exclusively to the portion of the parcel determined to be undeveloped land. [1989, c. 411, §§1, 2 (NEW); 1989, c. 871, §23 (AFF); 1989, c. 871, §4 (RP).]

§724. BASE LAND VALUES

(REPEALED)

The Bureau of Revenue Services shall annually, before March 1st, establish by rule base land values for undeveloped land by region for the entire State. One base value per region will be established. The values established by March 1st are to apply to the tax year based on the status of property as of April 1st of the same calendar year. Regions will be determined by the Bureau of Revenue Services and shall not divide minor civil divisions. The availability of adequate sales data and locational relationships shall be considered in determining regions. The base land value for undeveloped land by region will be the mean value per acre computed from sales data for the region. [1989, c. 411, §§1, 2 (NEW); 1989, c. 871, §23 (AFF); 1989, c. 871, §4 (RP).]

§725. SALES DATA

(REPEALED)

The sales data for use in determining the mean value per acre will be obtained from declaration of value forms transmitted, pursuant to section 4641-D, to the Bureau of Revenue Services. Sales occurring during the 3-year period ending June 30th of the year prior to the March 1st deadline are to be considered. Based on information provided to the Bureau of Revenue Services, only sales which meet the following criteria are to be included in determining the mean value per acre: [1989, c. 411, §§1, 2 (NEW); 1989, c. 871, §23 (AFF); 1989, c. 871, §4 (RP).]

§726. VALUATION OF LAND

(REPEALED)

In determining the just value of undeveloped land, an assessor is to consider the base land value for the region. If an assessor finds that the just value of undeveloped land for any or all parcels containing at least 5 acres of undeveloped land within the local tax jurisdiction is different from the base land value, the assessor has the burden of establishing a reasonable alternative analysis of value to arrive at just value for the local jurisdiction. Such analysis is to be in writing and available for public inspection. When used for assessment purposes, the base land value is to be applied only to the portion of the parcel which is undeveloped. The assessor is to determine those areas of a parcel which are undeveloped land; areas which are associated with improvements or structures are to be excluded. The assessment book, or property record cards if utilized by the jurisdiction, shall indicate that amount of any parcel which is determined to be undeveloped land. [1989, c. 411, §§1, 2 (NEW); 1989, c. 871, §23 (AFF); 1989, c. 871, §4 (RP); 1991, c. 546, §§38, 44 (AFF).]

For the purpose of this subsection, the municipal officers may set off or otherwise treat as available benefits provided to an applicant under chapter 907 when determining if the applicant is able to contribute to the public charges.

[2013, c. 424, Pt. A, §24 (RPR) .]

3. Inability to pay after 2 years. If after 2 years from the date of assessment a collector is satisfied that a tax upon real or personal property committed to him for collection cannot be collected by reason of the death, absence, poverty, insolvency, bankruptcy or other inability of the person assessed to pay, he shall notify the municipal officers thereof in writing, under oath, stating the reason why that tax cannot be collected. The municipal officers, after due inquiry, may abate that tax or any part thereof.

[1979, c. 73, (RPR) .]

4. Veteran's widow or widower or minor child. Notwithstanding failure to comply with section 706, the assessors, on written application within one year from the date of commitment, may make such abatement as they think proper in the case of the unremarried widow or widower or the minor child of a veteran, if the widow, widower or child would be entitled to an exemption under section 653, subsection 1, paragraph D, except for the failure of the widow, widower or child to make application and file proof within the time set by section 653, subsection 1, paragraph G, if the veteran died during the 12-month period preceding the April 1st for which the tax was committed.

[2015, c. 300, Pt. A, §9 (AMD) .]

5. Certification; record. Whenever an abatement is made, other than by the State Tax Assessor, the abating authority shall certify it in writing to the collector, and that certificate shall discharge the collector from further obligation to collect the tax so abated. When the abatement is made, other than an abatement made under subsection 2, a record setting forth the name of the party or parties benefited, the amount of the abatement and the reasons for the abatement shall, within 30 days, be made and kept in suitable book form open to the public at reasonable times. A report of the abatement shall be made to the municipality at its annual meeting or to the mayor and aldermen of cities by the first Monday in each March.

[1987, c. 772, §16 (RPR) .]

6. Appeals. The decision of a chief assessor of a primary assessing area or the State Tax Assessor shall not be deemed "final agency action" under the Maine Administrative Procedure Act, Title 5, chapter 375.

[1979, c. 73, (NEW) .]

7. Assessors defined. For the purposes of this subchapter the word "assessors" includes assessor, chief assessor of a primary assessing area and State Tax Assessor for the unorganized territory.

[2001, c. 396, §15 (AMD) .]

8. Approval of the Governor. The State Tax Assessor may abate taxes under this section only with the approval of the Governor or the Governor's designee.

§842. NOTICE OF DECISION

The assessors or municipal officers shall give to any person applying to them for an abatement of taxes notice in writing of their decision upon the application within 10 days after they take final action thereon. The notice of decision must include the reason or reasons supporting the decision to approve or deny the abatement request and state that the applicant has 60 days from the date the notice is received to appeal the decision. It must also identify the board or agency designated by law to hear the appeal. If the assessors or municipal officers, before whom an application in writing for the abatement of a tax is pending, fail to give written notice of their decision within 60 days from the date of filing of the application, the application is

deemed to have been denied, and the applicant may appeal as provided in sections 843 and 844, unless the applicant has in writing consented to further delay. Denial in this manner is final action for the purposes of notification under this section but failure to send notice of decision does not affect the applicant's right of appeal. This section does not apply to applications for abatement made under section 841, subsection 2. [2013, c. 182, §1 (AMD).]

§843. APPEALS

1. Municipalities. If a municipality has adopted a board of assessment review and the assessors or the municipal officers refuse to make the abatement asked for, the applicant may apply in writing to the board of assessment review within 60 days after notice of the decision from which the appeal is being taken or after the application is deemed to have been denied, and, if the board thinks the applicant is over-assessed, the applicant is granted such reasonable abatement as the board thinks proper. Except with regard to nonresidential property or properties with an equalized municipal valuation of \$1,000,000 or greater either separately or in the aggregate, either party may appeal from the decision of the board of assessment review directly to the Superior Court, in accordance with Rule 80B of the Maine Rules of Civil Procedure. If the board of assessment review fails to give written notice of its decision within 60 days of the date the application is filed, unless the applicant agrees in writing to further delay, the application is deemed denied and the applicant may appeal to Superior Court as if there had been a written denial.

[1995, c. 262, §4 (AMD) .]

1-A. Nonresidential property of \$1,000,000 or greater. With regard to nonresidential property or properties with an equalized municipal valuation of \$1,000,000 or greater either separately or in the aggregate, either party may appeal the decision of the local board of assessment review or the primary assessing area board of assessment review to the State Board of Property Tax Review within 60 days after notice of the decision from which the appeal is taken or after the application is deemed to be denied, as provided in subsections 1 and 2. The board shall hold a hearing de novo. If the board thinks that the applicant is over-assessed, it shall grant such reasonable abatement as the board thinks proper. For the purposes of this section, "nonresidential property" means property that is used primarily for commercial, industrial or business purposes, excluding unimproved land that is not associated with a commercial, industrial or business use.

[1995, c. 262, §4 (AMD) .]

2. Primary assessing areas. If a primary assessing area has adopted a board of assessment review and the assessors or municipal officers refuse to make the abatement asked for, the applicant may apply in writing to the board of assessment review within 60 days after notice of the decision from which the appeal is being taken or after the application is deemed to have been denied, and if the board thinks the applicant is over-assessed, the applicant is granted such reasonable abatement as the board thinks proper. Except with regard to nonresidential property or properties with an equalized municipal valuation of \$1,000,000 or greater, either separately or in the aggregate, either party may appeal the decision of the board of assessment review directly to the Superior Court, in accordance with the Maine Rules of Civil Procedure, Rule 80B. If the board of assessment review fails to give written notice of its decision within 60 days of the date the application was filed, unless the applicant agrees in writing to further delay, the application is deemed denied and the applicant may appeal to the Superior Court as if there had been a written denial.

[2001, c. 396, §17 (AMD) .]

3. Notice of decision. Any agency to which an appeal is made under this section is subject to the provisions for notice of decision in section 842.

[1991, c. 546, §12 (NEW) .]

4. Payment requirements for taxpayers. If the taxpayer has filed an appeal under this section without having paid an amount of current taxes equal to the amount of taxes paid in the next preceding tax year, as long as that amount does not exceed the amount of taxes due in the current tax year or the amount of taxes in the current tax year not in dispute, whichever is greater, by or after the due date or according to a payment schedule mutually agreed to in writing by the taxpayer and the municipal officers, the appeal process must be suspended until the taxes, together with any accrued interest and costs, have been paid. If an appeal is in process upon expiration of a due date or written payment schedule date for payment of taxes in a particular municipality, without the appropriate amount of taxes having been paid, whether the taxes are due for the year under appeal or a subsequent tax year, the appeal process must be suspended until the appropriate amount of taxes described in this subsection, together with any accrued interest and costs, has been paid. This subsection does not apply to property with a valuation of less than \$500,000.

§844. APPEALS TO COUNTY COMMISSIONERS

1. Municipalities without board of assessment review. Except when the municipality or primary assessing area has adopted a board of assessment review, if the assessors or the municipal officers refuse to make the abatement asked for, the applicant may apply to the county commissioners within 60 days after notice of the decisions from which the appeal is being taken or within 60 days after the application is deemed to have been denied. If the commissioners think that the applicant is over-assessed, the applicant is granted such reasonable abatement as the commissioners think proper. If the applicant has paid the tax, the applicant is reimbursed out of the municipal treasury, with costs in either case. If the applicant fails, the commissioners shall allow costs to the municipality, taxed as in a civil action in the Superior Court, and issue their warrant of distress against the applicant for collection of the amount due the municipality. The commissioners may require the assessors or municipal clerk to produce the valuation by which the assessment was made or a

copy of it. Either party may appeal from the decision of the county commissioners to the Superior Court, in accordance with the Maine Rules of Civil Procedure, Rule 80B. If the county commissioners fail to give written notice of their decision within 60 days of the date the application is filed, unless the applicant agrees in writing to further delay, the application is deemed denied and the applicant may appeal to the Superior Court as if there had been a written denial.

[2001, c. 396, §18 (AMD) .]

1-A. County board of assessment review. The county commissioners in a county may establish a county board of assessment review to hear all appeals to the county commissioners. The board has the powers and duties of a municipal board of assessment review, including those provided under section 844-M.

[1995, c. 262, §6 (NEW) .]

2. Nonresidential property of \$1,000,000 or greater. Notwithstanding subsection 1, the applicant may appeal the decision of the assessors or the municipal officers on a request for abatement with respect to nonresidential property or properties having an equalized municipal valuation of \$1,000,000 or greater, either separately or in the aggregate, to the State Board of Property Tax Review within 60 days after notice of the decision from which the appeal is taken or after the application is deemed to be denied. If the State Board of Property Tax Review determines that the applicant is over-assessed, it shall grant such reasonable abatement as it determines proper. For the purposes of this subsection, "nonresidential property" means property that is used primarily for commercial, industrial or business purposes, excluding unimproved land that is not associated with a commercial, industrial or business use.

[2011, c. 548, §13 (AMD) .]

3. Notice of decision. An appeal to the county commissioners is subject to the provisions for notice of decision in section 842.

[1991, c. 546, §13 (NEW) .]

4. Payment requirements for taxpayers. If the taxpayer has filed an appeal under this section without having paid an amount of current taxes equal to the amount of taxes paid in the next preceding tax year, as long as that amount does not exceed the amount of taxes due in the current tax year or the amount of taxes in the current tax year not in dispute, whichever is greater, by or after the due date, or according to a payment schedule mutually agreed to in writing by the taxpayer and the municipal officers, the appeal process must be suspended until the taxes, together with any accrued interest and costs, have been paid. If an appeal is in process upon expiration of a due date or written payment schedule date for payment of taxes in a particular municipality, without the appropriate amount of taxes having been paid, whether the taxes are due for the year under appeal or a subsequent tax year, the appeal process must be suspended until the appropriate amount of taxes described in this subsection, together with any accrued interest and costs, has been paid. This subsection does not apply to property with a valuation of less than \$500,000.

§844-M. COUNTY BOARD OF ASSESSMENT REVIEW

1. Organization. A county board of assessment review, as authorized by section 844, subsection 1-A, consists of 5 or 7 members, at least one of whom must be a licensed real estate appraiser and one of whom must be a member of the general public, who serve staggered terms of at least 3 but no more than 5 years. The terms must be determined by rule of the board. The board shall elect annually a chair and a secretary from among its members. A county official or the spouse of a county official may not be a member of the board. Any question of whether a particular issue involves a conflict of interest sufficient to disqualify a member from voting on that issue must be decided by a majority vote of the members, excluding the member who is being challenged. The county commissioners may dismiss a member of the board for cause before the member's term expires.

[1995, c. 262, §9 (NEW) .]

2. Meetings; records. The chair shall call meetings of the board as required. The chair shall also call meetings of the board when requested to do so by a majority of the board members or by the county commissioners. A majority of the board's members constitutes a quorum. The chair shall preside at the meetings of the board and is the official spokesperson of the board. The secretary shall maintain a permanent record of the board meetings, the correspondence of the board and the records that are required as part of the various proceedings brought before the board. The records maintained or prepared by the secretary must be filed in the county commissioners' office and subject to public inspection in accordance with Title 1, chapter 13, unless excepted from the definition of public records under Title 1, section 402, subsection 3 or otherwise exempt from disclosure under Title 1, chapter 13.

[1995, c. 262, §9 (NEW) .]

3. Hearing. The board shall adopt rules to establish the procedure for the conduct of a hearing; however, the chair may waive any rule upon good cause shown.

[1995, c. 262, §9 (NEW) .]

4. Evidence. The board shall receive oral or documentary evidence and, as a matter of policy, provide for the exclusion of irrelevant, immaterial or unduly repetitious evidence. Each party may present its case or defense by oral or documentary evidence, submit rebuttal evidence and conduct cross-examination that is required for a full and true disclosure of the facts.

[1995, c. 262, §9 (NEW) .]

5. Testimony; record; notice. The transcript or tape recording of testimony, if such a transcript or tape recording has been prepared by the board, and the exhibits, with all papers and requests filed in the proceeding, constitute the record. Decisions become a part of the record and must include a statement of findings and conclusions, as well as the reasons or basis for those findings and conclusions, upon the material issues of fact, law or discretion presented and the appropriate order, relief or denial of relief. If the board determines that the applicant is over-assessed, it shall grant such reasonable abatement as the board determines proper. Notice of a decision must be mailed or hand delivered to all parties and the county commissioners within 10 days of the board's decision.

[1995, c. 262, §9 (NEW) .]

6. Appeals. A party may appeal the decision of the county board of assessment review to the Superior Court in accordance with the Maine Rules of Civil Procedure, Rule 80B. If the county board of assessment review fails to give written notice of its decision within 60 days of the date the application was filed, unless the applicant agrees in writing to further delay, the application is deemed denied and the applicant may appeal to the Superior Court as if there had been a written denial.

Reports of assessment ratios contained in assessment ratio studies of the Bureau of Revenue Services are prima facie evidence of what the reported ratio is in fact, unless a party to proceedings related to a protested assessment establishes that the ratio was derived or established in a manner contrary to law or proves the existence of a different ratio. Article 2: ENFORCEMENT OF LIEN ON REAL ESTATE

§941. CIVIL ACTION WITH SPECIAL ATTACHMENTS; PROCEDURE

The lien on real estate created by section 552 may be enforced in the following manner.

The tax collector may, after the expiration of 8 months and within one year from the date of original commitment of the tax or, in the case of deferred taxes pursuant to chapter 908-A, after the due and payable date established pursuant to section 6271, subsection 5, give to the person against whom the tax is assessed, or leave at the person's last and usual place of abode, or send by registered mail to the person's last known address, a notice in writing signed by said tax collector stating the amount of the tax, describing the real estate on which the tax is assessed and demanding the payment of such tax within 10 days after service of such notice. [2009, c. 489, §1 (AMD).]

After the expiration of said 10 days a civil action for the collection of the tax may be brought in the county where the real estate lies, against the person to whom said tax is assessed. Such action may be brought in the name of the tax collector or the municipal officers may in writing direct the action to be brought in the name of the municipality. Such action shall be begun by a writ of attachment commanding the officer serving it to specially attach the real estate upon which the lien is claimed, which shall be served as other writs of attachment to enforce liens on real estate.

The complaint in such action shall contain a statement of such tax, a description of the real estate contained in said notice and an allegation that a lien is claimed on said real estate to secure the payment of the tax. If no service is made upon the defendant, or if it shall appear that other persons are interested in such real estate, the court shall order such notice of said action as appears proper and shall allow such other persons to become parties thereto.

If it shall appear upon trial of said action that the tax was legally assessed on said real estate, and is unpaid, and that there is an existing lien on said real estate for the payment of the tax, judgment shall be rendered for the tax, interest and costs of suit against the defendants and against the real estate attached, and execution shall issue thereon to be enforced by the sale of such real estate in the manner provided for in a sale on execution of real estate attached on original writs. In all actions brought in the Superior Court under this section or section 1284, full costs shall be recovered notwithstanding the amount of the judgment be \$20 or less.

Any person interested in the real estate may redeem it at any time within one year after its sale by the officer on that execution by paying the amount for which it was sold with interest at the rate determined by the State Tax Assessor pursuant to section 186. [1981, c. 706, §12 (AMD).]

This section shall not affect any other provision of law for the enforcement and collection of taxes upon real estate.

SECTION HISTORY

1981, c. 706, §12 (AMD). 2009, c. 489, §1 (AMD).

§942. TAX LIEN CERTIFICATE; PROCEDURE

Except as provided in section 942-A, liens on real estate created by section 552, in addition to other methods established by law, may be enforced in the following manner. [1987, c. 358, §3 (AMD).]

The tax collector may, after the expiration of 8 months and within one year after the date of original commitment of a tax or, in the case of deferred taxes pursuant to chapter 908-A, after the due and payable date established pursuant to section 6271, subsection 5, give to the person against whom the tax is assessed, or leave at the person's last and usual place of abode, or send by certified mail, return receipt requested, to the person's last known address, a notice in writing signed by the tax collector or bearing the tax collector's facsimile signature, stating the amount of the tax, describing the real estate on which the tax is assessed, alleging that a lien is claimed on the real estate to secure the payment of the tax, and demanding the payment of the tax within 30 days after service or mailing of the notice with \$3 for the tax collector for making the demand together with the certified mail, return receipt requested, fee. In the case of taxes supplementally assessed, the tax collector may give that notice after the expiration of 8 months and within one year after the date of commitment of the supplementally assessed taxes. If an owner or occupant of real estate to whom the real estate is taxed dies before that demand is made on that owner or occupant, the demand may be made upon the personal representative of that owner's or occupant's estate or upon any of that owner's or occupant's heirs or devisees. [2009, c. 489, §2 (AMD).]

After the expiration of the 30 days and within 10 days thereafter, the tax collector shall record in the registry of deeds of the county or registry district where the real estate is situated a tax lien certificate signed by the tax collector or bearing his facsimile signature, setting forth the amount of the tax, a description of the real estate on which the tax is assessed and an allegation that a lien is claimed on the real estate to secure the payment of the tax, that a demand for payment of the tax has been made in accordance with this section, and that the tax remains unpaid. When the undivided real estate of a deceased person has been assessed to his

heirs or devisees without designating any of them by name it will be sufficient to record in said registry a tax lien certificate in the name of the heirs or the devisees of said decedent without designating them by name. [1979, c. 613, §2 (AMD).]

At the time of the recording of the tax lien certificate in the registry of deeds, in all cases the tax collector shall file with the municipal treasurer a true copy of the tax lien certificate and shall hand deliver or send by certified mail, return receipt requested, to each record holder of a mortgage on that real estate, to the holder's last known address, a true copy of the tax lien certificate. If the real estate has not been assessed to its record owner, the tax collector shall send by certified mail, return receipt requested, a true copy of the tax lien certificate to the record owner. [1993, c. 422, §6 (AMD).]

The costs to be paid by the taxpayer are the sum of the fees for recording and discharge of the lien as established by Title 33, section 751, plus \$13, plus the fee established by section 943 for sending a notice 30 to 45 days prior to the foreclosing date of the tax lien mortgage if that notice is actually sent and all certified mail, return receipt requested, fees. In the case of a lien in effect pursuant to chapter 908-A, the costs to be paid include interest in the amount established under section 6271, subsection 3. Upon redemption, the municipality shall prepare and record a discharge of the tax lien mortgage. [2009, c. 489, §3 (AMD).]

The municipality shall pay the tax collector \$3 for the notice, \$1 for filing the tax lien certificate and the amount paid for certified mail, return receipt requested, fees. The fees for recording the tax lien certificate and for discharging the tax lien mortgage must be paid by the municipality to the register of deeds. [1995, c. 57, §6 (AMD).]

§943. TAX LIEN MORTGAGE; REDEMPTION; DISCHARGE; FORECLOSURE

The filing of the tax lien certificate in the registry of deeds shall create a tax lien mortgage on said real estate to the municipality in which the real estate is situated having priority over all other mortgages, liens, attachments and encumbrances of any nature, and shall give to said municipality all the rights usually incident to a mortgagee, except that the municipality shall not have any right of possession of said real estate until the right of redemption shall have expired.

The filing of the tax lien certificate in the registry of deeds shall be sufficient notice of the existence of the tax lien mortgage.

In the event that the tax, interest and costs underlying the tax lien are paid within the period of redemption, the municipal treasurer or assignee of record shall prepare and record a discharge of the tax lien mortgage in the same manner as is now provided for the discharge of real estate mortgages, except that a facsimile signature of the treasurer or treasurer's assignee may be used. [2011, c. 104, §1 (AMD) .]

If the tax lien mortgage, together with interest and costs, shall not be paid within 18 months after the date of the filing of the tax lien certificate in the registry of deeds, the said tax lien mortgage shall be deemed to have been foreclosed and the right of redemption to have expired.

The municipal treasurer shall notify the party named on the tax lien mortgage and each record holder of a mortgage on the real estate not more than 45 days nor less than 30 days before the foreclosing date of the tax lien mortgage, in a writing signed by the treasurer or bearing the treasurer's facsimile signature and left at the holder's last and usual place of abode or sent by certified mail, return receipt requested, to the holder's last known address of the impending automatic foreclosure and indicating the exact date of foreclosure. For sending this notice, the municipality is entitled to receive \$3 plus all certified mail, return receipt requested, fees. These costs must be added to and become a part of the tax. If notice is not given in the time period specified in this section to the party named on the tax lien mortgage or to any record holder of a mortgage, the person not receiving timely notice may redeem the tax lien mortgage until 30 days after the treasurer does provide notice in the manner specified in this section. [1993, c. 422, §7 (AMD) .]

Beginning with taxes that are assessed after April 1, 1985, the notice of impending automatic foreclosure shall be substantially in the following form:

After the expiration of the 18-month period for redemption, the mortgagee of record of said real estate or his assignee and the owner of record if the said real estate has not been assessed to him or the person claiming under him shall, in the event the notice provided for said mortgagee and said owner has not been given as provided in section 942, have the right to redeem the said real estate within 3 months after receiving actual knowledge of the recording of the tax lien certificate by payment or tender of the amount of the tax lien mortgage, together with interest and costs, and the tax lien mortgage shall then be discharged by the owner thereof in the manner provided.

The tax lien mortgage shall be prima facie evidence in all courts in all proceedings by and against the municipality, its successors and assigns, of the truth of the statements therein and after the period of redemption has expired, of the title of the municipality to the real estate therein described, and of the regularity and validity of all proceedings with reference to the acquisition of title by such tax lien mortgage and the foreclosure thereof.

Whenever the person against whom the tax is assessed shall have died after the tax has been committed and prior to the expiration of the 18-months period of foreclosure and such person shall have left a will offered for probate, the probate judge of the county wherein said will is offered upon petition of any devisee of the real estate on which said tax is unpaid may grant a period of redemption not to exceed 60 days following the final allowance or disallowance of said will. Notice of said petition shall be given to the tax collector of the town wherein said property is located and a certified copy of the court order shall be filed in the registry of deeds of the county wherein the property is located.

A discharge of a municipal tax lien mortgage given after the right of redemption has expired, which discharge has been recorded in the Registry of Deeds for more than one year, terminates all title of the municipality derived from such tax lien mortgage or any other recorded tax lien mortgage for which the right of redemption expired 10 years or more prior to the foreclosure date of this discharged lien, unless the municipality has conveyed any interest based upon the title acquired from any of the affected liens. This paragraph applies to discharges of municipal tax lien mortgages given after October 1, 1935. [1991, c. 245, §1 (AMD); 1991, c. 245, §2 (AFF).]

When a municipality conveys the premises back to the former record titleholder or to a successor of that holder who obtained title before the foreclosure for a consideration of the taxes and costs due, the rights of the other parties claiming an interest of record in the premises at the time of foreclosure, including mortgagees, lien creditors or other secured parties, are revived as if the tax lien mortgage had not been foreclosed. A municipality which has become the purchaser at a sale of real estate for nonpayment of taxes or which as to any real estate has pursued the alternative method for the enforcement of liens for taxes provided in sections 942 and 943, whether in possession of such real estate or not, after the period of redemption from such sale or lien has expired, may maintain an action for equitable relief against any and all persons who claim or may claim some right, title or interest in the premises adverse to the estate of such municipality.

Any purchaser or his successors in interest from a municipality of real estate or lien thereon acquired by a municipality as a purchaser at a sale thereof for nonpayment of taxes, or acquired under the alternative method for the enforcement of liens for taxes provided in sections 942 and 943, whether in possession of such real estate or not, after the period of redemption from such sale or lien has expired, may maintain an action for equitable relief against any and all persons who claim or may claim some right, title or interest in the premises adverse to the estate of such municipality or purchaser. [1973, c. 646, (AMD).]

If, after notice has been given or served as ordered by the court and the time limited in such notice for the appearance of the defendants has expired, the court finds that there are or may be defendants who have not been actually served with process and who have not appeared in the action, it may of its own motion, or on the representation of any party, appoint an agent, guardian ad litem or next friend for any such defendant, and if any such defendants have or may have conflicting interests, it may appoint different agents, guardians ad litem or next friends to represent them. The cost of appearance of any such agent, guardian ad litem or next friend, including the cost of compensation of his counsel, shall be determined by the court and paid by the plaintiff, against whom execution may issue therefor in the name of the agent, guardian ad litem or next friend.

[1965, c. 281, (AMD) .]

2. Decree; effect. The plaintiff in such action shall pray the court to establish and confirm its title to the premises described in the complaint as against all the defendants named or described therein, and if upon hearing the court shall find the plaintiff's title so to be good it shall make and enter its decree accordingly, which decree when recorded in the registry of deeds for the county or district where the real estate lies shall have the effect of a deed of quitclaim of the premises involved in the action from all the defendants named or described therein to the plaintiff.

Such copy and certificate are a sufficient warrant to require the jailer to receive and keep such person in custody until he pays his tax, charges and 33¢ for the copy of the warrant. Such person shall have the same rights and privileges as a debtor arrested or committed on execution in favor of a private creditor.

§998. COLLECTOR LIABLE UNLESS HE COMMITS WITHIN ONE YEAR

In case of the absence or disability of the tax collector, the sale shall be made by some constable of the municipality who shall have the same powers as the tax collector.

In the case of the real estate of resident owners, the tax collector may give notice of the sale and of his intention to sell so much of said real estate as is necessary for the payment of delinquent taxes and all charges by posting notices thereof in the same manner and at the same places that warrants for municipal meetings are therein required to be posted, at least 6 weeks and not more than 7 weeks before such first Monday in February, designating the name of the owner if known, the right, lot and range, the number of acres as nearly as may be, the amount of tax due and such other short description as is necessary to render its identification certain and plain.

No irregularity, informality or omission in giving the notices required by this section, or in lodging copy of any of the same with the municipal clerk, as required, shall render such sale invalid, but such sale shall be deemed to be legal and valid, if made at the time and place provided, and in other respects according to law,

except as to the matter of notice. For any irregularity, informality or omission in giving notice as required by this section, and in lodging copy of the same with the municipal clerk, the tax collector shall be liable to any person injured thereby.

The treasurer shall not at that time deliver the deeds to the grantees, but put them on file in his office, to be delivered at the expiration of 2 years from the day of sale, and the treasurer shall after the expiration of 2 years deliver said deed to the grantee or his heirs, provided the owner, the mortgagee or any person in possession or other person legally taxable therefor does not within such time redeem the estate from such sale, by payment or tender of the taxes, all the charges and interest on the whole at the rate of 8% a year from the date of sale to the time of redemption, and costs as provided, with 67¢ for the deed and certificate of acknowledgment.

If there is an undischarged mortgage duly recorded on the real estate sold for taxes, the purchaser at such sale shall notify the holder of record of each such mortgage within 60 days from the date of said sale, by sending a notice in writing by registered letter addressed to the record holder of such mortgage at the residence of such holder as given in the registry of deeds in the county where said real estate is situated, stating that he has purchased the estate at a tax sale on such date and request the mortgagee to redeem the same. If such notice is not given, the holder of record of any mortgage, which mortgage was on record in the registry of deeds at the time of said sale, may redeem the real estate sold at any time within 3 months after receiving actual notice of such sale, by the payment or tender of the amounts, interest and costs as specified,

and the registry fee for recording and discharging the deed, if the deed has been recorded, and the deed shall be discharged by the grantee therein, or the owner under the tax deed at the time of redemption, in manner provided for the discharge of mortgages of real estate.

If any owner of real estate which is assessed to any former owner who was not the owner on April 1st of the taxable year as assessed, or to owners unknown, does not have actual notice of the sale of his real estate for taxes within said 2 years, he may, at any time within 3 months after he has had actual notice, redeem the real estate sold from such sale although the deed may have been recorded, by payment or tender of the amounts, interest and costs as specified and the registry fee for recording and discharging the deed, in case the deed has been recorded, and the deed shall be discharged by the grantee therein, or the owner under the tax deed at the time of redemption, in manner provided for the discharge of mortgages on real estate.

If the real estate is redeemed before the deed is delivered, the municipal treasurer shall give the owner, mortgagee or party to whom the real estate is assessed or other person legally taxable therefor a certificate thereof, cancel the deed and pay to the grantee on demand the amount so received from him. If the amounts, interest and costs specified are not paid to the treasurer within the time as specified, he shall deliver to the grantee his deed upon the payment of the fees for the deed and acknowledgment and 30¢ more for receiving and paying out the proceeds of the sale, but all tax deeds of real estate upon which there is an undischarged mortgage duly recorded shall carry no title except subject to such mortgage, unless the purchaser at such tax sale gives to the record holder of the mortgage, notice as provided. For the fidelity of the treasurer in discharging his duties required, the municipality is responsible, and has a remedy on his bond in case of default.

§1077. PURCHASER'S FAILURE TO PAY IN 20 DAYS VOIDS SALE

If the purchaser of real estate sold for taxes under section 1074 fails to pay the tax collector within 20 days after the sale of the amount bid by him, the sale shall be void, and the municipality in which such sale was made shall be deemed to be the purchaser of the real estate so sold, the same as if purchased by some one in behalf of the municipality under section 1082. If a municipality becomes a purchaser under this section, the deed to it shall set forth the fact that a sale was duly made, the amount bid for the real estate included in said deed, and that the purchaser failed to pay the amount bid within 20 days after the sale. The said deed shall confer upon said municipality the same rights and duties as if it had been the purchaser under section 1082.

§1078. OWNER'S RIGHT TO REDEEM

Any person to whom the right by law belongs may, at any time within 2 years from the day of sale, redeem any real estate sold for taxes on paying into the municipal treasury for the purchaser the full amount certified to be due, including taxes, costs and charges, with interest on the whole at the rate of 8% a year from the date of the sale, which shall be received and held by said treasurer as the property of the purchaser aforesaid. The treasurer shall pay it to said purchaser, his heirs or assigns, on demand. If not paid when demanded, the purchaser may recover it in any court of competent jurisdiction, with costs and interest at the rate of 8%, after such demand. The sureties of the treasurer shall pay the same on failure of said treasurer. In default of payment by either, the municipality shall pay the same with costs and interest as provided.

§1079. REFUND OF TAXES PAID BY PURCHASER

Any person interested in the estate, by the purchase at the sale, may pay any tax assessed thereon, before or after that so advertised, and for which the estate remains liable, and on filing with the municipal treasurer the receipt of the officer to whom it was paid, the amount so paid shall be added to that for which the estate was liable, and shall be paid by the owner redeeming the estate, with interest at the same rate as on the other sums.

§1080. DELIVERY OF DEED TO PURCHASER AFTER 2 YEARS

If the estate is not redeemed within the time specified by payment of the full amount required by this chapter, the municipal treasurer shall deliver to the purchaser the deeds lodged with him by the tax collector. If he willfully refuses to deliver such deed to said purchaser, on demand, after said 2 years and forfeiture

of the land, he forfeits to said purchaser the full value of the property so to be conveyed, to be recovered in a civil action, with costs and interest as in other cases. The sureties of said treasurer shall make good the payment required in default of payment by the principal. On the failure of both, the municipality is liable.

§1081. NONRESIDENT OWNER'S ACTION; TIME LIMIT

Any nonresident owner of real estate sold under section 1074, having paid the taxes, costs, charges and interest as provided, may, at any time within one year after making such payment, commence a civil action against the municipality to recover the amount paid, and if on trial it appears that the money raised was for an unlawful purpose, he shall have judgment for the amount so paid. If not commenced within the year, the claim shall be forever barred. The action may be in the Superior Court and the plaintiff recovering judgment therein shall have full costs, although the amount of damages is less than \$20.

§1082. MUNICIPAL OFFICERS MAY BID AT SALE

The municipal officers may employ one of their own number, or some other person, to attend the sale for taxes of any real estate in which their municipality is interested, and bid therefor a sum sufficient to pay the amount due and charges, in behalf of the municipality, and the deed shall be made to it.

§1083. COLLECTOR'S DEED; PRIMA FACIE EVIDENCE OF VALIDITY OF SALE

In the trial of any civil action, involving the validity of any sale of real estate for nonpayment of taxes, it shall be sufficient for the party claiming under it, in the first instance to produce in evidence the tax collector's deed, duly executed and recorded, which shall be prima facie evidence of his title, and if the other party claims and offers evidence to show that such sale was invalid and ineffectual to convey the title, the party claiming under it shall have judgment in his favor so far as relates to said tax title, if he then produces the assessment, signed by the assessors, and their warrant to the tax collector, and proves that such tax collector complied with the requirements of law in selling such real estate. In all civil actions involving the validity of such sales the tax collector's return to the municipal clerk shall be prima facie evidence of all facts therein set forth.

§1084. POSTING NOTICES; EVIDENCE OF

The affidavit of any disinterested person as to posting notifications required for the sale of any real estate to be sold by the sheriff or his deputy, constable or tax collector, in the execution of his office, may be used in evidence in any trial to prove the fact of notice, if such affidavit, made on one of the original advertisements, or on a copy of it, is filed in the registry of the county where the real estate lies, within 6 months.

Subchapter 10: FARM AND OPEN SPACE TAX LAW

§1101. PURPOSE

§1105. VALUATION OF FARMLAND

The municipal assessor, chief assessor or State Tax Assessor for the unorganized territory shall establish the 100% valuation per acre based on the current use value of farmland used for agricultural or horticultural purposes. The values established must be guided by the Department of Agriculture, Conservation and Forestry as provided in section 1119 and adjusted by the assessor if determined necessary on the basis of such considerations as farmland rentals, farmer-to-farmer sales, soil types and quality, commodity values, topography and other relevant factors. These values may not reflect development or market value purposes other than agricultural or horticultural use. The values may not reflect value attributable to road frontage or shore frontage. [1999, c. 731, Pt. Y, §2 (AMD); 2011, c. 657, Pt. W, §5 (REV).]

The 100% valuation per acre for farm woodland within a parcel classified as farmland under this subchapter is the 100% valuation per acre for each forest type established for each county pursuant to subchapter II-A. Areas other than woodland, agricultural land or horticultural land located within any parcel of farmland classified under this subchapter are valued on the basis of just value. SECTION HISTORY

1975, c. 726, §2 (NEW). 1989, c. 748, §3 (AMD). 1991, c. 508, §1 (AMD). 1993, c. 452, §8 (RP).

§1106-A. VALUATION OF OPEN SPACE LAND

1. Valuation method. For the purposes of this subchapter, the current use value of open space land is the sale price that particular open space parcel would command in the marketplace if it were required to remain in the particular category or categories of open space land for which it qualifies under section 1102, subsection 6, adjusted by the certified ratio.

[1993, c. 452, §9 (NEW) .]

2. Alternative valuation method. Notwithstanding any other provision of law, if an assessor is unable to determine the valuation of open space land under the valuation method in subsection 1, the assessor may value that land under the alternative method in this subsection. The assessor may reduce the ordinary assessed valuation of the land, without regard to conservation easement restrictions and as reduced by the certified ratio, by the cumulative percentage reduction for which the land is eligible according to the following categories.

A. All open space land is eligible for a reduction of 20%. [1993, c. 452, §9 (NEW) .]

B. Permanently protected open space land is eligible for the reduction set in paragraph A and an additional 30%. [1993, c. 452, §9 (NEW) .]

C. Forever wild open space land is eligible for the reduction set in paragraphs A and B and an additional 20%. [1993, c. 452, §9 (NEW) .]

D. Public access open space land is eligible for the applicable reduction set in paragraph A, B or C and an additional 25%. [1993, c. 452, §9 (NEW) .]

E. Managed forest open space land is eligible for the reduction set in paragraphs A, B and D and an additional 10%. [2011, c. 618, §6 (NEW) .]

Notwithstanding this section, the value of forested open space land may not be reduced to less than the value it would have under subchapter II-A, and the open space land valuation may not exceed just value as required under section 701-A.

[2011, c. 618, §6 (AMD) .]

3. Definition of land eligible for additional percentage reduction. The following categories of open space land are eligible for the additional percentage reduction set forth in subsection 2, paragraphs B, C, D and E.

A. Permanently protected open space is an area of open space land that is eligible for an additional cumulative percentage reduction in valuation because that area is subject to restrictions prohibiting building development under a perpetual conservation easement pursuant to Title 33, chapter 7, subchapter 8-A or as an open space preserve owned and operated by a nonprofit entity in accordance with section 1109, subsection 3, paragraph H. [2011, c. 618, §7 (AMD) .]

B. Forever wild open space is an area of open space land that is eligible for an additional cumulative percentage reduction in valuation because it is permanently protected and subject to restrictions or committed to uses by a nonprofit entity in accordance with section 1109, subsection 3, paragraph H that ensure that in the future the natural resources on that protected property will remain substantially unaltered, except for:

- (1) Fishing or hunting;
 - (2) Harvesting shellfish in the intertidal zone;
 - (3) Prevention of the spread of fires or disease; or
 - (4) Providing opportunities for low-impact outdoor recreation, nature observation and study.
- [1993, c. 452, §9 (NEW) .]

C. Public access open space is an area of open space land, whether ordinary, permanently protected or forever wild, that is eligible for an additional cumulative percentage reduction in valuation because public access is by reasonable means and the applicant agrees to refrain from taking action to discourage or prohibit daytime, nonmotorized and nondestructive public use. The applicant may permit, but is not obligated to permit as a condition of qualification for public access status, hunting, snowmobiling, overnight use or other more intensive outdoor recreational uses. The applicant, without disqualifying land from status as public access open space, may impose temporary or localized public access restrictions to:

- (1) Protect active habitat of endangered species listed under Title 12, chapter 925, subchapter 3;
- (2) Prevent destruction or harm to fragile protected natural resources under Title 38, chapter 3, subchapter 1, article 5-A; or
- (3) Protect the recreational user from any hazardous area. [2003, c. 414, Pt. B, §50 (AMD); 2003, c. 614, §9 (AFF).]

D. Managed forest open space land is an area of open space land whether ordinary, permanently protected pursuant to paragraph A or public access pursuant to paragraph C containing at least 10 acres of forested land that is eligible for an additional cumulative percentage reduction in valuation because the applicant has provided proof of a forest management and harvest plan. A forest management and harvest plan must be prepared for each parcel of managed forest open space land and updated every 10 years. The landowner must comply with the forest management and harvest plan and must submit every 10 years to the municipal assessor for parcels in a municipality or the State Tax Assessor for parcels in the unorganized territory a statement from a licensed professional forester that the landowner is managing the parcel according to the forest management and harvest plan. Failure to comply with the forest management and harvest plan results in the loss of the additional cumulative percentage reduction under this paragraph for 10 years. The assessor or the assessor's duly authorized representative may enter and examine the forested land and may examine any information in the forest management and harvest plan submitted by the owner. A copy of the forest management and harvest plan must be made available to the assessor to review upon request. For the purposes of this paragraph, "to review" means to see or possess a copy of a forest management and harvest plan for a reasonable amount of time to verify that the forest management and harvest plan exists or to facilitate an evaluation as to whether the forest management and harvest plan is appropriate and is being followed. Upon completion of a review, the forest management and harvest plan must be returned to the owner or an agent of the owner. A forest management and harvest plan provided in accordance with this section is confidential and is not a public record as defined in Title 1, section 402, subsection 3. [2011, c. 618, §7 (NEW).]

§1108. ASSESSMENT OF TAX

1. Organized areas. The municipal assessors shall adjust the 100% valuations per acre for farmland for their jurisdiction by whatever ratio or percentage of current just value is then being applied to other property within the municipality to obtain the assessed values. For any tax year, the classified farmland value must

reflect only the current use value for farm or open space purposes and may not include any increment of value reflecting development pressure. Commencing April 1, 1978, land in the organized areas subject to taxation under this subchapter must be taxed at the property tax rate applicable to other property in the municipality, which rate must be applied to the assessed values so determined.

[1999, c. 731, Pt. Y, §3 (AMD) .]

2. Unorganized territory. The State Tax Assessor shall adjust the 100% valuations per acre for farmland for the unorganized territory by such ratio or percentage as is then being used to determine the state valuation applicable to other property in the unorganized territory to obtain the assessed values. For any tax year, the classified farmland value must reflect only the current use value for farm or open space purposes and shall not include any increment of value reflecting development pressure. Commencing April 1, 1978, land in the unorganized territory subject to taxation under this subchapter shall be taxed at the state property tax rate applicable to other property in the unorganized territory, which rate shall be applied to the assessed values so determined.

§1109. SCHEDULE; INVESTIGATION

1. Schedule. The owner or owners of farmland subject to taxation under this subchapter shall submit a signed schedule, on or before April 1st of the year in which the owner or owners wish to first subject the land to taxation under this subchapter, to the assessor upon a form prescribed by the State Tax Assessor identifying the land to be taxed under this subchapter, indicating the number of acres of each farmland classification, showing the location of the land in each classification and representing that the land is farmland as defined in section 1102, subsection 4. In determining whether the land is farmland, the assessor shall take into account, among other things, the acreage of the land, the portion of the land that is actually used for farming or agricultural operations, the productivity of the land, the gross income derived from farming or agricultural operations on the land, the nature and value of the equipment used in connection with farming or agricultural operations on the land and the extent to which the tracts comprising the land are contiguous. If the assessor determines that the land is farmland as defined in section 1102, subsection 4, the assessor shall classify it as farmland and apply the appropriate 100% valuations per acre for farmland and that land is subject to taxation under this subchapter.

The assessor shall record, in the municipal office of the town in which the farmland is located, the value of the farmland as established under this subchapter and the value at which the farmland would have been assessed had it not been classified under this subchapter.

[2011, c. 240, §7 (AMD) .]

2. Provisional classification. The owner of a parcel of land of at least 5 contiguous acres on which farming or agricultural activities have not produced the gross income required in section 1102, subsection 4 per year for one of the 2 or 3 of the 5 preceding calendar years, may apply for a 2-year provisional classification as farmland by submitting a signed schedule in duplicate, on or before April 1st of the year for which provisional classification is requested, identifying the land to be taxed under this subsection, listing the number of acres of each farmland classification, showing the location of the land in each classification and representing that the applicant intends to conduct farming or agricultural activities upon that parcel. Upon receipt of the schedule, the land must be provisionally classified as farmland and subjected to taxation under this subchapter. If, at the end of the 2-year period, the land does not qualify as farmland under section 1102, subsection 4, the owner shall pay a penalty that is an amount equal to the taxes that would have been assessed

had the property been assessed at its fair market value on the first day of April for the 2 preceding tax years less the taxes paid on the property over the 2 preceding years and interest at the legal rate from the dates on which those amounts would have been payable.

[1999, c. 731, Pt. Y, §4 (AMD) .]

3. Open space land qualification. The owner or owners of land who believe that land is open space land as defined in section 1102, subsection 6 shall submit a signed schedule on or before April 1st of the year in which that land first becomes subject to taxation under this subchapter to the assessor on a form prescribed by the State Tax Assessor that must contain a description of the land, a general description of the use to which the land is being put and other information required by the assessor to aid the assessor in determining whether the land qualifies for classification as open space land and for which of the valuation categories set forth in section 1106-A the land is eligible. The assessor shall determine whether the land is open space land as defined in section 1102, subsection 6 and, if so, that land must be classified as open space land and subject to taxation under this subchapter. In determining whether the restriction of the use or preservation of the land provides a public benefit in one of the areas set forth in section 1102, subsection 6, the assessor shall consider all facts and circumstances pertinent to the land and its vicinity. A factor that is pertinent to one application may be irrelevant in determining the public benefit of another application. A single factor, whether listed below or not, may be determinative of public benefit. Among the factors to be considered are:

- A. The importance of the land by virtue of its size or uniqueness in the vicinity or proximity to extensive development or comprising an entire landscape feature; [1989, c. 748, §4 (NEW) .]
- B. The likelihood that development of the land would contribute to degradation of the scenic, natural, historic or archeological character of the area; [1989, c. 748, §4 (NEW) .]
- C. The opportunity of the general public to appreciate significant scenic values of the land; [1989, c. 748, §4 (NEW) .]
- D. The opportunity for regular and substantial use of the land by the general public for recreational or educational use; [1989, c. 748, §4 (NEW) .]
- E. The importance of the land in preserving a local or regional landscape or resource that attracts tourism or commerce to the area; [1989, c. 748, §4 (NEW) .]
- F. The likelihood that the preservation of the land as undeveloped open space will provide economic benefit to the town by limiting municipal expenditures required to service development; [1989, c. 748, §4 (NEW) .]
- G. Whether the land is included in an area designated as open space land or resource protection land on a comprehensive plan or in a zoning ordinance or on a zoning map as finally adopted; [1989, c. 748, §4 (NEW) .]
- H. The existence of a conservation easement, other legally enforceable restriction, or ownership by a nonprofit entity committed to conservation of the property that will permanently preserve the land in its natural, scenic or open character; [1989, c. 748, §4 (NEW) .]
- I. The proximity of other private or public conservation lands protected by permanent easement or ownership by governmental or nonprofit entities committed to conservation of the property; [1989, c. 748, §4 (NEW) .]
- J. The likelihood that protection of the land will contribute to the ecological viability of a local, state or national park, nature preserve, wildlife refuge, wilderness area or similar protected area; [1989, c. 748, §4 (NEW) .]
- K. The existence on the land of habitat for rare, endangered or threatened species of animals, fish or plants, or of a high quality example of a terrestrial or aquatic community; [1989, c. 748, §4 (NEW) .]

L. The consistency of the proposed open space use with public programs for scenic preservation, wildlife preservation, historic preservation, game management or recreation in the region; [1989, c. 748, §4 (NEW).]

M. The identification of the land or of outstanding natural resources on the land by a legislatively mandated program, on the state, local or federal level, as particular areas, parcels, land types or natural resources for protection, including, but not limited to, the register of critical areas under Title 12, section 544-B; the laws governing wildlife sanctuaries and management areas under Title 12, section 10109, subsection 1 and sections 12706 and 12708; the laws governing the State's rivers under Title 12, chapter 200; the natural resource protection laws under Title 38, chapter 3, subchapter 1, article 5-A; and the Maine Coastal Barrier Resources Systems under Title 38, chapter 21; [2007, c. 627, §29 (AMD).]

N. Whether the land contains historic or archeological resources listed in the National Register of Historic Places or is determined eligible for such a listing by the Maine Historic Preservation Commission, either in its own right or as contributing to the significance of an adjacent historic or archeological resource listed, or eligible to be listed, in the National Register of Historic Places; or [2003, c. 619, §3 (AMD).]

O. Whether there is a written management agreement between the landowner and the Department of Inland Fisheries and Wildlife or the Department of Agriculture, Conservation and Forestry as described in section 1102, subsection 10. [2003, c. 619, §4 (NEW); 2011, c. 657, Pt. W, §5 (REV).]

If a parcel of land for which the owner or owners are seeking classification as open space contains any principal or accessory structures or any substantial improvements that are inconsistent with the preservation of the land as open space, the owner or owners in their schedule shall exclude from their application for classification as open space a parcel of land containing those buildings or improvements at least equivalent in size to the state minimum lot size as prescribed by Title 12, section 4807-A or by the zoning ordinances or zoning map pertaining to the area in which the land is located, whichever is larger. For the purposes of this section, if any of the buildings or improvements are located within shoreland areas as defined in Title 38, chapter 3, subchapter 1, article 2-B, the excluded parcel must include the minimum shoreland frontage required by the applicable minimum lot standards under the minimum guidelines established pursuant to Title 38, chapter 3, subchapter 1, article 2-B or by the zoning ordinance for the area in which the land is located, whichever is larger. The shoreland frontage requirement is waived to the extent that the affected frontage is part of a contiguous shore path or a beach for which there is or will be, once classified, regular and substantial use by the public. The shoreland frontage requirement may be waived at the discretion of the legislative body of the municipality if it determines that a public benefit will be served by preventing future development near the shore or by securing access for the public on the particular shoreland area that would otherwise be excluded from classification.

[2011, c. 240, §8 (AMD); 2011, c. 657, Pt. W, §5 (REV).]

4. Investigation. The assessor shall notify the landowner, on or before June 1st following receipt of a signed schedule meeting the requirements of this section, whether the application has been accepted or denied. If the application is denied, the assessor shall state the reasons for the denial and provide the landowner an opportunity to amend the schedule to conform to the requirements of this subchapter.

The assessor or the assessor's duly authorized representative may enter and examine lands subject to taxation under this subchapter and may examine any information submitted by the owner or owners.

The assessor may require the owner to respond within 60 days of the receipt of notice in writing by certified mail, return receipt requested, to written questions or interrogatories the assessor considers necessary to obtain material information about those lands. If the assessor determines that the required material information regarding those lands cannot reasonably be obtained through written questions or interrogatories, the assessor may require the owner, upon notice in writing by certified mail, return receipt requested, or

by another method that provides actual notice, to appear before the assessor at a reasonable time and place designated by the assessor and answer questions or interrogatories the assessor considers necessary to obtain material information about those lands.

If the owner of a parcel of land subject to taxation under this subchapter fails to submit the schedules required by this section, fails to respond to written questions or interrogatories of the assessor as provided in this subsection or fails to appear before the assessor to respond to questions or interrogatories as provided in this subsection, that owner or owners are deemed to have waived all rights of appeal.

[2007, c. 438, §27 (AMD) .]

5. Owner obligation. It is the obligation of the owner to report to the assessor any change of use or change of classification of land subject to taxation under this subchapter by the end of the tax year in which the change occurs and to report to the assessor on or before April 1st of every 5th year the gross income realized in each of the previous 5 years from acreage classified as farmland.

If the owner fails to report to the assessor as required by this subsection, the assessor shall assess those taxes that should have been paid, shall assess the penalty provided in section 1112 and shall assess an additional penalty equal to 25% of the penalty provided in section 1112. The assessor may waive the additional penalty for cause.

[2007, c. 438, §28 (RPR) .]

6. Recertification. The assessor shall determine annually whether any classified land continues to meet the requirements of this subchapter. Each year the assessor shall recertify any classifications made under this subchapter. If any classified land no longer meets the requirements of this subchapter, the assessor shall either remove the classification or, if he deems it appropriate, allow the land to have a provisional classification as detailed in subsection 2.

§1110. RECLASSIFICATION

Land subject to taxes under this subchapter may be reclassified as to land classification by the municipal assessor, chief assessor or State Tax Assessor upon application of the owner with a proper showing of the reasons justifying that reclassification or upon the initiative of the respective municipal assessor, chief assessor or State Tax Assessor where the facts justify the same. In the event that the municipal assessor, chief assessor or State Tax Assessor determines, upon his own initiative, to reclassify land previously classified

under this subchapter, he shall provide to the owner or owners of the land by certified mail, return receipt requested, notice of his intention to reclassify that land and the reasons therefor: [1977, c. 696, §269 (RPR).]

§1111. SCENIC EASEMENTS AND DEVELOPMENT RIGHTS

Any municipality may, through donation or the expenditure of public funds, accept or acquire scenic easements or development rights for preserving property for the preservation of agricultural farmland or open space land. The term of such scenic easements or development rights must be for a period of at least 10 years. [1975, c. 726, §2 (NEW).]

SECTION HISTORY

1975, c. 726, §2 (NEW).

§1112. RECAPTURE PENALTY

Any change in use disqualifying land for classification under this subchapter shall cause a penalty to be assessed by the assessors of the municipality in which the land is located, or by the State Tax Assessor if the land is not within a municipality, in addition to the annual tax in the year of disqualification except when the change is occasioned by a transfer resulting from the exercise or the threatened exercise of the power of eminent domain. [1987, c. 728, §9 (RPR).]

For land that has been classified as farmland under this subchapter, the penalty is the recapture of the taxes that would have been paid on the land for the past 5 years if it had not been classified under this subchapter, less all taxes that were actually paid during those 5 years and interest at the rate set by the town during those 5 years on delinquent taxes. An owner of farmland that has been classified under this subchapter for 5 full years or more may pay any penalty owed under this paragraph in up to 5 equal annual installments with interest at the rate set by the town to begin 60 days after the date of assessment. Notwithstanding section 943, for an owner paying a penalty under this procedure, the period during which the tax lien mortgage, including interest and costs, must be paid to avoid foreclosure and expiration of the right of redemption is 48 months from the date of the filing of the tax lien certificate instead of 18 months. [1999, c. 731, Pt. Y, §5 (AMD).]

A penalty may not be assessed at the time of a change of use from the farmland classification of land subject to taxation under this subchapter to the open space classification of land subject to taxation under this subchapter. A penalty may not be assessed upon the withdrawal of open space land from taxation under this subchapter if the owner applies for the land to be classified as and the land is accepted for classification as timberland under subchapter 2-A. There also is no penalty imposed when land classified as timberland is accepted for classification as open space land. A penalty may not be assessed upon withdrawal of open space land from taxation under this subchapter if the owner applies for the land to be classified as and the land is accepted for classification as farmland under this subchapter. A penalty may not be assessed upon withdrawal of land enrolled under the Maine Tree Growth Tax Law if the owner applies for the land to be classified as and the land is accepted for classification as farmland under this chapter. The recapture penalty for withdrawal from farmland classification within 10 years of a transfer from either open space tax classification or timberland tax classification is the same imposed on withdrawal from the prior tax classification, open space or tree growth. The recapture penalty for withdrawal from farmland classification more than 10 years after such a transfer will be the regular farmland recapture penalty provided for in this section. In the event a penalty is later assessed under subchapter 2-A, the period of time that the land was taxed as farmland or as open space land under this subchapter must be included for purposes of establishing the amount of the penalty. The recapture penalty for withdrawal from open space classification within 10 years of a transfer from tree growth classification occurring on or after August 1, 2012 is the same that would be imposed if the

land were being withdrawn from the tree growth classification. The recapture penalty for withdrawal from open space classification more than 10 years after such a transfer will be the open space recapture penalty provided for in this section. [2011, c. 618, §8 (AMD).]

If land is withdrawn from classification under this subchapter, any penalty assessed may be considered for abatement pursuant to the procedures incorporated in subchapter VIII. [1987, c. 728, §9 (RPR).]

For land classified as open space under this subchapter, the penalty is the same as that imposed for withdrawal from tree growth classification in section 581 and may be assessed and collected as a supplemental assessment in accordance with section 713-B. [1993, c. 452, §12 (AMD).]

No person can apply for classification for more than an aggregate total of 15,000 acres under this subchapter. The classification of farmland or open space land hereunder shall continue until the municipal assessor, or State Tax Assessor in the unorganized territory, determine that the land no longer meets the requirements of such classification. SECTION HISTORY

§1115. TRANSFER OF PORTION OF PARCEL OF LAND

Transfer of a portion of a parcel of farmland subject to taxation under this subchapter does not affect the taxation under this subchapter of the resulting parcels unless they do not meet the minimum acreage requirements of this subchapter. Transfer of a portion of a parcel of open space land subject to taxation under this subchapter does not affect the taxation under this subchapter of the resulting parcels unless either or both of the parcels no longer provide a public benefit in one of the areas enumerated in section 1102, subsection 6. Each resulting parcel must be taxed to the owners under this subchapter until it is withdrawn from taxation under this subchapter, in which case the penalties provided in section 1112 apply only to the owner of that parcel. If the transfer of a portion of a parcel of farmland subject to taxation under this subchapter results in the creation of a parcel that is less than the minimum acreage required by this subchapter or if the transfer of a portion of a parcel of open space land subject to taxation under this subchapter results in the creation of a parcel that no longer provides a public benefit in one of the areas enumerated in section 1102, subsection 6, that parcel is deemed to have been withdrawn from taxation under this subchapter as a result of the transfer and is subject to the penalties provided in section 1112. The department shall also deliver these guidelines in training sessions for local assessors throughout the State. These guidelines must include recommended values for cropland, orchard land, pastureland and horticultural land, differentiated

[2013, c. 405, Pt. D, §14 (AMD).]

The Department of Agriculture, Conservation and Forestry and the Bureau of Revenue Services shall produce written materials designed to inform municipal assessors, farmers and Maine citizens about the farm and open space tax program. The Department of Agriculture, Conservation and Forestry and the Bureau of Revenue Services shall periodically review the level of participation in the farm and open space tax program, the taxes saved due to that participation, the fiscal impact, if any, on municipalities, including the impact of any penalties assessed under section 1112 and the effectiveness of the program in preserving farmland and open space. The department and the bureau may report to the joint standing committee of the Legislature having jurisdiction over taxation matters on the status of the program. The department and the bureau may identify problems that prevent realization of the purposes of this subchapter and potential solutions to remedy those problems. Subchapter 10-A: CURRENT USE VALUATION OF CERTAIN WORKING WATERFRONT LAND

§1131. PURPOSE

It is declared that it is in the public interest to encourage the preservation of working waterfront land and to prevent the conversion of working waterfront land to other uses as the result of economic pressures caused by the assessment of that land, for purposes of property taxation, at values incompatible with its use as working waterfront land and that the necessity in the public interest of the enactment of this subchapter in accordance with the Constitution of Maine, Article IX, Section 8 is a matter of legislative determination. [2007, c. 466, Pt. A, §58 (NEW).]

SECTION HISTORY

2007, c. 466, Pt. A, §58 (NEW).

4. Excess valuation factor. "Excess valuation factor" means a market-based influence on the determination of the just value of working waterfront land that would result in a valuation that is in excess of that land's current use value. "Excess valuation factor" includes, but is not limited to, aesthetic factors, recreational water-use factors, residential housing factors and nonresidential development factors unrelated to working waterfront uses.

[2007, c. 466, Pt. A, §58 (NEW) .]

SECTION HISTORY

2007, c. 466, Pt. A, §58 (NEW).

§1135. CURRENT USE VALUATION OF WORKING WATERFRONT LAND

The municipal assessor, chief assessor or State Tax Assessor for the unorganized territory shall establish the current use value per parcel for property classified as working waterfront land. The current use value of working waterfront land is the sale price that the parcel would command in the marketplace if it were required to remain in the use currently being made of the parcel as working waterfront land. The assessor may use one of the following methods to determine current use value. [2007, c. 466, Pt. A, §58 (NEW) .]

1. Comparative valuation. The assessor may determine the current use value of working waterfront land by considering:

A. All excess valuation factors that affect the land's just value; [2007, c. 466, Pt. A, §58 (NEW) .]

B. The comparative valuation of inland commercial enterprises that are being assessed on the basis of a use that is similar to the use of the working waterfront land with respect to function, access and level of activity; and [2007, c. 466, Pt. A, §58 (NEW) .]

C. Any other factor that results in a determination of the current use value of the working waterfront land. [2007, c. 466, Pt. A, §58 (NEW).]

[2007, c. 466, Pt. A, §58 (NEW) .]

2. Alternative valuation. If there is insufficient data to determine the current use value of working waterfront land under subsection 1, the assessor may reduce the ordinary assessed valuation of the land, without regard to permanent protection restrictions and as reduced by the certified ratio, by applying the percentage reductions for which the land is eligible according to the following categories.

A. Working waterfront land used predominantly as working waterfront land is eligible for a reduction of 20%. [2007, c. 466, Pt. A, §58 (NEW).]

B. Working waterfront land used primarily as working waterfront land is eligible for a reduction of 10%. [2007, c. 466, Pt. A, §58 (NEW).]

C. Working waterfront land that is permanently protected from a change in use through deeded restrictions is eligible for the reduction described in paragraph A or B and an additional reduction of 30%. [2007, c. 466, Pt. A, §58 (NEW).]

[2007, c. 466, Pt. A, §58 (NEW) .]

SECTION HISTORY

2007, c. 466, Pt. A, §58 (NEW).

§1136. ASSESSMENT OF TAX

SECTION HISTORY

2007, c. 466, Pt. A, §58 (NEW).

§1137. SCHEDULE; QUALIFICATION

1. Schedule. The owner or owners of waterfront land may apply for taxation of that land under this subchapter by submitting a signed schedule, on or before April 1st of the year in which the owner or owners wish to first subject that land to taxation under this subchapter, to the assessor upon a form to be prescribed by the State Tax Assessor that must contain a description of the parcel, together with a map identifying the location and boundaries of the working waterfront land, a description of the manner in which the land is used primarily for commercial fishing activities and other information the assessor may require to aid the assessor in determining what portion of the land qualifies for classification as working waterfront land. The schedule must be signed and consented to by each person with an ownership interest in the land. Classification of the land as working waterfront land may not be inconsistent with the use prescribed in the comprehensive plan, growth management program or zoning ordinance of the municipality in which the land is situated.

In defining the working waterfront land area contained within a parcel, land used primarily for commercial fishing activities must be included, together with any remaining portion of the parcel that is not used for purposes inconsistent with commercial fishing activities as long as the remaining portion is not sufficient in dimension to meet the requirements for a minimum lot as provided by either the state minimum lot requirements as prescribed by Title 12, section 4807-A or Title 38, chapter 3, subchapter 1, article 2-B, as applicable, or the minimum lot size provided by the zoning ordinance or zoning map pertaining to the area in which the remaining portion is located.

[2011, c. 240, §9 (AMD) .]

2. Classification. The assessor shall determine what land meets the requirements of this subchapter and shall classify such land as working waterfront land in accordance with this subchapter. The assessor shall file, in the municipal office of the town in which the working waterfront land is located, the original schedule and the value of the working waterfront land as established under this subchapter and the value at which the working waterfront land would have been assessed had it not been classified under this subchapter.

[2007, c. 466, Pt. A, §58 (NEW) .]

3. Notification of determination. The assessor shall notify the owner or owners in writing of the assessor's determination as to the applicability of this subchapter by June 1st following receipt of a signed schedule meeting the requirements of this section. The assessor's notification must state whether the application has been accepted or denied, and if denied the assessor shall state the reasons for the denial and provide the owner or owners an opportunity to amend the schedule to conform to the requirements of this subchapter.

[2007, c. 466, Pt. A, §58 (NEW) .]

4. Investigation. The assessor or the assessor's duly authorized representative may enter and examine the lands under this subchapter for tax purposes and may examine any information submitted by the owner or owners.

Upon notice in writing by certified mail, return receipt requested, any owner or owners shall, within 60 days of the receipt of such notice, respond to such written questions or interrogatories as the assessor may consider necessary to obtain material information about those lands. If the assessor determines that it is not reasonable to obtain the required material information regarding those lands through such written questions or interrogatories, the assessor may require any owner or owners, upon notice in writing by certified mail, return receipt requested, or by such other method as provides actual notice, to appear before the assessor at such reasonable time and place as the assessor may designate and answer such questions or interrogatories as the assessor may consider necessary to obtain material information about those lands.

[2007, c. 466, Pt. A, §58 (NEW) .]

5. Owner obligation. If the owner or owners of any land subject to taxation under this subchapter fail to submit the schedules under this section, or fail to respond, within 60 days of receipt, to written questions or interrogatories of the assessor, or fail within 60 days of receipt of notice as provided in this section to appear before the assessor to respond to questions or interrogatories, or fail to provide information after notice duly received as provided under this section, that owner or those owners are deemed to have waived all rights of appeal.

It is the obligation of the owner or owners to report to the assessor any disqualifying change of use of land subject to taxation under this subchapter by the end of the tax year in which the change occurs. If the owner or owners fail to report any disqualifying change of use of land to the assessor, the assessor shall assess those taxes that should have been paid, shall assess the penalty provided in section 1138 and shall assess an additional penalty of 25% of the foregoing penalty amount. The assessor may waive the additional penalty for cause.

[2007, c. 466, Pt. A, §58 (NEW) .]

6. Recertification. The assessor shall determine annually whether any classified land continues to meet the requirements of this subchapter. Each year the assessor shall recertify any classifications made under this subchapter and update the information required under subsection 1. If any classified land no longer meets the requirements of this subchapter, or the owner or owners request withdrawal of the land from the classification in writing, the assessor shall remove the classification.

§1138. RECAPTURE PENALTY

1. Assessor determination; owner request. If the assessor determines that land subject to this subchapter no longer meets the requirements of this subchapter, the assessor must withdraw the land from taxation under this subchapter. The owner or owners of land subject to this subchapter may at any time request withdrawal of any land from taxation under this subchapter by certifying in writing to the assessor that the land is no longer to be classified under this subchapter.

[2007, c. 466, Pt. A, §58 (NEW) .]

2. Withdrawal of portion. In the case of withdrawal of a portion of the working waterfront land, the owner or owners, as a condition of withdrawal, shall file with the assessor a schedule including the information required under section 1137, subsection 1 showing the area withdrawn and the area remaining under this subchapter.

[2007, c. 466, Pt. A, §58 (NEW) .]

3. Penalty. If land is withdrawn from taxation under this subchapter, the assessor shall impose a penalty upon the owner or owners. The penalty is the greater of:

A. An amount equal to the taxes that would have been assessed on the first day of April for the 5 tax years, or any lesser number of tax years starting with the year in which the property was first classified, preceding such withdrawal had such real estate been assessed in each of those years at its just value on the date of withdrawal less all taxes paid on that real estate over the preceding 5 years, and interest at the prevailing municipal rate from the date or dates on which those amounts would have been payable; and [2007, c. 466, Pt. A, §58 (NEW).]

B. An amount computed by multiplying the amount, if any, by which the fair market value of the real estate on the date of withdrawal exceeds the 100% valuation of the real estate pursuant to this subchapter on the preceding April 1st by the following rates:

(1) If the real estate was subject to valuation under this subchapter for 10 years or less prior to the date of withdrawal, the rate is 30%; and

(2) If the real estate was subject to valuation under this subchapter for more than 10 years prior to the date of withdrawal, the rate is that percentage obtained by subtracting 1% from 30% for each full year beyond 10 years that the real estate was subject to valuation under this subchapter prior to the date of withdrawal until a rate of 20% is reached. [2007, c. 466, Pt. A, §58 (NEW) .]

For purposes of this section, just value at the time of withdrawal is the assessed just value of comparable property in the municipality adjusted by the municipality's certified assessment ratio.

[2007, c. 466, Pt. A, §58 (NEW) .]

4. Assessment and collection of penalties. The penalties for withdrawal must be paid upon withdrawal to the tax collector as additional property taxes. Penalties may be assessed and collected as supplemental assessments in accordance with section 713-B.

[2007, c. 466, Pt. A, §58 (NEW) .]

5. Eminent domain. A penalty may not be assessed under this section if the withdrawal of the parcel is occasioned by a transfer to the State or other entity holding the power of eminent domain resulting from the exercise or threatened exercise of that power.

[2007, c. 466, Pt. A, §58 (NEW) .]

6. Relief from requirements. Upon withdrawal, the land is relieved of the requirements of this subchapter immediately and is returned to taxation under the statutes relating to the taxation of real property to be so taxed on the following April 1st.

[2007, c. 466, Pt. A, §58 (NEW) .]

7. Reclassification as open space. No penalty may be assessed upon the withdrawal of land from taxation under this subchapter if the owner or owners apply for and are accepted for classification of that land as open space land under subchapter 10.

[2007, c. 466, Pt. A, §58 (NEW) .]

8. Report of penalty. Any municipality that receives a penalty for the withdrawal of land from taxation under this subchapter shall report to the State Tax Assessor the total amount received in that reporting year on the municipal valuation return form described in section 383.

Subchapter 2: VALUATION**§1181. LANDS IN UNORGANIZED TERRITORY**

The Commissioner of Agriculture, Conservation and Forestry shall provide to the State Tax Assessor at his request all information in his possession touching the value and description of lands in the unorganized territory; and a statement of all lands on which timber has been sold or a permit to cut timber has been granted by lease or otherwise. [1977, c. 509, §30 (RPR); 2011, c. 657, Pt. W, §6 (REV).]

In fixing the valuation of unorganized townships, whenever practicable the lands and other property therein of any owners shall be valued and assessed separately. When the soil of townships or tracts taxed by the State as land in unorganized territory is not owned by the person or persons who own the growth or part of the growth thereon, the State Tax Assessor shall value the soil and such growth separately for purposes of taxation. §1231. RETURNS TO STATE TAX ASSESSOR

On or before the first day of May in each year, every owner or person in charge or control of personal property that on the first day of April of that year is situated, whether permanently or temporarily, within the unorganized territory shall return to the State Tax Assessor on a form to be furnished by the State Tax Assessor a complete list of such property that would not be exempt from taxation if it were located in a municipality of this State and that is not otherwise subject to taxation under this Part. That property must be taxed at the rate established by the State Tax Assessor as provided in section 1602. [2007, c. 627, §30 (AMD).]

A person who knowingly makes a fraudulent return under this section commits a civil violation for which a fine of not less than \$100 nor more than \$500 for each violation must be adjudged. [2007, c. 627, §30 (AMD).]

§1232. DUE DATES; PROCEEDINGS ON DELINQUENCY

Taxes levied under section 1602 shall be paid to the State Tax Assessor on or before October 1st of each year. A lien is created on all personal property for such taxes and expenses incurred in accordance with section 1233, and such property may be sold for the payment of such taxes and expenses at any time after October 1st. When the time for the payment of the tax to the State Tax Assessor has expired, and it is unpaid, the State Tax Assessor shall give notice thereof to the delinquent property owner, and unless such tax shall be paid within 60 days, the State Tax Assessor may issue his warrant to the sheriff of the county, requiring him to levy by distress and sale upon the personal property of said property owner, and the sheriff or his deputy shall execute such warrants. Any balance remaining after deducting taxes and necessary additions made in accordance with this subchapter shall be returned to the owner or person in possession of such property or the State Tax Assessor may certify such unpaid taxes to the Attorney General, who shall bring a civil action in the name of the State. [1979, c. 666, §28 (AMD).]

In addition to the procedure authorized in the preceding paragraph, the State Tax Assessor may follow the procedure provided in section 612 and, with regard to that procedure, shall be subject to the same rights and obligations as a municipality or municipal officers. [1983, c. 403, §2 (NEW).]

§1233. FAILURE TO MAKE RETURN; PENALTY

Should any owner or person having in his charge or control personal property taxable by said State Tax Assessor, as provided in section 1231, neglect or refuse to comply with the requirements of this subchapter, the State Tax Assessor may secure the necessary information by such methods as he deems advisable, and the necessary expense incurred in securing such information shall be added to the tax assessed against the property of such owner or person and paid to the State Tax Assessor with the tax.

Subchapter 4: DELINQUENT TAXES

§1281. PAYMENT OF TAXES; DELINQUENT TAXES; PUBLICATION; CERTIFICATE FILED IN REGISTRY

Taxes on real estate mentioned in section 1602, including supplementary taxes assessed under section 1331, are delinquent on the 15th day of January next following the date of assessment. Annually, on or before February 1st, the State Tax Assessor shall send by mail to the last known address of each owner of such real estate upon which taxes remain unpaid a notice in writing, containing a description of the real estate

assessed and the amount of unpaid taxes and interest, and alleging that a lien is claimed on that real estate for payment of those taxes, interests and costs, with a demand that payment be made by the next February 21st. If the owners of any such real estate are unknown, instead of sending the notices by mail, the assessor shall cause the information required in this section on that real estate to be advertised in the state paper and in a newspaper, if any, of general circulation in the county in which the real estate lies. Such a statement or advertisement is sufficient legal notice of delinquent taxes. If those taxes and interest to date of payment and costs are not paid by February 21st, the State Tax Assessor shall record by March 15th, in the registry of deeds of the county or registry district where the real estate lies, a certificate signed by the assessor, setting forth the name or names of the owners according to the last state valuation, or the valuation established in accordance with section 1331; the description of the real estate assessed as contained in the last state valuation, or the valuation established in accordance with section 1331; the amount of unpaid taxes and interest; the amount of costs; and a statement that demand for payment of those taxes has been made, and that those taxes, interest and costs remain unpaid. The costs charged by the register of deeds for the filing may not exceed the fees established by Title 33, section 751. [1991, c. 846, §12 (AMD).]

§1282. FILING OF CERTIFICATE TO CREATE MORTGAGE; FORECLOSURE PROVISIONS; NOTICE; DISCHARGE

The filing of the certificate provided for in section 1281 in the registry of deeds shall be deemed to create and shall create a mortgage on such real estate to the State, having priority over all other mortgages, liens, attachments and encumbrances of any nature, and shall give to the State all the rights usually incident to a mortgage, except that the mortgagee shall not have any right of possession of such real estate until the right of redemption shall have expired.

Part payments accepted during the redemption period shall not interrupt or extend the redemption period or in any way affect the foreclosure proceedings. If the total amount necessary for redemption is not paid before the mortgage is foreclosed, the mortgagor shall be entitled to a refund of such part payments made after the filing of the certificate provided for in section 1281.

If said mortgage, together with interest and costs, shall not be paid by the 30th day of March of the year following the filing of such certificate in the registry of deeds as provided for in this section and section 1281, the said mortgage shall be deemed to have been foreclosed and the right of redemption to have expired.

The filing of such certificate in the registry of deeds shall be sufficient notice of the existence of the mortgage.

In the event that such tax, interest and costs, together with the fees established by Title 33, section 751 for recording the discharge, are paid within the period of redemption, the State Tax Assessor shall discharge that mortgage in the same manner as is now provided for the discharge of real estate mortgages and shall record that discharge in the appropriate registry of deeds. [1991, c. 846, §13 (AMD).]

Each owner may pay for his proportionate ownership in any tract of land whether in common or not, and upon filing with the State Tax Assessor a certificate containing a suitable description of the property on which he desires to pay the taxes and where the same is located, and paying the amount due, together with interest and costs, shall receive a certificate from the State Tax Assessor discharging the taxes on the fractional part or ownership upon which such payment is made.

§1283. SUPERVISION, ADMINISTRATION AND SALE OF REAL ESTATE

A copy of the lien certificate shall be filed in the office of the State Tax Assessor. On the 30th day of March annually, whenever the State shall have acquired title to real estate assessed for any taxes assessed under chapter 115, the State Tax Assessor shall certify to the State Controller the amount of unpaid taxes, interest and costs then outstanding. Unpaid taxes and interest and costs on the books of the State shall be charged against the Unorganized Territory Education and Services Fund. [1985, c. 459, Pt. C, §9 (AMD).]

The State Tax Assessor shall, whenever the State acquires title to real estate under this subchapter, cause an inventory to be made of all the real estate. The inventory must contain a description of the real estate, amount of accrued taxes by years and any other information necessary in the administration and supervision of the real estate. A copy of the inventory must be furnished to the Commissioner of Agriculture, Conservation and Forestry and the Commissioner of Inland Fisheries and Wildlife prior to the convening of the Legislature. The assessor shall report annually to the Legislature not later than 15 days after it convenes. The report must contain a copy of the inventory of real estate then owned by the State and such recommendations as to the disposition of this real estate the assessor, the Commissioner of Agriculture, Conservation and Forestry and the Commissioner of Inland Fisheries and Wildlife may wish to make. [1999, c. 414, §14 (AMD); 2011, c. 657, Pt. W, §6 (REV).]

The State Tax Assessor shall, after authorization by the Legislature, sell and convey any such real estate; but shall in all cases of sales, except sales to the former owners of the real estate, give public notice of the proposal to sell such real estate and shall ask for competitive bids and shall sell to the highest bidder, with the right of rejecting all bids. No sales of such real estate or any stumpage thereon shall be made by the State Tax Assessor except by authorization of the Legislature. [1967, c. 271, §8 (AMD).]

The supervision, administration, utilization and vindication of the rights of the State in such real estate shall be vested in the State Tax Assessor until title is conveyed or otherwise disposed of by the Legislature. [1967, c. 271, §8 (AMD).]

All money received from the sale or use of such real estate shall be credited to the Unorganized Territory Education and Services Fund. [1985, c. 459, Pt. C, §10 (AMD).]

This section shall apply to real estate acquired through tax sales and owned by the State. [1967, c. 271, §8 (AMD).]

§1286. LIMITATION ON RECOVERY OF TAX SOLD REAL ESTATE IN UNORGANIZED PLACES

When the State has taxed real estate in unorganized territory, and the State Tax Assessor has conveyed it, or part of it, for nonpayment of tax, by deed purporting to convey the interest of the State by forfeiture for such nonpayment, or it or a part of it has been conveyed under authority given by the Legislature by a deed purporting to convey the interest of the State acquired under sections 1281 to 1283, and the pertinent records of the State Tax Assessor show that the grantee, his heirs or assigns, has paid the state and county taxes thereon, or on his acres or interest therein, as stated in the deed, continuously for the 20 years subsequent to such deed; and when a person claims under a recorded deed describing real estate in unorganized territory taxed by the State, and the pertinent records of the State Tax Assessor show that he has, by himself or by his predecessors under that deed, paid the state and county taxes thereon, or on his acres or interest therein as stated in the deed, continuously for 20 years subsequent to recording that deed; and whenever, in either case, it appears that the person claiming under such a deed, and those under whom he claims, have, during that period, held such exclusive, peaceable, continuous and adverse possession thereof as comports with the ordinary management of real estate in unorganized territory in this State, and it further appears that during such period no former owner, or person claiming under him, has paid any such tax, or any assessment by the county commissioners, or done any other act indicative of ownership, no action may be maintained by a former owner, or those claiming under him, to recover such real estate or to avoid such deed, unless commenced within those 20 years. That payment shall give the grantee or person claiming, his heirs or assigns, a right of entry and seizin in the whole, or such part, in common and undivided, of the whole tract as the deed states, or as the number of acres in the deed is to the number of acres assessed. [1981, c. 706, §16 (AMD).]

20 years has expired, and if such person dies during the continuance of the disability, and no determination or judgment has been had on his title or right of action, such action may be brought by his heirs, or other person claiming under him, at any time within 10 years after his death, notwithstanding the 20 years have elapsed.

§1288. APPLICABILITY OF PROVISIONS

Sections 1286 and 1287 shall not apply to actions between cotenants.

Subchapter 5: SUPPLEMENTAL ASSESSMENTS

§1331. SUPPLEMENTAL ASSESSMENTS

Supplemental assessments may be made within 3 years from the last assessment date whenever it is determined that any estates in the unorganized territory liable to taxation have been omitted from assessment or any tax on estates is invalid or void by reason of illegality, error or irregularity in assessment. The State Tax Assessor may, by supplement to the list of assessments, assess such estates for their due proportion of such tax. Any supplemental assessments shall be made in the same manner as the original assessment should have been made. Such supplemental assessment shall be based on the valuation to be established by the State Tax Assessor. [1981, c. 706, §17 (AMD).]

The lien on real estate created by section 552 may be enforced as provided in section 1282. [1977, c. 509, §31 (RPR).]

Persons subjected to a tax under this section shall be deemed to have received sufficient notice if the notice required by section 706 was given. [1977, c. 509, §31 (RPR).]

Interest shall accrue on supplemental assessments from October 1st of the year to which the property tax applies, except that the taxpayer has a 2-month period from the assessment of the supplemental tax during which all interest will be automatically waived if the tax is paid. §1482. EXCISE TAX

1. Annual excise tax. An annual excise tax is imposed with respect to each registration year in the following cases.

A. For the privilege of operating an aircraft within the State, each heavier-than-air aircraft or lighter-than-air aircraft operated in this State that is owned or controlled by a resident of this State is subject to an excise tax computed as follows: 9 mills on each dollar of the maker's average equipped price for the

first or current year of model; 7 mills for the 2nd year; 5 mills for the 3rd year; 4 mills for the 4th year; and 3 mills for the 5th and succeeding years. The minimum tax is \$10. Nonresidents of this State who operate aircraft within this State for compensation or hire must pay 1/12 of the tax amount computed as required in this paragraph for each calendar month or fraction thereof that the aircraft remains in the State. [2011, c. 610, Pt. A, §7 (AMD).]

A-1. [1991, c. 846, §14 (RP).]

B. For the privilege of operating a mobile home upon the public ways, each mobile home to be so operated is subject to such excise tax as follows: A sum equal to 25 mills on each dollar of the maker's list price for the first or current year of model, 20 mills for the 2nd year, 16 mills for the 3rd year and 12 mills for the 4th year and succeeding years. The minimum tax is \$15. [2011, c. 240, §10 (AMD).]

C. For the privilege of operating a motor vehicle or camper trailer on the public ways, each motor vehicle, other than a stock race car, or each camper trailer to be so operated is subject to excise tax as follows, except as specified in subparagraph (3), (4) or (5): a sum equal to 24 mills on each dollar of the maker's list price for the first or current year of model, 17 1/2 mills for the 2nd year, 13 1/2 mills for the 3rd year, 10 mills for the 4th year, 6 1/2 mills for the 5th year and 4 mills for the 6th and succeeding years. The minimum tax is \$5 for a motor vehicle other than a bicycle with motor attached, \$2.50 for a bicycle with motor attached, \$15 for a camper trailer other than a tent trailer and \$5 for a tent trailer. The excise tax on a stock race car is \$5.

(1) On new registrations of automobiles, trucks and truck tractors, the excise tax payment must be made prior to registration and is for a one-year period from the date of registration.

(2) Vehicles registered under the International Registration Plan are subject to an excise tax determined on a monthly proration basis if their registration period is less than 12 months.

(3) For commercial vehicles manufactured in model year 1996 and after, the amount of excise tax due for trucks or truck tractors registered for more than 26,000 pounds and for Class A special mobile equipment, as defined in Title 29-A, section 101, subsection 70, is based on the purchase price in the original year of title rather than on the list price. Verification of purchase price for the application of excise tax is determined by the initial bill of sale or the state sales tax document provided at point of purchase. The initial bill of sale is that issued by the dealer to the initial purchaser of a new vehicle.

(4) For buses manufactured in model year 2006 and after, the amount of excise tax due is based on the purchase price in the original year of title rather than on the list price. Verification of purchase price for the application of excise tax is determined by the initial bill of sale or the state sales tax document provided at point of purchase. The initial bill of sale is that issued by the dealer to the initial purchaser of a new vehicle.

(5) For trucks or truck tractors registered for more than 26,000 pounds that have been reconstructed using a prepackaged kit that may include a frame, front axle or body but does not include a power train or engine and for which a new certificate of title is required to be issued, the amount of excise tax due is based on the maker's list price of the prepackaged kit.

For motor vehicles being registered pursuant to Title 29-A, section 405, subsection 1, paragraph C, the excise tax must be prorated for the number of months in the registration. [2013, c. 263, §1 (AMD).]

D. [2001, c. 671, §33 (RP).]

[2013, c. 263, §1 (AMD).]

2. Tax 1/2 during certain periods. The excise tax is 1/2 of the amount provided in subsection 1 during the following periods:

A. On a farm truck, as defined in Title 29-A, section 505, subsection 1, with 2 or 3 axles that is used primarily for transportation of agricultural produce grown by the owner on the owner's farm during the last 6 months of a registration year; and [2011, c. 240, §11 (AMD).]

B. On all property subject to excise tax under subsection 1 during the last 4 months of a registration year. [2011, c. 240, §11 (AMD).]

[2011, c. 240, §11 (AMD).]

3. Tax paid for previous registration year. If an excise tax was paid for the previous registration year by the same person on the same vehicle, the excise tax for the new registration year must be assessed as if the vehicle was in its next year of model.

[2011, c. 240, §12 (AMD).]

4. Maker's list price. The maker's list price of a vehicle to be used must be obtained from sources approved by the State Tax Assessor, except for a truck or truck tractor described under subsection 1, paragraph C, subparagraph (5). When the maker's list price of a vehicle is not readily obtainable the State Tax Assessor shall prescribe the maker's list price to be used or the manner in which the maker's list price is determined.

A. At the time of payment of the excise tax prior to a new registration for a new passenger vehicle purchased from a motor vehicle dealer licensed in any state for the sale of new passenger vehicles, the owner shall submit the manufacturer's suggested retail price sticker, or a copy of the sticker, to the excise tax collector. In the case of rental and fleet vehicles, other documentation may be provided at the discretion of the municipal excise tax collector.

This paragraph applies only to those vehicles for which a manufacturer's suggested retail price sticker is required by the Federal Government. [1997, c. 200, §1 (NEW).]

[2013, c. 263, §2 (AMD).]

5. Credits. An owner or lessee who has paid the excise or property tax for a vehicle is entitled to a credit up to the maximum amount of the tax previously paid in that registration year for any one vehicle toward the tax for any number of vehicles, regardless of the number of transfers that may be required of the owner or lessee in that registration year. The credit is available only if the vehicle's ownership is transferred, the vehicle is totally lost by fire, theft or accident, the vehicle is totally junked or abandoned, the use of the vehicle is totally discontinued or, in the case of a leased vehicle, the registration is transferred.

A. The credit must be given in any place in which the excise tax is payable. [1997, c. 175, §1 (AMD).]

B. For each transfer made in the same registration year, the owner shall pay \$3 to the place in which the excise tax is payable. [2011, c. 240, §13 (AMD).]

C. During the last 4 months of the registration year, the credit may not exceed 1/2 of the maximum amount of the tax previously paid in that registration year for any one vehicle. [2011, c. 240, §13 (AMD).]

D. If the credit available under this subsection exceeds the amount transferred to another vehicle, a municipality may choose, but is not required to refund the excess amount. If a municipality chooses to refund excess amounts it must do so in all instances where there is an excess amount. [2007, c. 83, §1 (RPR).]

E. For the purposes of this subsection, "owner" includes the surviving spouse of the owner. [2011, c. 240, §13 (AMD).]

F. [1987, c. 79, §§6, 7 (RP).]

G. For the purposes of this subsection, "totally discontinued" means that the owner has permanently discontinued all use of the vehicle except for selling, transferring ownership of, junking or abandoning that vehicle. The owner of the vehicle must provide a signed statement attesting that use of the vehicle from which the credit is being transferred is totally discontinued. If the owner who has totally discontinued use of a vehicle later seeks to register that vehicle, no excise tax credits may be applied with respect to the registration of that vehicle or any subsequent transfer of that vehicle's registration. [2015, c. 87, §1 (NEW).]

[2015, c. 87, §1 (AMD).]

6. Payment of tax. Payment of excise tax before property taxes are committed.

A. Where the person seeking to pay the excise tax owned the vehicle other than an automobile truck or truck tractor on or before April 1st, the excise tax must be paid before property taxes for the year in question are committed to the collector, otherwise the owner is subject to a personal property tax. [1979, c. 666, §39 (AMD).]

B. Where the person seeking to pay the excise tax acquired the vehicle other than an automobile, truck or truck tractor after April 1st, or, being a nonresident, brought the vehicle other than an automobile, truck or truck tractor into this State after April 1st, the excise tax may be paid at any time. [1979, c. 666, §39 (AMD).]

C. Where a property tax is paid and later registration of the vehicle is desired, the property tax paid shall be allowed as a credit on the excise tax. [1971, c. 396, (AMD).]

D. Where an excise tax is paid on a mobile home and said mobile home is later in the same year assessed as real estate, the excise tax paid shall be allowed as a credit on the real estate tax. [1975, c. 623, §56-A (RPR).]

E. [2011, c. 240, §14 (RP).]

[2011, c. 240, §14 (AMD).]

7. Special mobile equipment; local option. A municipality may by ordinance refund a portion of the excise tax paid on leased special mobile equipment, as defined by Title 29-A, section 101, subsection 70, if the person who paid the excise tax provides evidence that the registration has been voluntarily surrendered and cancelled under Title 29-A, section 410. The amount of the refund must be the percentage of the excise tax paid that is equal to the percentage represented by the number of full months remaining in the year of the cancelled registration.

Chapter 111-A: BUS TAXATION PRORATION AGREEMENT**Subchapter 1: AGREEMENT****§1492. PURPOSES AND PRINCIPLES -- ARTICLE I**

1. Purposes of agreement. It is the purpose of this agreement to set up a system whereby any contracting state may permit owners of fleets of buses operating in 2 or more states to prorate the registration of the buses in such fleets in each state in which the fleets operate on the basis of the proportion of miles operated within such state to total fleet miles, as defined herein.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

2. Principle of proration of registration. It is hereby declared that in making this agreement the contracting states adhere to the principle that each state should have the freedom to develop the kind of highway user tax structure that it determines to be most appropriate to itself, that the method of taxation of interstate buses should not be a determining factor in developing its user tax structure, and that annual taxes or other taxes of the fixed fee type upon buses which are not imposed on a basis that reflects the amount of highway use should be apportioned among the states, within the limits of practicality, on the basis of vehicle miles traveled within each of the states.

1. Applicability. Any owner of a fleet may register the buses of said fleet in any contracting state by paying to said state total registration fees in an amount equal to that obtained by applying the proportion of in-state fleet miles divided by the total fleet miles, to the total fees which would otherwise be required for regular registration of each and all of such vehicles in such contracting state.

All fleet pro-rata registration fees must be based upon the mileage proportions of the fleet during the period of 12 months ending on August 31st next preceding the commencement of the registration year for which registration is sought. Except, that mileage proportions for a fleet not operated during such period in the state where application for registration is made will be determined by the administrator upon the sworn application of the applicant showing the operations during such period in other states and the estimated operations during the registration year for which registration is sought, in the state in which application is being made; or if no operations were conducted during such period a full statement of the proposed method of operation.

If any buses operate in 2 or more states which permit the proration of registration on the basis of a fleet of buses consisting of a lesser number of vehicles than provided in section 1493, Article II, subsection 5, such fleet may be prorated as to registration in such states, in which event the buses in such fleet may not be required to register in any other contracting states if each such vehicle is registered in some contracting state, except to the extent it is exempt from registration as provided in section 1494, Article III, subsection 2.

If the administrator of any state determines, based on the administrator's method of the operation thereof, that the inclusion of a bus or buses as a part of a fleet would adversely affect the proper fleet fee that should be paid to that administrator's state, having due regard for fairness and equity, the administrator may refuse to permit any or all of such buses to be included in that administrator's state as a part of such fleet.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

2. Total fleet miles. Total fleet miles, with respect to each contracting state, means the total miles operated by the fleet in such state, in all other contracting states, in other states having proportional registration provisions, in states with which such contracting state has reciprocity, and in such other states as the administrator determines should be included under the circumstances in order to protect or promote the interest of that administrator's state; except that in states having laws requiring proration on the basis of a different determination of total fleet miles, total fleet miles must be determined on such basis.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

3. Leased vehicles. If a bus is operated by a person other than the owner as a part of a fleet that is subject to this Article, then the operator of such fleet must be deemed to be the owner of said bus for the purposes of this Article.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

4. Extent of privileges. Upon the registration of a fleet in a contracting state pursuant to this Article, each bus in the fleet may be operated in both interstate and intrastate operations in such state, except as provided in section 1494, Article III, subsection 5.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

5. Application for proration. The application for proration of registration must be made in each contracting state upon substantially the application forms and supplements authorized by joint action of the administrators of the contracting states.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

6. Issuance of identification. Upon registration of a fleet, the state that is the base state of a particular bus of the fleet shall issue the required license plates and registration card for such bus and each contracting state in which the fleet of which such bus is a part, operates shall issue a special identification identifying such bus as a part of a fleet that has fully complied with the registration requirements of such state. The required license plates, registration cards and identification must be appropriately displayed in the manner required by or pursuant to the laws of each respective state.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

7. Additions to fleet. If any bus is added to a prorated fleet after the filing of the original application, the owner shall file a supplemental application. The owner shall register such bus in each contracting state in like manner as provided for buses listed in an original application and the registration fee payable must be determined on the mileage proportion used to determine the registration fees payable for buses registered under the original application.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

8. Withdrawals from fleet. If any bus is withdrawn from a prorated fleet during the period for which it is registered or identified, the owner shall notify the administrator of each state in which it is registered or identified of such withdrawal and shall return the plates, and registration card or identification as may be required by or pursuant to the laws of the respective states.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

9. Audits. The administrator of each contracting state shall, within the statutory authority of such administrator, make any information obtained upon an audit of records of any applicant for proration of registration available to the administrators of the other contracting states.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

10. Errors in registration. If it is determined by the administrator of a contracting state, as a result of such audits or otherwise, that an improper fee has been paid that administrator's state, or errors in registration found, the administrator may require the fleet owner to make the necessary corrections in the registration of the fleet and payment of fees.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

2. Applicability. The provisions of this agreement with respect to reciprocity applies only to a bus properly registered in the base state of the bus, which state must be a contracting state.

3. Nonapplicability to fleet buses. The reciprocity granted pursuant to this Article does not apply to a bus which is entitled to be registered or identified as part of a prorated fleet.

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

[1993, c. 683, Pt. B, §3 (NEW); 1993, c. 683, Pt. B, §5 (AFF) .]

5. Other agreements. Nothing in this agreement may be construed to prohibit any of the contracting states from entering into separate agreements with each other for the granting of temporary permits for the intrastate operation of vehicles registered in the other state; nor to prevent any of the contracting states from entering into agreements to grant reciprocity for intrastate operation within any zone or zones agreed upon by the states.

8. Lien. If the tax imposed by this chapter is not paid when due, the tax collector may file in the office of the registry of deeds of the county where the owner of the watercraft resides or in the case of a nonresident owner or partnership or corporation, either domestic or foreign, where the watercraft is principally moored, docked or located or has its established base of operations, or in the office in which a security or financial statement or notice with respect to personal property would be filed, a notice of lien specifying the amount of the tax, addition to tax, penalty and interest due, the name and last known address of the taxpayer liable for the amount and the fact that the tax collector has complied with this chapter in the assessment of the tax. From the time of the filing, the amount set forth in the certificate constitutes a lien upon all property of the taxpayer, in the county then owned by him or thereafter acquired by him in the period before the expiration of the lien. In the case of any prior mortgage on any real or personal property so written as to secure a present debt and also future advances by the mortgagee to the mortgagor, the lien, as provided in this subsection, when notice thereof has been filed in the proper office, shall be subject to the prior mortgage, unless the assessor also notifies the mortgagee of the recording of the lien in writing, in which case any indebtedness thereafter created from the mortgagor to the mortgagee shall be junior to the lien provided in this subsection. The lien, provided in this subsection, has the same force, effect and priority as a judgment lien and shall continue for 5 years from the date of recording, unless sooner released or otherwise discharged. The lien may, within the 5-year period or within 5 years from the date of the last extension of the lien in the manner provided in this section, be extended by filing for record in the appropriate office, a copy of the notice and from the time of that filing the lien shall be extended for 5 years, unless sooner released or otherwise discharged.

[1977, c. 698, §8 (NEW) .]

§1603. DEFINITION OF "MUNICIPAL COST COMPONENT"

1. Definition. For the purposes of this chapter, "municipal cost component" means the cost of funding services in the Unorganized Territory Tax District that would not be borne by the State if the Unorganized Territory Tax District were a municipality, but does not include a state cost allocation charge, including, without limitation, reimbursement to the General Fund for departmental functions such as accounting,

personnel administration and supervision. "Municipal cost component" also includes the cost of funding obligations of the unorganized territory under the terms of a tax increment financing district approved by the Commissioner of Economic and Community Development pursuant to Title 30-A, chapter 206. The "municipal cost component" includes, but is not limited to:

A. The cost of education, as would be determined by the Essential Programs and Services Funding Act if the unorganized territory were a municipality; [2005, c. 686, Pt. A, §65 (AMD).]

B. The cost of services the state funds in the unorganized territory that are funded locally by a municipality; the cost of forest fire protection to be included in the cost component must be determined in accordance with Title 12, section 9205-A and collected in the same manner as other portions of the municipal cost component; [2007, c. 627, §34 (AMD).]

C. The cost of reimbursement by the State for services a county provides to the unorganized territory in accordance with Title 30-A, chapter 305. A county may not be reimbursed for services provided on or after January 1, 1979, unless a legislative allocation is obtained pursuant to this chapter. If a county receives, in addition to its budget, funds that are designated by the Legislature for a specific purpose and the county does not spend those funds for that specific purpose in that fiscal year, then the reimbursement under this chapter to that county for the next fiscal year must be reduced by an amount equal to the amount of funds so designated that were not expended for that specific purpose; and [2007, c. 627, §34 (AMD).]

D. The cost for payments that the unorganized territory is required to make pursuant to the terms of a tax increment financing district approved by the Commissioner of Economic and Community Development pursuant to Title 30-A, chapter 206 with respect to taxable property in the Unorganized Territory Tax District. [2009, c. 619, Pt. B, §1 (AMD).]

1-A. Persons presumptively required to register. This subsection defines the basis for and obligations associated with the rebuttable presumption created by this subsection that a seller not registered under subsection 1 is engaged in the business of selling tangible personal property or taxable services for use in this State and is required to register as a retailer with the assessor.

A. As used in this subsection, unless the context otherwise indicates, the following terms have the following meanings.

(1) "Affiliated person" means a person that is a member of the same controlled group of corporations as the seller or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the seller as a corporation that is a member of the same controlled group of corporations. For purposes of this subparagraph, "controlled group of corporations" has the same meaning as in the Code, Section 1563(a).

(2) "Person" means an individual or entity that qualifies as a person under the Code, Section 7701(a)(1).

(3) "Seller" means a person that sells, other than in a casual sale, tangible personal property or taxable services. [2013 , c . 200 , §4 (NEW) .]

B. A seller is presumed to be engaged in the business of selling tangible personal property or taxable services for use in this State if an affiliated person has a substantial physical presence in this State or if any person, other than a person acting in its capacity as a common carrier, that has a substantial physical presence in this State:

(1) Sells a similar line of products as the seller and does so under a business name that is the same as or similar to that of the seller;

(2) Maintains an office, distribution facility, warehouse or storage place or similar place of business in the State to facilitate the delivery of property or services sold by the seller to the seller's customers;

(3) Uses trademarks, service marks or trade names in the State that are the same as or substantially similar to those used by the seller;

(4) Delivers, installs, assembles or performs maintenance services for the seller's customers within the State;

(5) Facilitates the seller's delivery of property to customers in the State by allowing the seller's customers to pick up property sold by the seller at an office, distribution facility, warehouse, storage place or similar place of business maintained by the person in the State; or

(6) Conducts any activities in the State that are significantly associated with the seller's ability to establish and maintain a market in the State for the seller's sales.

A seller who meets the requirements of this paragraph shall register with the assessor and collect and remit taxes in accordance with the provisions of this Part. A seller may rebut the presumption created in this paragraph by demonstrating that the person's activities in the State are not significantly associated with the seller's ability to establish or maintain a market in this State for the seller's sales. [2013 , c. 546 , §10 (AMD) .]

C. A seller that does not otherwise meet the requirements of paragraph B is presumed to be engaged in the business of selling tangible personal property or taxable services for use in this State if the seller enters into an agreement with a person under which the person, for a commission or other consideration, while within this State:

- (1) Directly or indirectly refers potential customers, whether by a link on an Internet website, by telemarketing, by an in-person presentation or otherwise, to the seller; and
- (2) The cumulative gross receipts from retail sales by the seller to customers in the State who are referred to the seller by all persons with this type of an agreement with the seller are in excess of \$10,000 during the preceding 12 months.

A seller who meets the requirements of this paragraph shall register with the assessor and collect and remit taxes in accordance with the provisions of this Part.

A seller may rebut the presumption created in this paragraph by submitting proof that the person with whom the seller has an agreement did not engage in any activity within the State that was significantly associated with the seller's ability to establish or maintain the seller's market in the State during the preceding 12 months. Such proof may consist of sworn, written statements from all of the persons within this State with whom the seller has an agreement stating that they did not engage in any solicitation in the State on behalf of the seller during the preceding 12 months; these statements must be provided and obtained in good faith.

A person who enters into an agreement with a seller under this paragraph to refer customers by a link on an Internet website is not required to register or collect taxes under this Part solely because of the existence of the agreement. [2013 , c. 200 , §4 (NEW) ; 2013 , c. 200 , §6 (AFF) .]

[2013 , c. 546 , §10 (AMD) .]

2. Registration certificates. Application forms for sales tax registration certificates must be prescribed and furnished free of charge by the assessor. The assessor shall issue a registration certificate to each applicant that properly completes and submits an application form. A separate application must be completed and a separate registration certificate issued for each place of business. A registration certificate issued pursuant to this section is nontransferable and is not a license within the meaning of that term in the Maine Administrative Procedure Act. Each application for a registration certificate must contain a statement as to the type or types of tangible personal property that the applicant intends to purchase for resale and the type or types of taxable services that the applicant intends to sell, and each retailer registered under this section must inform the assessor in writing of any changes to the type or types of tangible personal property that it purchases for resale or to the type or types of taxable services that it sells.

If the retailer maintains a place of business in this State, the retailer shall make available a copy of the registration certificate issued for that place of business at that place of business for inspection by the assessor, the assessor's representatives and agents or authorized municipal officials. If the retailer does not have a fixed place of business and makes sales from one or more motor vehicles, each motor vehicle is deemed to be a place of business.

[2011 , c. 535 , §5 (AMD) .]

2-A. Making sales after revocation. A person whose sales tax registration certificate has been revoked by the assessor pursuant to section 1757 who continues to make retail sales in this State commits a Class D crime. Violation of this subsection is a strict liability crime as defined in Title 17-A, section 34, subsection 4-A.

[2003, c. 452, Pt. U, §3 (NEW); 2003, c. 452, Pt. X, §2 (AFF) .]

2-B. Provisional resale certificates; new accounts. The assessor shall issue a provisional resale certificate to each applicant for initial registration that states on its application that it expects to make annual gross sales of \$3,000 or more. A provisional resale certificate issued between January 1st and September 30th is effective for the duration of the calendar year in which it is issued and the 2 subsequent years. A provisional resale certificate issued between October 1st and December 31st is effective until the end of the 3rd succeeding calendar year. Each certificate must contain the name and address of the retailer, the expiration date of the certificate and the certificate number. If a vendor has a true copy of a retailer's resale certificate on file, that retailer need not present the certificate for each subsequent transaction with that vendor during the period for which it is valid.

[2005, c. 519, Pt. 000, §1 (AMD) .]

2-C. Issuance and renewal of resale certificates; contents; presentation to vendor. On November 1st of each year, the assessor shall review the returns filed by each registered retailer unless the retailer has a resale certificate expiring after December 31st of that year. If the retailer reports \$3,000 or more in gross sales during the 12 months preceding the assessor's review, the assessor shall issue to the registered retailer a resale certificate effective for 5 calendar years. Each certificate must contain the name and address of the retailer, the expiration date of the certificate and the certificate number. If a vendor has a true copy of a retailer's resale certificate on file, that retailer need not present the certificate for each subsequent transaction with that vendor during the period for which it is valid.

A registered retailer that fails to meet the \$3,000 threshold upon the annual review of the assessor is not entitled to renewal of its resale certificate except as provided in this subsection. When any such retailer shows that its gross sales for a more current 12-month period total \$3,000 or more or explains to the satisfaction of the assessor why temporary extraordinary circumstances caused its gross sales for the period used for the assessor's annual review to be less than \$3,000, the assessor shall, upon the written request of the retailer, issue to the retailer a resale certificate effective for the next 5 calendar years.

[2013, c. 588, Pt. A, §45 (AMD) .]

3. Failure to register. A person who is required by this section to register as a retailer with the assessor and who makes retail sales in this State without being so registered commits a Class E crime. Violation of this subsection is a strict liability crime as defined in Title 17-A, section 34, subsection 4-A.

§1755. NO REGISTRATION UNLESS TAX PAID

Whenever tangible personal property is required by the laws of this State to be registered for use within the State the applicant for registration, whether or not the owner, must either pay the sales tax or use tax or prove that the tax is not due. The applicant shall file a dealer's certificate or use tax certificate with the registering agency in a form prescribed by the State Tax Assessor reporting the name of the seller, the date of purchase, the sale price and other information pertinent to determination of tax liability. §1756. VOLUNTARY REGISTRATION

Every seller of tangible personal property or taxable services that is not required by section 1754-B to register may register upon those terms that the assessor prescribes. Upon registration, the seller has the rights and duties of a person required to be registered and is subject to the same penalties, except that the seller's liability may be limited to tax actually collected. The seller so registered may at any time surrender the seller's registration certificate and request that the registration certificate be canceled. Upon receipt of the certificate and request, the assessor shall grant the cancellation, if it appears to the assessor that the seller has satisfied all liability to the State and that the seller is not required by law to register. Upon surrender of the certificate, the seller must cease to collect sales or use taxes upon sales that occur on and after the date of the surrender. [1995, c. 640, §4 (RPR).]

§1757. REVOCATION OF REGISTRATION

The State Tax Assessor may revoke the registration certificate of a registrant who fails to file, within 15 days after receipt of notice, a bond or deposit required under section 1759 and may revoke for cause a registration certificate issued under this Part. The assessor may revoke the registration certificate of a registrant who fails to file with the assessor within 15 days after the due date a return as required under this Part. A revocation is reviewable in accordance with section 151. If a registrant fails to pay any tax required by this Part when the tax is shown to be due on a return filed by the registrant, or admitted to be due by the registrant, or has been determined to be due and that determination has become final, notification of the registrant by the assessor as provided in this section operates to suspend the registration certificate from the date of the notice of suspension until the delinquent tax is paid or a bond or deposit required under section 1759 is filed with the assessor or it is determined by an appropriate court that revocation is not warranted. §1758. USE TAX ON INTERIM RENTAL OF PROPERTY PURCHASED FOR RESALE

1. Definition. As used in this section, unless the context otherwise indicates, the term "rentals" includes any receipts derived from the use of property that is rented or leased.

[1999, c. 708, §24 (NEW).]

2. Generally; tax imposed on rental payments. This section governs the taxation of tangible personal property that is purchased for resale in this State, other than at casual sale, and upon which no sales tax has been paid pursuant to chapters 211 to 225 when the property is rented or leased after purchase on an interim basis by the purchaser to another person prior to being sold. In lieu of the use tax otherwise imposed by section 1861, a tax is imposed at the same rate as that provided in the case of sales taxes by section 1811 upon all rentals received by the purchaser for the use of that property.

[1999, c. 708, §24 (NEW) .]

3. Exceptions. The purchaser is liable for a use tax on the property based on the purchase price less the aggregate amount of tax paid pursuant to this section on the rentals received by the purchaser in the following circumstances:

A. When the purchaser, after first renting tangible personal property purchased for resale, subsequently makes any use of that property other than as set forth in subsection 2; or [1999, c. 708, §24 (NEW) .]

B. When the purchaser rents the property for a period of 12 months or more to any one person. [1999, c. 708, §24 (NEW) .]

[1999, c. 708, §24 (NEW) .]

4. Other sections applicable. The tax on rentals imposed by this section is subject to section 1812 and all other pertinent provisions of this Part and for the purposes of this Part is treated the same as the sales tax imposed by section 1811 with the lessor deemed to be the retailer, the lease payments deemed to be the sale price and the lessee deemed to be the purchaser and consumer.

In lieu of a bond the assessor may accept a deposit of money or securities in an amount and of a kind acceptable to the assessor. §1760-C. EXEMPT ACTIVITIES

The tax exemptions provided by section 1760 to a person based upon its charitable, nonprofit or other public purposes apply only if the property or service purchased is intended to be used by the person primarily in the activity identified by the particular exemption. The tax exemptions provided by section 1760 to a person based upon its charitable, nonprofit or other public purposes do not apply where title is held or taken by the person as security for any financing arrangement. Exemption certificates issued by the State Tax Assessor pursuant to section 1760 must identify the exempt activity and must state that the certificate may be used by the holder only when purchasing property or services intended to be used by the holder primarily in the exempt activity. If the holder of an exemption certificate furnishes that certificate to a person for use in purchasing tangible personal property or taxable services that are physically incorporated in, and become a permanent part of, real property that is not used by the holder of the certificate primarily in the exempt activity, the State Tax Assessor may assess the unpaid tax against the holder of the certificate as provided in section 141. When an otherwise qualifying person is engaged in both exempt and nonexempt activities, an exemption certificate may be issued to the person only if the person has established to the satisfaction of the assessor that the applicant has adequate accounting controls to limit the use of the certificate to exempt purchases. 1. List of products. The assessor shall post on the bureau's publicly accessible website, and update quarterly, a list of products used in commercial agricultural or silvicultural crop production or in animal agricultural production with respect to which the assessor has made a written determination on the applicability of a sales tax exemption under section 1760, subsection 7-B or 7-C and of items of depreciable machinery and equipment that the assessor has determined may be eligible for a refund of sales tax under section 2013. In the case of products exempt from tax under section 1760, subsection 7-B or 7-C, the list must include the name of the product and any other information necessary to identify the product at the point of sale.

When the assessor receives a request in writing for a determination as to whether or not a product used in commercial agricultural or silvicultural crop production or in animal agricultural production is exempt from sales tax under section 1760, subsection 7-B or 7-C, the assessor shall respond in writing.

[2011, c. 285, §6 (AMD); 2011, c. 285, §15 (AFF) .]

This section does not apply to the rental of living quarters rented for a total of fewer than 15 days in the calendar year, except that a person who owns and offers for rental more than one property in the State during the calendar year is liable for collecting sales tax with respect to the rental of each unit regardless of the number of days for which it is rented. The value of the rental or lease of an automobile for one year or more is the following: the total monthly lease payment multiplied by the number of payments in the lease or rental, the amount of equity involved in any trade-in and the value of any cash down payment. Collection and remittance of the tax is the responsibility of the person that negotiates the lease transaction with the lessee. [2015, c. 300, Pt. A, §25 (AMD).]

Chapter 215: USE TAX

§1861. IMPOSITION

A tax is imposed, at the respective rate provided in section 1811, on the storage, use or other consumption in this State of tangible personal property or a service, the sale of which would be subject to tax under section 1764 or 1811. Every person so storing, using or otherwise consuming is liable for the tax until

the person has paid the tax or has taken a receipt from the seller, as duly authorized by the assessor, showing that the seller has collected the sales or use tax, in which case the seller is liable for it. Retailers registered under section 1754-B or 1756 shall collect the tax and make remittance to the assessor. The amount of the tax payable by the purchaser is that provided in the case of sales taxes by section 1812. When tangible personal property purchased for resale is withdrawn from inventory by the retailer for the retailer's own use, use tax liability accrues at the date of withdrawal. §1861-A. REPORTING USE TAX ON INDIVIDUAL INCOME TAX RETURNS

The assessor shall provide that individuals report use tax on items with a sale price of \$5,000 or less on their Maine individual income tax returns. Taxpayers are required to attest to the amount of their use tax liability for the period of the tax return. Alternatively, they may elect to report an amount that is .08% of their Maine adjusted gross income. A taxpayer electing to satisfy a use tax liability by estimating it shall calculate the liability in accordance with the use tax table. The estimated liability is applicable only to purchases of any individual items each having a sale price no greater than \$1,000. For each taxable item with a sale price greater than \$1,000 but no more than \$5,000, the actual use tax liability for each purchase must be added to the amount of the estimated liability derived from the use tax table. Upon subsequent review, if use tax liability for the period of the return exceeds the amount of use tax paid with the return, a credit of that amount paid relative to the item or items being supplementarily assessed is allowed. Use tax on any item with a sale price of more than \$5,000 must be reported in accordance with section 1951-A. [2007, c. 240, Pt. W, §1 (AMD); 2007, c. 240, Pt. W, §2 (AFF).]

The tax imposed by this Part does not apply to the use, storage or other consumption in this State of tangible personal property or taxable services purchased outside the State upon which the purchaser has paid a sales or use tax imposed by another taxing jurisdiction that is equal to or greater than the tax imposed by this Part. If the amount of sales or use tax paid to another taxing jurisdiction is less than the amount of tax imposed by this Part, then the purchaser shall pay to the State Tax Assessor an amount sufficient to make the total amount of sales and use tax paid to the other taxing jurisdiction and this State equal to the amount imposed by this Part. 1. Monthly report and payment. Every retailer shall file with the State Tax Assessor, on or before the 15th day of each month, a return made under the penalties of perjury on a form prescribed by the assessor. The return must report the total sale price of all sales made during the preceding calendar month and such other information as the assessor requires. The assessor may for good cause extend for not more than 30 days the time for filing returns required under this Part. Every person subject to the use tax shall file similar returns, at similar dates, and pay the tax or furnish a receipt for the tax from a registered retailer.

Chapter 221: OVERPAYMENTS, REFUNDS

§2011. OVERPAYMENT; REFUNDS

If the State Tax Assessor determines, upon written application by a taxpayer or during the course of an audit, that any tax under this Part has been paid more than once or has been erroneously or illegally collected or computed, the assessor shall certify to the State Controller the amount paid in excess of that legally due. That amount must be credited by the assessor on any taxes then due from the taxpayer and the balance refunded to the taxpayer or the taxpayer's successor in interest, but no such credit or refund may be allowed unless within 3 years from the date of overpayment either a written petition stating the grounds upon which the refund or credit is claimed is filed with the assessor or the overpayment is discovered on audit. Interest at the rate determined pursuant to section 186 must be paid on any balance refunded pursuant to this chapter from the date the return listing the overpayment was filed or the date the payment was made, whichever is later, except that no interest may be paid with respect to the refunds provided by section 2013 and, in cases of excessive or erroneous collections, interest must be paid in accordance with section 1814, subsection 3. At the election of the assessor, unless the taxpayer specifically requests a cash refund, the refund may be credited to the taxpayer's sales and use tax account, but, in the case of a credit no further interest may accrue from the date of that election. The taxpayer may not apply for a refund of any amount assessed when administrative and judicial review under section 151 has been completed. [2005, c. 218, §29 (AMD).]

A taxpayer dissatisfied with the decision of the assessor, upon a written request for refund filed under this section may request reconsideration and appeal from the reconsideration in the same manner and under the same conditions as in the case of assessments made under chapter 7. The decision of the assessor upon a written request for refund becomes final as to law and fact in the same manner and under the same conditions as in the case of assessments made under chapter 7. §2015. RENTAL VEHICLE EXCISE TAX REIMBURSEMENT

1. Report. Annually, on or before September 1st, a vehicle owner or rental company engaged in the business of renting automobiles for a period of less than one year, in order to claim an excise tax reimbursement, shall file a report with the State Tax Assessor. The report must include the information required by the State Tax Assessor to determine the taxpayer's excise tax reimbursement entitlement. The State Tax Assessor may extend the September 1st filing deadline for a period not to exceed one year for good cause.

[1993, c. 701, §8 (NEW); 1993, c. 701, §10 (AFF) .]

2. Reimbursement. The State Tax Assessor shall determine the reimbursement to be paid to a taxpayer filing a return pursuant to subsection 1. The reimbursement is the amount that is the smaller of:

A. The amount determined by computing the total excise tax credit entitlement during the most recently completed period from July 1st to June 30th for which a taxpayer has filed a return pursuant to subsection 1. An excise tax credit accrues for each vehicle excise tax paid in the prior completed period for which the associated Maine registration was surrendered prior to the expiration of the associated 12-

month excise tax period, unless the excise tax was credited to another registration, in which case the 12-month period continues to run in association with the replacement registration. The amount of the credit is equal to the amount of the excise tax paid in order to register the original vehicle multiplied by a fraction, the numerator of which is the number of complete months short of 12 months during which the registration was surrendered and the denominator is 12; or [1993, c. 701, §8 (NEW); 1993, c. 701, §10 (AFF).]

B. Three-tenths of the amount of tax paid to the State by the taxpayer resulting from the tax on the rental of automobiles for a period of less than one year during the most recently completed period from July 1st to June 30th. [1993, c. 701, §8 (NEW); 1993, c. 701, §10 (AFF).]

[1993, c. 701, §8 (NEW); 1993, c. 701, §10 (AFF) .]

3. Treasurer of State; notification. Upon the determination of the reimbursement amount to be paid to a vehicle owner or rental company, the State Tax Assessor shall inform the Treasurer of State of the determination and the Treasurer of State shall make the reimbursement. These reimbursements must be accounted for and paid as sales and use tax refunds. Unless the reimbursement is paid before November 1st of the year in which the report required in subsection 1 is filed or within 60 days of the filing of that report, whichever is later, interest at the rate provided in section 186 must be paid for the period of time that transpires after the deadline before payment is made.

For the purposes of this section, "primarily" means more than 50% of the time during the period that begins on the date on which the property is first placed in service by the purchaser and ends 2 years from that date or at the time the property is sold, destroyed or otherwise permanently removed from service by the purchaser, whichever occurs first.

[2005, c. 351, §9 (NEW); 2005, c. 351, §26 (AFF) .]

[2005, c. 351, §9 (NEW); 2005, c. 351, §26 (AFF) .]

The reimbursement claim must be submitted on a form prescribed by the assessor and must be accompanied by a statement from a qualified Pine Tree Development Zone business certifying, under penalties of perjury, that the personal property with respect to which the tax was paid by the claimant has been placed in use directly and primarily in a qualified business activity.

All records pertaining to such certification and to the transactions in question must be retained for at least 6 years by the contractor or subcontractor, by the qualified Pine Tree Development Zone business and by the person, if any, that sold the real property in question to that business. The reimbursement claim must be accompanied by such additional information as the assessor may require. [2009, c. 627, §7 (AMD); 2009, c. 627, §12 (AFF) .]

5. Audit. The assessor has the authority to audit any claim filed under this section. If the assessor determines that the amount of the claimed reimbursement is incorrect, the assessor shall redetermine the claim and notify the claimant in writing of the redetermination. If the claimant has received reimbursement of an amount that the assessor concludes should not have been reimbursed, the assessor may issue an assessment for that amount within 3 years from the date the reimbursement claim was filed or at any time if a fraudulent reimbursement claim was filed. The claimant may seek reconsideration, pursuant to section 151, of the redetermination or assessment.

[2005, c. 351, §9 (NEW); 2005, c. 351, §26 (AFF) .]

[2007, c. 693, §21 (AMD); 2007, c. 693, §37 (AFF) .]

5. Audit. The State Tax Assessor has the authority to audit any claim filed under this section. If the assessor determines that the amount of the claimed reimbursement is incorrect, the assessor shall redetermine the claim and notify the claimant in writing of the redetermination. If the claimant has received reimbursement of an amount that the assessor concludes should not have been reimbursed, the assessor may issue an assessment for that amount within 3 years from the date the reimbursement claim was filed or at any time if a fraudulent reimbursement claim was filed. The claimant may seek reconsideration, pursuant to section 151, of the redetermination or assessment.

[2005, c. 646, §6 (NEW) .]

6. Payment of claims. The State Tax Assessor shall determine the benefit for each claimant under this section and certify to the State Controller the amount to be transferred to the qualified community wind power generator reimbursement reserve account established, maintained and administered by the State Controller from General Fund undedicated revenue within the sales tax category. §2020. REFUND OF SALES TAX ON PURCHASES OF PARTS AND SUPPLIES FOR WINDJAMMERS

1. Definition. For purposes of this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Parts and supplies" means any products used directly and primarily for the operation, repair or maintenance of a windjammer, including, but not limited to, sails, rope, wood, rigging, masts, paints, varnishes, undersealers, engines and pumps, and lubricants and fuel. [2011, c. 425, §1 (NEW); 2011, c. 425, §3 (AFF).]

B. "Windjammer" means a United States Coast Guard-certified sailing vessel based in the State of traditional construction and designed to a historic standard that is used primarily for providing overnight passenger cruises along the Maine coast for a fee. [2011, c. 425, §1 (NEW); 2011, c. 425, §3 (AFF).]

[2011, c. 425, §1 (NEW); 2011, c. 425, §3 (AFF) .]

2. Refund authorized. The State Tax Assessor shall refund to a person that purchases parts and supplies for use in the operation, repair or maintenance of a windjammer the amount of sales tax paid with respect to those parts and supplies upon the person's presenting evidence that the purchase is eligible for a refund under this section. The refund claim must be submitted on a form prescribed by the assessor and must be accompanied by a copy or copies of that portion of the purchaser's most recent filing under the Code indicating that the purchaser is engaged in the operation of a windjammer and such additional information as the assessor may require. An application for a refund under this subsection must be filed with the assessor within 36 months of the date of purchase.

[2011, c. 425, §1 (NEW); 2011, c. 425, §3 (AFF) .]

3. Purchases made free of tax with certificate. Sales tax need not be paid on the purchase of parts and supplies for use in the operation, repair or maintenance of a windjammer if the purchaser has obtained a certificate from the assessor stating that the purchaser is engaged in the operation of a windjammer and authorizing the purchaser to purchase parts and supplies for use in the operation, repair and maintenance of a

windjammer without paying Maine sales tax. The seller shall obtain a copy of the certificate together with an affidavit as prescribed by the assessor, to be maintained in the seller's records, attesting to the qualification of purchases for exemption pursuant to this section.

[2011, c. 425, §1 (NEW); 2011, c. 425, §3 (AFF) .]

4. Audit. The assessor may audit a claim for refund filed under subsection 2 or the use of a certificate issued under subsection 3. If the assessor determines that the amount of the claimed refund is incorrect or that the certificate has been used inappropriately, the assessor may issue an assessment within 3 years from the date of purchase or the date the claim was filed, whichever is later, or at any time if a fraudulent claim was filed. The claimant may seek reconsideration of the assessment pursuant to section 151.

[2011, c. 425, §1 (NEW); 2011, c. 425, §3 (AFF) .]

5. Payment of claims. The assessor shall pay the approved amount to qualified applicants under this section within 30 days after receipt of a properly completed claim. Interest is not allowed on any payment made to a claimant pursuant to this section.

§2512. ANNUAL RETURNS TO SUPERINTENDENT OF INSURANCE

Every domestic life insurance company shall include in its annual return to the Superintendent of Insurance a statement of the amount of premiums and annuity considerations liable to taxation as provided in section 2513, and of the real estate held by it on the 31st day of the previous December, showing in detail the amount of all premiums including annuity considerations whether in cash or notes absolutely payable, received by the company from residents of this State during the preceding calendar year and all dividends paid to policyholders in this State on account of the premiums or annuity considerations as required by blanks furnished by the superintendent. The taxes provided by section 2513 shall be paid as provided in section 2521-A, and this section and section 2518 shall be applicable thereto. [1985, c. 783, §10 (AMD).]

SECTION HISTORY

1973, c. 585, §12 (AMD). 1973, c. 727, §3 (RPR). 1985, c. 783, §10 (AMD).

§2513. TAX ON PREMIUMS AND ANNUITY CONSIDERATIONS

Every insurance company or association that does business or collects premiums or assessments including annuity considerations in the State, including surety companies and companies engaged in the business of credit insurance or title insurance, shall, for the privilege of doing business in this State and in addition to any other taxes imposed for that privilege, pay a tax upon all gross direct premiums including annuity considerations, whether in cash or otherwise, on contracts written on risks located or resident in the State for insurance of life, annuity, fire, casualty and other risks at the rate of 2% a year. Every nonadmitted insurer that does business or collects premiums in the State shall, for the privilege of doing business in this State and in addition to any other taxes imposed for that privilege, pay a tax upon all gross direct premiums, whether in cash or otherwise, as provided in section 2531. For purposes of this section, the term "annuity considerations" includes amounts paid to an insurance company for the purchase of a contract that may result in an annuity, even if the annuitization never occurs or does not occur until some time in the future and the amounts are in the meantime applied to an investment vehicle other than an annuity. This section does not apply to mutual fire insurance companies subject to tax under section 2517 or to captive insurance companies formed or licensed under Title 24-A, chapter 83 or under the laws of another state. [2011, c. 331, §12 (AMD); 2011, c. 331, §§16, 17 (AFF).]

Notwithstanding this section, annuity considerations received in tax years ending prior to January 1, 1999 upon which no tax was paid in the year received must be taxed in the year in which an annuity is actually purchased. [2003, c. 20, Pt. CC, §1 (NEW); 2003, c. 20, Pt. CC, §3 (AFF).]

Notwithstanding this section, for income tax years commencing on or after January 1, 1989, the tax imposed by this section upon all gross direct premiums collected or contracted for on long-term care policies, as certified by the superintendent pursuant to Title 24-A, section 5054, must be at the rate of 1% a year. [2003, c. 20, Pt. CC, §1 (AMD); 2003, c. 20, Pt. CC, §3 (AFF).]

Notwithstanding this section, for tax years commencing on or after January 1, 1997, the tax imposed by this section with respect to premiums on qualified group disability policies written by every insurer, except a large domestic insurer, must be at the rate of 1% and must be at the rate of 2.55% with respect to those premiums written by every large domestic insurer. For the purposes of this section, the term "qualified group disability policies" is limited to group health insurance policies properly reported as such in the insurer's annual statement and whose sole coverage is the full or partial replacement of an individual's income in the event of disability. Policies that contain coverages in addition to replacement of income coverage are considered to solely provide that coverage as long as the premium related to the additional coverages is not more than 10% of the total premium charged. The term "qualified group disability policies" does not include workers' compensation insurance policies, policies that include coverages that are collectively renewable, policies that provide for credit disability insurance or policies that pay benefits only upon the occurrence

of hospitalization. For purposes of this section, a "large domestic insurer" is any insurer domiciled in this State with assets in excess of \$5,000,000,000 as reported on its annual statement. [1997, c. 496, §1 (NEW).]

§2513-A. TAX ON PREMIUMS OF RISK RETENTION GROUPS

Each risk retention group, as defined in Title 24-A, section 6093, is liable for payment of premium taxes with respect to direct business for risks resident or located in this State at the same rate and subject to the same interest and penalties as authorized insurers. Each risk retention group shall, on or before March 15th, file with the State Tax Assessor and the Superintendent of Insurance, on forms prescribed by the assessor, a return covering the year ending on the preceding December 31st. At the time of filing the return, each risk retention group shall pay to the assessor the applicable percentage of the difference between the gross and return premiums reported for business transacted during that year. Sections 2512 and 2513 shall not apply to the taxation of any annuity consideration on any annuity contract issued prior to August 1, 1943. Sections 2512 and 2513 shall not apply to any premium from an insurance contract, which premium is received prior to October 1, 1969, or any consideration, regardless of when received, from any retirement annuity contracts issued by an insurance or annuity company organized and operated without profit to any private shareholder or individual exclusively for the purpose of aiding nonproprietary educational and scientific institutions pursuant to a retirement program established under the United States Internal Revenue Code, Section 403 (b). In determining the amount of tax due under sections 2513 and 2531, each company shall deduct from the full amount of gross direct premiums the amount of all direct return premiums on the gross direct premiums and all dividends paid to policyholders on direct premiums, and the tax must be computed by those companies or their agents. Except when direct return premiums are returned in the same tax year that the premium was paid, the deduction allowed in this section may be taken only if the tax under this Part has been paid.

§2529. PINE TREE DEVELOPMENT ZONE TAX CREDIT

1. Credit allowed. A taxpayer that is a qualified Pine Tree Development Zone business as defined in Title 30-A, section 5250-I, subsection 17 is allowed a credit in the amount of:

A. In the case of a qualified Pine Tree Development Zone business as defined in Title 30-A, section 5250-I, subsection 17 that engages in both qualified and nonqualified business activities in the State, the credit provided for in this section is limited to that portion that is attributable to the qualified business activity. The apportionment is determined by a fraction, the numerator of which is the property value plus the payroll for the taxable year attributed to the qualified business activity of the business and the denominator of which is the statewide property value plus payroll for the taxable year of the business.

If the apportionment provisions of this subsection do not fairly reflect the amount of the credit associated with the taxpayer's qualified business activity, the taxpayer may petition for, or the State Tax Assessor may require, in respect to all or any part of the taxpayer's business activity, the employment of another reasonable method to effectuate an equitable apportionment of the credit associated with the taxpayer's qualified business activity.

A revocation is reviewable in accordance with section 151. If a registrant has failed to pay any tax imposed by this chapter when the tax is shown to be due on a return filed by the registrant or is admitted to be due by the registrant or has been determined to be due and that determination has become final, notification of the registrant by the assessor as provided in this section operates to suspend the registration certificate from the date of the notice of suspension until such time as the delinquent tax is paid or it is determined by an appropriate court that revocation is not warranted.

The return must report the total sale price of all sales made during the preceding calendar month and such other information as the assessor requires. The assessor may permit the filing of returns other than monthly. The assessor may by rule waive the reporting of nontaxable sales. The assessor may for good cause extend for not more than 30 days the time for filing returns required under this section. Upon such terms and conditions as the assessor may prescribe, the assessor may permit a postponement of payment to a date not later than the date on which the sales so taxed are required to be reported.

[2007, c. 438, §58 (AMD) .]

4. Purchases for resale not resold. When a service provider purchases a service subject to tax under this chapter from another service provider using a resale certificate approved by the assessor and claims that it will resell the service, and then subsequently uses the service itself rather than reselling it, the purchaser becomes liable for any unpaid tax on that service on the date of such use.

If the assessor determines, upon written application by a taxpayer or during the course of an audit, that any tax has been paid more than once or has been erroneously or illegally computed, the assessor shall certify to the State Controller the amount paid in excess of that legally due and that amount must be credited by the assessor on any taxes then due from the taxpayer and the balance refunded to the taxpayer or its successor in interest, but no such credit or refund may be allowed unless within 3 years of the date of overpayment either a written petition stating the grounds upon which the refund or credit is claimed is filed with the assessor or the overpayment is discovered on audit. Interest at the rate determined pursuant to section 186 must be paid on any balance refunded pursuant to this chapter from the date the return listing the overpayment was filed or the payment was made, whichever is later. At the election of the assessor, unless the taxpayer specifically requests a cash refund, the refund may be credited to the taxpayer's service provider tax account, but in the case of a credit no further interest may accrue from the date of that election. The taxpayer may not apply for a refund of any amount assessed when administrative and judicial review under section 151 has been completed. [2003, c. 673, Pt. V, §25 (NEW); 2003, c. 673, Pt. The decision of the assessor upon such written request for refund becomes final as to law and fact in the same manner and under the same conditions as in the case of assessments made under chapter 7. 4. Bundled services. Notwithstanding any other provision of this chapter, otherwise nontaxable charges that are aggregated with and not separately stated from taxable mobile telecommunications charges are subject to taxation unless the home service provider can, to the satisfaction of the assessor, reasonably identify such charges from books and records kept in the regular course of its business. A customer may not rely upon the nontaxability of bundled services unless the customer's home service provider separately states the otherwise nontaxable services or the home service provider elects, after receiving written notice from the customer in the form required by the provider, to provide verifiable data based upon the home service provider's books and records that are kept in the regular course of business and that reasonably identify the nontaxable charges.

§2621-A. DEFINITIONS

As used in this chapter, unless the context indicates otherwise, the following terms have the following meanings. [1983, c. 571, §5 (NEW).]

1. Net railway operating income. "Net railway operating income" means railway operating revenues, including debits and credits arising from equipment rents and joint facility rents, less railway operating expenses, tax accruals and uncollectible railway revenues.

[1983, c. 571, §5 (NEW) .]

2. Operating investment. "Operating investment" means investment in railway property used in transportation service, less depreciation, plus cash, including temporary cash investments and special deposits, plus material and supplies. For purposes of railroad excise taxes payable in 1986, based upon operations for the calendar year 1985, "operating investment" also includes freight car operating leases of 10 years or more, valued at cost less straight-line depreciation over the initial term of the lease.

[1985, c. 477, §2 (AMD) .]

3. Maine capital tax credit. "Maine capital tax credit" is a credit against the tax imposed by section 2624.

A. The credit allowed against the tax imposed by section 2624 shall be in an amount equal to:

- (1) The credit carry-forwards carried to the taxable year;
- (2) The amount of the current year credit; plus
- (3) The credit carry-backs carried to the taxable year. [1989, c. 586, §1 (NEW); 1989, c. 702, Pt. E, §19 (AFF); 1989, c. 875, Pt. E, §59 (AFF).]

B. The credit shall be an amount equal to 45% of the expenditures for a taxable year related to capital investments, improvements or renovations to a railroad's operations in this State. [1989, c. 586, §1 (NEW); 1989, c. 702, Pt. E, §19 (AFF); 1989, c. 875, Pt. E, §59 (AFF) .]

C. If the sum of the credit carry-forwards to the taxable year plus the amount of the current taxable year credit authorized in this section would reduce the tax in the taxable year below the minimum tax set forth in section 2624, such excess shall be:

(1) A credit carry-back to each of the preceding 3 taxable years; and

(2) A credit carry-forward to each of the 5 taxable years following the taxable year. [1989, c. 586, §1 (NEW); 1989, c. 702, Pt. E, §19 (AFF); 1989, c. 875, Pt. E, §59 (AFF).]

D. The entire amount of the unused credit shall be carried to the earliest of the taxable years to which, by reason of this subsection, the credit may be carried and then to each of the other taxable years to the extent the unused credit may not be used for a prior taxable year. In no event may a carry-back apply to any taxable year ending prior to January 1, 1990. [1989, c. 586, §1 (NEW); 1989, c. 702, Pt. E, §19 (AFF); 1989, c. 875, Pt. E, §59 (AFF).]

E. In order for a taxpayer to qualify for a credit under this subsection, the taxpayer may not require any landowner to pay any fee or charge for maintenance or repair or to assume liability for crossings or rights-of-way if the landowner was not required to do so prior to July 1, 1987; and the taxpayer must continue to maintain crossings and rights-of-way which it was required to maintain on that date and may not remove the crossing if there is any objection to their being removed, provided that the landowner's use remains the same and that the landowner complies with requirements to keep gates secured. [1989, c. 586, §1 (NEW); 1989, c. 702, Pt. E, §19 (AFF); 1989, c. 875, Pt. E, §59 (AFF).]

§2623. EXCISE TAX; PAYMENT TO CITIES AND TOWNS ONE PERCENT ON STOCK HELD THEREIN

Every corporation, person or association operating any railroad in the State under lease or otherwise shall pay to the State Tax Assessor, for the use of the State, an annual excise tax for the privilege of exercising its franchises and the franchises of its leased roads in the State, which, with the tax provided for in section 561, is in place of all taxes upon the property of such railroad. [1973, c. 268, §2 (AMD).]

SECTION HISTORY

P&SL 1969, c. 154, §E (AMD). 1973, c. 268, §2 (AMD).

§2624. AMOUNT OF TAX

The amount of the annual excise tax on railroads shall be ascertained as follows: The amount of the gross transportation receipts for the year ended on the 31st day of December preceding the levying of the tax shall be compared with the net railway operating income for that year. When the net railway operating income does not exceed 10% of the gross transportation receipts, the tax shall be an amount equal to 3 1/4% of the gross transportation receipts. When the net railway operating income exceeds 10% of the gross transportation

receipts but does not exceed 15%, the tax shall be an amount equal to 3 3/4% of the gross transportation receipts. When the net railway operating income exceeds 15% of the gross transportation receipts but does not exceed 20%, the tax shall be an amount equal to 4 1/4% of such gross transportation receipts. When the net railway operating income exceeds 20% of the gross transportation receipts but does not exceed 25%, the tax shall be an amount equal to 4 3/4% of the gross transportation receipts. When the net railway operating income exceeds 25% of the gross transportation receipts, the tax shall be an amount equal to 5 1/4% of the gross transportation receipts. The tax shall be decreased by the amount by which 5 3/4% of operating investment exceeds net railway operating income but shall in no event be decreased below a minimum amount equal to 1/2 of 1% of gross transportation receipts. In the case of railroads operating not over 50 miles of road, the tax shall not exceed 1 3/4% of the gross transportation receipts. [1989, c. 586, §2 (AMD).]

When a railroad lies partly within and partly without the State, or is operated as a part of a line or system extending beyond the State, the tax shall be equal to the same proportion of the gross transportation receipts in the State, and its amount shall be determined as follows: The gross transportation receipts of such railroad, line or system, as the case may be, over its whole extent, within and without the State, shall be divided by the total number of miles operated to obtain the average gross transportation receipts per mile, and the gross transportation receipts in the State shall be taken to be the average gross transportation receipts per mile multiplied by the number of miles operated within the State, and the net railway operating income within the State shall be similarly determined.

The State Tax Assessor, after notice and hearing, may determine the accuracy of any returns required of any railroad, and if found inaccurate, may order proper corrections to be made therein. [1983, c. 571, §7 (AMD).]

The tax calculated pursuant to this section, for any taxable year, shall be decreased by a tax credit as defined in section 2621-A, subsection 3, calculated for that same taxable year. At no time may a tax credit be utilized to decrease the tax below the minimum tax imposed by this section. [1989, c. 586, §3 (NEW); 1989, c. 702, Pt. E, §19 (AFF); 1989, c. 875, Pt. E, §59 (AFF).]

The tax must be paid in equal installments on the next June 15th, September 15th and December 15th. Chapter 367: COMMERCIAL FORESTRY EXCISE TAX**§2721. LEGISLATIVE FINDINGS**

The Legislature finds that engaging in commercial forestry is a privilege that results in costs as well as benefits to the State and that persons enjoying that privilege should be subject to the tax imposed by this chapter. [1985, c. 514, §2 (NEW).]

The Legislature further finds that the persons owning 500 acres or more of forest land are typically engaged in commercial forest activity. Historically, that amount of land has been used for administrative efficiency and to delineate the amount of land indicative of management for commercial activity, especially for purposes of the Maine Tree Growth Tax Law and the spruce budworm tax. The activity of growing commercially valuable trees is one which occupies a very long cycle. It is not uncommon that 40 years must pass between the planting of a seedling and the time when the tree will be harvested for commercial use. During that interim, it may at times be difficult to discern any obvious commercial activity taking place on the land. In many instances, the best accepted commercial practice with regard to that forest land is to do nothing other than to allow the trees to follow the natural course of maturation. Experience has shown that it is almost inevitable that a large amount of land containing commercially valuable trees will at some point be harvested for commercial purposes. Owners of such large amounts of land will receive the financial benefit of commercial activity either through the sale of the forest product or through the increased value that the forest product adds to the land when the land is transferred. [1985, c. 514, §2 (NEW).]

§2722. ANNUAL TAX

An excise tax is imposed upon the privilege of using one's land in commercial forestry enterprise in this State. The tax shall be levied upon owners of commercial forest land and shall be apportioned according to the formula specified in section 2723-A. The State, municipalities and the Federal Government are not subject to this tax. [1987, c. 362, §1 (AMD).]

SECTION HISTORY

1985, c. 514, §2 (NEW). 1987, c. 362, §2 (RP).

§2723-A. COMPUTATION OF TAX

1. Calculation of fire control net costs. Annually by September 1 beginning in 1987, the Commissioner of Agriculture, Conservation and Forestry shall certify to the State Tax Assessor the amount appropriated from the General Fund by the Legislature for the current fiscal year, including funds appropriated or allocated for capital improvements and repairs and the amounts proposed and budgeted to be spent in any federal and dedicated accounts for forest fire protection activities in the same fiscal year. The commissioner shall certify the amounts of all projected revenues resulting from forest fire protection activities for the same fiscal year, including federal revenues and dedicated revenues from the sale of buildings, vehicles and other equipment; fees and other miscellaneous revenues; and revenues estimated to be received from municipalities and the unorganized territory pursuant to Title 12, sections 9204, 9205 and 9205-A.

[1987, c. 362, §3 (NEW); 2011, c. 657, Pt. W, §6 (REV) .]

2. Preceding fiscal year net costs. The commissioner shall certify to the State Tax Assessor actual expenditures and revenues for forest fire protection for the preceding fiscal year for the same categories of information required in subsection 1 and provide the net amount resulting from subtracting revenues from expenditures.

[1987, c. 362, §3 (NEW) .]

3. Roll forward amount from preceding fiscal year. The State Tax Assessor shall subtract the amount in subsection 2 from the amount determined for the preceding fiscal year under subsection 4. If the resulting amount is positive, it shall be treated as a revenue and deducted from current year estimated expenditures. If the amount is negative, it shall be treated as an expenditure and added to current year estimated expenditures.

[1987, c. 362, §3 (NEW) .]

4. Computing current year costs. The State Tax Assessor shall add all projected expenditures for the current fiscal year, including general, federal and dedicated funds. From this amount shall be subtracted all revenues projected to be received in the current fiscal year, as identified in accordance with subsection 1. From this amount shall be added or subtracted, as appropriate, the net roll forward amount from the prior fiscal year as determined in subsection 3.

[1987, c. 362, §3 (NEW) .]

5. Computing the tax.

[1989, c. 555, §§20, 24 (RP); 1989, c. 600, Pt. B, §11 (AFF) .]

5-A. Computing tax. This amount must be multiplied by 40% and the sum must then be divided by the total number of adjusted acres of commercial forest land, rounded to the nearest 1/10 of a cent and multiplied by the number of adjusted acres of commercial forest land owned by each taxpayer to determine the amount of tax for which each owner of commercial forest land is liable.

[1997, c. 24, Pt. C, §6 (AMD) .]

6. Minimum tax. If the amount calculated under this chapter is less than \$5, the amount assessed shall be \$5.

§2724. DEFINITIONS

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings. [1985, c. 514, §2 (NEW).]

1. Adjusted acres. "Adjusted acres" means the total number of acres of commercial forest land owned by a person throughout the State reduced by 500 acres. Cotenants of property, whether joint tenants or tenants in common, shall be treated as one person and shall collectively be entitled to only one 500-acre reduction.

[1985, c. 514, §2 (NEW) .]

2. Commercial forest land. "Commercial forest land" means land that is classified or that is eligible for classification as forest land pursuant to the Maine Tree Growth Tax Law, chapter 105, subchapter II-A, except that "commercial forest land" does not include land described in section 573, subsection 3, paragraph B or C when all commercial harvesting of forest products is prohibited. In determining whether land not classified under the Maine Tree Growth Tax Law is eligible for classification under that law, all facts and circumstances must be considered, including whether the landowner is engaged in the forest products business and the land is being used in that business or there is a forest management plan for commercial use of the land or a particular parcel of land has been harvested for commercial purposes within the preceding 5 years.

§2726. ADMINISTRATION

1. Returns. The State Tax Assessor shall prescribe and make available the required tax return. All owners of more than 500 acres of forested land, whether or not that land is commercial forest land, shall complete and file tax returns with the State Tax Assessor no later than February 1st.

[1989, c. 508, §15 (AMD) .]

2. Date of ownership. The ownership and use of forested land for purposes of this chapter shall be determined as of April 1st preceding the date that the tax return is due.

[1985, c. 514, §2 (NEW) .]

3. Notice. The State Tax Assessor shall notify all landowners subject to this tax of the tax assessed against them no later than 30 days before the date that the tax is due. Failure to notify a landowner shall not relieve the obligation to pay the tax when due.

[1985, c. 514, §2 (NEW) .]

4. Supplemental assessments. Supplemental assessments may be made in accordance with section 141, subsection 1, except that the following limitations apply:

A. If a landowner who has failed to file a return under this chapter signs and files with the assessor an affidavit stating that the landowner did not know of the requirement to file a return under this chapter, a supplemental assessment may be made only for the 3 preceding years. Interest and penalties must be waived or abated if the tax is paid within 30 days after receipt of notice of the supplemental assessment as provided in a manner prescribed in section 111, subsection 2; and [2011, c. 462, §1 (NEW); 2011, c. 462, §2 (AFF) .]

B. If a landowner knew of the requirement to file a return under this chapter or if the assessor determines that the affidavit under paragraph A was falsely filed, the supplemental assessment may be made for the 6 preceding years plus interest and penalties. Chapter 371: MINING EXCISE TAX

§2851. PREAMBLE

It is the Legislature's belief that mining for metallic minerals is an acceptable and necessary activity in the State. Mining results in economic benefits to the locality where it occurs, as well as to the entire State and the Nation. Those who conduct mining do so by their own initiative and by investing their capital. When mining is conducted, investments of the State are also made to provide public facilities and services. Aesthetic costs and the permanent loss of valuable assets also result from mining. It is the Legislature's intent that the mining excise tax be fairly related to the services provided by the State and its subdivisions, as well as account for the costs of mining and the permanent loss of valuable assets. [1981, c. 711, §10 (NEW).]

SECTION HISTORY

1981, c. 711, §10 (NEW).

§2852. FINDINGS

The Legislature makes the following findings. [1981, c. 711, §10 (NEW).]

1. Mineral resources fundamental. Mineral resources are fundamental to modern civilization.

[1981, c. 711, §10 (NEW) .]

2. Mineral resources as economic wealth. Mineral resources have historically been a primary source of economic wealth, are valuable and, once removed, are forever lost as an economic asset to the State.

[1981, c. 711, §10 (NEW) .]

3. Development of mineral resources. Development of this country's mineral resources has involved only a small portion of its land area and may be expected to involve a similarly small portion of the land area of Maine.

[1981, c. 711, §10 (NEW) .]

4. Excise tax. The tax established by this chapter is not a property tax. It is an excise tax imposed on those engaged in and enjoying the privilege of conducting mining in the State.

[1981, c. 711, §10 (NEW) .]

5. Creation of additional costs to government by mining. The activity of mining may create additional costs to the State and its political subdivisions for government services, such as environmental monitoring and education and for highways, sewers, schools and other improvements which are necessary to accommodate the development of a mining industry.

[1981, c. 711, §10 (NEW) .]

6. Effect of mining on environment and other qualities. The activity of mining may have permanent and often damaging effects on the environment and recreational and aesthetic qualities of the State. These effects constitute a cost to the State.

[1981, c. 711, §10 (NEW) .]

7. Quality of life. The activity of mining may significantly alter the quality of life in communities affected by mining.

[1981, c. 711, §10 (NEW) .]

8. Size of mining operation. As the size of a mining operation increases, the cost to the State and its political subdivisions may increase, as do the effects on the environment. As the size of a mining operation increases, the mining company benefits from economies of scale in the mining operation.

[1981, c. 711, §10 (NEW) .]

9. Long-term and short-term economic costs. The State and its political subdivisions incur long-term and short-term economic costs as a result of mining. A fund, in which is deposited a portion of the excise tax revenues, assures that money will be available for long-term and short-term costs associated with social, educational, environmental and economic impacts of mining.

[1981, c. 711, §10 (NEW) .]

10. Impact of mining tax laws on mining industry. Mining tax laws may have a significant impact on the profitability of mining and the industry's ability to enter into and sustain production.

§2858. CREDITS, REFUNDS AND AMENDMENTS

Credits, refunds and amendments shall be computed and applied separately for each mine site. The following provisions shall apply. [1981, c. 711, §10 (NEW).]

1. Credit for property tax prior to commencement of mining. A credit shall be allowed for property taxes paid by a mining company or any other person on property which becomes exempt during the year under section 2854, subsection 2. The credit may be used in the tax year in which the property tax was paid or in any tax years thereafter.

[1981, c. 711, §10 (NEW) .]

2. Credit for property tax paid on land and buildings. A credit shall be allowed for property taxes paid by a mining company or any other person on land and buildings that are mining property. The credit may be used in the tax year in which the property tax was paid or in any tax years thereafter.

[1981, c. 711, §10 (NEW) .]

3. Credits for prepayment of taxes. The following provisions apply to prepayment of taxes other than estimated tax payments.

B. If a person (whether or not it was a mining company at the time of the prepayment) prepays a portion of the taxes due under this chapter, it may take that prepayment as a credit against the taxes due under this chapter in any tax years following prepayment. [1981, c. 711, §10 (NEW).]

[1981, c. 711, §10 (NEW) .]

4. Credit for penalty payments.

[1981, c. 711, §10 (NEW) .]

6. Amendment for unexpended accruals. If accruals taken as deductions under section 2855, subsection 14, are not actually expended for the purposes for which they were accrued, then the mining company shall amend its returns for the tax years the deductions were taken to reduce those deductions to actual expenditures.

§2861. MUNICIPAL REIMBURSEMENT

1. Reimbursement. Excise tax revenues shall be used first to reimburse municipalities for the tax exemptions established by this chapter.

[1981, c. 711, §10 (NEW) .]

2. Treasurer's duties. The Treasurer of State shall reimburse each municipality at least 50% and, if revenues from the Mining Excise Tax are available, up to 100% of the property tax revenue loss suffered by that municipality during the previous calendar year as a result of the exemptions established by this chapter.

[1991, c. 883, §3 (AMD) .]

3. Determination of amount. The property tax revenue loss shall be determined as follows.

A. The State Tax Assessor shall make the following determinations:

- (1) The total amount of property taxes levied by the municipality in the previous calendar year;
- (2) The municipal valuation which resulted in subparagraph (1); and
- (3) The valuation of the property which is exempt as a result of this chapter. [1981, c. 711, §10 (NEW).]

B. The valuation of property which is exempt as a result of this chapter, shall be the total valuation of that property reduced by the valuation of that property which would be determined to be exempt under this Title as this Title existed on the day before the effective date of this Act. [1981, c. 711, §10 (NEW).]

C. The State Tax Assessor shall add the valuation as determined in paragraph A, subparagraph (2), to the valuation as determined in paragraph A, subparagraph (3), and divide the sum into the figure determined in paragraph A, subparagraph (1). [1981, c. 711, §10 (NEW).]

D. The State Tax Assessor shall apply the rate calculated in paragraph C to the valuation of the exempt property to determine the amount of potential tax revenue loss. [1981, c. 711, §10 (NEW).]

E. The State Tax Assessor shall reduce the amount from paragraph D to reflect the additional school support provided by the State because of the change in valuation under paragraph B, which figure shall be the actual tax revenue loss. [1981, c. 711, §10 (NEW).]

[1981, c. 711, §10 (NEW) .]

4. Payment. The Treasurer of State shall use the excise tax revenues to pay to each municipality at least 50% and, if revenues are available, up to 100% of the actual tax revenue loss as determined by subsection 3, paragraph E. The Treasurer of State shall set aside an amount from these revenues sufficient to meet this obligation. The Treasurer of State shall pay the money due to the municipality by February 1st of the year following the year in which property tax revenue was lost by the municipality.

[1991, c. 883, §3 (AMD) .]

5. Unorganized territory. The unorganized territory shall be entitled to reimbursement under this section in the same manner provided by this section for municipalities. The amount of reimbursement due shall be paid into the Unorganized Territory Education and Services Fund established in chapter 115.

[1985, c. 459, Pt. B, §5 (NEW) .]

6. Oversight. The Treasurer of State, following the payment of excise tax revenues to municipalities pursuant to subsection 4, shall annually set aside 25% of the remaining revenues from mining operations to be deposited in the Mining Oversight Fund. Money in this fund is available to fund oversight of mining activity as defined by rule by the Department of Environmental Protection in relation to metallic mineral exploration.

§2873. RETURN AND PAYMENT OF TAX; APPLICATION OF REVENUES

1. Monthly returns required; payment of estimated tax liability. On or before the 15th day of each month, each person subject to the tax imposed by this chapter shall submit to the assessor a return on a form prescribed and furnished by the assessor. Each return must be accompanied by a payment of an amount equal to 1/12 of the person's estimated tax liability for the entire current state fiscal year or facility fiscal year or, in the case of a facility taxed on the basis of a partial facility fiscal year after June 30, 2003, an amount equal to a fraction of the estimated liability in which the denominator is the number of months remaining in the facility fiscal year and the numerator is one. A person may estimate its tax liability for the current state fiscal year or facility fiscal year by applying the tax rates provided by section 2872 to the most recent state fiscal year or facility fiscal year for which a Medicaid cost report has been finally settled and is no longer open to audit adjustment or correction, as long as the fiscal year in question began no earlier than 3 years prior to the beginning of the current fiscal year; in the event that the information necessary to prepare this estimate is not available, an estimate may be prepared on the basis of the reconciliation return most recently submitted or, if the first such return has not yet been filed, then on the basis of the revenues formally reported by the facility in accordance with generally accepted accounting principles. Regardless of the method used for preparing the estimate, the estimate may include adjustments to reflect changes in the number of licensed or certified beds or extraordinary changes in payment rates. Once a taxpayer has made its first monthly payment for a state fiscal year or facility fiscal year pursuant to this subsection, the monthly amount must remain fixed throughout the fiscal year unless the assessor authorizes a change. If the person's estimated annual tax liability as reported and paid pursuant to this subsection does not equal the tax imposed on that person by section 2872, any adjustments necessary to reconcile the estimated tax with the correct tax amount must be made pursuant to subsection 2.

[2003, c. 467, §6 (AMD) .]

2. Reconciliation return required. On or before October 15, 2003 and on or before the 15th day of the 4th month following the end of each facility fiscal year ending after October 15, 2003, each person subject in that state fiscal year or facility fiscal year to the tax imposed by this chapter shall submit a reconciliation return on a form prescribed and furnished by the assessor. The reconciliation return must account for any adjustments necessary to reconcile the annual tax for a prior state fiscal year or facility fiscal year estimated pursuant to subsection 1 with the person's correct tax liability, and the person shall submit with the reconciliation return payment of any amount due for the prior state fiscal year or facility fiscal year or portion of any prior state fiscal year or facility fiscal year. The taxpayer may also claim on the reconciliation return a refund or credit for any overpayment of tax. The determination of amounts due or overpaid is calculated by comparing the tax originally estimated and paid in the prior state fiscal year or facility fiscal year or years with the tax imposed by section 2872 on taxable revenues accrued for that period, together with any audit adjustments or corrections of which the person has knowledge on or before the 15th day of the month immediately preceding the due date of the return. The obligation to file a reconciliation return with respect to a particular state fiscal year or facility fiscal year continues until the relevant taxable revenues for that period have been finally determined and are no longer open to audit adjustment or correction and the person has reported those revenues on a reconciliation return.

[2003, c. 467, §7 (RPR) .]

3. Audit period to remain open; accrual of penalties and interest. Notwithstanding any other provision of law, the tax imposed against a person by section 2872 for any fiscal year remains open to audit and further assessment by the assessor until completion of the audit of the Medicaid cost report or reports for the fiscal year. Any underestimates of tax liability reported and paid pursuant to subsection 1 are subject to an assessment of interest at the rate provided in section 186 from the date or dates of underpayment until payment is made, unless the estimated tax liability was calculated in compliance with the standards provided in subsection 1, in which case no interest may accrue prior to the date on which the reconciliation return for the year is due. Any amount of tax that is reported on a reconciliation return required by subsection 2 but not

paid at the time the reconciliation return is filed is subject to the accrual of interest as provided by section 186, as well as to any applicable provisions of section 187-B, including, without limitation, the penalty provided by section 187-B, subsection 2 for failure to pay a tax.

[2003, c. 467, §8 (AMD) .]

4. Application of revenues. Revenues derived by the tax imposed by this chapter must be credited to a General Fund suspense account. On the last day of each month, the State Controller shall make the following transfers:

A. All revenues received by the assessor during the month pursuant to this chapter from nursing homes net of refunds must be credited to the Nursing Facilities Other Special Revenue funds account in the Department of Health and Human Services. Beginning October 1, 2011, the revenues received in each fiscal year that result from the increase in the tax rate from 5.5% to 6% pursuant to section 2872, subsection 1, paragraph E must be applied first to reimburse nursing homes for the MaineCare portion of the increased tax expense, and all remaining revenue resulting from the increase must be applied to provide cost-of-living increases to MaineCare reimbursement to nursing homes and to medical and remedial private nonmedical institutions that are reimbursed room and board costs and certain other allowable costs under rules adopted by the Department of Health and Human Services. These rules must use a methodology that provides a cost-of-living increase that ensures that such nursing facilities and medical and remedial private nonmedical institutions receive a share of the revenues through MaineCare reimbursement of allowable costs; and [2011, c. 411, §7 (AMD) .]

B. All revenues received by the assessor during the month pursuant to this chapter from residential treatment facilities net of refunds must be credited to the Residential Treatment Facilities Assessment Other Special Revenue funds account in the Department of Health and Human Services. Beginning October 1, 2011, a percentage equal to the State's annual Federal Medical Assistance percentage of the revenues generated by the increase in the tax rate from 5.5% to 6% received by the assessor during the month must be credited to an Other Special Revenue Funds account in the Department of Health and Human Services, Developmental Services Waiver - Supports program and all revenues credited to that account must be applied to providing services to individuals on the waiting list for the community support benefit provided under a federal 1915(c) waiver under the MaineCare Benefits Manual, Chapter II, Section 29. The balance must be credited to an Other Special Revenue Funds account in the Department of Health and Human Services, Medicaid Services - Developmental Services program. [2011, c. 411, §7 (AMD) .]

Notwithstanding the provisions of Public Law 2007, chapter 240, Part X, section 2, Public Law 2009, chapter 213, Part SSSS, section 1 or any other provision of law, any available balances in the accounts under this subsection may not be transferred between accounts by financial order or otherwise.

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings. [2009, c. 434, §37 (AMD) .]

1. Distributor. "Distributor" means a person that imports internal combustion engine fuel into the State, produces, refines, manufactures or compounds internal combustion engine fuel in the State or purchases internal combustion engine fuel in the State, principally for resale to others in bulk. "Distributor" includes licensed distributors and registered distributors.

[2009, c. 434, §37 (AMD) .]

1-A. Exporter. "Exporter" means a person that is not a distributor that purchases internal combustion engine fuel in this State and exports that fuel from the State, or causes that fuel to be exported from the State, other than in fuel tanks attached to and forming a part of a motor vehicle for use in the engine of that motor vehicle.

[2009, c. 434, §37 (AMD) .]

1-B. Importer. "Importer" means a person that is not a distributor that imports internal combustion engine fuel or causes internal combustion engine fuel to be imported for sale or use in this State, other than in fuel tanks attached to and forming a part of a motor vehicle for use in the engine of that motor vehicle.

3. Internal combustion engine fuel. "Internal combustion engine fuel" means all products that are commonly or commercially known or sold as gasoline and includes any liquid fuel that is prepared, advertised, offered for sale or sold for use as or commonly and commercially used as a fuel in spark-ignition internal combustion engines that has greater than 90% of the energy potential of an equivalent volume of gasoline, determined by the number of British Thermal Units in a standard volume. "Internal combustion engine fuel" does not include liquefied gases that would not exist as liquids at a temperature of 60° Fahrenheit and a pressure of 14.7 pounds per square inch absolute.

"Internal combustion engine fuel" includes any motor fuel that is used or sold for use in the propulsion of aircraft.

§2903. TAX LEVIED; REBATES

1. Excise tax imposed. Beginning July 1, 2008 and ending June 30, 2009, an excise tax is imposed on internal combustion engine fuel used or sold in this State, including sales to the State or a political subdivision of the State, at the rate of 28.4¢ per gallon, except that the rate is 3.4¢ per gallon on internal combustion engine fuel bought or used for the purpose of propelling jet or turbojet engine aircraft. Beginning July 1, 2009, an excise tax is imposed on internal combustion engine fuel used or sold in this State, including sales to the State or a political subdivision of the State, at the rate of 29.5¢ per gallon, except that the rate is 3.4¢ per gallon on internal combustion engine fuel bought or used for the purpose of propelling jet engine aircraft. The tax rate provided by this subsection except the rate of tax imposed on fuel bought or used for the purpose of propelling jet engine aircraft is subject to an annual inflation adjustment pursuant to section 3321. Any fuel containing at least 10% internal combustion engine fuel is subject to the tax imposed by this section.

A. [1997, c. 738, §2 (RP).]

B. [1997, c. 738, §2 (RP).]

C. [1997, c. 738, §2 (RP).]

[2011, c. 240, §24 (AMD) .]

1-A. Excise tax imposed.

[1993, c. 414, Pt. E, §2 (RP) .]

1-B. Inventory tax.

[2001, c. 688, §2 (RP) .]

1-C. Inventory tax. On the date that any increase in the rate of tax imposed under this chapter takes effect, an inventory tax is imposed upon all internal combustion engine fuel that is held in inventory by a distributor, importer, wholesaler or retail dealer as of the end of the day prior to that date with respect to which the tax imposed pursuant to subsection 1 has been paid. The inventory tax is computed by multiplying the number of gallons of tax-paid fuel held in inventory by the difference between the tax rate already paid and the new tax rate. Distributors, importers, wholesalers and retail dealers that hold tax-paid inventory shall make payment of the inventory tax on or before the 15th day of the next calendar month, accompanied by a form prescribed and furnished by the State Tax Assessor. In the event of a decrease in the tax rate, the distributor, importer, wholesaler or retail dealer is entitled to a refund or credit, which must be claimed on a form designed and furnished by the assessor. This subsection does not apply to internal combustion engine fuel that is purchased or used for the purpose of propelling jet engine aircraft.

[2009, c. 434, §38 (AMD) .]

2. Ethanol blended fuel.

[1997, c. 738, §3 (RP) .]

3. Legal incidence of tax. Internal combustion engine fuel may be taxed only once under this section. The tax imposed by this section is declared to be a levy and assessment on the ultimate consumer, and other persons levied and assessed pursuant to this chapter are agents of the State for the collection of the tax. The distributor that first receives the fuel in this State is primarily responsible for paying the tax except when the fuel is sold and delivered to a licensed exporter wholly for exportation from the State or to another licensed distributor in the State, in which case the purchasing distributor is primarily responsible for paying the tax. If a distributor includes the tax on a bill to a customer, it must be shown as a separate line item and identified as "Maine gasoline tax."

[2007, c. 693, §22 (AMD) .]

4. Exemptions. The tax imposed by this section does not apply to internal combustion engine fuel:

A. Sold wholly for exportation from this State by a licensed distributor or an exporter; [2009, c. 625, §10 (AMD) .]

B. Brought into this State in the ordinary standard equipment fuel tank attached to and forming a part of a motor vehicle and used in the operation of that vehicle in this State; [2007, c. 627, §77 (AMD) .]

C. Sold in bulk to any agency of this State or any political subdivision of this State; [2005, c. 457, Pt. AAA, §1 (AMD) .]

D. Bought or used to propel a jet engine aircraft in international flights. For purposes of this paragraph, fuel is bought or used to propel a jet engine aircraft in an international flight if either the point of origin of the flight leg immediately preceding the delivery of the fuel into the fuel tanks of the jet engine

aircraft or the destination point of the flight leg immediately following the delivery of the fuel into the fuel tanks of the jet engine aircraft is outside the United States; [2009, c. 434, §39 (AMD); 2009, c. 434, §84 (AFF).]

E. Brought into this State in the fuel tanks of an aircraft; or [1997, c. 738, §4 (NEW).]

F. On which the collection of the tax imposed by this section is precluded by federal law or regulation. [1997, c. 738, §4 (NEW).]

[2009, c. 625, §10 (AMD).]

5. Delivery by distributor. When internal combustion engine fuel is delivered by a distributor to a retail outlet it is deemed to have been sold within the meaning of this chapter, even if the retail outlet is owned in whole or in part by the distributor.

(Subsection 5 as amended by PL 2007, c. 538, Pt. L, §1 is REALLOCATED TO TITLE 36, SECTION 2903, SUBSECTION 6)

[2007, c. 438, §65 (NEW).]

6. (REALLOCATED FROM T. 36, §2903, sub-§5) Deposit to trust fund. Beginning July 1, 2009 the Treasurer of State shall deposit monthly into the TransCap Trust Fund established in Title 30-A, section 6006-G 7.5% of the excise tax after the distribution of taxes pursuant to section 2903-D imposed under subsection 1.

If the assessor has reasonable cause to believe that the person has ceased to do business or that the person has violated this chapter or rules adopted under this chapter, the assessor may on reasonable notice to the person suspend the person's certificate until satisfied to the contrary. A person whose certificate has been suspended may not act as a distributor, wholesaler, importer or exporter until the certificate is restored by the assessor. A suspended certificate must be surrendered to the assessor upon request. Notice is sufficient if sent by mail and addressed to the person at the address designated in the certificate. The suspension is subject to review as provided in section 151. [2009, c. 434, §40 (RPR) .]

§2906. REPORTS; PAYMENT OF TAX; ALLOWANCE FOR LOSSES

1. Monthly reports. Every licensed distributor, wholesaler, importer and exporter shall file with the State Tax Assessor on or before the 21st day of each month a return stating the number of gross gallons of internal combustion engine fuel received, sold and used in the State by that licensed distributor, wholesaler, importer or exporter during the preceding calendar month. The return must be filed on a form prescribed and furnished by the assessor and must include any other information reasonably required by the assessor.

[2009, c. 434, §42 (AMD) .]

2. Payment of tax. At the time of filing the return required by this section, each licensed distributor and importer shall pay to the assessor the tax imposed by section 2903 on each gallon reported as sold, distributed or used.

[2009, c. 434, §43 (AMD) .]

3. Allowance for certain losses. An allowance of not more than 1/2 of 1% from the amount of internal combustion engine fuel received by a licensed distributor, plus 1/2 of 1% on all transfers in vessels, tank cars or full tank vehicle loads by a licensed distributor in the regular course of the licensed distributor's business from one of the licensed distributor's places of business to another within the State, may be granted by the assessor to cover losses sustained by the licensed distributor through shrinkage, evaporation or handling. The total allowance for these losses must be supported by documentation satisfactory to the assessor and may not exceed 1% of the receipts by the licensed distributor. The allowance must be calculated on an annual basis. A further deduction may not be allowed unless the assessor is satisfied upon definite proof submitted to the assessor that a further deduction should be allowed for a loss sustained through fire, accident or some unavoidable calamity.

[2013, c. 381, Pt. B, §32 (AMD) .]

4. Refunds to retailers. A retail dealer is entitled to a refund for tax paid on account of shrinkage or loss by evaporation of internal combustion engine fuel in an amount no greater than 1/2 of 1% of the tax paid on gross purchases of such fuel delivered into retail storage tanks from which it is dispensed into the fuel tank of a motor vehicle or watercraft. The procedure for such a refund is as follows.

A. All applications for refunds must be made under penalties of perjury and must be made semiannually within 90 days after June 30th and December 31st respectively. [1997, c. 738, §5 (NEW).]

B. The application must be made on a form prescribed and furnished by the assessor and must be accompanied by a statement from the distributor, supplier or wholesaler of the gross purchases of internal combustion engine fuel made by the retail dealer during the relevant 6-month period. [2007, c. 438, §68 (AMD).]

C. The assessor shall calculate the amount of the refund due on all properly completed applications and certify that amount and the name of the person entitled to the refund to the Treasurer of State. The Treasurer of State shall make a certified refund from taxes imposed by this chapter. [2007, c. 438, §68 (AMD).]

§2906-A. REFUND OF TAX PAID ON WORTHLESS ACCOUNTS

The retail dealer shall be entitled to a refund from the Treasurer of State for a portion of the tax paid to a distributor or importer, which tax shall be reported and paid to the State Tax Assessor by the distributor or importer pursuant to section 2906. The portion of the tax for which there is a refund entitlement is represented by tax paid on accounts of the retailer found to be worthless and actually charged off by the retailer, but if any such accounts are thereafter collected by the retailer, the tax recovered shall be paid within 30 days of recovery directly by the retailer to the State Tax Assessor. [1981, c. 304, §1 (NEW).]

The procedure for that refund shall be as follows. [1981, c. 304, §1 (NEW).]

1. Computation. The refund shall be in the amount of the tax paid on accounts of the retailer found to be worthless and actually charged off by the retailer.

[1981, c. 304, §1 (NEW) .]

2. Applications. All applications for refunds shall be made by the retailer under penalties of perjury annually on or before April 1st for all accounts found to be worthless and charged off during the previous calendar year.

[1981, c. 304, §1 (NEW) .]

3. Form. That application shall be in such form as the State Tax Assessor shall prescribe.

[1981, c. 304, §1 (NEW) .]

4. Payment. Subsections 1 to 3 having been complied with, the State Tax Assessor shall calculate the amount of the refund due on an application and shall certify the amount and the name of the person entitled to the refund to the Treasurer of State. The Treasurer of State shall thereafter make the certified refund from funds paid to the Treasurer of State pursuant to section 2906.

§2907. APPLICATION OF TAX IN SPECIAL CASES

A person that receives internal combustion engine fuel under circumstances that preclude the collection of the tax imposed under this chapter by the distributor, other than internal combustion engine fuel brought into the State in the ordinary standard equipment fuel tank attached to and forming a part of a motor vehicle for use in the engine of that motor vehicle, and that sells or uses that internal combustion engine fuel in this State is subject to the tax imposed by section 2903 and to the requirements of section 2906, subsections 1 and 2 on the same basis as a licensed distributor. [2009, c. 434, §46 (RPR) .]

SECTION HISTORY

2009, c. 434, §46 (RPR).

§2908. REFUND OF TAX IN CERTAIN CASES; TIME LIMIT

A person who purchases and uses internal combustion engine fuel for any commercial use other than in the operation of a registered motor vehicle on the highways of this State or, except as provided in section 2910, in the operation of an aircraft and who has paid the tax imposed by this chapter on that fuel is entitled to reimbursement in the amount of the tax paid, less 1¢ per gallon, upon presenting to the State Tax Assessor a sworn statement accompanied by evidence as the assessor may require. The statement must show the total amount of internal combustion engine fuel so purchased and used by that person for a commercial use other than in the operation of registered motor vehicles on the highways of this State or in the operation of aircraft. [2007, c. 438, §70 (AMD) .]

A refund application on a form prescribed by the State Tax Assessor must be filed to claim a refund pursuant to this section. Interest must be paid at the rate determined pursuant to section 186, calculated from the date of receipt of the claim, for all proper claims not paid within 30 days of receipt. Applications for refunds must be filed with the assessor within 18 months from the date of purchase. [2015, c. 9, §1 (AMD) .]

All fuel that qualifies for a refund under this section is subject to the use tax imposed by chapter 215. [2005, c. 683, Pt. B, §31 (RPR) .]

§2909. REFUND OF ENTIRE TAX PAID BY CERTAIN COMMON CARRIERS

A person engaged in furnishing common carrier passenger service is entitled to reimbursement of the tax paid on internal combustion engine fuel used by that person in locally encouraged vehicles. For purposes of calculating reimbursement due pursuant to this section, internal combustion engine fuel used in a person's locally encouraged vehicles is presumed to bear the same proportional relationship to internal

combustion engine fuel used in all of the person's passenger vehicles that the person's commutation fare revenue derived from service provided by locally encouraged vehicles bears to the person's total passenger fare revenue. "Commutation fare revenue" means revenue attributable to fares of 60¢ or less and fares paid for commutation or season tickets for single trips of less than 30 miles or for commutation tickets for one month or less. "Total passenger fare revenue" means all revenue attributable to the claimant's passenger operations. "Locally encouraged vehicles" means buses upon which no excise tax is collected under section 1483, subsection 13. [2009, c. 598, §47 (AMD).]

Applications for refunds must be filed with the State Tax Assessor, on a form prescribed by the assessor, within 12 months from the date of purchase. A refund may not be issued under this section unless the claimant's commutation fare revenue derived during the period for which the refund is claimed is at least 60% of the claimant's total passenger fare revenue derived during that period. §2910. REFUND OF TAX LESS 4¢ PER GALLON TO USERS OF AIRCRAFT

A person that buys and uses internal combustion engine fuel for the purpose of propelling piston engine aircraft and that has paid the tax imposed by this chapter on that fuel is entitled to reimbursement in the amount of the tax paid, less 4¢ per gallon, upon presenting to the State Tax Assessor a refund application accompanied by the original invoices showing those purchases. Applications for refunds must be filed with the assessor within 12 months from the date of purchase. All fuel that qualifies for a refund under this section is subject to the use tax imposed by chapter 215. [2007, c. 438, §72 (AMD).]

By contractual agreement, an agency of this State or a political subdivision of this State may assign to another person its right to receive refunds under this section. §3203. TAX LEVIED; CONSIGNMENT SALES; CREDITED TO HIGHWAY FUND; ALLOWANCE FOR LOSSES

1. Generally.

[2009, c. 496, §18 (RP) .]

1-A. Special biodiesel rate.

[2005, c. 677, Pt. A, §1 (NEW); T. 36, §3203, sub-§1-A (RP) .]

1-B. Generally; rates. Except as provided in section 3204-A, beginning July 1, 2008 and ending June 30, 2009, an excise tax is levied and imposed on all suppliers of distillates sold, on all retailers of low-energy fuel sold and on all users of special fuel used in this State for each gallon of distillate at the rate of 29.6¢ per gallon. Beginning July 1, 2009, an excise tax is levied and imposed on all suppliers of distillates sold, on all retailers of low-energy fuel sold and on all users of special fuel used in this State for each gallon of distillate at the rate of 30.7¢ per gallon. Tax rates for each gallon of low-energy fuel are based on the British Thermal Unit, referred to in this subsection as "BTU," energy content for each fuel as based on gasoline gallon equivalents or the comparable measure for distillates. The gasoline gallon equivalent is the amount of alternative fuel that equals the BTU energy content of one gallon of gasoline. In the case of distillates,

the tax rate provided by this section is subject to annual inflation adjustment pursuant to section 3321. For purposes of this subsection, "base rate" means the rate in effect for gasoline or diesel on July 1st of each year as indexed under section 3321. A biodiesel blend containing less than 90% biodiesel fuel is subject to the rate of tax imposed on diesel.

A. This paragraph establishes the applicable BTU values and tax rates based on gasoline gallon equivalents.

Fuel type based on gasoline	BTU content per gallon or gasoline gallon equivalent	Tax rate formula (BTU value fuel/BTU value gasoline) x base rate gasoline
Gasoline	115,000	100% x base rate
Propane	84,500	73% x base rate
Compressed Natural Gas (CNG)	115,000	100% x base rate
Methanol	56,800	49% x base rate
Ethanol	76,000	66% x base rate
Hydrogen	115,000	100% x base rate
Hydrogen Compressed Natural Gas	115,000	100% x base rate

[2007, c. 650, §2 (NEW) .]

B. This paragraph establishes the applicable BTU values and tax rates based on distillate gallon equivalents.

Fuel type based on diesel	BTU content per gallon or gallon equivalent	Tax rate formula (BTU value fuel/BTU value diesel) x base rate diesel
Diesel	128,400	100% x base rate
Liquefied Natural Gas (LNG)	73,500	57% x base rate
Biodiesel	118,300	92% x base rate

[2011, c. 240, §25 (AMD) .]

C. The conversion factors established in this paragraph must be used in converting to gasoline gallon equivalents.

- (1) For compressed natural gas, BTUs per 100 standard cubic feet is 93,000, and there are 123.66 standard cubic feet per gasoline gallon equivalent.
- (2) For hydrogen, BTUs per 100 standard cubic feet is 27,000, and there are 425.93 standard cubic feet per gasoline gallon equivalent.
- (3) For hydrogen compressed natural gas, BTUs per 100 standard cubic feet is 79,800, and there are 144.11 standard cubic feet per gasoline gallon equivalent. [2007, c. 650, §2 (NEW) .]

[2011, c. 240, §25 (AMD) .]

2. Legal incidence of tax. Special fuel may be taxed only once under this section. The tax imposed by this section is declared to be a levy and assessment on the ultimate consumer, and other persons levied and assessed pursuant to this chapter are agents of the State for the collection of the tax. The supplier and retailer are primarily responsible for paying the tax. When a supplier sells and delivers to a licensed exporter wholly for exportation from the State or to another supplier in the State, the purchasing supplier is primarily responsible for paying the tax. If a supplier or retailer includes the tax on a bill to a customer, it must be shown as a separate line item and identified as "Maine special fuel tax."

[2007, c. 693, §23 (AMD) .]

3. Delivery by supplier or retailer. When distillates are delivered by a supplier to a consumer or to a retail outlet, those distillates are deemed to have been sold within the meaning of this chapter, even if the retail outlet is owned in whole or in part by the supplier.

[2007, c. 438, §75 (AMD) .]

4. Highway Fund. All taxes and fines collected under this chapter must be credited to the Highway Fund, except that beginning July 1, 2009 the Treasurer of State shall deposit monthly into the TransCap Trust Fund established in Title 30-A, section 6006-G 7.5% of the excise tax imposed under subsection 1-B.

[2009, c. 496, §19 (AMD) .]

5. Allowance for certain losses of undyed distillates. An allowance of not more than 1/4 of 1% from the amount of undyed distillates received by a licensed supplier, plus 1/4 of 1% on all transfers in vessels, tank cars or full tank vehicle loads by the licensed supplier in the regular course of business from one of the licensed supplier's places of business to another of the licensed supplier's places of business within the State, may be allowed by the assessor to cover the loss through shrinkage, evaporation or handling sustained by the licensed supplier. The total allowance for these losses must be supported by documentation satisfactory to the assessor and may not exceed 1/2 of 1% of the receipts by the licensed supplier. The allowance must be calculated on an annual basis. A further deduction may not be allowed unless the assessor is satisfied upon definite proof submitted to the assessor that a further deduction should be allowed for a loss sustained through fire, accident or some unavoidable calamity.

[2013, c. 381, Pt. B, §33 (AMD) .]

6. Allowance for certain losses of propane. An allowance of not more than 1% from the amount of propane received by the retailer may be allowed by the assessor to cover the loss through shrinkage, evaporation or handling sustained by the retailer. The total allowance for these losses must be supported by documentation satisfactory to the assessor. The allowance must be calculated on an annual basis. A further deduction may not be allowed unless the assessor is satisfied upon definite proof submitted to the assessor that a further deduction should be allowed for a loss sustained through fire, accident or some unavoidable calamity.

(REPEALED)

SECTION HISTORY

1999, c. 473, §B4 (NEW). 2001, c. 688, §6 (RP).

§3203-C. INVENTORY TAX

On the date that any increase in the rate of tax imposed under this chapter takes effect, an inventory tax is imposed upon all distillates that are held in inventory by a supplier, wholesaler or retail dealer as of the end of the day prior to that date on which the tax imposed by section 3203, subsection 1-B has been paid. The inventory tax is computed by multiplying the number of gallons of tax-paid fuel held in inventory by the difference between the tax rate already paid and the new tax rate. Suppliers, wholesalers and retail dealers that hold such tax-paid inventory shall make payment of the inventory tax on or before the 15th day of the next calendar month, accompanied by a form prescribed and furnished by the State Tax Assessor. In the event of a decrease in the tax rate, the supplier, wholesaler or retail dealer is entitled to a refund or credit, which must be claimed on a form designed and furnished by the assessor. §3204. LICENSES

Every person operating as a supplier, wholesaler or retailer in the State shall file an application for a certificate with the State Tax Assessor on forms prescribed and furnished by the assessor. A person may not sell or distribute special fuel until the certificate is furnished by the assessor and displayed as required by this section. One copy of the certificate, certified by the assessor, must be displayed in each place of business of the person. If the assessor has reasonable cause to believe that the person has ceased to do business or that the person has violated this chapter or rules adopted under this chapter or has failed to appear in court for any violation of this chapter, the assessor may on reasonable notice to the person suspend the person's certificate until satisfied to the contrary. A person whose certificate has been suspended may not act as a supplier, wholesaler or retailer until the certificate is restored by the assessor. Suspended certificates must be surrendered to the assessor upon request. The suspension is reviewable in accordance with section 151. [2009, c. 434, §52 (AMD).]

3. Political subdivision. Special fuel sold in bulk to this State or any political subdivision of this State;

[2007, c. 438, §77 (AMD) .]

4. Preclusion by federal law. Special fuel sold or used in such form or under such circumstances as precludes the collection of tax by reasons of federal law;

§3204-B. DYED FUEL; PROHIBITION ON HIGHWAY USE

1. Generally. Except as provided in subsection 2, a person may not operate a motor vehicle on the public ways of this State or allow a motor vehicle to be operated on the public ways of this State if the fuel supply tanks of the vehicle contain dyed fuel or other fuel on which the tax imposed by section 3203 has not been paid. For purposes of this subsection, there is a rebuttable presumption that the owner of a motor vehicle

has operated the motor vehicle or allowed the motor vehicle to be operated on the public ways of this State with dyed fuel or other fuel when the tax imposed by section 3203 has not been paid by the owner of the motor vehicle.

[1995, c. 639, §10 (AMD) .]

2. Exceptions. The following motor vehicles are not subject to the prohibition provided in subsection 1:

A. Motor vehicles owned and operated by this State or any political subdivision of this State; and
[1995, c. 271, §7 (NEW).]

B. Motor vehicles authorized to use dyed fuel on the public ways of this State under the provisions of the Code, section 4082 or rules adopted under the Code. [1995, c. 271, §7 (NEW).]

[1995, c. 271, §7 (NEW) .]

3. Penalty. A person who violates the prohibition provided in subsection 1 commits a Class D crime and is subject to a fine of not less than \$1,000, which may not be reduced. Refusal to permit inspection pursuant to section 3219-A in order to enforce the provisions of this section constitutes prima facie evidence that the tank or container in question contains dyed fuel.

§3206. LICENSES; USERS

It is unlawful for any user to use or consume any special fuel within this State, unless that user is the holder of an uncanceled license issued by the State Tax Assessor. To produce that license, every user shall file with the State Tax Assessor an application in such form as the State Tax Assessor may prescribe, setting forth the name and address of the user. Any unlicensed user who purchases a fuel use identification decal, as required by Title 29-A, section 525, must be registered by the State Tax Assessor and subject to this chapter and chapter 461. [1995, c. 65, Pt. A, §147 (AMD); 1995, c. 65, Pt. A, §153 (AFF); 1995, c. 65, Pt. C, §15 (AFF).]

In the event that any application for a license to use special fuel as a user in this State shall be filed by any person whose license shall at any time theretofore have been canceled for cause by the State Tax Assessor, or in the case the State Tax Assessor shall be of the opinion that the application is not filed in good faith or that the application is filed by some person as a subterfuge for the real person in interest whose license or registration shall theretofore have been canceled for cause by the State Tax Assessor or in the case where the taxpayer failed to appear in court for any violation of this chapter, then and in any of those events

the State Tax Assessor, after a hearing of which the applicant shall have been given 5 days' notice in writing and in which the applicant shall have the right to appear in person or by counsel and present testimony, shall have the right and authority to refuse to issue to the person a license certificate in this State. [1983, c. 94, Pt. D, §6 (NEW).]

The application in proper form having been accepted for filing, and the other conditions and requirements of this section having been complied with, the State Tax Assessor shall issue to that user a license certificate and the license shall remain in full force and effect until canceled as provided in this chapter. [1983, c. 94, Pt. D, §6 (NEW).]

The license certificate so issued by the State Tax Assessor shall not be assignable and shall be valid only for the user in whose name issued. [1983, c. 94, Pt. D, §6 (NEW).]

§3207. COLLECTION OF TAX

Every supplier and retailer paying or becoming liable to pay the tax imposed by this chapter shall charge and collect the tax at the applicable rate. [1999, c. 733, §9 (AMD); 1999, c. 733, §17 (AFF).]

Every licensed user shall remit tax on all special fuels purchased and not used for heating, industrial use or for off-highway use, when the special fuel has not been subjected to the special fuel tax. [1983, c. 94, Pt. D, §6 (NEW).]

§3208. CREDIT; USERS

Every user subject to the tax imposed by section 3203 is entitled to a credit on the tax, equivalent to the then current rate of taxation per gallon imposed by section 3203 as adjusted pursuant to section 3321, on all special fuel purchased by that user from a supplier or retailer licensed in accordance with section 3204 upon which the tax imposed by section 3203 has been paid. Evidence of the payment of that tax, in a form required by or satisfactory to the State Tax Assessor, must be furnished by each user claiming the credit. When the amount of the credit to which any user is entitled for any quarter exceeds the amount of the tax for which that user is liable for the same quarter, the excess may be allowed as a credit on the tax for which that user would be otherwise liable for another quarter or quarters. Upon application to the assessor, the excess may be refunded if the applicant has paid to another state or province under a lawful requirement of that jurisdiction a tax similar in effect to the tax imposed by section 3203 on the use or consumption of that fuel outside the State, at the same rate per gallon that tax was paid in this State, but in no case to exceed the then current rate per gallon of the tax imposed by section 3203 as adjusted pursuant to section 3321. Upon receipt of the application the assessor, if satisfied after investigation that a refund is justified, shall so certify to the State Controller. The refund must be paid out of the Highway Fund. This credit lapses at the end of the last quarter of the year following that in which the credit arose. [2007, c. 438, §78 (AMD).]

Interest is paid at the rate established pursuant to section 186, calculated from the date of receipt of the claim for all valid refund claims that are not paid within 30 days of receipt of the claim. [2007, c. 438, §78 (AMD).]

§3208-A. REFUND TO POLITICAL SUBDIVISIONS

Any political subdivision of the State that buys and uses special fuel and that has paid a tax as provided by this chapter on that fuel is eligible for reimbursement in the amount of the tax paid. By contractual agreement, any agency of this State or political subdivision of this State may assign to another person its right to receive funds under this section. A refund application on a form prescribed by the State Tax Assessor must be filed to claim a refund pursuant to this section. Applications for refunds must be filed with the State Tax Assessor within 12 months from the date of purchase. [2007, c. 438, §79 (AMD).]

§3209. REPORTS; INTERNATIONAL FUEL TAX AGREEMENT; PAYMENT OF TAX; ALLOWANCE FOR LOSSES

1. Suppliers and wholesalers. Every licensed supplier and wholesaler shall file on or before the last day of each month a return with the State Tax Assessor stating the gross gallons of distillates received, sold and used in this State by that licensed supplier or wholesaler during the preceding calendar month, on a form prescribed and furnished by the assessor. The return must include any further information reasonably required by the assessor. At the time of filing the return required by this subsection, each licensed supplier or wholesaler must pay to the assessor a tax as prescribed in section 3203 upon each gallon reported as a taxable sale or as taxable gallons used.

[2009, c. 434, §54 (AMD) .]

1-A. Retailers. Every licensed retailer shall file on or before the last day of each month a return with the assessor stating the gross gallons of low-energy fuel received, sold and used in this State by that retailer during the preceding calendar month on a form prescribed and furnished by the assessor. The return must include any further information reasonably required by the assessor. At the time of filing the return required by this subsection, each retailer shall pay to the assessor a tax as prescribed in section 3203 upon each gallon reported as a taxable sale or as taxable gallons used.

[2007, c. 438, §80 (AMD) .]

1-B. International Fuel Tax Agreement. The State Tax Assessor shall enforce the IFTA governing documents and take all steps necessary to maintain the State's membership in the IFTA, in order to:

A. Facilitate the administration of this chapter; [2001, c. 396, §30 (NEW) .]

B. Promote the fullest and most efficient possible use of the highway system; and [2001, c. 396, §30 (NEW) .]

C. Make uniform the administration, collection and enforcement of special fuel use taxation laws with respect to motor vehicles operated in multiple jurisdictions by ensuring this State's full participation in the single-base jurisdiction system embodied in the IFTA governing documents. [2011, c. 644, §12 (AMD) .]

If a provision of chapter 7 or this chapter is inconsistent with the IFTA governing documents, the IFTA governing documents prevail for purposes of this chapter except when prohibited by the Constitution of Maine or the United States Constitution. The assessor is authorized to ratify amendments to the IFTA governing documents on behalf of this State, except that the assessor may not ratify any provision that

infringes on the substantive taxation authority of the Legislature, including the power to impose taxes, set tax rates and determine exemptions. The assessor may by mutual agreement with the Secretary of State delegate to the Secretary of State the assessor's responsibilities under this subsection, as well as the responsibility for the audit, assessment and processing of IFTA special fuel tax returns, IFTA special fuel tax collection, the administrative appeal of IFTA special fuel tax assessments and compliance with IFTA administrative requirements. Notwithstanding section 151, if the administrative appeal of IFTA special fuel tax assessments has been delegated to the Secretary of State, such appeals must be taken under Title 29-A, section 111 and the Maine Administrative Procedure Act. For purposes of this Title and Title 29-A, an IFTA special fuel tax assessment is considered final and subject to demand and enforced collection under this Title and Title 29-A if the tax assessed has not been paid by its due date and no further administrative or judicial review is available pursuant to this Title or Title 29-A.

[2011, c. 644, §12 (AMD) .]

2. Users generally. Except as provided by subsection 4, each user, not later than the last day of April, July, October and January of each year, shall file with the assessor a return that must include the total gallonage of fuels used within this State during the quarter ending the last day of the preceding month. The return must include any further information reasonably required by the assessor. At the time of filing the return required by this subsection, each user shall pay to the assessor the tax imposed by section 3203 upon each gallon reported as a taxable use or as taxable gallons used, which has not been subjected to the special fuel tax.

[2007, c. 438, §80 (AMD) .]

3. Exempt users. Any user of special fuel operating exclusively within this State and using only special fuel purchased within this State upon which the State has received the special fuel tax, may be exempted, at the discretion of the assessor, from filing returns under this chapter. Any user of special fuel requesting exemption from filing returns shall submit an affidavit as prescribed by the assessor.

[2007, c. 438, §80 (AMD) .]

4. Annual returns in certain circumstances. Notwithstanding any other provisions of this section, a user may file an annual return with payment on or before January 31st of each year covering the prior year when the annual tax liability is expected to be \$100 or less or when allowed by the IFTA governing documents.

A person that receives special fuel under circumstances that preclude the collection of this tax by the supplier or retailer and that sells or uses that special fuel in this State is considered a supplier or retailer and shall file a quarterly return on a form prescribed by the State Tax Assessor and is subject to the same taxes and all other provisions of this chapter relating to suppliers and retailers. A person may not be considered a

supplier or retailer with respect to special fuel brought into the State in the ordinary standard equipment fuel tank attached to and forming a part of a motor vehicle and used in the operation of that vehicle within the State. [2007, c. 438, §81 (AMD).]

If a person licensed or registered under this chapter files a false report of the information required by this chapter, or fails, refuses or neglects to file a return required by this chapter or to pay the full amount of the tax as required by this chapter, the State Tax Assessor may cancel the license or registration and give notice to that person of the cancellation. [2009, c. 434, §56 (AMD).]

Upon receipt of a written request from a person licensed or registered under this chapter to cancel the license or registration issued to that person, the assessor may cancel that license or registration effective 30 days from the date of the written request, in which event the license or registration certificate issued to that person must be surrendered to the assessor. If the assessor determines that a person to whom a license or registration has been issued under this chapter is no longer engaged in the sale or use of special fuel and has not been so engaged for a period of 6 months, the assessor may cancel that license or registration by giving that person 30 days' notice of the cancellation, in which event the license or registration certificate issued to that person must be surrendered to the assessor. When a person ceases to engage in business as a supplier, wholesaler, retailer or user of special fuel within this State, that person shall notify the State Tax Assessor in writing within 15 days after discontinuance. All taxes, penalties and interest under this chapter become due and payable concurrently with that discontinuance. The person shall file a return and pay all the taxes, interest and penalties and surrender to the assessor the license or registration certificate issued to that person by the assessor. §3213. REFUNDS OF TAXES ERRONEOUSLY OR ILLEGALLY COLLECTED

If the State Tax Assessor determines that a tax or penalty imposed by this chapter has been erroneously or illegally collected from a user, that user is entitled to a refund of the amount that was erroneously or illegally collected. The refund must be paid to that user from the Highway Fund. [2011, c. 240, §26 (AMD).]

A refund may not be made under this section unless a written claim stating the grounds upon which the refund is claimed in a form prescribed by the assessor is filed with the assessor within 3 years from the date of the payment of the amount that was erroneously or illegally collected. If those accounts are subsequently collected by the licensed supplier, wholesaler or retailer, a tax must be paid upon the amounts so collected. §3215. REFUND OF TAXES FOR CERTAIN COMMON CARRIERS

A person engaged in furnishing common carrier passenger service is entitled to reimbursement of the tax paid on special fuel used by that person in locally encouraged vehicles. For purposes of calculating reimbursement due pursuant to this section, special fuel used in a person's locally encouraged vehicles is presumed to bear the same proportional relationship to special fuel used in all of the person's passenger vehicles that the person's commutation fare revenue derived from service provided by locally encouraged vehicles bears to the person's total passenger fare revenue. "Commutation fare revenue" means revenue attributable to fares of 60¢ or less and fares paid for commutation or season tickets for single trips of less than 30 miles or for commutation tickets for one month or less. "Total passenger fare revenue" means all revenue attributable to the claimant's passenger operations. "Locally encouraged vehicles" means buses upon which no excise tax is collected under section 1483, subsection 13. [2009, c. 598, §48 (AMD).]

Applications for refunds must be filed with the State Tax Assessor, on a form prescribed by the assessor, within 12 months from the date of purchase. This chapter shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of those states which enact it.

§3914. ARBITRATION AGREEMENT

When the State Tax Assessor claims that a decedent was domiciled in this State at the time of his death and the taxing authorities of another state or states make a like claim on behalf of their state or states, the State Tax Assessor may with the approval of the Attorney General make a written agreement with the other taxing authorities and with the personal representative to submit the controversy to the decision of a board consisting of one or any uneven number of arbitrators. The personal representative may make the agreement. The parties to the agreement shall select the arbitrator or arbitrators. [1983, c. 480, Pt. A, §59 (AMD).]

§3916. POWERS OF BOARD

The board shall have power to administer oaths, take testimony, subpoena and require the attendance of witnesses and the production of books, papers and documents, and issue commissions to take testimony. Subpoenas may be signed by any member of the board. In case of failure to obey a subpoena, any judge of a court of record of this State, upon application by the board, may make an order requiring compliance with the subpoena and the court may punish failure to obey the order as a contempt.

§3917. DETERMINATION OF DOMICILE

The board shall, by majority vote, determine the domicile of the decedent at the time of his death. This determination shall be final for purposes of imposing and collecting death taxes but for no other purpose.

§3918. MAJORITY VOTE

Except as provided in section 3916 in respect of the issuance of subpoenas, all questions arising in the course of the proceedings shall be determined by majority vote of the board.

§3919. FILING OF DETERMINATION OF DOMICILE AND OTHER DOCUMENTS

The State Tax Assessor, the board or the personal representative shall file the determination of the board as to domicile, the record of the board's proceedings and the agreement, or a duplicate, made pursuant to section 3914, with the authority having jurisdiction to assess the death taxes in the state determined to be the domicile and shall file copies of all those documents with the authorities that would have been empowered to assess the death taxes in each of the other states involved. §3922. COMPENSATION AND EXPENSES

The compensation and expenses of the members of the board and its employees may be agreed upon among the members and the personal representative and if they cannot agree shall be fixed by the Probate Court of the state determined by the board to be the domicile of the decedent. §3982. STATE DEFINED

As used in this chapter, the word "state" means any state, territory or possession of the United States and the District of Columbia.

§3983. INTERPRETATION OF PROVISIONS

This chapter shall be so interpreted and construed as to effectuate its general purpose to make uniform the law of those states which enact it.

§3984. FILING OF COMPROMISE AGREEMENT; INTEREST OR PENALTY FOR NONPAYMENT

When the State Tax Assessor claims that a decedent was domiciled in this State at the time of his death and the taxing authorities of another state or states make a like claim on behalf of their state or states, the State Tax Assessor may, with the approval of the Attorney General, make a written agreement of compromise with the other taxing authorities and the personal representative that a certain sum shall be accepted in full satisfaction of any and all death taxes imposed by this State, including any interest or penalties to the date of filing the agreement. The agreement shall fix the amount to be accepted by the other states in full satisfaction of death taxes. The personal representative may make that agreement. Either the State Tax Assessor or the personal representative shall file the agreement or a duplicate with the authority that would be empowered to assess death taxes for this State if there had been no agreement, and thereupon the tax shall be deemed conclusively fixed as therein provided. Unless the tax is paid within 30 days after filing the agreement,

interest shall thereafter accrue upon the amount fixed in the agreement, but the time between the decedent's death and the filing shall not be included in computing the interest. [1983, c. 480, Pt. A, §62 (AMD).]

§4045. RECIPROCITY

This chapter shall apply to the estate of any nonresident decedent if the laws of the state of his domicile contain a provision, of any nature or however expressed, whereby this State is given reasonable assurance of the collection of its death taxes, interest and penalties from the estates of decedents dying domiciled in this State in cases where the estates of such decedents are being administered in such other state. This chapter shall be liberally construed in order to insure that the state of domicile of any decedent shall receive any death taxes, together with interest and penalties thereon, due to it.

§4046. REMISSION ORDERS ALLOWED

Nothing in this chapter shall be construed to prevent a probate court from ordering the remission of any intangible personal property belonging to the estate of a nonresident decedent which is being administered in this State, and such probate court is authorized to order such remission whenever good cause is shown therefor.

SECTION HISTORY

1981, c. 451, §7 (NEW). 2011, c. 380, Pt. M, §3 (AMD). 2011, c. 380, Pt. M, §10 (AFF).

§4062. DEFINITIONS

As used in this chapter, unless the context indicates otherwise, the following terms have the following meanings. [1981, c. 451, §7 (NEW).]

1. Code.

[1987, c. 504, §4 (RP) .]

1-A. Federal credit. "Federal credit" has the following meanings:

A. For the estates of decedents dying after December 31, 2002, "federal credit" means the maximum credit against the tax on the federal taxable estate for state death taxes determined under the Code, Section 2011 as of December 31, 2002 exclusive of the reduction of the maximum credit contained in the Code, Section 2011(b)(2); the period of limitations under the Code, Section 2011(c); and the termination provision contained in the Code, Section 2011(f). The state death tax deduction contained in the Code, Section 2058 must be disregarded. The unified credit must be determined under the Code, Section 2010 as of December 31, 2000. The termination provision contained in the Code, Section 2210 must be disregarded. Notwithstanding any other provision of this Title to the contrary, the tax determined by this chapter for estates of decedents dying after December 31, 2009 must be determined in accordance with the law applicable to decedents dying during calendar year 2009, except that for purposes of calculation of the amount of property that may be treated as Maine qualified terminable interest property under subsection 2-B, paragraph C, the applicable exclusion amount must be determined in accordance with the law applicable as of the decedent's actual date of death; and [2011, c. 380, Pt. M, §4 (AMD); 2011, c. 380, Pt. M, §10 (AFF).]

B. For the estates of all other decedents, "federal credit" means the maximum credit for state death taxes determined under the Code, Section 2011. [2005, c. 12, Pt. N, §4 (AFF); 2005, c. 12, Pt. N, §1 (RPR).]

[2011, c. 380, Pt. M, §4 (AMD); 2011, c. 380, Pt. M, §10 (AFF) .]

1-B. Federal taxable estate. "Federal taxable estate" means the taxable estate as determined using the applicable Code as of the date of the decedent's death except as provided in subsection 1-A, subsection 2 and:

A. The state death tax deduction contained in the Code, Section 2058 must be disregarded; [2009, c. 213, Pt. E, §2 (NEW); 2009, c. 213, Pt. E, §6 (AFF).]

B. For estates of decedents dying after December 31, 2004, the federal taxable estate must be decreased by an amount equal to the value of Maine qualified terminable interest property in the estate of the decedent; and [2009, c. 213, Pt. E, §2 (NEW); 2009, c. 213, Pt. E, §6 (AFF).]

C. For estates of decedents dying after December 31, 2004, the federal taxable estate must be increased by an amount equal to the value of Maine elective property in respect of the decedent. [2009, c. 213, Pt. E, §2 (NEW); 2009, c. 213, Pt. E, §6 (AFF).]

2. Federal gross estate. "Federal gross estate" means the gross estate of a decedent as determined by the assessor in accordance with the Code, except that, notwithstanding the Code, Section 2035, the value of the gross estate includes the value of all taxable gifts as defined under the Code, Section 2503(a) made by the decedent during the 1-year period ending on the date of the decedent's death, but does not include the value of taxable gifts made prior to January 1, 2008.

[2009, c. 213, Pt. E, §3 (AMD); 2009, c. 213, Pt. E, §6 (AFF) .]

2-A. Maine elective property. "Maine elective property" means all property in which the decedent at the time of death had a qualified income interest for life and with respect to which, for purposes of determining the tax imposed by this chapter on the estate of a predeceased spouse of the decedent, the federal taxable estate of that predeceased spouse was decreased pursuant to subsection 1-B, paragraph B. The value

of Maine elective property is the value determined by the assessor in accordance with the Code as if such property were includible in the decedent's federal gross estate pursuant to the Code, Section 2044 and, in the case of estates that do not incur a federal estate tax, as if the estate had incurred a federal estate tax.

[2009, c. 213, Pt. E, §4 (AMD); 2009, c. 213, Pt. E, §6 (AFF) .]

2-B. Maine qualified terminable interest property. "Maine qualified terminable interest property" means property:

B. For which no election allowable under the Code, Section 2056(b)(7) is made with respect to the federal estate tax; and [2005, c. 12, Pt. N, §2 (NEW); 2005, c. 12, Pt. N, §4 (AFF) .]

C. With respect to which an election is made, on a return filed timely with the State Tax Assessor, to treat the property as Maine qualified terminable interest property for purposes of the tax imposed by this chapter. The amount of property with respect to which such election is made may not be greater than the amount, if any, by which the applicable exclusion amount determined as of the date of the decedent's death using the Code, Section 2010(c) in effect on that date exceeds the applicable exclusion amount determined as of the date of the decedent's death using the Code, Section 2010(c) in effect on December 31, 2000. [2005, c. 622, §16 (AMD) .]

[2005, c. 622, §16 (AMD) .]

3. Nonresident. "Nonresident" means a natural person domiciled in a jurisdiction other than this State at the time of that person's death.

[2011, c. 380, Pt. M, §5 (AMD); 2011, c. 380, Pt. M, §10 (AFF) .]

4. Person.

[2005, c. 218, §40 (RP) .]

5. Personal representative. "Personal representative" means the personal representative of the decedent or, if there is no personal representative appointed, qualified and acting within this State, any person who is in the actual or constructive possession of any property included in the gross estate of the decedent.

[1981, c. 451, §7 (NEW) .]

6. Resident. "Resident" means a natural person domiciled in this State at the time of that person's death.

[2011, c. 380, Pt. M, §6 (AMD); 2011, c. 380, Pt. M, §10 (AFF) .]

[2007, c. 693, §25 (RP) .]

8-A. Value. When determining value for purposes of this chapter, "value" means, with respect to an estate or to property included in an estate, including Maine qualified terminable interest property, the value as determined by the assessor in accordance with the Code.

§4063. TAX ON ESTATE OF RESIDENT

A tax is imposed upon the transfer of the estate of every person who dies on or after January 1, 2002 and who, at the time of death, was a resident of this State. The amount of this tax is equal to the federal credit multiplied by a fraction, the numerator of which is the value of that portion of the decedent's federal gross estate that consists of real and tangible personal property located in the State plus the value of all intangible personal property and the denominator of which is the value of the decedent's federal gross estate. [2007, c. 693, §27 (AMD).]

A credit against the tax imposed by this section is allowed for all constitutionally valid estate, inheritance, legacy and succession taxes actually paid to another jurisdiction upon the value of real or tangible personal property owned by the decedent or subject to those taxes as a part of or in connection with the estate and located in that jurisdiction if the value of that property is also included in the value of the decedent's intangible personal property subject to taxation under this section. The credit provided by this section may not exceed the amount of tax otherwise due multiplied by a fraction, the numerator of which is the value of the property located in the other taxing jurisdiction subject to this credit on which tax was actually paid and the denominator of which is the value of the decedent's federal gross estate. For purposes of this section, "another jurisdiction" means another state, the District of Columbia, a possession or territory of the United States or any political subdivision of a foreign country that is analogous to a state. [2007, c. 693, §27 (NEW) .]

For purposes of this section, "federal gross estate" means the decedent's federal gross estate as modified by Maine qualified terminable interest property and Maine elective property. [2007, c. 693, §27 (NEW) .]

§4063-A. TAX ON ESTATE OF RESIDENT

1. Amount. A tax is imposed upon the transfer of the estate of a person who dies during the calendar year 2002 and who, at the time of death, was a resident of this State. The amount of this tax is equal to the lesser of:

A. The federal estate tax calculated prior to the application of the federal credit; and [2001, c. 559, Pt. GG, §5 (NEW); 2001, c. 559, Pt. GG, §26 (AFF).]

B. The amount by which the federal credit divided by .75 exceeds the lesser of:

(1) The aggregate amount of all constitutionally valid estate, inheritance, legacy and succession taxes actually paid to the several states of the United States, other than this State, in respect of any property owned by that decedent or subject to those taxes as a part of or in connection with the decedent's estate; and

(2) An amount equal to such proportion of the federal credit as the value of properties taxable by other states bears to the value of the entire federal gross estate wherever situated. [2001, c. 559, Pt. GG, §5 (NEW); 2001, c. 559, Pt. GG, §26 (AFF).]

§4064. TAX ON ESTATE OF NONRESIDENT

A tax is imposed upon the transfer of real property and tangible personal property situated in this State and held by an individual who dies prior to January 1, 2002 or after December 31, 2002 and who at the time of death was not a resident of this State. Maine property is subject to the tax imposed by this section to the extent that such property is either included in the decedent's federal gross estate or is Maine elective property. The amount of this tax is equal to that proportion of the federal credit that the value of the decedent's Maine real and tangible personal property in this State bears to the value of the decedent's federal gross estate. The share of the federal credit used to determine the amount of a nonresident individual's estate tax under this section is computed without regard to whether the specific real or tangible personal property located in the State is marital deduction property. [2011, c. 380, Pt. M, §7 (AMD); 2011, c. 380, Pt. M, §10 (AFF).]

When real or tangible personal property is owned by a pass-through entity, the entity must be disregarded and the property must be treated as personally owned by the decedent if the entity does not actively carry on a business for the purpose of profit and gain; the ownership of the property in the entity was not for a valid business purpose; or the property was acquired by other than a bona fide sale for full and adequate consideration and the decedent retained a power with respect to or interest in the property that would bring the real or tangible personal property located in this State within the decedent's federal gross estate. [2011, c. 380, Pt. M, §7 (NEW); 2011, c. 380, Pt. M, §10 (AFF).]

§4064-A. TAX ON ESTATE OF NONRESIDENT

1. Amount. A tax is imposed upon the transfer of real property and tangible personal property situated in this State and held by an individual who dies during the calendar year 2002 and who at the time of death was not a resident of this State. When real or tangible personal property has been transferred into a trust, the tax imposed by this section applies as if the trust did not exist and the property was personally owned by the decedent. Maine property is subject to the tax imposed by this section to the extent that such property is included in the decedent's gross estate as finally determined for federal estate tax purposes. The amount of this tax is equal to the lesser of:

A. That proportion of the federal estate tax calculated prior to the application of the federal credit that the value of Maine real and tangible personal property taxed in this State that qualifies for the credit bears to the value of the decedent's total federal gross estate; and [2001, c. 559, Pt. GG, §7 (NEW); 2001, c. 559, Pt. GG, §26 (AFF).]

B. That proportion of the federal credit divided by .75 that the value of Maine real and tangible personal property taxed in this State that qualifies for the credit bears to the value of the decedent's total federal gross estate. [2001, c. 559, Pt. GG, §7 (NEW); 2001, c. 559, Pt. GG, §26 (AFF).]

The share of the federal credit used to determine the amount of a nonresident individual's estate tax under this section is computed without regard to whether the specific real or tangible personal property located in the State is marital deduction property.

[2005, c. 622, §21 (AMD) .]

2. Proceeds from sale of property. Proceeds from the sale of property are taxable under this section if those proceeds are included in the total federal gross estate and the sale was made in contemplation of death. A sale of property made within 6 months prior to the death of the grantor is deemed to be in contemplation of death within the meaning of this section.

1. Payment of tax. The tax imposed by this chapter shall be paid by the personal representative to the extent of assets subject to his control. The State Tax Assessor may accept payment of estate taxes in works of art in accordance with Title 27, chapter 2, subchapter II.

[1981, c. 451, §7 (NEW) .]

2. Certification of payment. No final account of a personal representative of an estate may be allowed by the Probate Court unless and until the personal representative has filed in the Probate Court a certificate of the State Tax Assessor showing either that the amount of tax has been paid, that payment has been secured as provided in section 4069 or that no tax is due.

[1981, c. 451, §7 (NEW) .]

§4066. DISCHARGE OF PERSONAL REPRESENTATIVE'S PERSONAL LIABILITY

If the personal representative makes a written application, accompanied by a copy of the final determination of the federal estate tax liability, if any, and other supporting documentation that the State Tax Assessor may require, to the assessor for determination of the amount of the tax and discharge of personal liability for that tax, the assessor, as soon as possible and in any event within one year after the making of the application, or if the application is made before the return is filed, then within one year after the return is filed, shall notify the personal representative of the amount of the tax and of any interest on that amount. The personal representative, on payment of that amount, is discharged from personal liability for any deficiency in tax subsequently found to be due and is entitled to a certificate of discharge. §4068. TAX DUE DATE; FILING OF RETURN AND PAYMENT OF TAX

1. Date due. Except as otherwise provided by this chapter, a return required by this section is due 9 months after the date of the decedent's death and any tax due under this chapter is due at the same time. Interest accrues on any amount of tax not paid by the due date.

[2005, c. 218, §43 (AMD) .]

2. Return required. The personal representative shall file a Maine estate tax return whenever:

- A. The Code requires that a federal estate tax return be filed; or [2005, c. 218, §43 (NEW) .]
- B. The federal gross estate, increased by the amount of adjusted taxable gifts made by the decedent after December 31, 1976 and by the aggregate amount of any specific gift tax exemption under former Code, Section 2521 used by the decedent after September 8, 1976 and by Maine elective property, exceeds the exclusion and related unified credit amounts specified in section 4062, subsection 1-A. [2011, c. 380, Pt. M, §8 (AMD); 2011, c. 380, Pt. M, §8 (AFF) .]

3. No tax liability. In all cases where a Maine estate tax return is not required to be filed:

A. The State Tax Assessor may extend the time for payment of the tax or any part of the tax for a reasonable period of time not to exceed one year from the date fixed for payment and may grant successive extensions. The aggregate of extensions with respect to any estate may not exceed 10 years, unless a longer period is called for by a payment arrangement elected pursuant to section 4069-A. 1. Deferred payment arrangement. If the Internal Revenue Service has approved a federal estate tax deferral and installment payment arrangement under Section 6166 of the Code, the personal representative may elect a similar deferred payment arrangement under this section for payment of the tax imposed by this chapter, subject to acceptance by the State Tax Assessor. The assessor may approve a deferral and installment arrangement under similar circumstances and on similar terms with respect to an estate of a decedent dying after December 31, 2002 that does not incur a federal estate tax.

[2003, c. 673, Pt. D, §7 (AMD); 2003, c. 673, Pt. D, §9 (AFF) .]

Documentation submitted to the assessor must clearly indicate the amount of Maine estate tax and interest to be paid in installments; the number of separate installments; and the due date of each installment payment. The assessor may reject the election. Any election not rejected in writing by the assessor within 60 days after the election is made is considered accepted.

SECTION HISTORY

[1981, c. 451, §7 (NEW).]

A bond to secure the payment of estate taxes is not required when the Judge of Probate finds that any estate tax due and to become due the State is reasonably secured by the lien upon real estate as provided in this chapter or by any other adequate security. SECTION HISTORY

2011, c. 380, Pt. M, §9 (NEW).

§4102. DEFINITIONS

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings. [2011, c. 380, Pt. M, §9 (NEW).]

1. Adjusted federal gross estate. "Adjusted federal gross estate" means a decedent's federal gross estate as modified by Maine elective property and the value of all taxable gifts as defined under the Code, Section 2503 made by the decedent during the one-year period ending on the date of the decedent's death.

[2013, c. 331, Pt. C, §17 (AMD); 2013, c. 331, Pt. C, §40 (AFF) .]

2. Federal gross estate. "Federal gross estate" means the gross estate of a decedent as determined by the assessor in accordance with the Code. The termination provision contained in the Code, Section 2210 must be disregarded.

[2011, c. 380, Pt. M, §9 (NEW) .]

3. Federal taxable estate. "Federal taxable estate" means the taxable estate of a decedent as determined using the applicable provisions of the Code as of the decedent's date of death, except that the state death tax deduction contained in the Code, Section 2058 and the termination provision contained in the Code, Section 2210 must be disregarded.

[2011, c. 380, Pt. M, §9 (NEW) .]

4. Maine elective property. "Maine elective property" means all property in which a decedent at the time of death had a qualified income interest for life and with respect to which for purposes of determining the tax imposed by this chapter or chapter 575 on the estate of a predeceased spouse of the decedent the federal taxable estate of that predeceased spouse was decreased pursuant to subsection 7, paragraph A or section 4062, subsection 1-B, paragraph B. The value of Maine elective property is the value determined by the assessor in accordance with the Code as if such property were includible in the decedent's federal gross estate pursuant to the Code, Section 2044 and, in the case of estates that do not incur a federal estate tax, as if the estate had incurred a federal estate tax.

[2011, c. 380, Pt. M, §9 (NEW) .]

5. Maine exclusion amount. For estates of decedents dying on or after January 1, 2013, but before January 1, 2016, "Maine exclusion amount" means \$2,000,000. For estates of decedents dying on or after January 1, 2016, "Maine exclusion amount" means the basic exclusion amount determined for the calendar year in accordance with the Code, Section 2010(c)(3).

C. With respect to which an election is made, on a return timely filed with the assessor, to treat the property as Maine qualified terminable interest property for purposes of the tax imposed by this chapter. The amount of property with respect to which the election is made may not be less than zero or greater than the amount by which the federal applicable exclusion amount under the Code, Section 2010 exceeds the Maine exclusion amount. For the purposes of this paragraph, "federal applicable exclusion amount" does not include any deceased spousal unused exclusion amount under the Code, Section 2010. [2013, c. 546, §11 (AMD).]

[2013, c. 546, §11 (AMD) .]

B. Increased by the value of Maine elective property; and [2011, c. 380, Pt. M, §9 (NEW).]

C. Increased by, notwithstanding the Code, Section 2035, the value of all taxable gifts as defined under the Code, Section 2503 made by the decedent during the one-year period ending on the date of the decedent's death. [2011, c. 380, Pt. M, §9 (NEW).]

[2011, c. 380, Pt. M, §9 (NEW) .]

10. Resident. "Resident" means a natural person domiciled in this State at the time of death.

[2011, c. 380, Pt. M, §9 (NEW) .]

11. Transfer. "Transfer" includes the passing of property or any interest therein, in possession or enjoyment, present or future, by inheritance, descent, devise, succession, bequest, grant, deed, bargain sale, gift or appointment in the manner described in this chapter.

[2011, c. 380, Pt. M, §9 (NEW) .]

12. Value. "Value" means, when determining value for purposes of this chapter, with respect to an estate or to property included in an estate, including Maine qualified terminable interest property, the value as determined by the assessor in accordance with the Code.

§4103. TAX ON ESTATE OF RESIDENT

1. Imposition of tax. A tax is imposed on the transfer of the Maine taxable estate of every person who, at the time of death, was a resident of this State. The amount of tax is determined as provided in this section.

A. If the Maine taxable estate is less than or equal to the Maine exclusion amount, the tax is \$0.

[2015, c. 267, Pt. I, §2 (AMD).]

B. If the Maine taxable estate is more than the Maine exclusion amount but no more than the Maine exclusion amount plus \$3,000,000, the tax is 8% of the excess over the Maine exclusion amount.

[2015, c. 267, Pt. I, §2 (AMD).]

C. If the Maine taxable estate is more than the Maine exclusion amount plus \$3,000,000 but no more than the Maine exclusion amount plus \$6,000,000, the tax is \$240,000 plus 10% of the excess over the Maine exclusion amount plus \$3,000,000. [2015, c. 267, Pt. I, §2 (AMD).]

D. If the Maine taxable estate is more than the Maine exclusion amount plus \$6,000,000, the tax is \$540,000 plus 12% of the excess over the Maine exclusion amount plus \$6,000,000. [2015, c. 267, Pt. I, §2 (AMD).]

The amount of this tax is multiplied by a fraction, the numerator of which is the value of that portion of the decedent's adjusted federal gross estate that consists of real and tangible personal property located in this State plus the value of all intangible personal property and the denominator of which is the value of the decedent's adjusted federal gross estate.

[2015, c. 267, Pt. I, §2 (AMD) .]

2. Other jurisdiction death tax credit. A credit against the tax imposed by this section is allowed for all constitutionally valid estate, inheritance, legacy and succession taxes actually paid to another jurisdiction upon the value of real or tangible personal property owned by the decedent or subject to those taxes as a part of or in connection with the estate and located in that jurisdiction if the value of that property is also included in the value of the decedent's intangible personal property subject to taxation under this section. The credit provided by this subsection may not exceed the amount of tax otherwise due multiplied by a fraction, the numerator of which is the value of the property located in the other taxing jurisdiction subject to this credit on which tax was actually paid and the denominator of which is the value of the decedent's adjusted federal gross estate. For the purposes of this section, "another jurisdiction" means another state, the District of Columbia, a possession or territory of the United States or any political subdivision of a foreign country that is analogous to a state.

[2011, c. 380, Pt. M, §9 (NEW) .]

SECTION HISTORY

2011, c. 380, Pt. M, §9 (NEW). 2015, c. 267, Pt. I, §2 (AMD).

§4104. TAX ON ESTATE OF NONRESIDENT

A tax is imposed on the Maine taxable estate of every person who, at the time of death, was a nonresident. The amount of tax equals the tax computed under section 4103, as if the nonresident were a resident, multiplied by the ratio of the value of that portion of the decedent's adjusted federal gross estate that consists of real and tangible personal property located in this State to the value of the decedent's adjusted federal gross estate. [2011, c. 380, Pt. M, §9 (NEW).]

When real or tangible personal property is owned by a pass-through entity, the entity must be disregarded and the property must be treated as personally owned by the decedent if the entity does not actively carry on a business for the purpose of profit and gain; the ownership of the property in the entity was not for a valid business purpose; or the property was acquired by other than a bona fide sale for full and adequate consideration and the decedent retained a power with respect to or interest in the property that would bring the real or tangible personal property located in this State within the decedent's adjusted federal gross estate. [2011, c. 380, Pt. M, §9 (NEW).]

SECTION HISTORY

2011, c. 380, Pt. M, §9 (NEW).

[2011, c. 380, Pt. M, §9 (NEW) .]

2. Certification of payment. A final account of a personal representative of an estate may not be allowed by the Probate Court unless the personal representative has filed in the Probate Court a certificate of the assessor showing either that the amount of tax has been paid, that payment has been secured as provided in section 4108 or that no tax is due.

The personal representative, on payment of that amount, is discharged from personal liability for any deficiency in tax subsequently found to be due and is entitled to a certificate of discharge. [2011, c. 380, Pt. M, §9 (NEW) .]

2. Return required. The personal representative shall file a Maine estate tax return whenever:

A. The Code requires that a federal estate tax return be filed; or [2011, c. 380, Pt. M, §9 (NEW) .]

B. The federal gross estate, increased by the value of all taxable gifts as defined under the Code, Section 2503 made by the decedent during the one-year period ending on the date of the decedent's death and the value of Maine elective property, exceeds the Maine exclusion amount. [2013, c. 331, Pt. C, §18 (AMD) .]

The return must be in the form prescribed by the assessor, and it must be accompanied by a copy of the federal estate tax return, if any, and by other supporting documentation that the assessor may require.

[2013, c. 331, Pt. C, §18 (AMD) .]

3. No tax liability. In all cases where a Maine estate tax return is not required to be filed:

A. If the personal representative makes no election pursuant to section 4102, subsection 6, paragraph C, the personal representative, surviving joint tenant of real estate or any other person whose real estate might be subject to a lien for taxes pursuant to this chapter may at any time file with the assessor in the form prescribed by the assessor a statement of the value of the federal gross estate; and [2011, c. 380, Pt. M, §9 (NEW) .]

1. Deferred payment arrangement. If the United States Internal Revenue Service has approved a federal estate tax deferral and installment payment arrangement under the Code, Section 6166, the personal representative may elect a similar deferred payment arrangement under this section for payment of the tax imposed by this chapter, subject to acceptance by the assessor. The assessor may approve a deferral and installment arrangement under similar circumstances and on similar terms with respect to an estate of a decedent dying after December 31, 2012 that does not incur a federal estate tax.

[2013, c. 546, §12 (AMD) .]

2. Time and manner of election; rejection by assessor. An election under this section may be made by attaching a payment deferral election in a form prescribed by the assessor to a timely filed Maine estate tax return, in addition to any documentation required by section 4107 and copies of all documentation required by the United States Internal Revenue Service and submitted in support of a federal payment deferral. Documentation submitted to the assessor must clearly indicate the amount of Maine estate tax and interest to be paid in installments; the number of separate installments; and the due date of each installment payment. [2011, c. 380, Pt. M, §9 (NEW) .]

M, §9 (NEW).]
- E. An assessment pursuant to a compromise entered into by the personal representative and the United States Secretary of the Treasury or the secretary's delegate. [2011, c. 380, Pt. M, §9 (NEW).]

An action for the recovery of estate taxes and interest lies on either of the bonds. [2011, c. 380, Pt. M, §9 (NEW).]

The following provisions apply to cigarettes held for resale on September 19, 2005. [2005, c. 457, Pt. AA, §3 (NEW); 2005, c. 457, Pt. AA, §8 (AFF).]

1. Stamped rate. Cigarettes stamped at the rate of 50 mills per cigarette and held for resale after September 18, 2005 are subject to tax at the rate of 100 mills per cigarette.

[2005, c. 457, Pt. AA, §3 (NEW); 2005, c. 457, Pt. AA, §8 (AFF) .]

2. Liability. A person possessing cigarettes for resale is liable for the difference between the tax rate of 100 mills per cigarette and the tax rate of 50 mills per cigarette in effect before September 19, 2005. Stamps indicating payment of the tax imposed by this section must be affixed to all packages of cigarettes held for resale as of September 19, 2005, except that cigarettes held in vending machines as of that date do not require that stamp.

3. Vending machines. Notwithstanding any other provision of this chapter, it is presumed that all cigarette vending machines are filled to capacity on September 19, 2005 and that the tax imposed by this section must be reported on that basis. A credit against this inventory tax must be allowed for cigarettes stamped at the rate of 100 mills per cigarette placed in vending machines before September 19, 2005.

§4366. STAMPS PROVIDED BY STATE TAX ASSESSOR **(REPEALED)**

SECTION HISTORY

1965, c. 343, §3 (AMD). P&SL 1967, c. 191, §E3 (AMD). 1969, c. 504, §50 (AMD). 1973, c. 768, §5 (AMD). 1981, c. 364, §47 (AMD). 1983, c. 828, §15 (AMD). 1997, c. 458, §9 (RP).

§4366-A. CIGARETTE TAX STAMPS

1. Generally.

[2009, c. 361, §22 (RP) .]

2. Provided to sellers. The State Tax Assessor shall provide stamps to a licensed distributor upon submission by the licensed distributor of a cigarette tax return in a form prescribed by the assessor. The stamps must be of a design suitable to be affixed to packages of cigarettes as evidence of the payment of the tax imposed by this chapter. The assessor may permit a licensed distributor to pay for the stamps within 30 days after the date of purchase, if a bond satisfactory to the assessor in an amount not less than 50% of the sale price of the stamps has been filed with the assessor conditioned upon payment for the stamps. Such a distributor may continue to purchase stamps on a 30-day deferral basis only if it remains current with its cigarette tax obligations. The assessor may not sell additional stamps to a distributor that has failed to pay in full within 30 days for stamps previously purchased until such time as the overdue payment is received. The assessor shall sell cigarette stamps to licensed distributors at the following discounts from their face value:

A. [2007, c. 438, §93 (RP) .]

B. [2007, c. 438, §93 (RP) .]

C. [2007, c. 438, §93 (RP) .]

D. For stamps at the face value of 100 mills, the discount rate is 1.15%. [2007, c. 438, §93 (AMD) .]

[2009, c. 361, §23 (AMD) .]

3. Affixed to cigarettes. A distributor shall affix stamps of the proper denominations to individual packages of cigarettes sold or distributed by the distributor in this State. The distributor shall affix the stamps in the manner specified by the assessor before the cigarettes are transferred out of the possession of the distributor. A distributor may not sell, offer for sale or display for sale in this State cigarettes that do not bear stamps evidencing the payment of the tax imposed by this chapter, except that a licensed distributor may sell unstamped cigarettes to another licensed distributor if the sales are documented in a form prescribed by the assessor. The face value of the stamps must be considered as part of the retail cost of the cigarettes.

[2009, c. 361, §24 (AMD) .]

4. Resale and reuse of stamps prohibited. A distributor may not:

A. Sell, transfer, reaffix or reuse cigarette stamps issued by the assessor pursuant to this chapter.
[2007, c. 438, §94 (AMD) .]

B. [2007, c. 438, §94 (RP) .]

[2007, c. 438, §94 (AMD) .]

4-A. Redemption of stamps before July 1, 2012. Before July 1, 2012, the assessor shall redeem any unused, uncanceled stamps presented within one year of the date of purchase by a licensed distributor at a price equal to the amount paid for them. Credit for uncanceled stamps is allowed only on full, unopened rolls unless the distributor ceases business as a distributor and returns the license issued under section 4362-A. The assessor may also redeem, at face value, cigarette tax stamps affixed to packages of cigarettes that have become unsalable if application is made within 90 days of the return of the unsalable cigarettes to the manufacturer.

[2011, c. 441, §1 (AMD) .]

4-B. Redemption of stamps beginning July 1, 2012. Beginning July 1, 2012, the assessor shall redeem any unused, uncanceled stamps presented within one year of the date of purchase by a licensed distributor at a price equal to the amount paid for them. Credit for uncanceled stamps is allowed only on full, unopened rolls unless the distributor ceases business as a distributor and returns the license issued under section 4362-A. The assessor may also redeem, at face value, cigarette tax stamps affixed to packages of cigarettes that have become unsalable if application is made within 90 days of the return of the unsalable cigarettes to the manufacturer or of the destruction of the unsalable cigarettes by the distributor. The assessor may either witness the destruction of the unsalable cigarettes or may accept another form of proof that the unsalable cigarettes have been destroyed by the distributor or returned to the manufacturer.

[2011, c. 441, §2 (NEW) .]

5. Possession of unstamped cigarettes; presumption of intent for sale. The possession in this State by any person other than a licensed distributor of unstamped cigarettes is prima facie evidence that the cigarettes have been imported and that they are intended for sale in this State.

[1997, c. 458, §10 (NEW) .]

6. Penalties. The following penalties apply to violations of this section.

Every distributor subject to the licensing requirement of section 4402 shall file, on or before the last day of each month, a return on a form prescribed and furnished by the State Tax Assessor together with payment of the tax due under this chapter. The return must report all tobacco products held, purchased, manufactured, brought in or caused to be brought in from outside the State or shipped or transported to retailers within the State during the preceding calendar month. Every distributor shall keep a complete and accurate record at its principal place of business to substantiate all receipts and sales of tobacco products. [2009, c. 213, Pt. H, §2 (AMD).]

Before July 1, 2012, the return must include further information as the assessor may prescribe and must show a credit for any tobacco products exempted as provided in section 4403. Records must be maintained to substantiate the exemption. Tax previously paid on tobacco products that are returned to a manufacturer because the product has become unfit for use, sale or consumption may be taken as a credit on a subsequent return upon receipt of the credit notice from the original supplier. [2011, c. 441, §3 (AMD).]

Beginning July 1, 2012, the return must include further information as the assessor may prescribe and must show a credit for any tobacco products exempted as provided in section 4403. Records must be maintained to substantiate the exemption. Tax previously paid on tobacco products that are returned to a manufacturer or a distributor because the product has become unfit for use, sale or consumption and for tobacco products that are returned to a distributor that are subsequently destroyed by the distributor may be

taken as a credit on a subsequent return. The assessor may either witness the destruction of the product or may accept another form of proof that the product has been destroyed by the distributor or returned to the manufacturer. [2011, c. 441, §4 (NEW).]

A person who is not a distributor licensed pursuant to this chapter who imports, receives or otherwise acquires tobacco products for use or consumption in the State from a person other than a licensed distributor shall file, on or before the last day of the month following each month in which tobacco products were acquired, a return on a form prescribed by the assessor together with payment of the tax imposed by this chapter at the rate provided in section 4403. The return must report the quantity of tobacco products imported, received or otherwise acquired from a person other than a licensed distributor or retailer during the previous calendar month and additional information the assessor may require. §4404-A. IMPORTATION OF TOBACCO PRODUCTS

1. Generally. Except as provided in subsections 2 and 3, only a person licensed pursuant to section 4402 may import tobacco products into this State.

[2005, c. 627, §11 (NEW) .]

2. Manufacturers. A manufacturer may transport tobacco products into this State and may transport tobacco products from place to place within this State in quantities greater than those excepted in subsection 3 for the purpose of marketing and sales if the sale or distribution of those tobacco products is accounted for and the taxes are paid by a person licensed pursuant to section 4402.

[2007, c. 466, Pt. A, §64 (AMD) .]

3. Exception for personal use. A person who is not a licensed distributor may:

A. Import or transport tobacco products other than cigars into this State and transport those tobacco products from place to place within this State for personal use in a quantity not greater than one pound; or [2007, c. 438, §103 (AMD).]

B. Import or transport cigars into this State and transport those cigars from place to place within this State for personal use in a quantity of no more than 125 cigars. [2005, c. 627, §11 (NEW).]

Untaxed tobacco products imported or transported into this State in any quantity are subject to the tax imposed by section 4403.

[2007, c. 438, §103 (AMD) .]

4. Evidence. The possession by a person who is not licensed pursuant to section 4402 of more than 125 cigars or one pound of other tobacco product for which the tax imposed by this chapter has not been paid is prima facie evidence of a violation of this section.

[2005, c. 627, §11 (NEW) .]

5. Penalties. The following penalties apply to violations of this section.

A. A person who violates this section commits a Class E crime. [2005, c. 627, §11 (NEW) .]

[2005, c. 627, §11 (NEW).]

Violation of this section by a person other than a retailer is a strict liability crime as defined in Title 17-A, section 34, subsection 4-A. It is an affirmative defense to a prosecution under this section that a retailer, alleged to have imported tobacco products or caused tobacco products to be imported, reasonably relied on licensing information annually mailed to the retailer pursuant to section 4402, subsection 6 that listed the company from which the retailer obtained tobacco products as being a licensed distributor. [2005, c. 627, §11 (NEW).]

[2005, c. 627, §11 (NEW).]

3. Deceptive practice. A distributor that sells tobacco products described in subsection 1, with or without having paid the appropriate tax, commits an unfair or deceptive act or practice under the Maine Unfair Trade Practices Act.

[2005, c. 627, §11 (NEW).]

B. When the seizure is incident to a search under a valid search warrant or an inspection under a valid administrative inspection warrant. [2005, c. 627, §11 (NEW).]

Chapter 710: POTATO INDUSTRY

§4601. LEGISLATIVE FINDINGS AND PURPOSE

The Legislature finds that the potato industry is an essential component of the economic and social welfare of the State, particularly in portions of the State which are stressed by lack of other economic opportunities. Accordingly, the Legislature finds that special efforts by State Government are warranted in order to mobilize and improve the Maine potato industry. [1985, c. 753, §§ 14, 15 (NEW).]

The Legislature also finds that the current, highly fragmented organization of the Maine potato industry inhibits the type of effective leadership which is needed if that industry is to survive. The purpose of this chapter is to create a unified organizational structure, under the auspices of a state agency, to provide for the advancement of the Maine potato industry in the public interest and for the public good. Under this new organizational structure, all elements of the Maine potato industry will be represented and will work together under the leadership of a unified, public board to solve the problems facing the industry. Chapter 711-A: REAL ESTATE TRANSFERS**§4641. DEFINITIONS**

As used in this chapter, unless the context otherwise indicates, the following words shall have the following meanings: [1975, c. 572, §1 (NEW).]

1. Consideration. "Consideration" means the total price or amount paid, or required to be paid, for real property valued in money, whether received in money or otherwise and includes the amount of any mortgages, liens or encumbrances thereon, regardless of whether the underlying indebtedness is assumed by the grantee.

[1993, c. 398, §1 (AMD) .]

1-A. Controlling interest. "Controlling interest" means the following.

A. In the case of a corporation, "controlling interest" means more than 50% of the total combined voting power of all classes of stock of the corporation entitled to vote or more than 50% of the capital, profits or beneficial interest in the voting stock of the corporation. [2003, c. 391, §2 (AMD) .]

B. In the case of a partnership, association, trust or other entity, "controlling interest" means more than 50% of the capital, profits or beneficial interest in the partnership, association, trust or other entity. [2003, c. 391, §2 (AMD) .]

C. For purposes of the tax imposed by section 4641-A, subsection 2, all acquisitions of persons acting in concert are aggregated for purposes of determining whether a transfer or acquisition of a controlling interest has taken place. The State Tax Assessor shall adopt standards by rule to determine when persons are acting in concert. Rules adopted pursuant to this paragraph are routine technical rules as defined in Title 5, chapter 375, subchapter II-A. In adopting a rule for this purpose, the assessor shall consider the following:

(1) Persons must be treated as acting in concert when they have a relationship with each other such that one person influences or controls the actions of another through common ownership; and

(2) When persons are not commonly owned or controlled, they must be treated as acting in concert only when the unity with which the purchasers have negotiated and will consummate the transfer of ownership interests supports a finding that they are acting as a single entity. If the acquisitions are completely independent, with each purchaser buying without regard to the identity of the other purchasers, the acquisitions must be considered separate acquisitions. [2001, c. 559, Pt. I, §1 (NEW); 2001, c. 559, Pt. I, §15 (AFF) .]

[2003, c. 391, §2 (AMD) .]

2. Deed. "Deed" means a written instrument whereby the grantor conveys to the grantee title in whole or in part to real property.

[1975, c. 572, §1 (NEW) .]

2-A. Real property. "Real property" means land or anything affixed to land. "Real property" includes, but is not limited to, improvements such as buildings, mobile homes other than stock-in-trade, lines of electric light and power companies and pipelines and other things constructed or situated on land when the owner of the improvements is not the landowner.

[2001, c. 559, Pt. I, §1 (NEW); 2001, c. 559, Pt. I, §15 (AFF) .]

3. Value. "Value" means the amount of the actual consideration for real property, except that in the case of a gift, or a contract or deed with nominal consideration or without stated consideration, or in the case of the transfer of a controlling interest in an entity with a fee interest in real property when the consideration for the real property cannot be determined, "value" is to be based on the estimated price a property will bring in the open market and under prevailing market conditions in a sale between a willing seller and a willing buyer, both conversant with the property and with prevailing general price levels.

"Value" does not include the amount of consideration attributable to vacation exchange rights, vacation services or club memberships or the costs associated with those rights, services or memberships. Upon request of a municipal assessor or the State Tax Assessor, a developer of a time-share estate, as defined in Title 33, section 591, subsection 7, or an association of time-share estate owners shall provide an itemized schedule of fees included in the sales price of a time-share estate.

2. Rate.

[2007, c. 240, Pt. PPP, §2 (RP); 2007, c. 269, §2 (RP) .]

2-A. Rate. The rate of the fee levied under this chapter is established for each fee period on the basis of the basic price of milk in effect on the Sunday following the first Sunday of the fee period in accordance with this subsection:

A. If the basic price is \$21.00 per hundredweight and above, the rate of the milk handling fee is 4¢ per gallon; [2009, c. 468, §1 (AMD) .]

B. [2009, c. 468, §1 (RP) .]

C. [2009, c. 468, §1 (RP) .]

D. [2009, c. 468, §1 (RP).]

E. If the basic price is \$20.00 to \$20.99 per hundredweight, the rate of the milk handling fee is 8¢ per gallon; [2007, c. 240, Pt. PPP, §3 (NEW); 2007, c. 269, §3 (NEW).]

F. If the basic price is \$19.50 to \$19.99 per hundredweight, the rate of the milk handling fee is 12¢ per gallon; [2009, c. 468, §1 (AMD).]

G. [2009, c. 468, §1 (RP).]

H. If the basic price is \$19.00 to \$19.49 per hundredweight, the rate of the milk handling fee is 16¢ per gallon; [2009, c. 468, §1 (AMD).]

I. If the basic price is \$18.50 to \$18.99 per hundredweight, the rate of the milk handling fee is 20¢ per gallon; [2009, c. 468, §1 (AMD).]

J. If the basic price is \$18.00 to \$18.49 per hundredweight, the rate of the milk handling fee is 24¢ per gallon; [2009, c. 468, §1 (AMD).]

K. If the basic price is \$17.50 to \$17.99 per hundredweight, the rate of the milk handling fee is 28¢ per gallon; [2009, c. 468, §1 (AMD).]

L. If the basic price is \$17.00 to \$17.49 per hundredweight, the rate of the milk handling fee is 32¢ per gallon; and [2009, c. 468, §1 (AMD).]

M. If the basic price is \$16.50 to \$16.99 per hundredweight, the rate of the milk handling fee is 36¢ per gallon. [2009, c. 468, §1 (AMD).]

If the basic price falls below \$16.50 per hundredweight, for each 50¢ decrease in the basic price, the rate of the milk handling fee increases by 4¢ per gallon until the handling fee reaches a maximum of 84¢ per gallon.

For any container other than a gallon, the fee is computed on a gallon-equivalent basis.

[2009, c. 468, §1 (AMD) .]

3. Fee calculation. Handlers shall pay the fee for each fee period on all milk subject to the fee sold during the fee period and are either:

A. Subject to the minimum wholesale prices paid to dealers established by the Maine Milk Commission pursuant to Title 7, chapter 603; or [2005, c. 396, §8 (NEW).]

B. Not subject to minimum wholesale prices paid to dealers but subject to minimum retail prices established by the Maine Milk Commission pursuant to Title 7, chapter 603. [2005, c. 396, §8 (NEW).]

In calculating the amount of packaged milk handled for sale in this State during each fee period, the handler shall deduct from that amount any packaged milk returned to the handler during that fee period.

[2005, c. 396, §8 (NEW) .]

4. Fee; additional. The fee imposed and collected under this chapter is in addition to any taxes imposed or collected under any other law of the State.

[2005, c. 396, §8 (NEW) .]

5. Records, reports and administration. Every handler subject to the fee imposed under subsection 1 shall register with the assessor within 5 business days of becoming subject to the fee on forms provided by the assessor. The list of registered handlers must be available to the public. By the 25th day of each calendar month, every handler subject to the fee imposed under subsection 1 shall report to the assessor the quantity of packaged milk handled in this State for sale in this State during the preceding fee period, the quantity of packaged milk handled that was subject to the milk handling fee and any other information the assessor

determines necessary or useful in the administration of this chapter and enforcement of the milk handling fee. The assessor may share information with the Maine Milk Commission in accordance with section 191, subsection 2, paragraph DD.

[2005, c. 396, §8 (NEW) .]

6. Due dates. Handlers shall pay to the assessor the fee due for the preceding fee period not later than the 25th day of each calendar month and submit the information required by the assessor on the forms provided.

[2005, c. 396, §8 (NEW) .]

7. Presumption. In a proceeding against a retail handler for collection of the fee with respect to a particular container of packaged milk, there is a rebuttable presumption that that retail handler did not purchase that container in a transaction subject to the minimum wholesale prices paid to dealers established pursuant to Title 7, chapter 603. The burden is on the retail handler to show that the retail handler purchased that container of packaged milk in a transaction subject to minimum wholesale prices paid to dealers established pursuant to Title 7, chapter 603.

[2005, c. 396, §8 (NEW) .]

8. General Fund. The assessor shall immediately pay all funds received from the milk handling fee to the Treasurer of State to be deposited in the General Fund. The funds may not be dedicated to a particular purpose and may be used for all purposes of State Government.

[2005, c. 396, §8 (NEW) .]

9. Exception. A producer-handler who sells less than 10,000 hundredweight per year is not subject to the fee imposed under subsection 1.

In the case of timberlands owned by an entity that is treated as a pass-through entity for income tax purposes, the land must be treated as eligible timberland if ownership and use of the land by the pass-through entity satisfies the requirements of this paragraph. If the owner of the eligible timberlands is an S corporation, the taxpayer must subtract the owner's pro rata share of the gain. If the owner of the timberlands is a partnership or limited liability company taxed as a partnership, the taxpayer must subtract the taxpayer's distributive share of the gain, subject to the percentage limitations provided in this paragraph.

The entire amount of the excess negative modification must be carried to the earliest of the taxable years to which, by reason of this subsection, the negative modification may be carried and then to each of the other taxable years to the extent the unused negative modification is not used for a prior taxable year. Earlier carry-forward modifications must be used before newer modifications generated in later years; [2005, c. 622, §27 (AMD); 2005, c. 644, §5 (AMD); 2011, c. 657, Pt. §5142. ADJUSTED GROSS INCOME FROM SOURCES IN THIS STATE

1. General. The Maine adjusted gross income of a nonresident individual derived from or connected with sources in this State is the sum of the following amounts:

A. The net amount of items of income, gain, loss, and deduction entering into the nonresident individual's federal adjusted gross income that are derived from or connected with sources in this State including (i) the individual's distributive share of partnership or limited liability company income and deductions determined under section 5192, (ii) the individual's share of estate or trust income and deductions determined under section 5176, and (iii) the individual's pro rata share of the income of an S corporation derived from or connected with sources in this State; and [2005, c. 12, Pt. LLLL, §1 (AMD).]

B. The portion of the modifications described in section 5122, subsections 1 and 2 that relates to income derived from or connected with sources in this State, including any modifications attributable to the nonresident individual as a partner of a partnership, shareholder of an S corporation, member of a limited liability company or beneficiary of an estate or trust. [2005, c. 12, Pt. LLLL, §1 (AMD).]

C. [2005, c. 12, Pt. LLLL, §1 (RP).]

[2011, c. 240, §32 (AMD) .]

2. Attribution. Items of income, gain, loss, and deduction derived from or connected with sources within this State are those items attributable to:

A. The ownership or disposition of any interest in real or tangible personal property in this State;
[2005, c. 12, Pt. LLLL, §2 (AMD).]

B. A business, trade, profession or occupation carried on in this State; and [2005, c. 12, Pt. LLLL, §2 (AMD).]

C. Proceeds from any gambling activity conducted in this State or lottery tickets purchased in this State, including payments received from a 3rd party for the transfer of the rights to future proceeds related to any gambling activity or lottery tickets. [2005, c. 332, §20 (AMD).]

[2005, c. 12, Pt. LLLL, §2 (AMD); 2005, c. 332, §20 (AMD).]

3. Intangibles. Income from intangible personal property including annuities, dividends, interest and gains from the disposition of intangible personal property, shall constitute income derived from sources within this State only to the extent that such income is from property employed in a business, trade, profession, or occupation carried on in this State.

[1969, c. 154, §F (NEW).]

3-A. Gain or loss on sale of partnership interest. Notwithstanding subsection 3, the gain or loss on the sale of a partnership interest is sourced to this State in an amount equal to the gain or loss multiplied by the ratio obtained by dividing the original cost of partnership tangible property located in Maine by the original cost of partnership tangible property everywhere, determined at the time of the sale. Tangible property includes property owned or rented and is valued in accordance with section 5211, subsection 10. If more than 50% of the value of the partnership's assets consist of intangible property, gain or loss from the sale of the partnership interest is sourced to this State in accordance with the sales factor of the partnership for its first full tax period immediately preceding the tax period of the partnership during which the partnership interest was sold. For purposes of this subsection, the sales factor of a partnership is determined in accordance with section 5211, subsections 14, 15 and 16-A. This subsection does not apply to the sale of a limited partner's interest in an investment partnership where more than 80% of the value of the partnership's total assets consists of intangible personal property held for investment, except that such property cannot include an interest in a partnership unless that partnership is itself an investment partnership.

If the apportionment provisions of this section do not fairly represent the extent of the partnership's business activity in this State, the taxpayer may petition for, or the State Tax Assessor may require, in respect to all or any part of the partnership's business activity the employment of any other method to effectuate an equitable apportionment to this State of the partner's income from the sale of the partnership interest.

[2007, c. 627, §83 (AMD).]

4. Deductions for losses. Deductions with respect to capital losses, net long-term capital gains, and net operating losses shall be based solely on income, gains, losses and deductions derived from or connected with sources in this State, under regulations to be prescribed by the assessor but otherwise shall be determined in the same manner as the corresponding federal deductions.

[1969, c. 154, §F (NEW).]

5. Small business corporation.

[1981, c. 706, §38 (RP).]

6. Apportionment. If a business, trade, profession or occupation is carried on partly within and partly without this State, the items of income and deduction derived from or connected with sources within this State shall be determined as apportioned to this State under chapter 821 or in the case of the rendering of purely personal services by an individual under regulations to be prescribed by the assessor.

[1987, c. 841, §3 (AMD) .]

7. Service in Armed Forces. Compensation paid by the United States for service in the Armed Forces of the United States performed by a nonresident shall not constitute income derived from sources within this State.

[2011, c. 622, §5 (AMD); 2011, c. 622, §7 (AFF).]

B. Except as provided by paragraph D, a nonresident individual who is present for business in the State on other than a systematic or regular basis, either directly or through agents or employees, has Maine-source income derived from or effectively connected with a trade or business in the State and subject to taxation under this Part only if the nonresident individual was present in the State for business more than 12 days during the taxable year and earns or derives more than \$3,000 of gross income during the taxable year from contractual or sales-related activities. [2011, c. 622, §5 (AMD); 2011, c. 622, §7 (AFF).]

D. Compensation for personal services performed in the State as an employee and income derived from or effectively connected with a trade or business in the State is not Maine-source income subject to taxation under this Part if the nonresident taxpayer is present in the State during the taxable year solely for the performance of services or the conducting of business during a disaster period and the compensation or income is directly related to a declared state disaster or emergency and the services were requested by the State, a county, city, town or political subdivision of the State or a registered business. [2011, c. 622, §5 (NEW); 2011, c. 622, §7 (AFF).]

[2011, c. 548, §25 (AMD); 2011, c. 548, §36 (AFF); 2011, c. 622, §5 (AMD); 2011, c. 622, §7 (AFF) .]

9. Compensation for work under interlocal agreement. Compensation received as an employee of a political subdivision of an adjoining state performing service in this State pursuant to an interlocal agreement under Title 30-A, chapter 115 is not considered income derived from sources within this State as long as the performance of the service under the interlocal agreement does not displace an employee currently performing the service who is a resident of this State.

Income taxes imposed by this State or any other taxing jurisdiction and interest or expenses incurred in the production of income exempt from tax under this Part that were deducted in arriving at federal taxable income must be added back to the fiduciary adjustment. §5175-A. MAINE TAXABLE INCOME OF A NONRESIDENT ESTATE OR TRUST

The Maine taxable income of a nonresident estate or trust is equal to its share in that portion of the distributable net income of the estate or trust that is derived from or connected with sources in this State, including items of income, gain, loss and deduction from another estate or trust of which the first estate or trust is a beneficiary, increased or reduced by the amount of any items that are recognized for federal income tax purposes but excluded from the distributable net income of the estate or trust and modified by the addition or subtraction of its share of the fiduciary adjustment determined under section 5164, less the amount of the deduction for its federal exemption. The source of items of income, gain, loss or deduction must be determined in accordance with section 5142 as if the estate or trust were a nonresident individual. [2009, c. 434, §72 (NEW).]

SECTION HISTORY

2009, c. 434, §72 (NEW).

§5176. SHARE OF A NONRESIDENT ESTATE, TRUST OR BENEFICIARY IN INCOME FROM SOURCES IN THIS STATE

1. General rule. The share of a nonresident estate or trust in items of income, gain, loss and deduction derived from or connected with sources in this State that are included in the distributable net income of the nonresident estate or trust and the share for purposes of section 5142 of a nonresident beneficiary of an estate or trust in items of income, gain, loss and deduction of that estate or trust must be determined pursuant to this subsection. A modification may not be made under this section that has the effect of duplicating an item already included in the distributable net income of the estate or trust.

A. To the extent the modifications relate to items of income, gain, loss and deduction derived from or connected with sources in this State that are included in the distributable net income of a nonresident estate or trust, the modifications provided under section 5122 must be added to or subtracted from the amount of those items. [2009, c. 434, §73 (RPR) .]

B. The amount determined under paragraph A must be allocated among the nonresident estate or trust and its beneficiaries, including, solely for the purpose of this allocation, resident beneficiaries, in proportion to their respective shares in the distributable net income of the estate or trust. The amounts so allocated have the same character as for federal income tax purposes. An item that is not characterized for federal income tax purposes is deemed to have been realized directly from the source from which it was realized by the estate or trust or incurred in the same manner as it was incurred by the estate or trust. [2009, c. 434, §73 (RPR) .]

C. If the estate or trust has no distributable net income for the taxable year, the share of each beneficiary in the net amount determined under paragraph A must be in proportion to the beneficiary's share of the estate or trust income for the taxable year that is required to be distributed currently and any other income that is actually distributed in that taxable year. The balance of the net amount must be allocated to the estate or trust. [2009, c. 434, §73 (RPR) .]

[2009, c. 434, §73 (RPR) .]

2. Alternate methods. The State Tax Assessor may authorize, upon the taxpayer's written request, the use of another method of determining the respective shares of the beneficiaries and of the estate or trust in its income derived from sources in this State, and in the modifications related to that income, that the assessor determines to be appropriate and equitable.

[1979, c. 541, Pt. A, §234 (AMD) .]

5. Alternate methods. The assessor may, on application, authorize or may require the use of such other methods of determining a nonresident partner's portion of partnership items derived from or connected with sources in this State, and the modifications related thereto, as may be appropriate and equitable, on such terms and conditions as he may require.

[1969, c. 154, §F1 (NEW) .]

- (2) Any dividends or other distributions with respect to a taxpayer's ownership interest in a financial institution; and
- (3) Any gain recognized on the disposition by the taxpayer of an ownership interest in a financial institution; [1999, c. 708, §39 (AMD).]

J. An amount equal to an income tax refund to the taxpayer by this State or another state of the United States that is included in that taxpayer's federal taxable income for the taxable year under the Code, but only to the extent that:

- (1) Maine net income is not reduced below zero; and
- (2) The amount to be refunded from this State or another state of the United States has not been previously used as a modification pursuant to this subsection.

If this modification results in Maine net income that is less than zero for the taxable year, the excess negative modification amount may be carried forward in the same manner as a net operating loss deduction to a taxable year that is within the allowable federal period for carrying forward net operating losses, subject to the above limitations; [2003, c. 390, §45 (AMD); 2003, c. 390, §53 (AFF).]

K. Interest or dividends on obligations or securities of this State and its political subdivisions and authorities to the extent included in federal taxable income; [2001, c. 559, Pt. GG, §17 (AMD); 2001, c. 559, Pt. GG, §26 (AFF).]

L. An amount equal to the absolute value of any net operating loss arising from a tax year beginning or ending in 2001 for which federal taxable income was increased under subsection 1, paragraph M and that, pursuant to Section 102 of the federal Job Creation and Worker Assistance Act of 2002, Public Law 107-147, was carried back more than 2 years to the taxable year for federal income tax purposes, but only to the extent that:

- (1) Maine taxable income is not reduced below zero;
- (2) The taxable year is either within 2 years prior to the year in which the loss arose or within the allowable federal period for carry-over of net operating losses;
- (3) The amount has not been previously used as a modification pursuant to this subsection;

(4) For taxable years beginning in 2008, the amount does not exceed \$100,000. In the case of an affiliated group of corporations engaged in a unitary business, the \$100,000 threshold applies with respect to the entire affiliated group of corporations; and

(5) The modification under this paragraph is not claimed for any tax year beginning in 2009, 2010 or 2011. The amount not deducted as the result of the restriction with respect to tax years beginning in 2009, 2010 or 2011 may be deducted in any tax year beginning after December 31, 2011, but only to the extent that the requirements of subparagraphs (1) and (3) are met and the taxable year is within the allowable federal period for carry-over plus the number of years that the net operating loss carry-over adjustment was not deducted as a result of the restriction with respect to tax years beginning in 2009, 2010 or 2011; [2009, c. 213, Pt. ZZZ, §10 (AMD).]

M. A fraction of any amount previously added back by the taxpayer to federal taxable income pursuant to subsection 1, paragraph N.

(1) With respect to property first placed in service during taxable years beginning in 2002, the adjustment under this paragraph is available for each year during the recovery period, beginning 2 years after the beginning of the taxable year during which the property was first placed in service. The fraction is equal to the amount added back under subsection 1, paragraph N with respect to the property, divided by the number of years in the recovery period minus 2.

(2) With respect to all other property, for the taxable year immediately following the taxable year during which the property was first placed in service, the fraction allowed by this paragraph is equal to 5% of the amount added back under subsection 1, paragraph N with respect to the property. For each subsequent taxable year during the recovery period, the fraction is equal to 95% of the amount added back under subsection 1, paragraph N with respect to the property, divided by the number of years in the recovery period minus 2.

In the case of property expensed pursuant to Section 179 of the Code, the term "recovery period" means the recovery period that would have been applicable to the property had Section 179 not been applied; [2005, c. 644, §8 (AMD).]

N. [2003, c. 20, Pt. EE, §5 (RP).]

O. [2003, c. 20, Pt. EE, §5 (RP).]

P. For income tax years beginning on or after January 1, 2015, the gain attributable to the sale of sustainably managed, eligible timberlands as calculated pursuant to this paragraph.

(1) As used in this paragraph, unless the context otherwise indicates, the following terms have the following meanings.

(a) "Commercial harvesting" or "commercially harvested" means the harvesting of forest products that have commercial value.

(b) "Eligible timberlands" means land of at least 10 acres located in the State and used primarily for the growth of trees to be commercially harvested. Land that would otherwise be included within this definition may not be excluded because of:

(i) Use of the land for multiple public recreation activities;

(ii) Statutory or governmental restrictions that prevent commercial harvesting of trees or require a primary use of the land other than commercial harvesting;

(iii) Deed restrictions, restrictive covenants or organizational charters that prevent commercial harvesting of trees or require a primary use of land other than commercial harvesting and that were effective prior to January 1, 1982; or

(iv) Past or present multiple use for mineral exploration.

(c) "Forest products that have commercial value" means logs, pulpwood, veneer, bolt wood, wood chips, stud wood, poles, pilings, biomass, fuel wood, Christmas trees, maple syrup, nursery products used for ornamental purposes, wreaths, bough material or cones or other seed products.

(d) "Sustainably managed" means:

- (i) A forest management and harvest plan, as defined in section 573, subsection 3-A, has been prepared for the eligible timberlands and has been in effect for the entire time period used to compute the amount of the subtraction modification under this paragraph; and
- (ii) The taxpayer has received a written statement from a licensed forester certifying that, as of the time of the sale, the eligible timberlands have been managed in accordance with the plan under subdivision (i) during that period.

(2) To the extent included in the taxpayer's taxable income under the laws of the United States, the taxable income of the taxpayer under the laws of the United States must be decreased by:

- (a) For eligible timberlands held by the taxpayer for at least a 10-year period beginning on or after January 1, 2005 but less than an 11-year period beginning on or after January 1, 2005, 1/15 of the gain recognized on the sale of the eligible timberlands;
- (b) For eligible timberlands held by the taxpayer for at least an 11-year period beginning on or after January 1, 2005 but less than a 12-year period beginning on or after January 1, 2005, 2/15 of the gain recognized on the sale of the eligible timberlands;
- (c) For eligible timberlands held by the taxpayer for at least a 12-year period beginning on or after January 1, 2005 but less than a 13-year period beginning on or after January 1, 2005, 1/5 of the gain recognized on the sale of the eligible timberlands;
- (d) For eligible timberlands held by the taxpayer for at least a 13-year period beginning on or after January 1, 2005 but less than a 14-year period beginning on or after January 1, 2005, 4/15 of the gain recognized on the sale of the eligible timberlands;
- (e) For eligible timberlands held by the taxpayer for at least a 14-year period beginning on or after January 1, 2005 but less than a 15-year period beginning on or after January 1, 2005, 1/3 of the gain recognized on the sale of the eligible timberlands;
- (f) For eligible timberlands held by the taxpayer for at least a 15-year period beginning on or after January 1, 2005 but less than a 16-year period beginning on or after January 1, 2005, 2/5 of the gain recognized on the sale of the eligible timberlands;
- (g) For eligible timberlands held by the taxpayer for at least a 16-year period beginning on or after January 1, 2005 but less than a 17-year period beginning on or after January 1, 2005, 7/15 of the gain recognized on the sale of the eligible timberlands;
- (h) For eligible timberlands held by the taxpayer for at least a 17-year period beginning on or after January 1, 2005 but less than an 18-year period beginning on or after January 1, 2005, 8/15 of the gain recognized on the sale of the eligible timberlands;
- (i) For eligible timberlands held by the taxpayer for at least an 18-year period beginning on or after January 1, 2005 but less than a 19-year period beginning on or after January 1, 2005, 3/5 of the gain recognized on the sale of the eligible timberlands;
- (j) For eligible timberlands held by the taxpayer for at least a 19-year period beginning on or after January 1, 2005 but less than a 20-year period beginning on or after January 1, 2005, 2/3 of the gain recognized on the sale of the eligible timberlands;
- (k) For eligible timberlands held by the taxpayer for at least a 20-year period beginning on or after January 1, 2005 but less than a 21-year period beginning on or after January 1, 2005, 11/15 of the gain recognized on the sale of the eligible timberlands;

(l) For eligible timberlands held by the taxpayer for at least a 21-year period beginning on or after January 1, 2005 but less than a 22-year period beginning on or after January 1, 2005, 4/5 of the gain recognized on the sale of the eligible timberlands;

(m) For eligible timberlands held by the taxpayer for at least a 22-year period beginning on or after January 1, 2005 but less than a 23-year period beginning on or after January 1, 2005, 13/15 of the gain recognized on the sale of the eligible timberlands;

(n) For eligible timberlands held by the taxpayer for at least a 23-year period beginning on or after January 1, 2005 but less than a 24-year period beginning on or after January 1, 2005, 14/15 of the gain recognized on the sale of the eligible timberlands; or

(o) For eligible timberlands held by the taxpayer for at least a 24-year period beginning on or after January 1, 2005, all of the gain recognized on the sale of the eligible timberlands.

(3) Taxpayers claiming this credit must attach a sworn statement from a forester licensed pursuant to Title 32, chapter 76 that the timberlands for which the credit is claimed have been managed sustainably. For the purposes of this subparagraph, "sustainably" means that the timberlands for which the credit is claimed have been managed to protect soil productivity and to maintain or improve stand productivity and timber quality; known occurrences of threatened or endangered species and rare or exemplary natural communities; significant wildlife habitat and essential wildlife habitat; and water quality, wetlands and riparian zones.

Upon request of the State Tax Assessor, the Director of the Bureau of Forestry within the Department of Agriculture, Conservation and Forestry may provide assistance in determining whether timberlands for which the credit is claimed have been managed sustainably. When assistance is requested under this subparagraph, the director or the director's designee may enter and examine the timberlands for the purpose of determining whether the timberlands have been managed sustainably.

In the case of timberlands owned by an entity that is treated as a pass-through entity for income tax purposes, the land must be treated as eligible timberland if ownership and use of the land by the pass-through entity satisfies the requirements of this paragraph. If the owner of the eligible timberlands is an S corporation, the taxpayer must subtract the owner's pro rata share of the gain. If the owner of the timberlands is a partnership or limited liability company taxed as a partnership, the taxpayer must subtract the taxpayer's distributive share of the gain, subject to the percentage limitations provided in this paragraph.

This modification may not reduce Maine taxable income to less than zero. To the extent this modification results in Maine taxable income that is less than zero for the taxable year, the excess negative modification amount may be carried forward and applied as a subtraction modification for up to 10 taxable years. The entire amount of the excess negative modification must be carried to the earliest of the taxable years to which, by reason of this subsection, the negative modification may be carried and then to each of the other taxable years to the extent the unused negative modification is not used for a prior taxable year. Earlier carry-forward modifications must be used before newer modifications generated in later years; [2007, c. 539, Pt. CCC, §16 (AMD); 2011, c. 657, Pt. W, §§5, 7 (REV); 2013, c. 405, Pt. A, §23 (REV).]

Q. For income tax years beginning on or after January 1, 2006, to the extent included in federal taxable income and not otherwise removed from Maine taxable income, an amount equal to the total of capital gains and ordinary income resulting from depreciation recapture determined in accordance with the Code, Sections 1245 and 1250 that is realized upon the sale of property certified as multifamily affordable housing property by the Maine State Housing Authority in accordance with Title 30-A, section 4722, subsection 1, paragraph AA; [2007, c. 700, Pt. B, §4 (AMD).]

R. For taxable years beginning on or after January 1, 2009, an amount equal to the net increase in the depreciation deductions allowable under Sections 167 and 168 of the Code that would have been applicable to that property had the depreciation deduction under the Code, Section 168(k) not been claimed with respect to such property placed in service on or after January 1, 2008 for which an addition was required under subsection 1, paragraph T in a prior year.

Upon the taxable disposition of property to which this paragraph applies, the amount of any gain or loss includable in federal taxable income must be adjusted for Maine income tax purposes by an amount equal to the difference between the addition modification for such property under subsection 1, paragraph T and the subtraction modifications allowed pursuant to this paragraph.

The total amount of subtraction claimed for property under this paragraph for all tax years may not exceed the addition modification under subsection 1, paragraph T for the same property; [2009, c. 2, §114 (COR).]

S. An amount equal to the value of any prior year addition modification under subsection 1, paragraph U, but only to the extent that:

- (1) Maine taxable income is not reduced below zero;
- (2) The taxable year is within the allowable federal period for carryover of the net operating loss plus one year; and
- (3) The amount has not been previously used as a modification pursuant to this subsection; [2011, c. 240, §35 (AMD); 2011, c. 454, §10 (AMD).]

T. An amount equal to the value of any prior year addition modification under subsection 1, paragraph V, but only to the extent that:

- (1) Maine taxable income is not reduced below zero;

- (3) The amount has not been previously used as a modification pursuant to this subsection; and
- (4) The modification under this paragraph is not claimed for any tax year beginning in 2009, 2010 or 2011; [2011, c. 380, Pt. O, §14 (AMD); 2011, c. 454, §11 (AMD).]

U. An amount equal to the gross income from discharge of indebtedness previously deferred under the Code, Section 108(i) and included in federal taxable income. The total subtraction for all years under this paragraph may not exceed the amount of the addition modification under subsection 1, paragraph W for the same indebtedness; [2011, c. 644, §23 (AMD).]

V. For taxable years beginning on or after January 1, 2012, an amount equal to the net increase in the depreciation deduction allowable under the Code, Sections 167 and 168 that would have been applicable to that property had the depreciation deduction under the Code, Section 168(k) not been claimed with respect to such property placed in service during the taxable year beginning in 2011 or 2012 for which an addition was required under subsection 1, paragraph Y, subparagraph (2) for the taxable year beginning in 2011 or 2012.

Upon the taxable disposition of property to which this paragraph applies, the amount of any gain or loss includable in federal taxable income must be adjusted for Maine income tax purposes by an amount equal to the difference between the addition modification for such property under subsection 1, paragraph Y, subparagraph (2) related to property placed in service outside the State and the subtraction modifications allowed pursuant to this paragraph.

The total amount of the subtraction modification claimed under this paragraph for all tax years may not exceed the addition modification under subsection 1, paragraph Y, subparagraph (2) for the same property; [2013, c. 424, Pt. A, §27 (RPR).]

(Paragraph V as enacted by PL 2011, c. 454, §13 is REALLOCATED TO TITLE 36, SECTION 5200-A, SUBSECTION 2, PARAGRAPH W)

W. (REALLOCATED FROM T. 36, §5200-A, sub-§2, ¶V) To the extent included in federal taxable income, an amount equal to the refundable portion of the credit allowed under section 5216-B and an amount equal to the distribution from a private venture capital fund of the refundable portion of the credit allowed under section 5216-B; [2013, c. 368, Pt. TT, §15 (AMD).]

X. To the extent included in federal taxable income, an amount equal to the refundable portion of the income tax credit under the Maine New Markets Capital Investment Program under Title 10, section 1100-Z; [2015, c. 1, §11 (AMD).]

Y. For taxable years beginning on or after January 1, 2014, an amount equal to the net increase in the depreciation deduction allowable under the Code, Sections 167 and 168 that would have been applicable to that property had the depreciation deduction under the Code, Section 168(k) not been claimed with respect to such property placed in service during the taxable year beginning in 2013 for which an addition was required under subsection 1, paragraph AA, subparagraph (2) for the taxable year beginning in 2013.

Upon the taxable disposition of property to which this paragraph applies, the amount of any gain or loss includable in federal taxable income must be adjusted for Maine income tax purposes by an amount equal to the difference between the addition modification for such property under subsection 1, paragraph AA, subparagraph (2) and the subtraction modifications allowed pursuant to this paragraph.

The total amount of subtraction claimed under this paragraph for all tax years may not exceed the addition modification under subsection 1, paragraph AA, subparagraph (2) for the same property; [2015, c. 388, Pt. A, §12 (AMD).]

Z. For taxable years beginning on or after January 1, 2015, an amount equal to the net increase in the depreciation deduction allowable under the Code, Sections 167 and 168 that would have been applicable to that property had the depreciation deduction under the Code, Section 168(k) not been claimed with respect to such property placed in service during the taxable year beginning in 2014 for which an addition was required under subsection 1, paragraph BB, subparagraph (2) for the taxable year beginning in 2014.

Upon the taxable disposition of property to which this paragraph applies, the amount of any gain or loss includable in federal taxable income must be adjusted for Maine income tax purposes by an amount equal to the difference between the addition modification for such property under subsection 1, paragraph BB, subparagraph (2) and the subtraction modifications allowed pursuant to this paragraph.

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Adjusted alternative minimum tax," for individuals, estates and trusts, means the excess, if any, of the alternative minimum tax over the amount that would have been the alternative minimum tax had only the adjustments and items of preference specified in the Code, Section 53(d)(1)(B)(ii) been taken into account in determining alternative minimum tax. For corporations subject to the tax imposed by this section, "adjusted alternative minimum tax" means alternative minimum tax. [2003, c. 673, Pt. JJ, §3 (NEW); 2003, c. 673, Pt. JJ, §6 (AFF).]

C. "Alternative minimum taxable income" means tentative alternative minimum taxable income less the applicable exemption amount, except that:

(1) For taxable corporations with income from business activity that is taxable both within and without this State, "alternative minimum taxable income" means tentative alternative minimum taxable income less the applicable exemption amount, the result of which is multiplied by the fraction described in section 5211, subsection 8; or

(2) For nonresident estates and trusts with income derived from Maine sources, "alternative minimum taxable income" means tentative alternative minimum taxable income less the applicable exemption amount, the result of which is multiplied by a fraction, the numerator of which is the taxpayer's tentative alternative minimum taxable income from Maine sources and the denominator of which is the taxpayer's total tentative alternative minimum taxable income from all sources. [2003, c. 673, Pt. JJ, §3 (NEW); 2003, c. 673, Pt. JJ, §6 (AFF).]

D. "Exemption amount" means the applicable exemption as provided by the Code, Section 55(d) as of December 31, 2002, except that tentative alternative minimum taxable income as determined under paragraph G must be substituted in the computation of the phase-out under the Code, Section 55(d)(3). [2005, c. 618, §7 (AMD); 2005, c. 618, §22 (AFF).]

E. "Federal alternative minimum taxable income" means alternative minimum taxable income determined in accordance with the Code, Sections 55(b)(2) and 59(c). [2003, c. 673, Pt. JJ, §3 (NEW); 2003, c. 673, Pt. JJ, §6 (AFF).]

- (3) Increased by income, loss or deductions by which the State increases federal adjusted gross income in the case of individuals or federal taxable income in the case of corporations, estates and trusts under section 5122, section 5125, subsection 3 or section 5164, 5176 or 5200-A or as otherwise indicated by law to the extent not included in federal alternative minimum taxable income. [2009, c. 434, §77 (AMD) .]

2. Tax imposed. In addition to all other taxes contained in this Part, a tax in an amount equal to the alternative minimum tax is imposed for each taxable year on the following taxpayers:

- A. Resident individuals, trusts and estates. The tax imposed by this subsection does not apply to resident individuals, trusts and estates for tax years beginning on or after January 1, 2012; [2011, c. 380, Pt. N, §12 (AMD); 2011, c. 380, Pt. N, §19 (AFF) .]
- B. Nonresident individuals, trusts and estates with Maine-source income. The tax imposed by this subsection does not apply to nonresident individuals, trusts and estates for tax years beginning on or after January 1, 2012; and [2011, c. 380, Pt. N, §13 (AMD); 2011, c. 380, Pt. N, §19 (AFF) .]

3. Credit for tax paid to other taxing jurisdiction. A resident individual, estate or trust is allowed a credit against the tax otherwise due under this section for the amount of alternative minimum tax imposed on that individual, estate or trust for the taxable year by another state of the United States, a political subdivision of any such state, the District of Columbia or any political subdivision of a foreign country that is analogous to a state of the United States with respect to income derived from sources in that taxing jurisdiction also subject to tax under this section. The credit for any of the specified taxing jurisdictions may not exceed the proportion of the tax otherwise due under this section that the amount of the taxpayer's tentative alternative minimum taxable income derived from sources in that taxing jurisdiction bears to the taxpayer's entire tentative alternative minimum taxable income. When a credit is claimed for alternative minimum taxes paid to both a state and a political subdivision of that state, the total credit allowable for those taxes in the aggregate may not exceed the proportion of the tax otherwise due under this section that the amount of the taxpayer's tentative alternative minimum taxable income derived from sources in the other state bears to the taxpayer's entire tentative alternative minimum taxable income.

[2003, c. 673, Pt. JJ, §3 (NEW); 2003, c. 673, Pt. JJ, §6 (AFF) .]

[2013, c. 331, Pt. C, §34 (AMD); 2013, c. 331, Pt. C, §41 (AFF) .]

B. The credit allowable for a taxable year under this subsection is limited to the amount, if any, by which the regular income tax after application of all other credits arising under this Part exceeds the tentative minimum tax. In any year when the tax under this section does not apply, the tentative minimum tax is disregarded for purposes of calculating the credit limitation. [2011, c. 380, Pt. N, §14 (AMD); 2011, c. 380, Pt. N, §§19, 20 (AFF) .]

§5206. FRANCHISE TAX ON FINANCIAL INSTITUTIONS

A tax is imposed for each calendar year or fiscal year ending during that calendar year upon the franchise or privilege of doing business in this State of every financial institution that has Maine net income or Maine assets and that has a substantial physical presence in this State sufficient to satisfy the requirements of the due process and commerce clauses of the United States Constitution. A financial institution is subject to tax under

this section even if it is treated as a partnership, S corporation or entity disregarded as separate from its owner for federal income tax purposes under the Code. Each financial institution shall determine the tax due using one of the following methods: [2005, c. 608, §5 (AFF); 2005, c. 608, §1 (RPR).]

1. Franchise tax on Maine net income and Maine assets. The sum of:

A. One percent of the financial institution's Maine net income; and [2005, c. 608, §1 (NEW); 2005, c. 608, §5 (AFF).]

B. Eight cents per \$1,000 of the financial institution's Maine assets; or [2005, c. 608, §1 (NEW); 2005, c. 608, §5 (AFF).]

[2005, c. 608, §5 (AFF); 2005, c. 608, §1 (RPR) .]

2. Franchise tax on Maine assets only. Thirty-nine cents per \$1,000 of the financial institution's Maine assets.

4. Increase in franchise tax.

[1985, c. 783, §34 (RP) .]

Each financial institution subject to the tax under this chapter shall elect to calculate and pay tax under the method in subsection 1 or 2. The financial institution shall make the election on its annual state tax return and the election cannot be revoked with respect to that tax year. If a financial institution fails to make an election, the method established in subsection 1 must be used and is deemed an election for purposes of this section. [2005, c. 608, §1 (NEW); 2005, c. 608, §5 (AFF).]

In each taxable year in which a financial institution sustains a book net operating loss, a credit must be allowed against the franchise tax on assets under subsection 1. The credit must be computed by multiplying the book net operating loss by the applicable franchise tax rate imposed by subsection 1, paragraph A. The total amount of any credit allowed may not exceed the franchise tax on assets due under subsection 1, paragraph B. In any tax year in which there is excess credit, the excess credit must be carried forward for no more than the next 5 tax years and may be applied against the tax computed under subsection 1. "Maine net income" means, for any taxable year, a financial institution's net income or loss per books required to be reported pursuant to the laws of the United States on Internal Revenue Service Form 1120, 1120S, 1065 or any other Internal Revenue Service form used to report net income or loss per books or, in the case of an entity with a single owner that may be disregarded as an entity separate from its owner pursuant to Internal Revenue Service regulations, the financial institution's net income or loss per

books determined as if the entity were required to file Internal Revenue Service Form 1065, and apportioned to this State under section 5206-E. In the case of a financial institution that is a qualified subchapter S subsidiary as defined by the Code, Section 1361, the financial institution's "Maine net income" means a financial institution's net income or loss per books determined as if the entity were required to file Internal Revenue Service Form 1120S and apportioned to this State under section 5206-E.

To the extent that a financial institution derives income from a unitary business carried on by 2 or more members of an affiliated group, "Maine net income" is determined by apportioning, in accordance with section 5206-E, that part of the net income of the entire group that derives from the unitary business.

[1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF) .]

15. Participation. "Participation" means an extension of credit in which an undivided ownership interest is held on a pro rata basis in a single loan or pool of loans and related collateral. In a loan participation, the credit originator initially makes the loan and then subsequently resells all or a portion of it to other lenders. The participation may or may not be known to the borrower.

[1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF) .]

With respect to an employee, the "principal base of operations" means the place of more or less permanent nature from which the employee regularly starts the employee's work and to which the employee customarily returns in order to receive instructions from an employer, communicates with the employer's customers or other persons or performs any other functions necessary to the exercise of the employee's trade or profession.

[1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF) .]

17. Regular place of business. "Regular place of business" means an office at which the taxpayer carries on its business in a regular and systematic manner and that is continuously maintained, occupied and used by employees of the taxpayer.

[1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF) .]

18. State. "State" means a state of the United States, the District of Columbia, the Commonwealth of Puerto Rico, any territory or possession of the United States or any foreign country.

[1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF) .]

19. Syndication. "Syndication" means an extension of credit in which 2 or more persons fund that credit and each person is at risk only up to a specified percentage of the total extension of credit or up to a specified dollar amount.

[1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF) .]

§5206-E. APPORTIONMENT

Except as otherwise specifically provided, a financial institution that is taxable both in and outside this State shall apportion its net income and end-of-year assets as provided in this section. A financial institution is considered taxable in a state if in that state the financial institution is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business or a corporate stock tax or that state has jurisdiction to subject the financial institution to a net income tax regardless of whether, in fact, the state does or does not tax the financial institution. [2005, c. 608, §2 (AMD); 2005, c. 608, §5 (AFF) .]

1. Formula applicable. All of a financial institution's net income and end-of-year assets are apportioned to this State by multiplying the income and the assets by a fraction, the numerator of which is the property factor plus the payroll factor plus 2 times the receipts factor and the denominator of which is 4.

[2005, c. 608, §3 (AMD); 2005, c. 608, §5 (AFF) .]

2. Receipts factor. The receipts factor is a fraction, the numerator of which is the receipts of the taxpayer in this State during the taxable year and the denominator of which is the receipts of the taxpayer in and outside this State during the taxable year. The method of calculating receipts for purposes of the denominator is the same as the method used in determining receipts for purposes of the numerator. The receipts factor includes only those receipts described in this subsection that are included in the computation of the apportionable income base for the taxable year.

A. The numerator of the receipts factor includes receipts from the lease, sublease or rental of real property if the property is located in the State. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF) .]

B. Except as described in this paragraph, the numerator of the receipts factor includes receipts from the lease or rental of tangible personal property owned by the taxpayer if the property is located in this State when it is first placed in service by the lessee.

Receipts from the lease or rental of transportation property owned by the taxpayer are included in the numerator of the receipts factor to the extent that the property is located in the State. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

C. The numerator of the receipts factor includes interest and fees or penalties in the nature of interest from loans located in the State.

The determination of whether the real property securing a loan is located in the State must be made at the time the original agreement was made and any and all subsequent substitutions of collateral are disregarded. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

D. The numerator of the receipts factor includes net gains from the sale of loans. Net gains from the sale of loans includes income recorded under the stripped coupon rules of the Code, Section 1286.

The amount of net gains greater than zero from the sale of loans is determined by multiplying the net gains by a fraction, the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph C and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

E. The numerator of the receipts factor includes interest and fees or penalties in the nature of interest from credit card receivables and receipts from fees charged to credit card holders, such as annual fees, if the billing address of the credit card holder is in this State. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

F. The numerator of the receipts factor includes net gains greater than zero from the sale of credit card receivables multiplied by a fraction, the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph E and the denominator of which is the taxpayer's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to credit card holders. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

G. The numerator of the receipts factor includes all credit card issuer's reimbursement fees multiplied by a fraction, the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph E and the denominator of which is the taxpayer's total amount of interest and fees or penalties in the nature of interest from credit card receivables and fees charged to credit card holders. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

H. The numerator of the receipts factor includes receipts from merchant discount if the commercial domicile of the merchant is in this State. The receipts are computed net of any credit card holder charge-backs, but are not reduced by any interchange transaction fees or by any issuer's reimbursement fees paid to another for charges made by its credit card holders. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

I. The numerator of the receipts factor includes loan servicing fees derived from loans multiplied by a fraction, the numerator of which is the amount included in the numerator of the receipts factor pursuant to paragraph C and the denominator of which is the total amount of interest and fees or penalties in the nature of interest from loans.

In circumstances in which the taxpayer receives loan servicing fees for servicing either the secured or the unsecured loans of another, the numerator of the receipts factor includes the fees if the borrower is located in this State. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

J. The numerator of the receipts factor includes receipts from services not otherwise apportioned under this section if the service is performed in this State. If the service is performed both in and outside this State and a greater proportion of the income or producing activity is performed in this State than in any

other state based on cost of performance, then the numerator of the receipts factor includes receipts from services not otherwise apportioned under this section. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

K. Interest, dividends, net gains greater than zero and other income from investment assets and activities and from trading assets and activities must be included in the receipts factor. Investment assets and activities and trading assets and activities include but are not limited to investment securities; trading account assets; federal funds; securities purchased and sold under agreements to resell or repurchase; options, futures contracts; forward contracts; notional principal contracts such as swaps; equities; and foreign currency transactions. With respect to federal funds, the receipts factor includes only the amount by which interest from federal funds sold and securities purchased under resale agreements exceeds interest expense on federal funds purchased and securities sold under repurchase agreements. With respect to trading assets and securities, the receipts factor includes only the amount by which interest, dividends, gains and other income from trading assets and activities, including, but not limited to, assets and activities in the matched books, in the arbitrage book or in foreign currency transactions, exceed amounts paid in lieu of interest, amounts paid in lieu of dividends and losses from the assets and activities.

The numerator of the receipts factor includes receipts from investment assets and activities and from trading assets and activities described in this paragraph that are attributable to this State. Receipts attributable to this State and included in the numerator are determined by multiplying all the receipts from the assets and activities by a fraction, the numerator of which is the gross income from the assets and activities that are properly assigned to a regular place of business of the taxpayer in this State and the denominator of which is the gross income from all the assets and activities.

Assets are properly assigned to a regular place of business in the State if the day-to-day decisions regarding the asset or activity occurred at a regular place of business in this State. When the day-to-day decisions regarding an investment asset or activity or trading asset or activity occur at more than one regular place of business, the asset or activity is considered to be located at the regular place of business of the taxpayer where the investment or trading policies or guidelines with respect to the asset or activity are established. Unless the taxpayer demonstrates to the contrary, those policies and guidelines are presumed to be established at the commercial domicile of the taxpayer. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

[1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF) .]

3. Property factor. The property factor is a fraction, the numerator of which is the average value of real property and tangible personal property rented to the taxpayer that is located in the State during the taxable year, the average value of the taxpayer's real and tangible personal property owned that is located in the State during the taxable year and the average value of the taxpayer's loans and credit card receivables that are located in the State during the taxable year, and the denominator of which is the average value of all such property located in and outside this State during the taxable year.

A. Real and tangible personal property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at 8 times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer less any annual rental rate received by the taxpayer from subrentals.

(1) The average value of property is determined by averaging the values at the beginning and ending of the tax period, but the State Tax Assessor may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

(2) Loans are valued at their outstanding principal balance without regard to any reserve for bad debts. If a loan is charged off in whole or in part for federal income tax purposes, the portion of the loan charged off is not outstanding. A specifically allocated reserve established pursuant to regulatory or financial accounting guidelines that is treated as charged off for federal income tax purposes is treated as charged off for purposes of this section.

(3) Credit card receivables are valued at their outstanding principal balance without regard to any reserve for bad debts. If a credit card receivable is charged off in whole or in part for federal income tax purposes, the portion of the receivable charged off is not outstanding. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

B. A loan is considered to be located within this State if it is properly assigned to a regular place of business of the taxpayer in this State. A loan is properly assigned to the regular place of business with which it has a preponderance of substantive contacts. A loan assigned by the taxpayer to a regular place of business outside the State is presumed to have been properly assigned if:

- (1) The taxpayer has assigned, in the regular course of its business, the loan on its records to a regular place of business consistent with federal or state requirements;
- (2) The assignment on its records is based upon substantive contacts of the loan to a regular place of business; and
- (3) The taxpayer uses the records reflecting assignment of loans for the filing of all state and local tax returns for which an assignment of loans to a regular place of business is required.

The presumption of proper assignment of a loan provided in this paragraph may be rebutted upon a showing by the State Tax Assessor, supported by a preponderance of the evidence, that the preponderance of substantive contacts regarding the loan did not occur at the regular place of business to which it was assigned on the taxpayer's records. When the presumption has been rebutted, the loan is then located within this State if the taxpayer had a regular place of business in this State at the time the loan was made and the taxpayer fails to show, by a preponderance of the evidence, that the preponderance of substantive contacts regarding the loan did not occur in this State. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

C. In the case of a loan that is assigned by the taxpayer to a place outside this State that is not a regular place of business, it is presumed, subject to rebuttal by the taxpayer on a showing supported by the preponderance of evidence, that the preponderance of substantive contacts regarding the loan occurred in this State if, at the time the loan was made, the taxpayer's commercial domicile was in this State. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

D. To determine the state in which the preponderance of substantive contacts relating to the loan has occurred, the facts and circumstances regarding the loan at issue are reviewed on a case-by-case basis and consideration is given to activities as the solicitation, investigation, negotiation, approval and administration of the loan. For purposes of the paragraph, the following terms have the following meanings.

- (1) "Solicitation" is either active or passive. Active solicitation occurs when an employee of the taxpayer initiates the contact with the customer. The activity is located at the regular place of business with which the taxpayer's employee is regularly connected or out of which the employee is working, regardless of the where the services of the employee are actually performed. Passive solicitation occurs when the customer initiates the contact with the taxpayer. If the customer's initial contact was not at a regular place of business of the taxpayer, the regular place of business, if any, where the passive solicitation occurred is determined by the facts in each case.
- (2) "Investigation" is the procedure by which employees of the taxpayer determine the creditworthiness of the customer as well as the degree of risk involved in making a particular agreement. The activity is located at the regular place of business with which the taxpayer's employees are regularly connected or out of which the employees are working, regardless of where the services of the employees are actually performed.
- (3) "Negotiation" is the procedure by which employees of the taxpayer and its customer determine the terms of the agreement, such as the amount, duration, interest rate, frequency of repayment, currency denomination and security required. The activity is located at the regular place of business at which the employees are working, regardless of where the services of the employees are actually performed.

(4) "Approval" is the procedure by which employees or the board of directors of the taxpayer make the final determination of whether to enter into an agreement. The activity is located at the regular place of business with which the taxpayer's employees are regularly connected or out of which the employees are working, regardless of where the services of the employees are actually performed. If the board of directors makes the final determination, the activity is located at the commercial domicile of the taxpayer.

(5) "Administration" is the process of managing the account. This process includes bookkeeping, collecting payments, corresponding with the customer, reporting to management regarding the status of the agreement and proceeding against the borrower or the security interest if the borrower is in default. The activity is located at the regular place of business that oversees this activity.

[1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

E. For purposes of determining the location of credit card receivables, those receivables are treated as loans and are subject to the provisions of paragraph C. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

F. A loan that has been properly assigned to a state, absent any change of material fact, remains assigned to that state for the length of the original term of the loan. After the length of time of the original term of the loan has expired, the loan may be properly assigned to another state if the loan has a preponderance of substantive contact with a regular place of business in that state. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

G. Real and tangible personal property is located in this State as provided in section 5206-D, subsection 11, paragraph D. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

[1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF) .]

4. Payroll factor. The payroll factor is a fraction, the numerator of which is the total amount paid in this State during the taxable year by the taxpayer for compensation and the denominator of which is the total compensation paid both in and outside this State during the taxable year. The payroll factor includes only that compensation that is included in the computation of the apportionable income tax base for the taxable year. Eighty-five percent of any amounts paid pursuant to a contract by the taxpayer to an employee-leasing company for leased employees, and 100% of the amount paid pursuant to a contract to a temporary services company for temporary employees, must be included in the taxpayer's payroll factor. The payroll factor of an employee-leasing company or a temporary services company must exclude compensation paid to leased or temporary employees who are providing personal services to client companies.

A. The compensation of any employee for services or activities that are connected with the production of income that is not includable in the apportionable income base and payments made to any independent contractor or any other person not properly classifiable as an employee are excluded from both the numerator and denominator of the factor. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF) .]

B. Compensation is paid in this State if any one of the following tests, applied consecutively, is met.

(1) The employee's services are performed entirely in this State.

(2) The employee's services are performed both in and outside the State, but the service performed outside the State is incidental to the employee's service in the State. For the purposes of this subsection, "incidental" means any service that is temporary to transitory in nature or that is rendered in connection with an isolated transaction.

(3) If the employee's services are performed both in and outside the State, the employee's compensation is attributed to this State:

(a) If the employee's principal base of operations is in this State;

(b) If there is no principal base of operations in any state in which some part of the services are performed, but the place from which the services are directed or controlled is in this State; or

(c) If the principal base of operations and the place from which the services are directed or controlled are not in any state in which some part of the service is performed, but the employee's residence is in this State. [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

[2001, c. 439, Pt. D, §5 (AMD); 2001, c. 439, Pt. D, §9 (AFF) .]

5. Variations. If the apportionment provisions of this section do not fairly represent the extent of the taxpayer's business activity in this State, the taxpayer may petition for, or the State Tax Assessor may require, in respect to all or any part of the taxpayer's business activity:

A. Separate accounting; [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

B. The exclusion of any one or more of the factors; [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

C. The inclusion of one or more additional factors that will fairly represent the taxpayer's business activity in this State; or [1997, c. 404, §5 (NEW); 1997, c. 404, §10 (AFF).]

D. The employment of any other method to effectuate an equitable apportionment of the taxpayer's income or assets. [2005, c. 608, §4 (AMD); 2005, c. 608, §5 (AFF).]

The combined report required by section 5220, subsection 6 must include, both in the aggregate and by entity, a list of the net income or loss per books, the property, payroll and receipts in Maine and everywhere as defined in this chapter and the Maine net income of the unitary business. Neither the income nor the property, payroll and receipts of an entity that is not required to file a federal income tax return or whose income is not subject to federal income tax as income to its direct or indirect owners may be included in the combined report. [1997, c. 746, §19 (NEW); 1997, c. 746, §24 (AFF).]

In determining Maine assets or Maine net income for purposes of filing a combined report, intercompany eliminations must be made as necessary to avoid the duplication of income or assets. [1997, c. 746, §19 (NEW); 1997, c. 746, §24 (AFF).]

[1987, c. 841, §10 (AMD) .]

2. Taxpayer taxable in another state. For purposes of apportionment of income under this section, a taxpayer is taxable in another state if in that state he is subject to a net income tax, a franchise tax measured by net income, a franchise tax for the privilege of doing business, or a corporate stock tax, or that state has jurisdiction to subject the taxpayer to a net income tax regardless of whether in fact, the state does or does not.

[1987, c. 841, §10 (AMD) .]

3. Allocation of certain nonbusiness income.

[1987, c. 841, §11 (RP) .]

4. Rents and royalties:

7. Patent and copyright royalties:

[1987, c. 841, §11 (RP) .]

[2007, c. 240, Pt. V, §2 (AMD); 2007, c. 240, Pt. V, §15 (AFF) .]

9. Property factor. The property factor is a fraction, the numerator of which is the average value of the taxpayer's real and tangible personal property owned or rented and used in this State during the tax period and the denominator of which is the average value of all the taxpayer's real and tangible personal property owned or rented and used during the tax period.

[2007, c. 627, §96 (AFF); 2007, c. 627, §84 (REEN) .]

10. Property valuation at original cost. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at 8 times the net annual rental rate. Net annual rental rate is the annual rental rate paid by the taxpayer.

[2007, c. 627, §96 (AFF); 2007, c. 627, §85 (REEN) .]

11. Determination of average value of property. The average value of property shall be determined by averaging the values at the beginning and ending of the tax period but the Tax Assessor may require the averaging of monthly values during the tax period if reasonably required to reflect properly the average value of the taxpayer's property.

[2007, c. 627, §96 (AFF); 2007, c. 627, §86 (REEN) .]

12. Payroll factor. The payroll factor is a fraction, the numerator of which is the total amount paid in this State during the tax period by the taxpayer for compensation, and the denominator of which is the total compensation paid everywhere during the tax period. Eighty-five percent of any amounts paid pursuant to a contract by the taxpayer to an employee-leasing company for leased employees, and 100% of the amount paid pursuant to a contract to a temporary services company for temporary employees, must be included in the taxpayer's payroll factor. The payroll factor of an employee-leasing company or a temporary services company must exclude compensation paid to leased or temporary employees who are providing personal services to client companies.

[2007, c. 627, §96 (AFF); 2007, c. 627, §87 (REEN) .]

13. When compensation paid in this State. Compensation is paid in this State, if:

A. The individual's service is performed entirely within the State; or [2007, c. 627, §96 (AFF); 2007, c. 627, §88 (REEN) .]

B. The individual's service is performed both within and without the State, but the service performed without the state is incidental to the individual's service within the State; or [2007, c. 627, §96 (AFF); 2007, c. 627, §88 (REEN) .]

C. Some of the service is performed in the State and the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in the State, or the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this State. [2007, c. 627, §96 (AFF); 2007, c. 627, §88 (REEN) .]

[2007, c. 627, §96 (AFF); 2007, c. 627, §88 (REEN) .]

14. Sales factor formula. The sales factor is a fraction, the numerator of which is the total sales of the taxpayer in this State during the tax period, and the denominator of which is the total sales of the taxpayer everywhere during the tax period. For purposes of calculating the sales factor, "total sales of the taxpayer" includes sales of the taxpayer and of any member of an affiliated group with which the taxpayer conducts a unitary business. The formula must exclude from both the numerator and the denominator sales of tangible personal property delivered or shipped by the taxpayer, regardless of F.O.B. point or other conditions of the

sale, to a purchaser within a state in which the taxpayer is not taxable within the meaning of subsection 2, unless any member of an affiliated group with which the taxpayer conducts a unitary business is taxable in that state in the same manner as a taxpayer is taxable under subsection 2.

[2009, c. 571, Pt. GG, §1 (AMD); 2009, c. 571, Pt. GG, §2 (AFF) .]

15. When sales of tangible personal property are in this State. Sales of tangible personal property are in this State if:

A. The property is delivered or shipped to a purchaser, other than the United States Government, within this State regardless of the F.O.B. point or other conditions of the sale; or [1969, c. 154, §F (NEW) .]

B. The property is shipped from an office, store, warehouse, factory or other place of storage in this State and the purchaser is the United States Government. [2009, c. 213, Pt. NN, §2 (AMD); 2009, c. 213, Pt. NN, §5 (AFF) .]

[2009, c. 213, Pt. NN, §2 (AMD); 2009, c. 213, Pt. NN, §5 (AFF) .]

16. When sales other than tangible personal property are in State.

[2007, c. 240, Pt. V, §15 (AFF); 2007, c. 240, Pt. V, §8 (RP) .]

16-A. Other sales. Sales other than sales of tangible personal property are sourced as follows.

A. Except as otherwise provided by this subsection, receipts from the performance of services must be attributed to the state where the services are received. If the state where the services are received is not readily determinable, the services are deemed to be received at the home of the customer or, in the case of a business, the office of the customer from which the services were ordered in the regular course of the customer's trade or business. If the ordering location cannot be determined, the services are deemed to be received at the home or office of the customer to which the services are billed. In instances in which the purchaser of the service is the Federal Government, the receipts are attributable to this State if a greater proportion of the income-producing activity is performed in this State than in any other state based on costs of performance. [2009, c. 213, Pt. NN, §3 (AMD); 2009, c. 213, Pt. NN, §5 (AFF) .]

B. Gross receipts from the license, sale or other disposition of patents, copyrights, trademarks or similar items of intangible personal property must be attributed to this State if the intangible property is used in this State by the licensee. If the intangible personal property is used by the licensee in more than one state, the income must be apportioned to this State according to the portion of use in this State. In instances in which the purchaser or licensee of the intangible personal property is the Federal Government, the receipts are attributable to this State if a greater proportion of the income-producing activity is performed in this State than in any other state based on costs of performance. [2009, c. 213, Pt. NN, §4 (AMD); 2009, c. 213, Pt. NN, §5 (AFF) .]

C. Receipts from the sale, lease, rental or other use of real property is sourced to this State if the real property is located in this State. [2007, c. 240, Pt. V, §9 (NEW); 2007, c. 240, Pt. V, §15 (AFF) .]

D. Receipts from the lease or rental of tangible personal property must be attributed to this State if the property is located in this State. [2007, c. 240, Pt. V, §9 (NEW); 2007, c. 240, Pt. V, §15 (AFF) .]

E. Receipts from items of income described in section 5206-E, subsection 2, paragraphs C to I must be sourced to this State as provided in those paragraphs. For purposes of this paragraph, section 5206-E, subsection 2, paragraphs G and H must include the related payment processing fees. [2007, c. 240, Pt. V, §9 (NEW); 2007, c. 240, Pt. V, §15 (AFF) .]

F. A sale of a partnership interest must be sourced in accordance with the provisions of section 5142, subsection 3-A. [2007, c. 240, Pt. V, §9 (NEW); 2007, c. 240, Pt. V, §15 (AFF).]

[2009, c. 213, Pt. NN, §§3, 4 (AMD); 2009, c. 213, Pt. NN, §5 (AFF) .]

16-B. Sales factor formula for certain disaster period receipts. The sales factor must exclude from the numerator sales receipts of a person whose only business activity in the State during the taxable year is the performance of services during a disaster period that are solely and directly related to a declared state disaster or emergency that were requested by the State, a county, city, town or political subdivision of the State or a registered business.

[2011, c. 2, §42 (COR) .]

17. Variations. If the apportionment provisions of this section do not fairly represent the extent of the taxpayer's business activity in this State, the taxpayer may petition for, or the tax assessor may require, in respect to all or any part of the taxpayer's business activity, if reasonable:

A. Separate accounting; or [2007, c. 240, Pt. V, §10 (AMD); 2007, c. 240, Pt. V, §15 (AFF).]

B. [2007, c. 240, Pt. V, §15 (AFF); 2007, c. 240, Pt. V, §11 (RP).]

C. [2007, c. 240, Pt. V, §15 (AFF); 2007, c. 240, Pt. V, §12 (RP).]

§5212. APPORTIONMENT OF INCOME OF MUTUAL FUND SERVICE PROVIDERS

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Administration services" includes, but is not limited to, clerical, fund or shareholder accounting; participant record-keeping; transfer agency; bookkeeping; data processing; custodial; internal auditing; legal; and tax services performed for a regulated investment company. Services qualify as administration services only if the provider of such service or services during the taxable year also provides, or is affiliated with a person that provides, management or distribution services to the same regulated investment company during the same taxable year. [1999, c. 754, §1 (NEW); 1999, c. 754, §2 (AFF).]

B. "Distribution services" includes, but is not limited to, the services of advertising, servicing, marketing or selling shares of a regulated investment company. The services of advertising, servicing or marketing shares qualify as distribution services only when the service is performed by a person who is or, in the case of a closed-end company, was either engaged in the services of selling regulated investment company shares or affiliated with a person that is engaged in the service of selling regulated investment company shares. In the case of an open-end company, such service of selling shares must be performed pursuant to a contract entered into pursuant to 15 United States Code, Section 80a-15(b), as amended. [1999, c. 754, §1 (NEW); 1999, c. 754, §2 (AFF).]

C. "Domicile" of a shareholder of a regulated investment company is presumed to be the shareholder's mailing address on the records of the regulated investment company or the mutual fund service provider. If the regulated investment company or the mutual fund service provider has actual knowledge that the shareholder's primary residence or principal place of business is different than the shareholder's mailing address, the presumption does not control. If the shareholder of record is a person that holds the shares of a regulated investment company as depositor for the benefit of a separate account, then the shareholder of record is the contract owner or policyholder of the contracts or policies supported by the separate account, and it is presumed that the domicile of that shareholder of record is the contract owner's or policyholder's mailing address to the extent that the regulated investment company maintains such mailing addresses in the regular course of business. If the shareholder's principal place of business is different than the shareholder's mailing address, the presumption does not control. [1999, c. 754, §1 (NEW); 1999, c. 754, §2 (AFF).]

D. "Management services" includes, but is not limited to, the rendering of investment advice directly or indirectly to a regulated investment company, making determination as to when sales and purchases of securities are to be made on behalf of the regulated investment company or the selling or purchasing of securities constituting assets of a regulated investment company and related activities. Services qualify as management services only when such activity or activities are performed pursuant to a contract with the regulated investment company entered into pursuant to 15 United States Code, Section 80a-15(a), as amended, for a person that has entered into such contract with the regulated investment company or for a person that is affiliated with a person that has entered into such contract with a regulated investment company. [1999, c. 754, §1 (NEW); 1999, c. 754, §2 (AFF).]

E. "Mutual fund service provider" means any taxpayer subject to tax under this Part, other than a financial institution as defined in section 5206-D, subsection 8, that derives more than 50% of its gross income from the direct or indirect provision of management, distribution or administration services to or on behalf of a regulated investment company or from trustees, sponsors and participants of employee benefit plans that have accounts in a regulated investment company. [1999, c. 754, §1 (NEW); 1999, c. 754, §2 (AFF).]

F. "Regulated investment company" means a regulated investment company as defined in the Code, Section 851. [1999, c. 754, §1 (NEW); 1999, c. 754, §2 (AFF).]

[1999, c. 754, §1 (NEW); 1999, c. 754, §2 (AFF) .]

2. Election of special apportionment of formula for mutual fund service providers.

Notwithstanding any other provision of this Title, a mutual fund service provider may elect to apportion its net income by the method provided for in this section. The election, if made, is irrevocable for successive periods of 5 years. The net income of an electing mutual fund service provider may be apportioned to this State as follows.

A. Net income is multiplied by a fraction, the numerator of which is the Maine receipts during the taxable year and the denominator of which is the total receipts everywhere for the same taxable year. [1999, c. 754, §1 (NEW); 1999, c. 754, §2 (AFF).]

B. For purposes of this subsection, Maine receipts from the direct or indirect provision of management, distribution or administration services to or on behalf of a regulated investment company or from trustees, sponsors and participants of employee benefit plans that have accounts in a regulated

investment company are determined by multiplying total receipts for the taxable year from each separate regulated investment company for which the mutual fund service provider performs management, distribution or administration services by a fraction. The numerator of the fraction is the average of the number of shares owned by the regulated investment company's shareholders domiciled in this State at the beginning of and at the end of the regulated investment company's taxable year, and the denominator of the fraction is the average of the number of the shares owned by the regulated investment company's shareholders everywhere at the beginning of and at the end of the regulated investment company's taxable year. [1999, c. 754, §1 (NEW); 1999, c. 754, §2 (AFF).]

C. Receipts other than from the provision of services described in paragraph B are Maine receipts if they would qualify as Maine sales under section 5211, subsection 15 or 16-A. [2007, c. 240, Pt. V, §13 (AMD).]

[1999, c. 754, §1 (NEW); 1999, c. 754, §2 (AFF); 2007, c. 240, Pt. V, §13 (AMD) .]

3. Combined reporting not applicable. Notwithstanding any other provision of this Title, a mutual fund service provider that has elected the apportionment method provided for in this section is not required to file a combined report, and neither the income nor the property, payroll or sales of a mutual fund service provider that has elected the apportionment method provided for in this section may be included in a combined report of another taxpayer.

1. Credit allowed. A taxpayer, other than a public utility as defined by Title 35-A, section 102, is allowed a credit to be computed as provided in this section against the tax imposed by this Part, subject to the limitations contained in subsection 3. The amount of the credit equals the qualified federal credit, as defined in subsection 2, for taxable years beginning on or after January 1, 1979, except that a credit may be taken with respect to used property, and may not be allowed with respect to an excluded investment.

[1997, c. 504, §14 (AMD) .]

2. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Qualified federal credit" means, with respect to any taxable year, that portion of the credit allowed by the Internal Revenue Code of 1954, Section 38(b)(1), as of December 31, 1985, that is directly and solely attributable to qualified investment with a location in this State. [1997, c. 504, §15 (AMD) .]

A-1. "Excluded investment" means an investment related to a retail facility, unless the taxpayer can demonstrate to the satisfaction of the State Tax Assessor that the commercial result of the project or projects to which the credit relates has not or will not result in a substantial detriment to existing businesses in the State. [1993, c. 672, §1 (NEW); 1993, c. 672, §2 (AFF) .]

A-2. "Retail facility" does not include a facility primarily engaged in warehousing, order taking, manufacturing, storage or distribution, even when a portion of the facility is used to make retail sales of tangible personal property directly from the facility. [1993, c. 672, §1 (NEW); 1993, c. 672, §2 (AFF) .]

B. The term "new jobs credit base" means the excess of Bureau of Unemployment Compensation wages for the taxable year of the qualified investment or either of the next 2 calendar years over the Bureau of Unemployment Compensation wages for the highest of the 3 calendar years preceding the year of the qualified investment. [1993, c. 672, §1 (AMD); 1993, c. 672, §2 (AFF) .]

E. "Used property" means property that is originally placed in service by the taxpayer outside of this State. The cost of property used by the taxpayer outside of this State and then placed into service in this State on or after January 1, 1997 is the original cost of the property to the taxpayer, minus the straight-line depreciation allowable for the tax years or portions of the tax years during which the taxpayer used

the property outside of this State. The cost of property used by the taxpayer outside of this State and then placed into service in this State before to January 1, 1997 is the original cost of the property. [1997 , c. 504, §16 (NEW) .]

[1997, c. 504, §§15,16 (AMD) .]

3. Limitations. The tax credit for any taxable year is applicable only to those taxpayers:

A. With property considered to be qualified investment of at least \$5,000,000 for that taxable year with a situs in the State and placed in service by the taxpayer after January 1, 1979; and [2003, c. 391, §7 (AMD) .]

B. With payroll records and reports substantiating that at least 100 new jobs attributable to the operation of property considered to be qualified investment were created in the 24-month period following the date the property was placed in service. To assess the continuing nature of the jobs, the taxpayer must demonstrate that the new jobs credit base is at least \$700,000 for the taxable year of the qualified federal credit or for either of the next 2 calendar years. The \$700,000 must be adjusted proportionally for any change in Title 26, section 1043, subsection 2 wages from \$7,000. With respect to new jobs created after August 1, 1998, but before October 1, 2001, the employer must also demonstrate that the qualifying jobs are covered by a retirement program subject to the Employee Retirement Income Security Act of 1974, 29 United States Code, Sections 101 to 1461, as amended; that group health insurance is provided for employees in those positions; and that the wages for those positions, calculated on a calendar year basis, are greater than the most recent average annual wage in the labor market area in which the employee is employed. [2003, c. 391, §8 (AMD) .]

C. [1999, c. 414, §56 (AFF); 1999, c. 414, §46 (RP) .]

[2003, c. 391, §§7, 8 (AMD) .]

4. Carry-over. The amount of credit that may be used by a taxpayer for any taxable year may not exceed either \$500,000 or the amount of tax otherwise due, whichever is less. Any unused credit may be carried over to the following year or years for a period not to exceed 7 years, including the year the credit was first taken, and may be deducted from the taxpayer's tax for that year or those years, subject to the same limitations provided in this subsection.

[1993, c. 672, §1 (AMD); 1993, c. 672, §2 (AFF) .]

5. Carry-back. There may be no carry-back to prior years of the amount of credit allowable under this section.

[1993, c. 672, §1 (AMD); 1993, c. 672, §2 (AFF) .]

6. Recapture. If, during any taxable year, any qualified investment property is disposed of, or otherwise ceases to be property covered by subsection 3, paragraph A with respect to the taxpayer, before the end of the useful life that was taken into account in computing the credit under subsection 1, then the tax under this Part for that taxable year must be increased by an amount equal to the aggregate decrease in the credit allowed under subsection 1 for all prior taxable years that would have resulted solely from substituting for the useful life, in determining qualified investment under the Internal Revenue Code of 1954 as of December 31, 1985, the period beginning with the time the property was placed in service by the taxpayer and ending with the time the property ceased to be property covered by subsection 3.

[2007, c. 627, §89 (AMD) .]

6-A. Affiliated groups; tax years prior to January 1, 1995. This subsection applies retroactively to all tax years beginning before the effective date of this subsection as well as prospectively to all tax years beginning on or after the effective date of this subsection but prior to January 1, 1995 and for which the

taxpayer's right to file an original or amended return had not or has not expired at the time of the taxpayer's filing of the return. In the case of corporations that are members of an affiliated group engaged in a unitary business, the credit provided for in this section applies as follows.

A. The credit provided for in this section, in an amount equal to the aggregate qualified federal credit for all taxable corporations that are members of an affiliated group engaged in a unitary business, must be allowed against the total tax liability of all the taxable corporations that are members of the affiliated group engaged in a unitary business if the taxable corporations that are members of the affiliated group have, in the aggregate:

- (1) Property considered to be qualified investment of at least \$5,000,000 for that taxable year with a situs in the State and placed in service by the taxable corporations after January 1, 1979;
- (2) Payroll records and reports substantiating that at least 200 new jobs attributable to the operation of property considered to be qualified investment were created in the 12-month period following the date the property was placed in service; and
- (3) A new jobs credit base of at least \$1,400,000 for the taxable year of the qualified federal credit or the next calendar year. The \$1,400,000 must be adjusted proportionally for any change in Title 26, section 1043, subsection 2 wages from \$7,000. [1993, c. 672, §1 (NEW); 1993, c. 672, §2 (AFF).]

B. The amount of the credit that may be used in any taxable year may not exceed the lesser of \$300,000 or the total amount of tax liability otherwise due of all taxable corporations that are members of an affiliated group engaged in a unitary business. Any unused credit may be carried over to the following year or years for a period not to exceed 7 years, including the year the credit was first taken, and may be deducted from the tax imposed by this Part for that year or those years, subject to the same limitations provided in this subsection. [1993, c. 672, §1 (NEW); 1993, c. 672, §2 (AFF).]

The credit must be apportioned among the taxable corporations in the affiliated group in the same proportion that the tax liability of each taxable corporation in the affiliated group bears to the total tax liability of all the taxable corporations in the affiliated group.

[1993, c. 672, §1 (NEW); 1993, c. 672, §2 (AFF) .]

6-B. Affiliated groups; tax years beginning on or after January 1, 1995. This subsection applies to tax years beginning on or after January 1, 1995. In the case of corporations that are members of an affiliated group engaged in a unitary business, the credit provided for in this section applies as follows.

A. The credit provided for in this section, in an amount equal to the aggregate qualified federal credit for all taxable corporations that are members of an affiliated group engaged in a unitary business, must be allowed against the total tax liability of all the taxable corporations that are members of the affiliated group engaged in a unitary business if the taxable corporations that are members of the affiliated group have, in the aggregate:

- (1) Property considered to be qualified investment of at least \$5,000,000 for that taxable year with a situs in the State and placed in service by the taxable corporations after January 1, 1979;
- (2) Payroll records and reports substantiating that at least 100 new jobs attributable to the operation of property considered to be qualified investment were created in the 24-month period following the date the property was placed in service; and
- (3) A new jobs credit base of at least \$700,000 for the taxable year of the qualified federal credit or either of the next 2 calendar years. The \$700,000 must be adjusted proportionally for any change in Title 26, section 1043, subsection 2 wages from \$7,000. [1993, c. 672, §1 (NEW); 1993, c. 672, §2 (AFF).]

B. The amount of the credit that may be used in any taxable year may not exceed the lesser of \$500,000 or the total amount of tax liability otherwise due of all taxable corporations that are members of an affiliated group engaged in a unitary business. Any unused credit may be carried over to the following

year or years for a period not to exceed 7 years, including the year the credit was first taken, and may be deducted from the tax imposed by this Part for that year or those years, subject to the same limitations provided in this subsection. [1993, c. 672, §1 (NEW); 1993, c. 672, §2 (AFF).]

The credit must be apportioned among the taxable corporations in the affiliated group in the same proportion that the tax liability of each taxable corporation in the affiliated group bears to the total tax liability of all the taxable corporations in the affiliated group.

[1993, c. 672, §1 (NEW); 1993, c. 672, §2 (AFF) .]

6-C. Application. Except for the credit allowed with respect to the carry-over of unused credit amounts pursuant to subsection 4, the tax credit allowed under this section does not apply to tax years beginning on or after January 1, 2016.

7. Legislative findings. The Legislature finds that encouragement of the growth of major industry in the State is in the public interest and promotes the general welfare of the people of the State; that the use of investment tax credits to encourage industry to make substantial capital investments in the State is necessary to promote the purpose of the Legislature of encouraging the growth of industry; and that the requirements of at least \$5,000,000 in qualified investment in the State and an increase of at least 100 new jobs following the investment are reasonable qualifying criteria for the application of an investment tax credit and will best promote substantial capital investment in the State.

§5217-A. INCOME TAX PAID TO OTHER TAXING JURISDICTION

A resident individual is allowed a credit against the tax otherwise due under this Part, excluding the tax imposed by section 5203-C, for the amount of income tax imposed on that individual for the taxable year by another state of the United States, a political subdivision of any such state, the District of Columbia or any political subdivision of a foreign country that is analogous to a state of the United States with respect to income subject to tax under this Part that is derived from sources in that taxing jurisdiction. Forbearance or deferment of loan payments does not affect eligibility for the credit under this section. For tax years beginning on or after January 1, 2015, an individual who worked in this State for any part of a month during the Maine residency period of the taxable year is considered to have worked in this State for the entire month. For tax years beginning on or after January 1, 2015, an individual who worked

[2015, c. 267, Pt. QQQ, §5 (NEW); 2015, c. 267, Pt. QQQ, §6 (AFF).]

3. Calculation of the credit; qualified individuals. Subject to subsection 2 and except as provided in this subsection, the credit with respect to a qualified individual is equal to the amount determined under paragraph A or paragraph B, whichever is less, multiplied by the proration factor:

A. The benchmark loan payment multiplied by the number of months during the taxable year in which the taxpayer made loan payments; or [2013, c. 525, §15 (AMD).]

B. The monthly loan payment amount multiplied by the number of months during the taxable year in which the taxpayer made loan payments. [2013, c. 525, §15 (AMD).]

C. [2009, c. 553, Pt. B, §5 (AFF); 2009, c. 553, Pt. B, §4 (RP).]

The credit under this subsection for a qualified individual under subsection 1, paragraph G, subparagraph (1), division (a) who transferred to an accredited Maine community college, college or university from an accredited non-Maine community college, college or university after December 31, 2012 but before January 1, 2016 and who earned no more than 30 credit hours of course work toward the degree at an accredited non-Maine community college, college or university is equal to 50% of the amount otherwise determined under this section in the case of an associate degree and equal to 75% of the amount otherwise determined under this section in the case of a bachelor's degree.

Notwithstanding subsection 2, paragraph C, the credit under this subsection is refundable to the extent the credit is based on loans included in the financial aid package acquired to obtain a bachelor's degree or associate degree in science, technology, engineering or mathematics. For tax years beginning on or after January 1, 2016, the credit under this subsection is refundable to the extent the credit is based on loans included in the financial aid package acquired to obtain an associate degree.

For purposes of this subsection, the proration factor is the amount derived by dividing the total number of academic credit hours earned for a bachelor's or associate degree after December 31, 2007 by the total number of academic credit hours earned for the bachelor's or associate degree.

[2015, c. 328, §7 (AMD).]

4. Conditions for an opportunity program participant claiming the credit.

[2013, c. 525, §15 (RP).]

5. Calculation of the credit; employers. Subject to subsection 2, a taxpayer constituting an employer making loan payments directly to a lender during the taxable year on loans included in a qualified employee's financial aid package may claim a credit equal to the benchmark loan payment or the actual monthly loan payment made by the employer on the loans, whichever is less, multiplied by the number of months during

the taxable year the employer made loan payments on behalf of the qualified employee during the term of employment. For tax years beginning on or after January 1, 2016, subject to subsection 2, a taxpayer constituting an employer making loan payments directly to a lender during the taxable year on loans included in a qualified employee's financial aid package may claim a credit equal to the actual monthly loan payment made by the employer on the loans multiplied by the number of months during the taxable year the employer made loan payments on behalf of the qualified employee during the term of employment. The credit under this subsection may not be claimed with respect to months of the taxable year during which the employee was not a qualified employee.

If the qualified employee is employed on a part-time basis during the taxable year, the credit with respect to that employee is limited to 50% of the credit otherwise determined under this subsection.

In the case of an individual who files a return as a part-year resident in accordance with section 5224-A, the refundable portion of the credit may not exceed \$500 multiplied by a ratio, the numerator of which is the individual's Maine adjusted gross income as defined in section 5102, subsection 1-C, paragraph A for that portion of the taxable year during which the individual was a resident plus the individual's Maine adjusted gross income as defined in section 5102, subsection 1-C, paragraph B for that portion of the taxable year during which the individual was a nonresident and the denominator of which is the individual's entire federal adjusted gross income, as modified by section 5122.

§5219-G. TAX CREDITS FOR PARTNERS, S CORPORATION SHAREHOLDERS AND BENEFICIARIES OF ESTATES AND TRUSTS

1. Tax credits for partners and S corporation shareholders. Each partner of a partnership or shareholder of an S corporation is allowed a credit against the tax imposed by this Part in an amount equal to the partner's or shareholder's pro rata share of the tax credits described in this chapter, except that in the case of credits attributable to a financial institution subject to tax under chapter 819, the credits are allowable only against the tax imposed by that chapter. A partner's pro rata share must equal the partner's percentage interest in the taxable income or loss of the partnership for federal income tax purposes for the taxable year. The pro rata share of a shareholder of an S corporation must equal the shareholder's percentage share of stock of the S corporation as of the end of the taxable year.

[1999, c. 708, §46 (AMD) .]

2. Tax credits for beneficiaries of estates and trusts. Each beneficiary of an estate or trust is allowed a credit against the tax imposed by this Part in an amount equal to the beneficiary's pro rata share of the tax credits described in this chapter. A beneficiary's pro rata share must equal the beneficiary's share of federal distributable net income of the estate or trust. If the estate or trust has no federal distributable net income for the taxable year, the share of each beneficiary in the applicable tax credits is in proportion to that beneficiary's share of the estate or trust income for that year, under local law or the terms of the instrument, which is required to be distributed currently, and any other amounts of income distributed in that year. Any balance of the applicable credits is allocated to the estate or trust.

A. [2003, c. 673, Pt. F, §2 (AFF); 2003, c. 673, Pt. F, §1 (RP).]

§5219-K. RESEARCH EXPENSE TAX CREDIT

1. Credit allowed. A taxpayer is allowed a credit against the tax due under this Part equal to the sum of 5% of the excess, if any, of the qualified research expenses for the taxable year over the base amount and 7.5% of the basic research payments determined under the Code, Section 41(e)(1)(A). The term "base amount" means the average amount per year spent on qualified research expenses over the previous 3 taxable years by the taxpayer. As used in this section, unless the context otherwise indicates, the terms "qualified research expenses," "qualified organization base period amount," "basic research" and any other terms affecting the calculation of the credit have the same meanings as under the Code, Section 41, but apply only to expenditures for research conducted in this State. In determining the amount of the credit allowable under this section, the State Tax Assessor may aggregate the activities of all corporations that are members of a controlled group of corporations, as defined by the Code, Section 41(f)(1)(A) and in addition may aggregate the activities of all entities, whether or not incorporated, that are under common control, as defined by the Code, Section 41(f)(1)(B).

[2007, c. 627, §91 (AMD) .]

2. Reduction not less than zero. The credit allowed under this section for any taxable year may not reduce the tax due to less than zero.

[1995, c. 368, Pt. GGG, §7 (NEW) .]

3. Limitation on credit allowed. The credit allowed under this section is limited to 100% of a corporation's first \$25,000 of tax due, as determined before the allowance of any credits, plus 75% of the corporation's tax due, as determined in excess of \$25,000. The assessor shall adopt rules similar to those authorized under the Code, Section 38(c)(5)(B) for purposes of apportioning the \$25,000 among members of a controlled group.

[2007, c. 627, §92 (AMD) .]

4. Corporations filing combined return. In the case of corporations filing a combined return, a credit generated by an individual member corporation under the provisions of this section must first be applied against the tax due attributable to that company under this Part. A member corporation with an excess research and development credit may apply its excess credit against the tax due of another group member to

the extent that that other member corporation can use additional credits under the limitations of subsection 3. Unused, unexpired credits generated by a member corporation may be carried over from year to year by the individual corporation that generated the credit, subject to the limitation in subsection 5.

[1997, c. 504, §18 (AMD) .]

5. Carryover to succeeding years. A taxpayer entitled to a credit under this section for any taxable year may carry over and apply to the tax due for any one or more of the next succeeding 15 taxable years the portion, as reduced from year to year, of the credit that exceeds the tax due for the taxable year. A taxpayer may carry over and apply to the tax due for any subsequent taxable year the portion of those credits, as reduced from year to year, not allowed by subsection 3.

[1995, c. 368, Pt. GGG, §7 (NEW) .]

6. Additional rules. The State Tax Assessor shall adopt such rules as are necessary to implement this section.

[1995, c. 368, Pt. GGG, §7 (NEW) .]

7. Application. This section applies to any tax year beginning on or after January 1, 1996.

§5219-L. SUPER CREDIT FOR SUBSTANTIALLY INCREASED RESEARCH AND DEVELOPMENT

1. Super credit allowed for substantial expansions of research and development. For tax years beginning before January 1, 2014, a taxpayer that qualifies for the research expense tax credit allowed under section 5219-K is allowed an additional credit against the tax due under this Part equal to the excess, if any, of qualified research expenses for the taxable year over the super credit base amount. For purposes of this section, "super credit base amount" means the average amount spent on qualified research expenses by the taxpayer in the 3 taxable years immediately preceding the effective date of this section, increased by 50%. For purposes of this section, "qualified research expenses" has the same meaning as under the Code, Section 41 but applies only to expenditures for research conducted in this State.

[2013, c. 502, Pt. J, §1 (AMD); 2013, c. 502, Pt. J, §3 (AFF) .]

2. Amount of super credit allowed. The credit allowed under this section is limited to 50% of the taxpayer's tax due after the allowance of any other credits taken pursuant to this chapter.

[1997, c. 557, Pt. B, §10 (NEW); 1997, c. 557, Pt. B, §14 (AFF); 1997, c. 557, Pt. G, §1 (AFF) .]

3. Carry over to succeeding years. A taxpayer entitled to a credit under this section for any taxable year may carry over and apply to the tax due for any one or more of the next succeeding 10 taxable years the portion, as reduced from year to year, of any unused credit, but in no event may the credit applied in any single year exceed 25% of the taxpayer's tax due after the allowance of any other credits taken pursuant to this chapter.

[2013, c. 502, Pt. J, §2 (AMD); 2013, c. 502, Pt. J, §3 (AFF) .]

4. Limitation. The credit provided by this section may not be used to reduce the taxpayer's tax liability under this Part to less than the amount of the taxpayer's tax due in the preceding taxable year after the allowance of any credits taken pursuant to this chapter.

[1997, c. 557, Pt. B, §10 (NEW); 1997, c. 557, Pt. B, §14 (AFF); 1997, c. 557, Pt. G, §1 (AFF) .]

5. Corporations filing combined returns. In the case of corporations filing a combined return, a credit generated by an individual member corporation under the provisions of this section must first be applied against the tax due attributable to that company under this Part. A member corporation with an excess research and development credit may apply its excess credit against the tax due of another group member to the extent that that other member corporation can use additional credits under the limitations of subsection 4. Unused, unexpired credits generated by a member corporation may be carried over from year to year by the individual corporation that generated the credit, subject to the limitation in subsection 3.

B. "Investment credit base" means the total adjusted basis of the eligible equipment for federal income tax purposes of the taxpayer on the date that the equipment was placed into service for the first time in the State by the taxpayer or other person during the tax year for which the credit is claimed. In computing the adjusted basis of the eligible equipment on the date placed in service for the first time in the State, the total allowable depreciation of the equipment for the tax year must be multiplied by a fraction the numerator of which is the number of days that the equipment was in service in the State during the tax year and the denominator of which is the total number of days that the equipment was in service during the tax year. [1997, c. 668, §31 (AMD); 1997, c. 668, §42 (AFF) .]

C. "Eligible equipment" means all computer equipment, electronics components and accessories, communications equipment and computer software placed into service in the State and used primarily in high-technology activity, provided that otherwise eligible equipment used in wire line telecommunications must be capable of transmitting data at 200 kilobits or more per second in at least one direction and otherwise eligible equipment used in wireless telecommunications equipment must be capable of transmitting data at 42 kilobits or more per second in at least one direction. [2001, c. 358, Pt. M, §2 (AMD); 2001, c. 358, Pt. M, §6 (AFF).]

E. "Qualified lessor" means a person that leases or subleases eligible equipment to a person that is engaged primarily in high technology activity, but only when:

- (1) The eligible equipment is used primarily in the high technology activity engaged in by the lessee or sublessee;
- (2) The lessor derived aggregate total lease payments from personal property of at least 3 times the total payments received from eligible equipment during the taxable year; and
- (3) The lease or sublease upon which the credit is based qualifies as a lease of property for federal income tax purposes under the guidelines contained in Revenue Procedure 2001-28 of the United States Department of the Treasury, Internal Revenue Service. [2003, c. 673, Pt. G, §1 (NEW); 2003, c. 673, Pt. G, §3 (AFF).]

[2003, c. 673, Pt. G, §1 (AMD); 2003, c. 673, Pt. G, §3 (AFF) .]

1-A. Credit allowed. The following persons are allowed a credit as follows.

A. Unless entitlement to the credit is waived by the user pursuant to paragraph B:

- (1) A person engaged primarily in high technology activity that purchases and uses eligible equipment in that activity may claim a credit in the amount of that person's investment credit base subject to the limitations provided by subsection 4; or
- (2) A person engaged primarily in a high technology activity that leases and uses eligible equipment in that activity may claim a credit in the amount of the lease payments made on the eligible equipment in each tax year, except that if the eligible equipment is depreciable by that person for federal income tax purposes, the credit is based on that person's investment credit base subject to the limitations provided by subsection 4. [2001, c. 358, Pt. M, §3 (AMD); 2001, c. 358, Pt. M, §6 (AFF).]

B. When a qualified lessor provides the assessor with satisfactory evidence that the lessee or sublessee of eligible equipment has waived its right to claim a credit under this section that it is otherwise entitled to claim with respect to that equipment:

- (1) A qualified lessor that leases eligible equipment may claim a credit in the amount of the lessee's investment credit base to the extent of the credits waived by the lessee, net of any lease payments received for the eligible equipment in the taxable year, subject to the limitations provided by subsection 4; and
- (2) A qualified lessor that subleases eligible equipment may claim a credit in the amount of the lease payments made on the eligible equipment in each tax year, net of sublease payments received in the taxable year, except that if the eligible equipment is depreciable by the sublessee for federal income tax purposes, the credit is based on the sublessee's investment credit base to the extent of the credits waived by the sublessee subject to the limitations provided by subsection 4. [2003, c. 673, Pt. G, §2 (AMD); 2003, c. 673, Pt. G, §3 (AFF).]

[2003, c. 673, Pt. G, §2 (AMD); 2003, c. 673, Pt. G, §3 (AFF) .]

2. Purchaser of eligible equipment; credit allowed.

[1997, c. 668, §42 (AFF); 1997, c. 668, §33 (RP) .]

3. Lessor of eligible equipment; credit allowed.

[1997, c. 668, §42 (AFF); 1997, c. 668, §33 (RP) .]

4. Limitations. The credit allowed by this section, including amounts carried to the tax year pursuant to subsection 5, may not be used:

A. To reduce a person's tax liability under this Part to less than zero; [2001, c. 358, Pt. M, §4 (NEW); 2001, c. 358, Pt. M, §6 (AFF).]

B. To reduce a person's tax liability under this Part to less than the amount of the taxpayer's tax liability in the preceding taxable year after the allowance of any other credits taken pursuant to this chapter; or [2001, c. 358, Pt. M, §4 (NEW); 2001, c. 358, Pt. M, §6 (AFF).]

C. Except as otherwise provided by subsection 5, paragraph B, to reduce a person's tax liability by more than \$100,000, after the allowance of all other tax credits except for the credit allowed under section 5219-L. [2015, c. 267, Pt. DD, §27 (AMD).]

[2015, c. 267, Pt. DD, §27 (AMD) .]

5. Carry over to succeeding years. Unused credits may be carried forward to succeeding tax years as follows.

A. A person entitled to a credit under this section for any taxable year may carry over and apply to the tax liability for any one or more of the next succeeding 5 taxable years the portion of any unused credits. [2001, c. 358, Pt. M, §4 (NEW); 2001, c. 358, Pt. M, §6 (AFF).]

B. Unused credits for which a person was eligible, but did not claim, for tax years ending prior to January 1, 2001 may be carried forward and applied to the tax liability for any one or more of the next succeeding 10 taxable years to the extent that those credits relate to equipment that meets the definition of eligible equipment in effect for tax years beginning on or after January 1, 2001. Credits carried forward that are allowed to a person pursuant to this paragraph are limited to \$100,000 per year, except that if a person's investment credit base for any taxable year beginning on or after January 1, 2001 is less than \$100,000, the credit allowed under this paragraph may be increased by an amount equal to the difference between \$100,000 and the person's investment credit base, provided that the credit allowed by this section may in no event exceed \$200,000. [2001, c. 358, Pt. M, §4 (NEW); 2001, c. 358, Pt. M, §6 (AFF).]

[2001, c. 358, Pt. M, §6 (AFF); 2001, c. 358, Pt. M, §4 (RPR) .]

6. Corporations filing combined return. In the case of corporations filing a combined return, a credit generated by an individual member corporation under the provisions of this section must first be applied against the tax liability attributable to that company under this Part. A member corporation with an excess high-technology investment tax credit may apply its excess credit against the tax liability of other group members to the extent that the other member corporations can use additional credits under the limitations of subsection 4. Unused, unexpired credits generated by a member corporation may be carried over from year to year by the individual corporation that generated the credit, subject to the limitations in subsection 5, and the rules set forth in this paragraph for applying the credit to the tax liability of other group members are applicable in the years to which credits are carried forward.

[2001, c. 358, Pt. M, §5 (AMD); 2001, c. 358, Pt. M, §6 (AFF) .]

7. Application. Except for the credit allowed with respect to the carry-over of unused credit amounts pursuant to subsection 5, the tax credit allowed under this section does not apply to tax years beginning on or after January 1, 2016.

A taxpayer is allowed a credit against the tax imposed under this Part equal to the amount of credit claimed by the taxpayer for the taxable year under Section 47 of the Code with respect to expenditures incurred after December 31, 1999 for a certified historic structure located in the State. The credit

is nonrefundable and is limited to \$100,000 annually per taxpayer. A credit received under this section is subject to the same recapture provisions, as apply to a credit received under Section 47 of the Code and to any available federal carry-back or carry-forward provisions. A credit may not be claimed under this subsection for expenditures incurred after December 31, 2007.

[2007, c. 539, Pt. WW, §3 (AMD) .]

2. Credit refundable in certain cases. Notwithstanding subsection 1, a taxpayer that is a national historic landmark developer is allowed a refundable credit in an amount equal to the credit determined by the taxpayer under Section 47 of the Code for the taxable year. The credit may not exceed \$500,000 per year, and unused credit amounts may be carried forward only through the 2012 tax year. In the event that more than one national historic landmark developer qualifies for the refundable credit allowed by this subsection, the maximum annual credit amount and credit carry-forward limitations established by this subsection apply to all such developers collectively, and if necessary the State Tax Assessor shall prorate the credits between those developers based on their respective share of qualified expenses incurred. For the purposes of this subsection, "national historic landmark developer" means a person that owns 2 or more structures located in the Kennebec Arsenal District National Historic Landmark.

The refundable credit allowed by this subsection is in lieu of the credit that is allowed to the taxpayer by subsection 1 or that would otherwise be passed through to its partners or shareholders, if any. The credit is allowed only for tax years that begin on or after January 1, 2008 but before January 1, 2014. The credit allowed for a calendar year must be prorated among tax years based on the respective number of days of the tax year in the calendar year and may not exceed \$1,000,000 annually. A taxpayer's unused credit amounts may be carried forward only through the 2013 tax year. In the event that more than one taxpayer qualifies for the refundable credit allowed by this subsection, the maximum annual credit amount and credit carry-forward limitations established by this subsection apply to all such taxpayers collectively, and if necessary the State Tax Assessor shall prorate the credits among those taxpayers based on their respective shares of incurred qualified rehabilitation expenditures.

By the end of each fiscal year, the State Tax Assessor shall notify the State Controller of the total value of all credits determined under this section for tax years ending in the preceding calendar year, and the State Controller shall transfer that

amount to the General Fund to the extent that resources are available in the fund. The State Tax Assessor shall submit an annual report by January 15th identifying the amounts transferred into and out of the fund under this subsection.

§5219-W. PINE TREE DEVELOPMENT ZONE TAX CREDIT

1. Credit allowed. Except as provided by subsection 2, a taxpayer that is a qualified Pine Tree Development Zone business as defined in Title 30-A, section 5250-I, subsection 17 is allowed a credit in the amount of:

A. One hundred percent of the tax that would otherwise be due under this Part for each of the first 5 tax years beginning with the tax year in which the taxpayer commences its qualified business activity, as defined in Title 30-A, section 5250-I, subsection 16; and [2013, c. 595, Pt. K, §1 (AMD); 2013, c. 595, Pt. K, §2 (AFF).]

B. For a business located in a tier 1 location, as defined in Title 30-A, section 5250-I, subsection 21-A, 50% of the tax that would otherwise be due under this Part for each of the 5 tax years following the time period in paragraph A. [2013, c. 595, Pt. K, §1 (AMD); 2013, c. 595, Pt. K, §2 (AFF).]

[2013, c. 595, Pt. K, §1 (AMD); 2013, c. 595, Pt. K, §2 (AFF) .]

2. Apportioned credit in certain circumstances. In the case of a qualified Pine Tree Development Zone business as defined in Title 30-A, section 5250-I, subsection 17 that engages in both qualified and nonqualified business activities in this State, the credit provided for in this section is limited to that portion that is attributable to the qualified business activity. The limitation is calculated by an apportionment. The apportionment is determined by a fraction, the numerator of which is the property value plus the payroll for the taxable year attributed to the qualified business activity of the business and the denominator of which is the statewide property value plus payroll for the taxable year of the business.

If the qualified business is a taxable corporation that has affiliated groups, as defined in section 5102, subsection 1-B, engaged in a unitary business, as defined in section 5102, subsection 10-A, the property and payroll values in the State of the unitary affiliated groups must be included in the apportionment fraction. The resulting fraction must be multiplied by the total tax liability otherwise due under this Part of the qualified business and those affiliated groups.

If the apportionment provisions of this subsection do not fairly reflect the amount of the credit associated with the taxpayer's qualified business activity, the taxpayer may petition for, or the State Tax Assessor may require, in respect to all or any part of the taxpayer's business activity, the employment of another reasonable method to effectuate an equitable apportionment of the credit associated with the taxpayer's qualified business activity.

[2005, c. 351, §26 (AFF); 2005, c. 351, §14 (RPR) .]

3. Members of pass-through entities. A member of a pass-through entity that is a qualified Pine Tree Development Zone business, as defined in Title 30-A, section 5250-I, subsection 17, is allowed a credit under this section based on the tax due under this Part related to items of income, gain, deduction, loss or other items required to be reported by the pass-through entity to the member. For purposes of this subsection, "pass-through entity" means a corporation that for the applicable tax year is treated as an S corporation under the Code and a partnership, trust, limited liability company or similar entity that for the applicable tax year is not taxed as a C corporation for federal tax purposes; "member" means an individual or other owner of a pass-through entity.

[2005, c. 351, §26 (AFF); 2005, c. 351, §15 (RPR) .]

4. Limitation. The credit provided by this section may not be claimed for tax years beginning on or after January 1, 2029.

[2009, c. 627, §11 (AMD) .]

5. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Property" means the average value of the taxpayer's real and tangible personal property that is owned or rented and used during the tax period. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at 8 times the net annual rental rate. The net annual rental rate is the annual rental rate paid by the taxpayer. [2005, c. 351, §16 (NEW) .]

B. "Payroll" means the total amount paid in this State during the tax period by the taxpayer for compensation, including wages, pretax employee contributions made to a benefit package and employer contributions made to an employee benefit package. [2005, c. 351, §16 (NEW) .]

§5219-X. BIOFUEL COMMERCIAL PRODUCTION AND COMMERCIAL USE

1. Definition. As used in this section, unless the context otherwise indicates, the term "biofuel" means any commercially produced liquid or gas used to propel motor vehicles or otherwise substitute for liquid or gaseous fuels that is derived from agricultural crops or residues or from forest products or byproducts,

as distinct from petroleum or other fossil carbon sources. "Biofuel" includes, but is not limited to, ethanol, methanol derived from biomass, levulinic acid, biodiesel, pyrolysis oils from wood, hydrogen or methane from biomass, or combinations of any of the above that may be used to propel motor vehicles either alone or in blends with conventional gasoline or diesel fuels or that may be used in place of petroleum products in whole or in part to fire heating devices or any stationary power device. The biofuel must be offered for sale and income must be derived from the commercial production of biofuel.

[2005, c. 330, §3 (AMD); 2005, c. 330, §44 (AFF) .]

2. Credit allowed. A taxpayer engaged in the production of biofuels in the State who has received certification under subsection 4 is allowed a credit against the tax imposed by this Part on income derived during the taxable year from the production of biofuel in the amount of 5¢ per gallon of liquid biofuel or gaseous biofuel with a BTU equivalent to that of one gallon of gasoline that replaces the use of petroleum or liquid fuels derived from other fossil carbon sources. In blends with petroleum or other nonbiofuels, the credit is allowed only on the portion of that blend that the biofuel constitutes. Biofuel for which the credit is allowed must meet state and federal regulatory requirements applicable to the nature and intended use of the fuel produced.

[2003, c. 698, §1 (NEW) .]

3. Limitations. A person entitled to a credit under this section for any taxable year may carry over and apply the portion of any unused credits to the tax liability on income derived from the production of biofuel for any one or more of the next succeeding 10 taxable years. The credit allowed, including carryovers, may not reduce the tax otherwise due under this Part to less than zero.

[2007, c. 426, §1 (AMD) .]

4. Certification. A taxpayer engaged in the production of biofuels who is claiming a credit under subsection 2 shall provide information to the Commissioner of Environmental Protection regarding the biofuel being produced, including the quantity of biofuel products, the type of forest or agricultural product being utilized, the nature and composition of the biofuel being produced, the proportion and composition of any nonbiofuel with which the biofuel is blended, the BTU equivalent of the biofuel as compared to the BTU value of one gallon of gasoline and the type of application for which it is intended to be used. Upon review of the information, the Commissioner of Environmental Protection shall provide the taxpayer with a letter of certification stating that the biofuel produced during the taxable year is eligible for a tax credit under this section and stating the number of gallons of biofuel produced during the taxable year.

B. "Community wind power generation facility" means an electricity-generating facility at any one site with an instantaneous generating nameplate capacity of not more than 10 megawatts that is powered entirely by wind energy. [2007, c. 693, §33 (NEW); 2007, c. 693, §37 (AFF).]

C. D. "Property value" means the average value of the taxpayer's real and tangible personal property that is owned or rented and used during the tax period. Property owned by the taxpayer is valued at its original cost. Property rented by the taxpayer is valued at 8 times the net annual rental rate. The net annual rental rate is the annual rental rate paid by the taxpayer. [2007, c. 693, §33 (NEW); 2007, c. 693, §37 (AFF).]

E. "Qualified community wind power generator" means a person that has been certified as a community wind power generator by the commission pursuant to Title 35-A, section 3403, subsection 3. [2007, c. 693, §33 (NEW); 2007, c. 693, §37 (AFF).]

[2007, c. 693, §33 (NEW); 2007, c. 693, §37 (AFF) .]

2. Credit. A taxpayer that is a qualified community wind power generator is allowed a credit against the tax imposed by this Part equal to 100% of the tax otherwise due under this Part that is attributable to ownership of a community wind power generation facility in this State. The amount of the tax attributable to ownership of a community wind power generation facility in this State is calculated by an apportionment. The apportionment is determined by multiplying a fraction, the numerator of which is the property value plus the payroll for the taxable year attributed to ownership of a community wind power generation facility in this State and the denominator of which is the statewide property value plus payroll for the taxable year of the taxpayer, by the total tax otherwise due under this Part from the qualified community wind power generator. The credit is available for the first taxable year that begins after the commencement of operation of a community wind power generation facility in this State and prior to the tax year beginning on or after January 1, 2008.

If the qualified community wind power generator is a taxable corporation that is a member of an affiliated group engaged in a unitary business, the property value and payroll in the State of the unitary affiliated group must be included in the apportionment fraction. The resulting fraction must be multiplied by the total tax otherwise due under this Part of the qualified community wind power generator and the affiliated group engaged in the unitary business.

If the apportionment provisions of this subsection do not fairly reflect the amount of the credit attributable to the taxpayer's ownership of a community wind power generation facility in this State, the taxpayer may petition for, or the State Tax Assessor may require, in respect to all or any part of the taxpayer's business activity, the employment of another reasonable method to effectuate an equitable apportionment of the credit.

[2007, c. 693, §33 (NEW); 2007, c. 693, §37 (AFF) .]

3. Qualification. The credit allowed under this section is available only to a qualified community wind power generator certified by the commission prior to January 1, 2008.

[2007, c. 693, §33 (NEW); 2007, c. 693, §37 (AFF) .]

4. Termination of credit. The credit provided in this section is available only for tax years beginning on or after January 1, 2006 but before January 1, 2008.

7. Recapture of credits. The State Tax Assessor may recapture all of the credit allowed under this section if:

A. Any amount of federal tax credits available with respect to a qualified equity investment that is eligible for a tax credit under this section is recaptured under the Code, Section 45D. In such a case, the recapture must be proportionate to the federal recapture with respect to the qualified equity investment;

In such a case, the recapture must be proportionate to the amount of the redemption or repayment with respect to the qualified equity investment; or [2011, c. 548, §33 (NEW); 2011, c. 548, §35 (AFF) .]

C. For purposes of calculating the amount of qualified low-income community investments held by a qualified community development entity, an investment is considered

held by the qualified community development entity even if the investment has been sold or repaid as long as the qualified community development entity reinvests an amount equal to the capital returned to or recovered from the original investment, exclusive of any profits realized, in another qualified active low-income community business in this State within 12 months of the receipt of the capital. A qualified community development entity may not be required to reinvest capital returned from qualified low-income community investments after the 6th anniversary of the issuance of the qualified equity investment, the proceeds of which were used to make the qualified low-income community investment, and the qualified low-income community investment is considered to be held by the issuer through the qualified equity investment's final credit allowance date. [2011, c. 548, §33 (NEW); 2011, c. 548, §35 (AFF).]

The qualified community development entity must be provided 90 days to cure any deficiency indicated in the authority's original recapture notice and avoid such recapture. If the entity fails or is unable to cure the deficiency within the 90-day period, the assessor shall provide the qualified community development entity and the person from whom the credit is to be recaptured with a final order of recapture. Any amount of tax credits for which a final recapture order has been issued must be recaptured from the person that actually claimed the tax credit.

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Benefit base" means property taxes paid by the resident individual during the tax year on the individual's homestead in this State or rent constituting property taxes paid by the resident individual during the tax year on a homestead in the State. [2013, c. 368, Pt. L, §1 (NEW).]

D. "Rent constituting property taxes" means 25% of the gross rent actually paid in cash or its equivalent during the tax year solely for the right of occupancy of a homestead in the State. "Rent constituting property taxes" does not include rent subsidized by government programs that limit housing costs to a percentage of household income except that this exclusion does not apply to persons receiving social security disability or supplemental security income disability benefits. For the purposes of this paragraph, "gross rent" means rent paid at arm's length solely for the right of occupancy of a homestead, exclusive of charges for any utilities, services, furniture, furnishings or personal property appliances furnished by the landlord as part of the rental agreement, whether or not expressly set out in the rental

[2013, c. 368, Pt. L, §1 (NEW) .]

2. Credit. A resident individual filing a single or married separate return or resident spouses filing joint returns with Maine adjusted gross income up to \$40,000 are allowed a credit against the taxes imposed under this Part in an amount equal to 40% of the amount by which the benefit base exceeds 10% of the resident individual's or the resident spouses' total Maine adjusted gross income as defined under section 5102, subsection 1-C, paragraph A that is greater than zero. The credit may not exceed \$300 for resident individuals under 70 years of age as of the last day of the taxable year and \$400 for resident individuals 70 years of age and older as of the last day of the taxable year. In the case of married individuals filing a joint return, only one spouse is required to be 70 years of age and older to qualify for the \$400 credit limitation. In the case of resident married individuals filing separate returns, each of whom claim the credit on the same homestead, the credit for each spouse may not exceed \$150 if, for the taxable year, neither spouse was a resident individual 70 years of age or older or \$200 if, for the taxable year, at least one spouse was 70 years of age or older.

[2013, c. 368, Pt. L, §1 (NEW) .]

3. Refundability of credit. The tax credit is refundable after the application of nonrefundable credits.

4. Recapture. The credit allowed under this section must be fully recaptured to the extent claimed by the taxpayer if the property forming the basis of the credit is not used in the State for the entire 12-month period following the date it is placed in service in the State. The credit must be recaptured by filing an amended return in accordance with section 5227-A for the tax year in which that property was used to calculate the credit under this section. If an individual changes that individual's status as a resident individual or nonresident individual during the taxable year, the individual shall file a nonresident return pursuant to section 5220, subsection 2. That individual's tax shall be computed, pursuant to section 5111, subsection 4, as if that individual were a nonresident individual, except that the numerator of the apportionment ratio shall be comprised of the individual's Maine adjusted gross income, as defined in section 5102, subsection 1-C, paragraph A, for the portion of the taxable year during which that individual was a resident, plus that individual's Maine adjusted gross income as defined in section 5102, subsection 1-C, paragraph B, for the portion of the taxable year during which that individual was a nonresident. The part-year resident shall also be entitled to the credit provided by section 5217-A, computed as if the individual's Maine adjusted gross income for the entire year were comprised only of that portion which is attributed to the portion of the year during which that individual was a resident. The income tax return required by this Part must be filed on or before the date a federal income tax return, without regard to extension, is due to be filed. [2003, c. 588, §18 (AMD).]

§5227-A. REQUIREMENT TO FILE AMENDED MAINE RETURNS

1. Amended return required. A taxpayer shall file an amended Maine return as required in this Part whenever the taxpayer files an amended federal return affecting the taxpayer's liability under this Part, whenever the Internal Revenue Service changes or corrects any item affecting the taxpayer's liability under this Part or whenever for any reason there is a change or correction affecting the taxpayer's liability under this Part.

[2003, c. 588, §19 (NEW) .]

2. Amended return filed. The amended Maine return must be filed within 180 days from the date of the final determination of the change or correction or the filing of the federal amended return. For purposes of this subsection, "date of the final determination" means the date on which the earliest of the following events occurs with respect to a federal taxable year:

A. The taxpayer has made payment of an additional income tax liability resulting from a federal audit, the taxpayer has not filed a petition for redetermination or claim for refund for the portions of the audit for which payment was made and the time for filing a petition for redetermination or refund claim has expired; [2011, c. 1, Pt. CC, §3 (NEW); 2011, c. 1, Pt. CC, §5 (AFF).]

B. The taxpayer receives a refund from the United States Treasury that resulted from a federal audit; [2011, c. 1, Pt. CC, §3 (NEW); 2011, c. 1, Pt. CC, §5 (AFF).]

C. The taxpayer signs Form 870-AD or another Internal Revenue Service form consenting to a deficiency or accepting an overassessment; [2011, c. 1, Pt. CC, §3 (NEW); 2011, c. 1, Pt. CC, §5 (AFF).]

D. The taxpayer's time for filing a petition for redetermination with the United States Tax Court expires; [2011, c. 1, Pt. CC, §3 (NEW); 2011, c. 1, Pt. CC, §5 (AFF).]

E. The taxpayer and the Internal Revenue Service enter into a closing agreement; and [2011, c. 1, Pt. CC, §3 (NEW); 2011, c. 1, Pt. CC, §5 (AFF).]

F. A decision from the United States Tax Court, a District Court, a federal court of appeals, the United States Court of Federal Claims or the United States Supreme Court becomes final. [2011, c. 1, Pt. CC, §3 (NEW); 2011, c. 1, Pt. CC, §5 (AFF).]

[2011, c. 1, Pt. CC, §3 (AMD); 2011, c. 1, Pt. CC, §5 (AFF) .]

3. Contents of amended return. The amended Maine return must indicate the change or correction and the reason for that change or correction. The amended return constitutes an admission as to the correctness of the change unless the taxpayer includes with the return a written explanation of the reason the change or correction is erroneous. If the taxpayer files an amended federal return, a copy of the amended federal return must be attached to the amended Maine return.

[2003, c. 588, §19 (NEW) .]

4. Additional requirements. The State Tax Assessor may require additional information to be filed with the amended Maine return. The assessor may prescribe exceptions to the requirements of this section.

§5228. ESTIMATED TAX

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Allowable credits" means the total amount of any payments with regard to a taxpayer which have been or will be paid to the Bureau of Revenue Services prior to the date the payment against which they are to be used as a credit is due and which are available to offset any estimated tax liability. [1985, c. 691, §§35, 48 (NEW); 1997, c. 526, §14 (AMD).]

B. "Estimated tax" means the total amount of tax that a person estimates will be due for a taxable year under this Part, exclusive of a withholder's liability for taxes withheld, less any allowable credits for that taxable year. [2007, c. 438, §105 (AMD).]

C. "Period of underpayment" is the period of time from the date the installment is due until the underpayment is satisfied or until the tax return to which the estimate installment applies is due, whichever is less. [1985, c. 691, §§35, 48 (NEW).]

D. "Unusual event" means, with respect to that portion of the tax year applicable to the required installment, receipt by an individual taxpayer of taxable income that is not subject to withholding of Maine income tax when the amount exceeds the taxable income not subject to withholding of Maine income tax received by the taxpayer during the same period of the previous tax year by at least \$500,000. [2009, c. 1, Pt. I, §1 (NEW); 2009, c. 1, Pt. I, §6 (AFF).]

[2009, c. 1, Pt. I, §1 (AMD); 2009, c. 1, Pt. I, §6 (AFF) .]

2. Requirement to pay estimated tax. Every person subject to taxation under this Part shall make payment of estimated tax as required by this Part. The requirement to make estimated tax payments is waived if:

A. [1985, c. 691, §§35, 48 (RP).]

B. [1985, c. 691, §§35, 48 (RP).]

C. The person's tax liability pursuant to this Part, exclusive of a withholder's liability for taxes withheld, reduced by allowable credits for the taxable year, is less than \$1,000 for the taxable year; or [2009, c. 1, Pt. I, §2 (NEW); 2009, c. 1, Pt. I, §6 (AFF).]

D. The person had less than \$1,000 tax liability under this Part for the preceding taxable year. This paragraph does not apply with respect to an unusual event. [2009, c. 1, Pt. I, §2 (NEW); 2009, c. 1, Pt. I, §6 (AFF).]

[2009, c. 1, Pt. I, §6 (AFF); 2009, c. 1, Pt. I, §2 (RPR) .]

3. Amount of estimated tax to be paid. Every person required to make payment of estimated tax is liable for an estimated tax that is no less than the smaller of the amounts determined pursuant to paragraphs A and B, except that large corporations as defined in the Code, Section 6655(g), are subject only to paragraph B, except as provided in subsection 5, paragraph C and individual taxpayers encountering an unusual event are subject only to paragraph B with respect to the unusual event, except as provided in subsection 5, paragraph D:

A. An amount equal to the person's tax liability under this Part for the preceding taxable year, if that preceding year was a taxable year of 12 months; or [2007, c. 438, §107 (AMD).]

B. An amount equal to 90% of the person's tax liability under this Part for the current taxable year except that, for farmers and persons who fish commercially, this amount is equal to 66 2/3% of the person's tax liability under this Part for the current taxable year. [2009, c. 496, §25 (AMD).]

[2009, c. 496, §25 (AMD) .]

4. Due dates for estimated tax installments. For individuals, trusts and estates, an installment payment is due the 15th day of the 4th, 6th, 9th and 13th month following the beginning of their fiscal year, except that in the case of farmers and fishermen, a single installment payment is due on January 15th of the following taxable year. For corporations and financial institutions, an installment payment is due on the 15th day of the 4th, 6th, 9th and 12th month following the beginning of their fiscal year.

[2001, c. 583, §18 (AMD) .]

5. Amount of installment. The amount of estimated tax to be paid in a taxable year by a taxpayer is to be paid in installments by the dates established in this Part. The amount of the estimated tax is to be paid in 4 equal installments unless:

A. The taxpayer establishes by adequate record the actual distribution of tax liability and allowable credits, or both. In this case, the amount of the installment payments should be adjusted accordingly and be determined in accordance with the portion of the taxpayer's estimated tax liability applicable to that

portion of the taxpayer's taxable year completed by the close of the month preceding the installment's due date less estimated tax payments already made for the taxable year; [1991, c. 9, Pt. DD, §2 (AMD); 1991, c. 9, Pt. DD, §4 (AFF).]

B. The taxpayer is a farmer or fisherman in which case a single installment is required; or [1991, c. 9, Pt. DD, §2 (AMD); 1991, c. 9, Pt. DD, §4 (AFF).]

C. If the taxpayer is a large corporation as defined in the Code, Section 6655(g), then the corporation may elect to determine its first required installment for any taxable year pursuant to subsection 3, paragraph A. If the corporation so elects, its 2nd required installment for the taxable year must equal the total amount of estimated tax for the first 2 installments for the taxable year pursuant to subsection 3, paragraph B, less the amount of the first installment for the taxable year allowed pursuant to subsection 3, paragraph A. [1999, c. 414, §51 (AMD).]

D. The taxpayer encounters an unusual event. For purposes of the installment due with respect to that portion of the tax year during which an unusual event occurs, the taxpayer shall make an estimated tax payment pursuant to subsection 3, paragraph B equal to the amount of estimated tax with respect to the taxable income that results in the unusual event, plus the amount of estimated tax required by this section to be paid with respect to the installment on taxable income exclusive of that resulting in the unusual event. [2009, c. 1, Pt. I, §4 (NEW); 2009, c. 1, Pt. I, §6 (AFF).]

A penalty shall accrue automatically on underpayments of the required installment amount for the period of underpayment at the rate provided pursuant to section 186. For cause, the State Tax Assessor may waive or abate all or any part of the penalty.

[2009, c. 1, Pt. I, §4 (AMD); 2009, c. 1, Pt. I, §6 (AFF) .]

6. Joint estimated tax payment. If they are eligible to do so for federal tax purposes, a husband and wife may jointly estimate tax as if they were one taxpayer, in which case the liability with respect to the estimated tax shall be joint and several. If joint estimate payment is made, but husband and wife elect to determine their taxes under this chapter separately, the estimated tax for the year may be treated as the estimated tax of either husband or wife, or may be divided between them, as they may elect.

[1985, c. 691, §§35, 48 (RPR) .]

7. Short taxable year. Payment of taxes for a short taxable year must be made as provided in this subsection.

A. For an individual, a trust or an estate with a taxable year of less than 12 months, the estimated tax must be paid in full by the 15th day of the month following the end of the taxable year. [2001, c. 583, §18 (AMD).]

B. For a corporation or financial institution with a taxable year of less than 12 months, the estimated tax must be paid in full by the 15th day of the last month of the taxable year. [2001, c. 583, §18 (AMD).]

[2001, c. 583, §18 (AMD) .]

8. Installments paid in advance. At the taxpayer's election, any installment of estimated tax may be paid prior to the date prescribed for its payment.

[1985, c. 691, §§35, 48 (NEW) .]

9. Underpayment of 4th installment. If, on or before January 31st of the following taxable year, an individual, trust or estate files a return and pays in full the tax liability for the taxable year of the return, no penalty may be imposed with respect to any underpayment of the 4th required installment for that year.

[2001, c. 583, §19 (AMD) .]

10. Farmer or fisherman; underpayment. If an individual is a farmer or fisherman for any taxable year, then no penalty may be imposed with respect to any underpayment of the required installment of estimated tax, if on or before March 1st of the following taxable year, that individual files a return for the taxable year and pays in full his tax liability for the taxable year of the return.

[1985, c. 691, §§35, 48 (NEW) .]

11. Unusual event; waiver of penalty; extension to pay. With respect to an estimated tax payment related to an unusual event, the assessor shall waive the penalty under subsection 5 or grant a reasonable extension of time, not to extend past the original due date for the filing of the return for the tax year, to pay the estimated tax required under subsection 5, paragraph D if:

A. The taxpayer is an owner in a pass-through entity; [2009, c. 1, Pt. I, §5 (NEW); 2009, c. 1, Pt. I, §6 (AFF).]

B. The taxpayer had no control over the distribution of the unusual event amount; [2009, c. 1, Pt. I, §5 (NEW); 2009, c. 1, Pt. I, §6 (AFF).]

C. The taxpayer did not actually or constructively receive payment of the unusual event amount; and [2009, c. 1, Pt. I, §5 (NEW); 2009, c. 1, Pt. I, §6 (AFF).]

D. The taxpayer pays the estimated tax related to the unusual event amount by the installment payment due date following the installment period during which the taxpayer actually or constructively receives payment of the unusual event amount. [2009, c. 1, Pt. I, §5 (NEW); 2009, c. 1, Pt. I, §6 (AFF).]

§5231. EXTENSION OF TIME FOR FILING AND PAYMENT

1. General. The State Tax Assessor may grant a reasonable extension of time for payment of tax or estimated tax or any installment, or for filing any return, declaration, statement or other document required pursuant to this Part, on terms and conditions the assessor may require. Except as provided in subsection 1-A or for a taxpayer who is outside the United States, an extension for filing any return, declaration, statement or document may not exceed 8 months.

[2003, c. 390, §49 (AMD) .]

1-A. Federal extension. When an individual, estate or trust is granted an extension of time within which to file a federal income tax return for any taxable year, the due date for filing the taxpayer's income tax return with respect to the tax imposed by this Part is automatically extended for an equivalent period. When a taxable corporation or a financial institution subject to the tax imposed by chapter 819 is granted an extension of time within which to file its federal income tax return for any taxable year, the due date for filing the taxpayer's income tax or franchise tax return with respect to the tax imposed by this Part is automatically extended for an equivalent period plus 30 days.

[2003, c. 390, §50 (AMD) .]

2. Security. [1989, c. 871, §19 (AMD) .]

3. Penalty. A taxpayer that files an income tax or franchise tax return after the due date with a valid extension and that remits the amount of the balance due with that return will not incur a failure-to-pay penalty imposed by section 187-B, subsection 2 unless the amount remitted with the return is more than 10% of the total tax liability shown on the return.

Chapter 827: WITHHOLDING OF TAX

§5250. EMPLOYER TO WITHHOLD TAX FROM WAGES

1. General. Every employer maintaining an office or transacting business in this State that makes payment to a resident individual or a nonresident individual of wages subject to tax under this Part shall, if required to withhold federal income tax from those wages, deduct and withhold from those wages for each payroll period a tax so computed as to result in an amount being withheld from the employee's wages during each calendar year that is substantially equivalent to the tax reasonably estimated to be due from the employee under this Part with respect to the amount of those wages included in the employee's adjusted gross income during that calendar year. The State Tax Assessor shall establish by rule the method of determining the amount to be withheld. This section does not apply to shares of a lobster boat's catch that are apportioned by a lobster boat operator to a sternman. This section does not apply to wages from which a tax is required to be deducted and withheld under the Code, Sections 1441 and 1442. Rules adopted pursuant to this subsection are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[2011, c. 240, §39 (AMD) .]

2. Withholding exemptions. For purposes of this section:

A. An employee is entitled to the same number of withholding exemptions as the number of withholding exemptions to which the employee is entitled for federal income tax withholding purposes, unless otherwise provided by rule; and [1997, c. 668, §36 (AMD).]

B. The dollar amount of each withholding allowance in this State must be equivalent to the amount of the personal exemption determined in section 5126 whether the individual is a resident or a nonresident. [1997, c. 668, §36 (AMD).]

C. [1997, c. 668, §37 (RP).]

[1997, c. 668, §§36, 37 (AMD) .]

3. Withholding agreements. The assessor may enter into agreements with the tax departments of other states that require income tax to be withheld from the payment of wages and salaries, so as to govern the amounts to be withheld from the wages and salaries of residents of those states under this chapter. The agreements may provide for recognition of anticipated tax credits in determining the amounts to be withheld and may relieve employers in this State from withholding income tax on wages and salaries paid to nonresident employees. The agreements authorized by this subsection are subject to the condition that the tax department of the other states grant similar treatment to residents of this State.

[1995, c. 639, §24 (AMD) .]

4. Withholding exemption variance certificate.

§5250-A. WITHHOLDING ON SALES OF REAL ESTATE

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Consideration" means the total price or amount paid, or required to be paid, for real property valued in money, whether received in money or otherwise and includes the amount of any mortgage, lien or encumbrance on the real property. [1991, c. 528, Pt. RRR, (AFF); 1991, c. 528, Pt. Y, §2 (NEW); 1991, c. 528, Pt. Y, §3 (AFF); 1991, c. 591, Pt. Y, §2 (NEW); 1991, c. 591, Pt. Y, §3 (AFF).]

B. "Real estate escrow person" means any of the following persons involved in a real estate transaction in the following order of priority:

- (1) The person, including any attorney, escrow company or title company, responsible for closing the transaction;
- (2) The mortgage lender;
- (3) The seller's broker;
- (4) The buyer's broker; and
- (5) Any other person who receives and disburses the consideration or value for the interest or property conveyed. [1991, c. 528, Pt. RRR, (AFF); 1991, c. 528, Pt. Y, §2 (NEW); 1991, c. 528, Pt. Y, §3 (AFF); 1991, c. 591, Pt. Y, §2 (NEW); 1991, c. 591, Pt. Y, §3 (AFF).]

C. "Resident," when used in reference to an individual, estate or trust, means an individual, estate or trust that has established a domicile in the State as of the date of transfer of the Maine real property, or that was a resident for purposes of the previous income tax year, unless the individual, estate or trust has established a domicile outside of the State as of the date of transfer of the Maine real property. "Resident," when used in reference to a corporation, means a corporation that, as of the date of transfer of the Maine real property, is incorporated in the State or maintains a permanent place of business in the

State. "Resident," when used in reference to a partnership, means a partnership at least 75% of whose ownership interest, as of the date of the transfer of Maine real property, is held by residents of this State. [1991, c. 621, §1 (AMD).]

[1991, c. 621, §1 (AMD) .]

2. Withholding required. Every buyer of real property located in Maine must withhold a withholding tax equal to 2 1/2% of the consideration. The withholding required by this section must be transmitted to the State Tax Assessor within 30 days of the date of transfer of the property unless the State Tax Assessor authorizes the buyer to release the amount withheld, or a portion of it, to the seller. Any buyer who fails to withhold the tax is personally liable for the tax.

[1991, c. 528, Pt. RRR, (AFF); 1991, c. 528, Pt. Y, §2 (NEW); 1991, c. 528, Pt. Y, §3 (AFF); 1991, c. 591, Pt. Y, §2 (NEW); 1991, c. 591, Pt. Y, §3 (AFF) .]

3. Exceptions. A buyer is not required to withhold the tax imposed by this section if:

A. The seller furnishes to the buyer a certificate by the seller stating, under penalty of perjury, that as of the date of transfer the seller is a resident of the State; [1991, c. 528, Pt. RRR, (AFF); 1991, c. 528, Pt. Y, §2 (NEW); 1991, c. 528, Pt. Y, §3 (AFF); 1991, c. 591, Pt. Y, §2 (NEW); 1991, c. 591, Pt. Y, §3 (AFF).]

B. The seller or the buyer has received from the State Tax Assessor a certificate stating that no tax is due on the gain from the transfer or that the seller has provided adequate security to cover the liability; [1991, c. 528, Pt. RRR, (AFF); 1991, c. 528, Pt. Y, §2 (NEW); 1991, c. 528, Pt. Y, §3 (AFF); 1991, c. 591, Pt. Y, §2 (NEW); 1991, c. 591, Pt. Y, §3 (AFF).]

C. The consideration for the property is less than \$50,000; [1995, c. 639, §25 (AMD).]

D. Written notification of the withholding requirements of this section has not been provided to the buyer; or [1995, c. 639, §25 (AMD).]

E. The seller is the State or an agency or a political subdivision of the State, the Federal Government or an agency of the Federal Government, an organization exempt from income taxes pursuant to the Code, Section 501(a), an insurance company exempt from the tax imposed by this Part or a business entity referred to in Title 24-A, section 1157, subsection 5, paragraph B, subparagraph (1) that is exempt from the tax imposed by this Part. [1995, c. 639, §26 (NEW).]

[1995, c. 639, §§25, 26 (AMD) .]

3-A. Foreclosure sales; transfers in lieu of foreclosure. No tax is required to be withheld pursuant to this section by a buyer at a foreclosure sale when the consideration paid does not exceed the debt secured by the property held by a mortgagee or lienholder; if the consideration paid does exceed the secured debt, the amount of tax withheld pursuant to this section must be the lesser of the surplus over the secured debt or the amount otherwise required to be withheld by this section. When a mortgagor conveys the mortgaged property to a mortgagee in lieu of foreclosure and with no additional consideration, the mortgagee is not required to withhold tax pursuant to this section.

[1991, c. 621, §2 (NEW) .]

4. Reduced amount. At the request of the buyer or the seller, the State Tax Assessor may prescribe a reduced amount to be withheld under this section if the State Tax Assessor determines that the reduced amount will not jeopardize the collection of the tax imposed by this Part.

[1991, c. 528, Pt. RRR, (AFF); 1991, c. 528, Pt. Y, §2 (NEW); 1991, c. 528, Pt. Y, §3 (AFF); 1991, c. 591, Pt. Y, §2 (NEW); 1991, c. 591, Pt. Y, §3 (AFF) .]

5. False certificate. If a buyer has actual knowledge that a certificate furnished under subsection 3 is false and the buyer fails to withhold the prescribed amount, the buyer is liable for the amount that should have been withheld and any applicable interest and penalty.

[1991, c. 621, §3 (AMD) .]

6. Joint sellers. In the case of joint sellers, if any of the exceptions listed in subsection 3 apply to some but not all of the sellers, the buyer must withhold and remit the tax as if none of the sellers were entitled to an exception, unless at the time of closing the buyer receives a statement signed by all the sellers allocating the gross proceeds among the sellers. In such cases the buyer must allocate the withholding tax according to the proportions set out in that statement, account separately for the amount withheld from each seller and apply any applicable exceptions in subsection 3 to each seller.

[1991, c. 528, Pt. RRR, (AFF); 1991, c. 528, Pt. Y, §2 (NEW); 1991, c. 528, Pt. Y, §3 (AFF); 1991, c. 591, Pt. Y, §2 (NEW); 1991, c. 591, Pt. Y, §3 (AFF) .]

7. Joint buyers. In the case of joint buyers, the obligations and tax imposed by this section apply jointly and severally to each buyer.

[1991, c. 528, Pt. RRR, (AFF); 1991, c. 528, Pt. Y, §2 (NEW); 1991, c. 528, Pt. Y, §3 (AFF); 1991, c. 591, Pt. Y, §2 (NEW); 1991, c. 591, Pt. Y, §3 (AFF) .]

8. Fee for withholding. It is unlawful for any real estate escrow person to charge any customer for complying with the requirements of this section, unless the real estate escrow person withholds and remits an amount to the State Tax Assessor under this section. If the real estate escrow person is instructed by the parties to withhold under this section and the real estate escrow person remits a withholding amount to the State Tax Assessor, it is unlawful for the fee to exceed \$25.

[1991, c. 528, Pt. RRR, (AFF); 1991, c. 528, Pt. Y, §2 (NEW); 1991, c. 528, Pt. Y, §3 (AFF); 1991, c. 591, Pt. Y, §2 (NEW); 1991, c. 591, Pt. Y, §3 (AFF) .]

9. Liability of real estate escrow person. Unless it is shown that the failure to notify is due to reasonable cause, the real estate escrow person is liable for the withholding tax when written notification of the withholding requirements of this section is not provided to the buyer and the disposition of Maine real property is subject to withholding under this section. The real estate escrow person is not liable under this subsection if the tax due as a result of the disposition of Maine real property is paid by the original or extended due date of the seller's return for the taxable year in which the disposition occurred.

[1991, c. 528, Pt. RRR, (AFF); 1991, c. 528, Pt. Y, §2 (NEW); 1991, c. 528, Pt. Y, §3 (AFF); 1991, c. 591, Pt. Y, §2 (NEW); 1991, c. 591, Pt. Y, §3 (AFF) .]

10. Application of withholding. The amount withheld pursuant to this section is deemed to be a payment against the tax imposed by this Part on income received by the seller.

§5250-B. WITHHOLDING ON PASS-THROUGH ENTITY INCOME OF NONRESIDENT PARTNERS AND SHAREHOLDERS

1. Definitions. As used in this section, unless the context otherwise indicates, the following terms have the following meanings.

A. "Member" means an individual or other owner of a pass-through entity. [2003, c. 20, Pt. AA, §1 (NEW); 2003, c. 20, Pt. AA, §6 (AFF).]

B. "Nonresident" means a nonresident individual, a business entity that does not have its commercial domicile in the State, or a nonresident estate or trust. [2003, c. 20, Pt. AA, §1 (NEW); 2003, c. 20, Pt. AA, §6 (AFF).]

C. "Pass-through entity" means a corporation that for the applicable tax year is treated as an S corporation under the Code and a general partnership, limited partnership, limited liability partnership, limited liability company or similar entity that for the applicable tax year is not taxed as a C corporation for federal tax purposes. For purposes of this section, "pass-through entity" does not include a financial institution subject to tax under chapter 819. [2005, c. 332, §24 (AMD); 2005, c. 332, §30 (AFF).]

[2005, c. 332, §24 (AMD); 2005, c. 332, §30 (AFF) .]

2. Withholding required. Except as provided by subsection 3, every pass-through entity that does business in this State must withhold income tax at the highest tax rate provided in this Part on the proportionate quarterly share of Maine source income of each nonresident member. The method for determining the amount of the share of income and for determining the amount of withholding for each nonresident member under this section must be prescribed by rules adopted by the assessor. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter 2-A.

[2003, c. 20, Pt. AA, §1 (NEW); 2003, c. 20, Pt. AA, §6 (AFF) .]

3. Withholding exemptions. For purposes of this section, a pass-through entity is not required to withhold tax for a nonresident member if:

A. The member's share of annual entity income sourced to the State is less than \$1,000; or [2003, c. 20, Pt. AA, §1 (NEW); 2003, c. 20, Pt. AA, §6 (AFF).]

B. The bureau has determined by rule, ruling or instruction that the member's income is not subject to withholding. [2003, c. 20, Pt. AA, §1 (NEW); 2003, c. 20, Pt. AA, §6 (AFF).]

§5251. INFORMATION STATEMENT

Every person who is required to deduct and withhold tax under this Part, or who would have been required to deduct and withhold tax if an employee had claimed no more than one withholding exemption, shall furnish a written statement as prescribed by the assessor to each person in respect to the items of income subject to withholding paid to that person during the calendar year on or before January 31st of the succeeding year, or, in the case of an employee who is terminated before the close of the calendar year, within 30 days from the date of receipt of a written request from the employee if that 30-day period ends before January 31st. The assessor may establish an alternative due date for providing a written statement under this section that is consistent with the due date for the related federal statement. The statement must show the amount of wages paid by the employer to the employee or, in the case of withholding pursuant to sections 5250-B and 5255-B, the total items of income that were subject to withholding, the amount deducted and withheld as tax and such other information as the assessor requires. rate amount. In that event, the State's withholding procedure should estimate taxable income using the same approach to exemptions as the Code and the amount of tax to be withheld should be calculated in accordance with withholding methods prescribed pursuant to section 5250. Chapter 829: ACCOUNTING PERIODS AND METHODS OF ACCOUNTING

§5256. PERIOD FOR COMPUTATION OF TAXABLE INCOME

1. General. For purposes of the tax imposed by this Part, a taxpayer's taxable year is the same as the taxpayer's taxable year for federal income tax purposes.

[1995, c. 281, §32 (AMD); 1995, c. 281, §43 (AFF) .]

2. Change of taxable year. If a taxpayer's taxable year is changed for federal income tax purposes, the taxable year for purposes of the tax imposed by this Part must be similarly changed. The income tax for a period of less than 12 months resulting from a change in accounting period is computed by first determining the taxable income for the period. That taxable income is then multiplied by 12 and divided by the number of months in the period of less than 12 months. A tax is computed on the resulting taxable income. The tax is then divided by 12 and multiplied by the number of months in the period of less than 12 months. The result is the tax liability before credits. Exemption amounts are divided by 12 and multiplied by the number of months in the period of less than 12 months.

[1995, c. 281, §33 (AMD); 1995, c. 281, §43 (AFF) .]

3. Termination of taxable year for jeopardy. Notwithstanding subsections 1 and 2, if the assessor makes a determination of jeopardy and terminates the taxpayer's taxable year under section 145, the tax must be computed for the period determined by that action.

[2007, c. 627, §94 (AMD) .]

§5257. METHODS OF ACCOUNTING

1. Same as federal. For purposes of the tax imposed by this Part, a taxpayer's method of accounting shall be the same as his method of accounting for federal income tax purposes. If no method of accounting has been regularly used by the taxpayer, taxable income for purposes of this Part shall be computed under such method that in the opinion of the assessor fairly reflects income.

[1969, c. 154, §F1 (NEW) .]

2. Change of accounting methods. If a taxpayer's method of accounting is changed for federal income tax purposes, his method of accounting for purposes of this Part shall similarly be changed.

§5258. ADJUSTMENTS

In computing a taxpayer's taxable income for any taxable year under a method of accounting different from the method under which the taxpayer's taxable income for the previous year was computed, there shall be taken into account those adjustments which are determined, under regulations prescribed by the assessor, to be necessary solely by reason of the change in order to prevent amounts from being duplicated or omitted.

[1969, c. 154, §F1 (NEW).]

SECTION HISTORY

P&SL 1969, c. 154, §F1 (NEW).

§5259. LIMITATION ON ADDITIONAL TAX

1. Change other than to installment method. If a taxpayer's method of accounting is changed, other than from an accrual to an installment method, any additional tax which results from adjustments determined to be necessary solely by reason of the change shall not be greater than if such adjustments were ratably allocated and included for the taxable year of the change and the preceding taxable years, not in excess of 2, during which the taxpayer used the method of accounting from which the change is made.

[1979, c. 541, Pt. A, §245 (AMD) .]

2. Change from accrual to installment method. If a taxpayer's method of accounting is changed from an accrual to an installment method, any additional tax for the year of such change of method and for any subsequent year which is attributable to the receipt of installment payments properly accrued in a prior year, shall be reduced by the portion of tax for any prior taxable year attributable to the accrual of such installment payments, under regulations prescribed by the assessor.

The balance, after any setoff pursuant to section 5276-A or pursuant to an agreement entered into under section 112, subsection 13, must be refunded by the Treasurer of State. For purposes of this subsection, "any tax imposed under this Title" includes monetary restitution ordered to be paid to the bureau as part of a sentence imposed for a violation of this Title or Title 17-A.

§5276-A. SETOFF OF DEBTS AGAINST REFUNDS

1. Generally. An agency of the State, including the University of Maine System or the Maine Community College System, that is authorized to collect from an individual or corporation a liquidated debt greater than \$25 shall notify in writing the State Tax Assessor and supply information necessary to identify the debtor whose refund is sought to be set off. The assessor, upon notification, shall assist the requesting agency by setting off that debt against a refund to which that individual or corporation is entitled under this Part. Liquidated child support debts that the Department of Health and Human Services has contracted to collect, pursuant to Title 19-A, section 2103 or 2301, subsection 2, are eligible, under the provisions of this section, for setoff against a refund due the obligated individual. The assessor shall provide the creditor agency with the name, address and social security number of each debtor whose refund is subject to setoff.

[1997, c. 393, Pt. A, §44 (AFF); 1997, c. 393, Pt. A, §43 (RPR); 2003, c. 20, Pt. OO, §2 (AMD); 2003, c. 20, Pt. OO, §4 (AFF); 2003, c. 689, Pt. B, §6 (REV) .]

2. Notice and hearing. At the time a setoff is made, the assessor shall provide notice to the taxpayer of the setoff and of the taxpayer's right to request, within 60 days of the taxpayer's receipt of notice of the setoff, a hearing before the creditor agency. The hearing must be held in accordance with the provisions of the Maine Administrative Procedure Act, but is limited to the issues of whether the debt became liquidated and whether any postliquidation event has affected the liability.

[2011, c. 1, Pt. BB, §2 (AMD); 2011, c. 1, Pt. BB, §3 (AFF) .]

3. Finalization of setoff.

[1993, c. 395, §23 (RP) .]

3-A. Transfer of proceeds. After providing the notice required by subsection 2, the assessor shall transfer the setoff refund amount to the creditor agency or agencies.

[1993, c. 395, §23 (NEW) .]

3-B. Finalization of setoff; release of refund to taxpayer. If the taxpayer fails to make a timely request for hearing or a hearing is held before the creditor agency and a liquidated debt is determined to be due to that agency, the setoff is final except as determined by further appeal. The creditor agency must

release to the taxpayer any setoff refund amount determined after hearing not to be a liquidated debt due to the agency within 90 days of such determination or as otherwise provided by the creditor agency in a promulgated rule.

[1993, c. 395, §23 (NEW) .]

4. Appeal. The decision of the agency seeking setoff as to the existence of a liquidated debt constitutes final agency action appealable under the Maine Administrative Procedure Act, Title 5, chapter 375.

[1981, c. 504, §4 (NEW) .]

5. Collection fee. A collection fee equal to the estimated costs incurred by the State Tax Assessor in assisting in the collection must annually be deducted from setoff refund amounts transferred to creditor agencies and deposited in the General Fund. If a creditor agency is either entitled to federal matching funds against all debts collected or required by federal regulations to specially handle debts collected, the State Tax Assessor shall transfer to that agency the gross proceeds from setoffs made in its behalf, and that agency shall promptly reimburse the collection fee to the State Tax Assessor for deposit in the General Fund.

[1993, c. 395, §23 (AMD) .]

6. Accounting. The creditor agency shall credit the account of the individual whose refund has been set off with the full amount of the setoff, including the collection fee retained by, or reimbursed to, the State Tax Assessor, except that the collection fee may not be credited to the account of an individual required to make restitution as provided in Title 17-A, section 1152, subsection 2-A.

[2005, c. 389, §9 (AMD) .]

7. Priority. In the event that claims from more than one agency are received by the State Tax Assessor with respect to one taxpayer, the State Tax Assessor shall set off against the refund due the taxpayer as many claims of the agencies as is possible in the following order of priority:

A. Liquidated child support debts owed to the Department of Health and Human Services; [1991, c. 564, (NEW); 2003, c. 689, Pt. B, §6 (REV).]

B. Fines owed to any of the courts; and [1991, c. 564, (NEW).]

C. All other claims in the order of their receipt by the State Tax Assessor. [1991, c. 564, (NEW).]

[1991, c. 564, (AMD); 2003, c. 689, Pt. B, §6 (REV) .]

8. Disclosure of information. In any civil or criminal action in which a fine, forfeiture, order to pay or money judgment is entered in favor of the State or any agency or department thereof, or in any action in which counsel is assigned for an indigent party, the court may require the party so indebted to the State, its agencies or department, or the party for whom counsel has been assigned, to provide that party's social security number and other financial information under oath and on such forms as may be prepared by the Judicial Department in order to effectuate the purposes of this section. The Judicial Department may disclose social security numbers and financial information obtained in accordance with this subsection to agencies or departments of the State and to private collection agencies working under contract for the State for the purpose of collection of the amounts owed. A person who has access to or receives social security numbers or other financial information under this subsection shall maintain the confidentiality of the information and use it only for the purposes for which it was disclosed and may not further disclose it.

(REPEALED)

SECTION HISTORY

P&SL 1969, c. 154, §F1 (NEW). 2001, c. 583, §22 (RP).

§5278. LIMITATIONS ON CREDIT OR REFUND

1. General. A claim for credit or refund of an overpayment of any tax imposed by this Part must be filed by the taxpayer within 3 years from the date the return was filed, whether or not the return was timely filed, or 3 years from the date the tax was paid, whichever period expires later. A credit or refund may not be allowed after the expiration of the period prescribed in this subsection unless a claim for credit or refund is filed by the taxpayer within that period. For purposes of this subsection, a return filed before the last day prescribed for the filing of a return is deemed to be filed on that last day.

[2011, c. 1, Pt. DD, §3 (AMD); 2011, c. 1, Pt. DD, §4 (AFF) .]

2. Limit on amount of claim or refund. If the claim is filed by the taxpayer during the period prescribed in subsection 1, the amount of the credit or refund may not exceed the portion of the tax that was paid within the 3 years immediately preceding the filing of the claim plus the period of any extension of time for filing the return. If a claim is not filed, any credit or refund allowed upon an audit of the taxpayer may not exceed the amount that would be allowable under this subsection if a claim had been filed by the taxpayer on the date the credit or refund is allowed.

[2011, c. 1, Pt. DD, §3 (AMD); 2011, c. 1, Pt. DD, §4 (AFF) .]

3. Extension of time by agreement. If an agreement for an extension of the period for assessment of income taxes is made within the period prescribed in subsection 1, the period for filing a claim for credit or refund or for allowing a credit or refund if a claim is not filed may not expire earlier than 6 months after the expiration of the period during which an assessment may be made pursuant to the agreement or any extension of the agreement. The amount of the credit or refund may not exceed the sum of the portion of the tax paid after the execution of the agreement and before the filing of the claim or the making of the credit or refund and the portion of the tax paid within the period that would be applicable under subsection 1 if a claim had been filed on the date the agreement was executed.

[2011, c. 1, Pt. DD, §3 (AMD); 2011, c. 1, Pt. DD, §4 (AFF) .]

4. Notice of change or correction. If a taxpayer is required by section 5227-A to file an amended Maine return, a claim for credit or refund of any resulting overpayment of the tax must be filed by the taxpayer within 3 years from the date the filing of the amended return was required. The claim for credit or refund is limited to issues included in the federal amendment or adjustment and the amount of the credit or

refund may not exceed the amount of the reduction in tax attributable to the federal amendment or adjustment. This subsection does not affect the time within which or the amount for which a claim for credit or refund may be filed apart from this subsection.

[2011, c. 1, Pt. DD, §3 (AMD); 2011, c. 1, Pt. DD, §4 (AFF) .]

5. Special rules. The following rules apply to claims for credit or refund pursuant to this section:

A. If the claim for credit or refund relates to an overpayment of tax on account of the deductibility by the taxpayer of a debt as a debt that became worthless or a loss from worthlessness of a security or the effect that the deductibility of a debt or of a loss has on the application to the taxpayer of a carry-over, the claim may be made within 7 years from the date prescribed by law for filing the return for the year with respect to which the claim is made ; and [2011, c. 1, Pt. DD, §3 (AMD); 2011, c. 1, Pt. DD, §4 (AFF).]

B. If the claim for credit or refund relates to an overpayment attributable to a net operating loss carry-back arising from a tax year beginning before January 1, 2002 or a credit carry-back, the claim may be made, under rules adopted by the assessor, within the period that ends with the 15th day of the 40th month following the end of the taxable year of the net operating loss or the unused credit that resulted in the carry-back or the period prescribed in subsection 3 in respect of that taxable year, whichever expires later. With respect to any portion of a credit carry-back from a taxable year that is attributable to a net operating loss carry-back or a capital loss carry-back from a subsequent taxable year, the period within which the claim may be made ends with the 15th day of the 40th month following the end of the subsequent taxable year or the period prescribed in subsection 3 in respect of that taxable year, whichever expires later. [2005, c. 218, §57 (AMD); 2005, c. 218, §63 (AFF).]

Chapter 841: INFLATION ADJUSTMENTS**§5401. FINDINGS AND PURPOSE**

Inflation erodes the value of personal exemptions and deductions in the Maine individual income tax structure and distorts fiscal equity among taxpayers. Inflation-induced increases in individual income tax revenues result in annual collections that exceed the amounts anticipated by legislative actions establishing rates, exemptions, deductions and other features of the Maine individual income tax. Furthermore, the income tax laws of this State, in combination with economic inflation, have caused inequitable treatment of the taxpayers because the application of inflexible, statutorily prescribed rates of tax, standard deduction and personal exemption to increasing personal incomes has resulted in increasing the taxpayer's tax liability while the taxpayers purchasing power has remained the same or, in some instances has decreased. It is the purpose of this Act to correct this situation by requiring that certain components of the individual income tax structure be adjusted in order to compensate for the impact of inflation. §5403. ANNUAL ADJUSTMENTS FOR INFLATION

On or about September 15th of each year as specified in subsections 1 to 6, the assessor shall multiply the cost-of-living adjustment for taxable years beginning in the succeeding calendar year by the following:
[2015, c. 267, Pt. DD, §33 (NEW).]

1. Individual income tax rate tables. For the tax rate tables in section 5111:

A. Beginning in 2016 and each year thereafter, by the lowest dollar amounts of the tax rate tables specified in section 5111, subsections 1-F, 2-F and 3-F, except that for the purposes of this paragraph, notwithstanding section 5402, subsection 1-B, the "cost-of-living adjustment" is the Chained Consumer Price Index for the 12-month period ending June 30th of the preceding calendar year divided by the Chained Consumer Price Index for the 12-month period ending June 30, 2015; and [2015, c. 267, Pt. DD, §33 (NEW).]

B. Beginning in 2017 and each year thereafter, by the highest taxable income dollar amount of each tax rate table, except that for the purposes of this paragraph, notwithstanding section 5402, subsection 1-B, the "cost-of-living adjustment" is the Chained Consumer Price Index for the 12-month period ending June 30th of the preceding calendar year divided by the Chained Consumer Price Index for the 12-month period ending June 30, 2016; [2015, c. 267, Pt. DD, §33 (NEW).]

[2015, c. 267, Pt. DD, §33 (NEW) .]

2. Standard deductions. By the dollar amount contained in section 5124-B, subsection 1, paragraph A, except that for the purposes of this subsection, notwithstanding section 5402, subsection 1-B, the "cost-of-living adjustment" is the Chained Consumer Price Index for the 12-month period ending June 30th of the preceding calendar year divided by the Chained Consumer Price Index for the 12-month period ending June 30, 2015;

[2015, c. 267, Pt. DD, §33 (NEW) .]

3. Itemized deductions. By the dollar amount of the itemized deduction limitation amount in section 5125, subsection 4;

[2015, c. 267, Pt. DD, §33 (NEW) .]

4. Individual income tax standard deduction and itemized deduction phase-out. Beginning in 2017 and each year thereafter, by the dollar amount contained in the numerator of the fraction specified in section 5122, subsection 1, paragraph JJ, subparagraphs (1), (2) and (3), except that for the purposes of this

subsection, notwithstanding section 5402, subsection 1-B, the "cost-of-living adjustment" is the Chained Consumer Price Index for the 12-month period ending June 30th of the preceding calendar year divided by the Chained Consumer Price Index for the 12-month period ending June 30, 2016;

[2015, c. 267, Pt. DD, §33 (NEW) .]

5. Sales tax fairness credit. For the sales tax fairness credit:

A. Beginning in 2017 and each year thereafter, by the base credit amount in section 5213-A, subsection 1, paragraph A, subparagraph (1), except that for the purposes of this paragraph, notwithstanding section 5402, subsection 1-B, the "cost-of-living adjustment" is the Chained Consumer Price Index for the 12-month period ending June 30th of the preceding calendar year divided by the Chained Consumer Price Index for the 12-month period ending June 30, 2016. If the base credit amount, adjusted by application of the cost-of-living adjustment, is not a multiple of \$5, any increase must be rounded to the next lowest multiple of \$5; [2015, c. 267, Pt. DD, §33 (NEW) .]

B. Beginning in 2017 and each year thereafter, the base credit amount in section 5213-A, subsection 1, paragraph A, subparagraphs (2) to (4) is equal to the base credit amount determined in accordance with paragraph A, multiplied by the following applicable factor:

- (1) For section 5213-A, subsection 1, paragraph A, subparagraph (2), 1.4;
- (2) For section 5213-A, subsection 1, paragraph A, subparagraph (3), 1.6; and
- (3) For section 5213-A, subsection 1, paragraph A, subparagraph (4), 1.8.

If the base credit amount, adjusted by application of the appropriate factor, is not a multiple of \$5, any increase must be rounded to the next lowest multiple of \$5; and [2015, c. 267, Pt. DD, §33 (NEW) .]

C. Beginning in 2016 and each year thereafter, by the dollar amount of the income threshold set forth in section 5213-A, subsection 4, except that for the purposes of this paragraph, notwithstanding section 5402, subsection 1-B, the "cost-of-living adjustment" is the Chained Consumer Price Index for the 12-month period ending June 30th of the preceding calendar year divided by the Chained Consumer Price Index for the 12-month period ending June 30, 2015; and [2015, c. 267, Pt. DD, §33 (NEW) .]

[2015, c. 267, Pt. DD, §33 (NEW) .]

6. Property tax fairness credit. Beginning in 2015 and each year thereafter, the benefit base amounts in section 5219-KK, subsection 1, paragraph A.

[2015, c. 267, Pt. DD, §33 (NEW) .]

Except for subsection 5, paragraphs A and B, if the dollar amount of each item, adjusted by the application of the cost-of-living adjustment, is not a multiple of \$50, any increase must be rounded to the next lowest multiple of \$50. [2015, c. 267, Pt. DD, §33 (NEW) .]

If the cost-of-living adjustment for any taxable year would be less than the cost-of-living adjustment for the preceding calendar year, the cost-of-living adjustment is the same as for the preceding calendar year. The assessor shall incorporate such changes into the income tax forms, instructions and withholding tables for the taxable year. [2015, c. 267, Pt. DD, §33 (NEW) .]

Chapter 907: MAINE RESIDENTS PROPERTY TAX PROGRAM**§6201. DEFINITIONS**

As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings. [1991, c. 824, Pt. A, §80 (AMD).]

1. Benefit base. "Benefit base" means property taxes accrued or rent constituting property taxes accrued. In the case of a claimant paying both rent and property taxes for a homestead, benefit base means both property taxes accrued and rent constituting property taxes accrued. The benefit base may not exceed \$3,350 for single-member households and \$4,400 for households with 2 or more members.

[2007, c. 700, Pt. A, §1 (AMD) .]

2. Claimant. "Claimant" means an individual who has filed a claim under this chapter and who was domiciled in this State and occupied a homestead in this State during the entire year for which a claim for relief under this chapter is filed. "Claimant" also includes an individual who has filed a claim under this chapter and who was domiciled in this State and owned or otherwise maintained a homestead in this State during the entire year for which the claim for relief under this chapter is filed and occupied that homestead for at least 6 months during that year. Regardless of how many names of individuals appear on the property deed, the person who meets the qualifications described in this subsection and proves sole responsibility for the payment of the property taxes on the subject property is the claimant with respect to that property. If 2 or more individuals meet the qualifications in this subsection and share the payment of the rent or the responsibility for the payment of the property taxes, each individual may apply on the basis of the rent paid or the property taxes levied on the homestead that reflect the ownership percentage of the claimant and the claimant's household.

If 2 or more individuals claim the same property, the matter must be referred to the State Tax Assessor, whose decision is final. Ownership of a homestead under this chapter may be by fee, by life tenancy, by bond for deed, as mortgagee or any other possessory interest in which the owner is personally responsible for the tax for which a refund is claimed.

[2007, c. 438, §111 (AMD) .]

3. Elderly household. "Elderly household" means a household in which, during the year for which relief is requested:

A. At least one member of the household had attained the age of 62; [2007, c. 438, §112 (AMD) .]

B. The claimant was not married and had attained the age of 55 and was, due to disability, receiving federal disability payments such as supplemental security income; or [2007, c. 438, §112 (AMD) .]

C. The claimant was married and had attained the age of 55 and both the claimant and the claimant's spouse were, due to disability, receiving federal disability payments such as supplemental security income. [2007, c. 438, §112 (AMD) .]

[2007, c. 438, §112 (AMD) .]

4. Gross rent. "Gross rent" means rental paid at arm's length solely for the right of occupancy of a homestead, exclusive of charges for any utilities, services, furniture, furnishings or personal property appliances furnished by the landlord as part of the rental agreement, whether or not expressly set out in the rental agreement. If the landlord and tenant have not dealt with each other at arm's length, and the State Tax Assessor is satisfied that the gross rent charged was excessive, the State Tax Assessor may adjust the gross rent to a reasonable amount for purposes of this chapter.

[1991, c. 824, Pt. A, §81 (AMD) .]

5. Homestead. "Homestead" means the dwelling owned or rented by the claimant or held in a revocable living trust for the benefit of the claimant and occupied by the claimant and the claimant's dependents as a home, and may consist of a part of a multidwelling or multipurpose building and a part of the land, up to 10 acres, upon which it is built. "Owned" includes a vendee in possession under a land contract and of one or more joint tenants or tenants in common and includes possession under a legally binding agreement that allows the owner of the dwelling to transfer the property but continue to occupy the dwelling as a home until some future event stated in the agreement.

[2011, c. 513, §1 (AMD) .]

6. Household. "Household" means a claimant and spouse and members of the household for whom the claimant under this chapter is entitled to claim an exemption as a dependent under Part 8 for the year for which relief is requested.

[1987, c. 516, §§3, 6 (NEW) .]

7. Household income. "Household income" means all income received by all persons of a household in a calendar year while members of the household.

[1987, c. 516, §§3, 6 (NEW) .]

8. Household income eligibility adjustment factor. "Household income eligibility adjustment factor" means one plus the annualized cost-of-living adjustments for Social Security retirement benefits during the year for which relief is requested.

[1987, c. 516, §§3, 6 (NEW) .]

9. Income. "Income" means Maine adjusted gross income determined in accordance with Part 8, modified as provided by this subsection.

A. Maine adjusted gross income must be increased by the following amounts, to the extent not included in Maine adjusted gross income:

- (1) Contributions, including catch-up contributions, to any pension, annuity or retirement plan, including contributions to an individual retirement account under Section 408 of the Code, a simplified employee pension plan, a salary reduction simplified employee pension plan, a savings incentive match plan for employees plan and a deferred compensation plan under Section 457 of the Code and cash or deferred arrangements under Section 401 of the Code and qualified, or "Keogh," accounts;
- (2) Nontaxable contributions to a flexible spending arrangement under Section 125 of the Code;
- (3) Amounts excluded from gross income under Section 129 of the Code;
- (4) Distributions from a ROTH IRA;
- (5) Capital gains;
- (6) The absolute value of the amount of trade or business loss, net operating loss carry-over, capital loss, rental loss, farm loss, partnership or S Corporation loss included in Maine adjusted gross income;
- (7) Inheritance;
- (8) Life insurance proceeds paid on death of an insured;
- (9) Nontaxable lawsuit rewards resulting from lawsuits for actions such as slander, libel and pain and suffering, excluding reimbursements such as medical and legal expenses associated with the case;
- (10) Support money;
- (11) Nontaxable strike benefits;
- (12) The gross amount of any pension or annuity, including railroad retirement benefits;
- (13) All payments received under the federal Social Security Act and state unemployment insurance laws;
- (14) Veterans' disability pensions;
- (15) Nontaxable interest received from the Federal Government or any of its agencies or instrumentalities;
- (16) Interest or dividends on obligations or securities of this State and its political subdivisions and authorities;
- (17) Workers' compensation and the gross amount of "loss of time" insurance; and
- (18) Cash public assistance and relief, but not including relief granted under this chapter. [2007, c. 438, §113 (NEW) .]

B. Maine adjusted gross income must be decreased by the following amounts, to the extent included in Maine adjusted gross income:

- (1) The first \$5,000 of proceeds from a life insurance policy, whether paid in a lump sum or in the form of an annuity;

- (2) A rollover from an individual retirement account, pension or annuity fund or plan to an individual retirement account, pension or annuity fund or plan;
- (3) Gifts from nongovernmental sources; and
- (4) Surplus foods or other relief in kind supplied by a governmental agency. [2007, c. 438, §113 (NEW).]

[2007, c. 438, §113 (RPR) .]

10. Property taxes accrued. "Property taxes accrued" means property taxes exclusive of special assessment, delinquent interest and charges for service levied on a claimant's homestead in this State as of April 1, 1972, or any tax year thereafter. If a claimant receives an abatement of property taxes based on hardship or poverty pursuant to section 841, subsection 2 during the year for which relief is requested, "property taxes accrued" means only the portion of property taxes levied that was not abated during the year for which the claimant requests relief. If a homestead is owned by 2 or more persons or entities as joint tenants or tenants in common, and one or more persons or entities are not members of the claimant's household, "property taxes accrued" is that part of property taxes levied on the homestead that reflects the ownership percentage of the claimant and the claimant's household. If a claimant and spouse own their homestead for part of the year for which relief is requested and rent it or a different homestead for part of the same tax year, "property taxes accrued" means taxes levied on the homestead on April 1st, multiplied by the percentage of 12 months that the property was owned and occupied by the household as its homestead during the year for which relief is requested. When a household owns and occupies 2 or more different homesteads in this State in the same calendar year, property taxes accrued relate only to the total of the property taxes owed for the time that each property was occupied by the household as a homestead. To calculate the amount attributable to each property, the April 1st assessment on each homestead is multiplied by the percentage of 12 months that each property was owned and occupied by the claimant as the claimant's homestead during the year for which relief is requested. If a homestead is an integral part of a larger unit such as a farm, or a multipurpose or multidwelling building, property taxes accrued are that percentage of the total property taxes accrued that the value of the homestead is of the total value, except that property taxes accrued do not include any portion of taxes claimed as a business expense for federal income tax purposes. For purposes of this chapter, "unit" refers to the parcel of property separately assessed of which the homestead is a part.

[2013, c. 424, Pt. A, §28 (AMD) .]

11. Rent constituting property taxes accrued for an elderly household. "Rent constituting property taxes accrued for an elderly household" means 25% of the gross rent actually paid in cash or its equivalent in any tax year by a claimant and the claimant's household solely for the right of occupancy of their Maine homestead in the tax year and which rent constitutes the basis, in the succeeding calendar year, of a claim for relief under this chapter by the claimant.

[1987, c. 839, §1 (AMD) .]

11-A. Rent constituting property taxes accrued for nonelderly household. "Rent constituting property taxes accrued for nonelderly household" means 20% of the gross rent actually paid in cash or its equivalent in any tax year by a claimant and the claimant's household solely for the right of occupancy of their Maine homestead in the tax year and which rent constitutes the basis, in the succeeding calendar year, of a claim for relief under this chapter by the claimant.

[2005, c. 2, Pt. E, §2 (AMD); 2005, c. 2, Pt. E, §§7, 8 (AFF) .]

12. Year for which relief is requested. "Year for which relief is requested" means the calendar year preceding that in which the claim is filed. For a claim filed during January to May of any year, or during the extension period allowed under section 6215, "year for which relief is requested" means the calendar year 2 years preceding that in which the claim is filed.

§6216. PROTECTION FROM LOSS OF BENEFITS

It is the intent of the Legislature that any claim paid under this chapter shall supplement any benefits paid under aid to the aged, blind and disabled or any program which succeeds or supplants it. The Department of Health and Human Services shall take any such action as may be necessary to assure that recipients of aid to the aged, blind and disabled shall continue to receive as high a percentage of their current assistance as may be possible. To carry out this legislative directive, the department shall utilize all the state funds expected to be saved by a reduction in benefits of recipients of aid to the aged, blind and disabled resulting from this chapter to raise the standards of aid to the aged, blind and disabled at a total cost in state funds equivalent to the savings in state funds which would be expected as a result of this chapter. [1987, c. 516, §§3, 6 (NEW); 2003, c. 689, Pt. B, §6 (REV).]

Benefits received under this chapter may not be included as income for purposes of any state or municipally administered public benefit program except for general assistance under Title 22, chapter 1161, unless used for basic necessities as defined in Title 22, section 4301, subsection 1. Benefits received under this chapter may be considered for purposes of determining eligibility for abatement under section 841, subsection 2. [2013, c. 368, Pt. OO, §13 (AMD).]

These benefits do not duplicate and shall not reduce the amount of any individual's payment under the Temporary Assistance for Needy Families program because those payments are insufficient to meet the total amount of money determined to be needed for housing in accordance with the state standard of need under that program. §6251. DEFERRAL OF TAX ON HOMESTEAD; JOINT ELECTION; AGE REQUIREMENT; FILING CLAIM

1. Filing claim. Subject to section 6252, an individual or 2 or more individuals jointly may elect to defer the property taxes on their homestead by filing a claim for deferral with the municipal assessor after January 1st but no later than April 1st of the first year in which deferral is claimed if:

A. The individual or each individual, in the case of 2 or more individuals filing a claim jointly, is 65 years of age or older on April 1st of the year in which the claim is filed; and [1993, c. 395, §31 (RPR) .]

B. The individual or, in the case of 2 or more individuals filing a claim jointly, all the individuals together have household income, as defined in section 6201, subsection 7, of less than \$32,000 for the calendar year immediately preceding the calendar year in which the claim is filed. [1993, c. 395, §31 (RPR) .]

The municipal assessor shall forward each claim filed under this subsection to the bureau within 30 days of receipt and the bureau shall determine if the property is eligible for deferral.

Claims from new applicants may not be filed pursuant to this chapter prior to January 1, 1994. For purposes of this section, "new applicants" means any person or persons that have not filed claims prior to April 1, 1991.

[1993, c. 395, §31 (RPR) .]

2. Property tax deferral. When the taxpayer elects to defer property taxes for any year by filing a claim for deferral under subsection 1, it shall have the effect of:

A. Deferring the payment of the property taxes levied on the homestead for the municipal fiscal year beginning on or after April 1st of that year; [1989, c. 534, Pt. C, §1 (NEW).]

B. Continuing deferral of the payment by the taxpayer of any property taxes deferred under this chapter for previous years that have not become delinquent under section 6260; and [1989, c. 534, Pt. C, §1 (NEW).]

C. Continuing the deferral of the payment by the taxpayer of any future property taxes for as long as the provisions of section 6252 are met. [1989, c. 534, Pt. C, §1 (NEW).]

[1989, c. 534, Pt. C, §1 (NEW) .]

3. Guardian compliance. If a guardian or conservator has been appointed for an individual otherwise qualified to obtain deferral of taxes under this chapter, the guardian or conservator may act for that individual in complying with this chapter.

[1989, c. 534, Pt. C, §1 (NEW) .]

4. Trustee compliance. If a trustee of an inter vivos trust which was created by and is revocable by an individual, who is both the trustor and a beneficiary of the trust and who is otherwise qualified to obtain a deferral of taxes under this chapter, owns the fee simple estate under a recorded instrument of sale, the trustee may act for the individual in complying with this chapter.

[1989, c. 534, Pt. C, §1 (NEW) .]

5. Spouse not required to claim. Nothing in this section may be construed to require a spouse of an individual to file a claim jointly with the individual even though the spouse may be eligible to claim the deferral jointly with the individual.

[1989, c. 534, Pt. C, §1 (NEW) .]

6. Appeal. Any person aggrieved by the denial of a claim for deferral of homestead property taxes or disqualification from deferral of homestead property taxes may file an appeal of the State Tax Assessor's determination, within 30 days of notification of denial or disqualification by the State Tax Assessor, with the State Board of Property Tax Review as provided in chapter 101, subchapter II-A.

[1989, c. 534, Pt. C, §1 (NEW) .]

SECTION HISTORY

1989, c. 534, §C1 (NEW).

§6254. STATE LIENS AGAINST TAX-DEFERRED PROPERTY

1. Lien. The lien provided in section 552 must continue for purposes of protecting the State's deferred tax interest in tax deferred property. When it is determined that one of the events set out in section 6259 has occurred and that a property is no longer eligible for property tax deferral under this chapter, the State Tax Assessor shall send notice by certified mail to the owner, or the owner's heirs or devisees, listing the total amount of deferred property taxes, including accrued interest and costs of all the years and demanding payment on or before April 30th of the year following the tax year in which the circumstances causing withdrawal from the provisions of this chapter occur.

When the circumstances listed in section 6259, subsection 4 occur, the amount of deferred taxes is due and payable 5 days before the date of removal of the property from the State.

If the deferred tax liability of a property has not been satisfied by the April 30th demand date, the State Tax Assessor shall, within 30 days, record in the registry of deeds in the county where the real estate is located a tax lien certificate signed by the State Tax Assessor or bearing the assessor's facsimile signature, setting forth the total amount of deferred tax liability, a description of the real estate on which the tax was deferred and an allegation that a tax lien is claimed on the real estate to secure payment of the tax, that a demand for payment of the tax has been made in accordance with this section and that the tax remains unpaid.

At the time of the recording of the tax lien certificate in the registry of deeds, the State Tax Assessor shall send by certified mail, return receipt requested, to each record holder of a mortgage on the real estate, to the holder's last known address, a true copy of the tax lien certificate. The cost to be paid by the property owner, or the owner's heirs or devisees, is the sum of the fees for recording and discharging of the lien as established by Title 33, section 751, plus \$13. Upon redemption, the State Tax Assessor shall prepare and record a discharge of the tax lien mortgage. The lien described in section 552 is the basis of this tax lien mortgage procedure.

The filing of the tax lien certificate, provided for in this section, in the registry of deeds creates a mortgage on the real estate to the State and has priority over all other mortgages, liens, attachments and encumbrances of any nature and gives to the State all rights usually instant to a mortgage, except that the mortgagee does not have any right of possession of the real estate until the right of redemption expires.

Payments accepted during the redemption period may not interrupt or extend the redemption period or in any way affect the foreclosure procedures.

[2007, c. 695, Pt. A, §45 (AMD) .]

2. Foreclosure. If the mortgage, including interest and costs, is not paid within 12 months of the date on which the certificate was filed in the registry of deeds, as provided in this section, the mortgage is deemed foreclosed and the right of redemption expired.

[1989, c. 534, Pt. C, §1 (NEW); 1989, c. 713, §4 (RPR) .]

2-A. Inventory. The filing of the certificate in the registry of deeds is sufficient notice of the existence of the mortgage. Whenever the State acquires title to real estate, the State Tax Assessor shall cause an inventory to be made of all such real estate. The inventory must contain a description of the real estate, amount of accrued taxes by years and any information necessary to the administration and supervision of the real estate.

[2001, c. 652, §11 (AMD) .]

2-B. Sale; legislative authorization. After authorization by the Legislature, the State Tax Assessor shall, sell or convey any such real estate, but shall in all cases of sales, except sales to former owners of the real estate, give public notice of the proposal to sell the real estate and shall ask for competitive bids and sell to the highest bidder with the right of rejecting all bids. Sales of any such real estate may not be made by the State Tax Assessor except by authorization of the Legislature.

The supervision, administration, utilization and vindication of the right of the State in any such real estate is vested in the State Tax Assessor until the title is conveyed or otherwise disposed of by the Legislature.

[1989, c. 713, §4 (NEW) .]

3. Foreclosure receipts. Following the sale by the State Tax Assessor of real property acquired through the tax lien certificate procedure outlined in this chapter, all claims of the State evolving from the homestead property tax exemption are satisfied, as well as any tax delinquencies relative to the property in question in the municipality where located. The residual amount resulting from the sale of the property is to be returned to the former owner or to the owner's heirs or devisees.

§6255. LISTING OF TAX-DEFERRED PROPERTY; INTEREST ACCRUAL

1. Tax-deferred property list. If eligibility for deferral of homestead property is established as provided in this chapter, the bureau shall notify the municipal assessor and the municipal assessor shall show on the current ad valorem assessment and tax roll which property is tax-deferred property by an entry clearly designating that property as tax-deferred property.

[1989, c. 534, Pt. C, §1 (NEW) .]

2. Tax statement. When requested by the bureau, the municipal tax collector shall send to the bureau as soon as the taxes are extended upon the roll the tax statement for each tax-deferred property.

[1989, c. 534, Pt. C, §1 (NEW) .]

3. Interest. Interest shall accrue on the actual amount of taxes advanced to the municipality for the tax-deferred property at the rate of 6% per annum.

SECTION HISTORY

1989, c. 534, §C1 (NEW).

§6256. RECORDING LIENS IN COUNTY; RECORDING CONSTITUTES NOTICE OF STATE LIEN

1. Recording of liens. For each municipality in which there is tax-deferred property, the bureau shall cause to be recorded in the mortgage records of the county, a list of tax-deferred properties of that municipality. The list must contain a description of the property as listed in the municipal valuation together with the name of the owner listed on the valuation. The list must be corrected annually to reflect the addition or deletion of deferred properties as well as partial payments received.

[1989, c. 534, Pt. C, §1 (NEW); 1989, c. 713, §5 (AMD) .]

2. Notice of recording. The recording of the tax-deferred properties under subsection 1 is notice that the bureau claims a lien against those properties in the amount of the deferred taxes plus interest together with any fees paid to the county register of deeds in connection with the recording, release or satisfaction of the lien, even though the amount of taxes, interest or fees is not listed.

§6257. MUNICIPAL TAX COLLECTOR TO RECEIVE AMOUNT EQUIVALENT TO DEFERRED TAXES FROM STATE

1. Payment of deferred taxes. Within 30 days of the receipt of information from a municipal tax collector concerning the amount of deferred property taxes in the respective municipality, the State Tax Assessor shall certify that amount to the Treasurer of the State who shall make payment on or before the 15th day of the following month.

[1989, c. 534, Pt. C, §1 (NEW); 1989, c. 713, §6 (RPR) .]

1-A. Prorated payment of deferred taxes. The State Tax Assessor is authorized to prorate payments to municipalities for claims filed pursuant to this chapter if the amount available in the Senior Property Tax Deferral Revolving Account established in section 6266 in any fiscal year is insufficient to make full payments to all municipalities. If the applicant for deferred taxes can not pay the difference due to the municipality, the municipality that does not receive the full amount of deferred property taxes may cause a tax lien certificate to be filed in the county registry of deeds for the amount not received.

[1991, c. 528, Pt. DD, §1 (NEW); 1991, c. 528, Pt. RRR, (AFF); 1991, c. 591, Pt. DD, §1 (NEW) .]

1-B. Reimbursement to taxpayers. The State Tax Assessor is authorized to reimburse taxpayers who qualified under this chapter and who have paid property taxes that would have otherwise been deferred but for the prorating of benefits as allowed in subsection 1-A.

[1991, c. 622, Pt. CC, §1 (NEW) .]

2. Accounts maintained. The bureau shall maintain accounts for each deferred property and shall accrue interest only on the actual amount of taxes advanced to the municipality.

3. Out-of-state move. Notwithstanding the provisions of subsection 2 and section 6263, when the circumstance listed in section 6259, subsection 4, occurs, the amount of deferred taxes shall be due and payable 5 days before the date of removal of the property from the State; and

[1989, c. 534, Pt. C, §1 (NEW) .]

4. Delinquency. If the amounts falling due as provided in this section are not paid on the indicated due date or as extended under section 6263, those amounts shall be deemed delinquent as of that date and the property shall be subject to foreclosure as provided in section 6254.

§6261. ELECTION BY SPOUSE TO CONTINUE TAX DEFERRAL

1. Continuation by spouse. When one of the circumstances listed in section 6259, subsections 1 to 3 occurs, the spouse who did not or was not eligible to file a claim jointly with the taxpayer may continue the property in its deferred tax status by filing a claim within the time and in the manner provided under section 6251 if:

A. The spouse of the taxpayer is or will be 65 years of age or older not later than 6 months from the day the circumstance listed in section 6259, subsections 1 to 3 occurs; and [1989, c. 534, Pt. C, §1 (NEW) .]

B. The property is the homestead of the spouse of the taxpayer and meets the requirements of section 6252, subsection 2. [1989, c. 534, Pt. C, §1 (NEW) .]

[1989, c. 534, Pt. C, §1 (NEW) .]

2. Continuation of deferral by spouse. A spouse who does not meet the age requirements of subsection 1, paragraph A, but is otherwise qualified to continue the property in its tax-deferred status under subsection 1 may continue the deferral of property taxes deferred for previous years by filing a claim within the time and in the manner provided under section 6251. If a spouse eligible for and continuing the deferral of taxes previously deferred under this subsection becomes 65 years of age prior to April 1st of any year, the spouse may elect to continue the deferral of previous years' taxes deferred under this subsection and may elect to defer the current assessment year's taxes on the homestead by filing a claim within the time and in the manner

provided under section 6251. Thereafter, payment of the taxes levied on the homestead and deferred under this subsection and payment of taxes levied on the homestead in the current assessment year and in future years may be deferred in the manner provided in and subject to this chapter.

[1989, c. 534, Pt. C, §1 (NEW) .]

3. Filing extension. Notwithstanding that section 6251 requires that a claim be filed no later than April 1st, if the bureau determines that good and sufficient cause exists for the failure of a spouse to file a claim under this section on or before April 1st, the claim may be filed within 90 days after notice of taxes due and payable under section 6260 is mailed or delivered by the department to the taxpayer or spouse.

§6262. VOLUNTARY PAYMENT OF DEFERRED TAX AND INTEREST

1. Payments. All payments of deferred taxes shall be made to the bureau.

[1989, c. 534, Pt. C, §1 (NEW) .]

2. Taxes and interest. Subject to subsection 3, all or part of the deferred taxes and accrued interest may at any time be paid to the bureau by:

A. The taxpayer or the spouse of the taxpayer; or [1989, c. 534, Pt. C, §1 (NEW).]

B. The next of kin of the taxpayer, heir at law of the taxpayer, child of the taxpayer or any person having or claiming a legal or equitable interest in the property. [1989, c. 534, Pt. C, §1 (NEW).]

[1989, c. 534, Pt. C, §1 (NEW) .]

3. Notice of payment. A person listed in subsection 2, paragraph B, may make the payments only if no objection is made by the taxpayer within 30 days after the bureau deposits in the mail notice to the taxpayer of the fact that the payment has been tendered.

[1989, c. 534, Pt. C, §1 (NEW) .]

4. Payment application. Any payment made under this section shall be applied first against accrued interest and any remainder against the deferred taxes. This payment does not affect the deferred-tax status of the property. Unless otherwise provided by law, this payment does not give the person paying the taxes any interest in the property or any claim against the estate, in the absence of a valid agreement to the contrary.

[1989, c. 534, Pt. C, §1 (NEW) .]

5. Lien discharge. When the deferred taxes and accrued interest are paid in full and the property is no longer subject to deferral, the bureau shall prepare and record in the county in which the property is located a lien discharge.

§6263. EXTENSION OF TIME FOR PAYMENT UPON DEATH OF CLAIMANT OR SPOUSE

1. Payment extension. If the taxpayer who claimed homestead property tax deferral dies, or if a spouse who continued the deferral under section 6261 dies, the bureau may extend the time for payment of the deferred taxes and interest accruing with respect to the taxes becoming due and payable under section 6260, subsection 2, if:

A. The homestead property becomes property of an individual or individuals:

(1) By inheritance or devise; or

C. An individual or individuals make application to the bureau for an extension of time for payment of the deferred taxes and interest prior to August 15th of the calendar year following the calendar year of death. [1989, c. 534, Pt. C, §1 (NEW).]

[1989, c. 534, Pt. C, §1 (NEW) .]

2. Extension terms. Subject to paragraph B, an extension granted under this section shall be for a period not to exceed 5 years after August 15th of the calendar year following the calendar year of death. The terms and conditions under which the extension is granted shall be in accordance with a written agreement entered into by the bureau and the individual or individuals.

An extension granted under this section shall terminate immediately if:

A. The homestead property is sold or otherwise transferred by any party to the extension agreement;
[1989, c. 534, Pt. C, §1 (NEW).]

B. All of the heirs or devisees who are parties to the extension agreement cease to occupy the property as a principal residence; or [1989, c. 534, Pt. C, §1 (NEW).]

C. The homestead property, a mobile or floating home is moved out of the State. [1989, c. 534, Pt. C, §1 (NEW).]

[1989, c. 534, Pt. C, §1 (NEW) .]

3. Accrued interest. During the period of extension, and until paid, the deferred taxes shall continue to accrue interest in the same manner and at the same rate as provided under section 6255, subsection 3. No interest may accrue upon interest.

[1989, c. 534, Pt. C, §1 (NEW) .]

2. Advancement of funds. The funds necessary to make payments under subsection 1 shall be advanced to the bureau from time to time as necessary by the Treasurer of State as an appropriation from the General Fund.

Chapter 908-A: MUNICIPAL PROPERTY TAX DEFERRAL FOR SENIOR CITIZENS

§6271. MUNICIPAL AUTHORITY

1. Definitions. As used in this chapter, unless the context otherwise indicates, the following terms have the following meanings.

A. "Eligible homestead" means the owner-occupied principal dwelling, either real or personal property, owned by a taxpayer and the land upon which it is located. If the dwelling is located in a multiunit building, the eligible homestead is the portion of the building actually used as the principal dwelling and its percentage of the value of the common elements and of the value of the tax lot upon which it is built. The percentage is the value of the dwelling compared to the total value of the building exclusive of the common elements, if any. [2009, c. 489, §5 (NEW) .]

B. "Federal poverty level" means the nonfarm income official poverty line for a family of the size involved, as defined by the federal Office of Management and Budget and revised annually in accordance with the United States Omnibus Budget Reconciliation Act of 1981, Section 673, Subsection 2. [2009, c. 489, §5 (NEW) .]

C. "Household income" has the meaning set out in section 6201, subsection 7. [2009, c. 489, §5 (NEW) .]

D. "Program" means a tax deferral program adopted by a municipality pursuant to subsection 2. [2009, c. 489, §5 (NEW) .]

E. "Tax-deferred property" means the property upon which taxes are deferred under this chapter. [2009, c. 489, §5 (NEW) .]

F. "Taxes" or "property taxes" means ad valorem taxes, assessments, fees and charges entered on the assessment and tax roll. [2009, c. 489, §5 (NEW) .]

G. "Taxpayer" means an individual who is responsible for payment of property taxes and has applied to participate or is currently participating in the program under this chapter. [2009, c. 489, §5 (NEW) .]

[2009, c. 489, §5 (NEW) .]

2. Authority. The legislative body of a municipality may by ordinance adopt a property tax deferral program for senior citizens, referred to in this section as "the program." Upon application by a taxpayer, a municipality may defer property taxes on property if the following conditions are met:

A. The property is an eligible homestead where the taxpayer has resided for at least 10 years prior to application; [2009, c. 489, §5 (NEW) .]

B. The taxpayer is an owner of the eligible homestead, is at least 70 years of age on April 1st of the first year of eligibility and occupies the eligible homestead; and [2009, c. 489, §5 (NEW) .]

C. The household income of the taxpayer does not exceed 300% of the federal poverty level. [2009, c. 489, §5 (NEW) .]

An application, information submitted in support of an application and files and communications relating to an application for deferral of taxes under the program are confidential. Hearings and proceedings held by a municipality on an application must be held in executive session unless otherwise requested by the applicant. Nothing in this paragraph applies to the recording of liens or lists under subsection 3 or any enforcement proceedings undertaken by the municipality pursuant to this chapter or other applicable law.

The municipality shall make available upon request the most recent list of tax-deferred properties of that municipality required to be filed under subsection 3. The municipality may publish and release as public information statistical summaries concerning the program as long as the release of the information does not jeopardize the confidentiality of individually identifiable information.

[2009, c. 489, §5 (NEW) .]

3. Effect of deferral. If property taxes are deferred under the program, the lien established on the eligible homestead under section 552 continues for the purpose of protecting the municipal interest in the tax-deferred property. Interest on the deferred taxes accrues at the rate of 0.5% above the otherwise applicable rate for delinquent taxes. In order to preserve the right to enforce the lien, the municipality shall record in the county registry of deeds a list of the tax-deferred properties of that municipality. The list must contain a description of each tax-deferred property as listed in the municipal valuation together with the name of the taxpayer listed on the valuation. The list must be updated annually to reflect the addition or deletion of tax-deferred properties, the amount of deferred taxes accrued for each property and payments received.

The recording of the tax-deferred properties under this subsection is notice that the municipality claims a lien against those properties in the amount of the deferred taxes plus interest together with any fees paid to the county registry of deeds in connection with the recording. For a property deleted from the list, the recording serves as notice of release or satisfaction of the lien, even though the amount of taxes, interest or fees is not listed.

[2009, c. 489, §5 (NEW) .]

4. Notice. The State Tax Assessor shall prepare a one-page notice of the effect of the deferral of property taxes under this section, of the right of the municipality to file a tax lien mortgage pursuant to chapter 105 and that the deferred taxes become due and payable as established in subsection 5. This notice must have a readability score, as determined by a recognized instrument for measuring adult literacy levels, equivalent to no higher than a 6th grade reading level. A municipality that adopts the program shall provide a

copy of this notice to each taxpayer applying to the program at the time of application and shall also annually provide to each taxpayer in the program, in lieu of a property tax bill, a copy of this notice together with an accounting of taxes deferred and interest accrued.

[2009, c. 489, §5 (NEW) .]

5. Lien. When it is determined that one of the events set out in subsection 6 has occurred and that a property is no longer eligible for property tax deferral under this chapter, the municipality shall send notice by certified mail to the taxpayer, or the taxpayer's heirs or devisees, listing the total amount of deferred property taxes, including accrued interest and costs of all the years and establishing a due and payable date. For events listed in subsection 6, paragraphs A, B and C, payment is due within 45 days of the date of the notice. When the event listed in subsection 6, paragraph D occurs, the total amount of deferred taxes is due and payable 5 days before the date of removal of the property from the State. The municipality shall include in the notice a statement that the lien enforcement procedures pursuant to chapter 105, subchapter 9 apply.

If the deferred tax liability of a property has not been satisfied by the date established pursuant to this subsection, the municipality may enforce the lien according to procedures in chapter 105, subchapter 9.

Partial payments accepted during the 18-month redemption period provided for in section 943 may not interrupt or extend the redemption period or in any way affect foreclosure procedures.

[2009, c. 489, §5 (NEW) .]

6. Events requiring the payment of deferred tax and interest. Subject to subsection 7, all deferred taxes and accrued interest must be paid pursuant to subsection 5 when:

A. The taxpayer dies; [2009, c. 489, §5 (NEW) .]

B. Some person other than the taxpayer becomes the owner of the property; [2009, c. 489, §5 (NEW) .]

C. The tax-deferred property is no longer occupied by the taxpayer as a principal residence, except that this paragraph does not apply if the taxpayer is required to be absent from the eligible homestead for health reasons; or [2009, c. 489, §5 (NEW) .]

D. The tax-deferred property, a mobile home, is moved out of the State. [2009, c. 489, §5 (NEW) .]

[2009, c. 489, §5 (NEW) .]

7. Election to continue deferral. If one of the events listed in subsection 6 occurs, and the ownership of the eligible homestead is transferred to another member of the same household, the transferee may apply to the municipality for continuation of the deferral of taxes if the transferee meets the conditions in subsection 2, paragraphs B and C.

[2009, c. 489, §5 (NEW) .]

8. Repeal of program. A municipality that has adopted the program under this section may discontinue it through the same procedure by which the program was adopted; however, any taxes deferred under the program continue to be deferred under the conditions of the program on the date it was ended.

Chapter 914: 2003 TAX AMNESTY PROGRAM**§6571. 2003 MAINE TAX AMNESTY PROGRAM ESTABLISHED**

There is established the 2003 Maine Tax Amnesty Program. This program is intended to encourage delinquent taxpayers to comply with the State's tax law and to enable the assessor to identify and collect previously unreported taxes and to accelerate collection of certain delinquent tax liabilities. The long-term goal of this program is to improve taxpayer compliance with the State's tax law. [2003, c. 20, Pt. AA, §4 (NEW).]

SECTION HISTORY

2003, c. 20, §AA4 (NEW).

§6572. ADMINISTRATION

The assessor shall administer the 2003 Maine Tax Amnesty Program. The amnesty program applies to tax liabilities delinquent as of August 31, 2003, including tax due for which a return has not been filed. A taxpayer may participate in the tax amnesty program whether or not the taxpayer is under audit and without regard to whether the amount due is subject to a pending administrative or judicial proceeding, except that this does not include pending criminal action or debts for which the State has secured a warrant or civil judgment in its favor in Superior Court. A taxpayer may participate in the tax amnesty program to the extent of the uncontested portion of an assessed liability. Participation in the program is conditioned upon the taxpayer's agreement to forgo the right to protest or pursue an administrative or judicial proceeding with regard to returns filed under the tax amnesty program or to claim any refund of money paid under the tax amnesty program. A taxpayer with a tax liability within the limitations of this chapter is absolved from criminal or civil prosecution or civil penalties plus 1/2 of the interest associated with any such liability except as otherwise provided in this chapter if the taxpayer: [2003, c. 451, Pt. E, §9 (AMD).]

1. Return filed. Properly completes and files a 2003 amnesty tax return as described in section 6575 and as required by the assessor;

[2003, c. 20, Pt. AA, §4 (NEW) .]

2. Tax and interest paid. Pays all tax and interest as determined on the 2003 amnesty tax return, described in section 6575, before the end of the amnesty period;

[2003, c. 20, Pt. AA, §4 (NEW) .]

3. No criminal action pending. Is not currently charged with, and has not been accepted by the Attorney General for criminal prosecution arising from, a violation of the state tax law as provided in this Title or Title 17-A, or is not applying for relief on a debt that is the result of a criminal conviction; and

[2003, c. 20, Pt. AA, §4 (NEW) .]

4. No collection by warrant or civil action. Is not applying for relief with respect to a tax liability for which the State has secured a warrant or civil judgment in its favor in Superior Court.

The settlement offer authorized under this section does not apply to a taxpayer whose liability is the result of a criminal conviction or is currently charged with a criminal offense arising from a violation of the state tax law as provided in this Title or Title 17-A, or has been referred to the Attorney General for criminal prosecution. 1-C. Certain energy facilities. Reimbursement for certain energy facilities under this chapter is limited as follows.

A. Reimbursement may not be made for a natural gas pipeline, including pumping or compression stations, storage depots and appurtenant facilities used in the transportation, delivery or sale of natural gas, but not including a pipeline that is less than a mile in length and is owned by a consumer of natural gas delivered through the pipeline. [1997, c. 729, Pt. B, §2 (NEW).]

B. Except as provided in paragraph C, reimbursement may not be made for property used to produce or transmit energy primarily for sale. Energy is primarily for sale if during the property tax year immediately preceding the property tax year for which a claim is being made 2/3 or more of the useful energy is directly or indirectly sold and transmitted through the facilities of a transmission and distribution utility as defined in Title 35-A, section 102, subsection 20-B. [2001, c. 396, §47 (AMD) .]

C. A cogeneration facility is eligible for reimbursement on that portion of property taxes paid multiplied by a fraction, the numerator of which is the total amount of useful energy produced by the facility during the property tax year immediately preceding the property tax year for which a claim is being made that is directly used by a manufacturing facility without transmission over the facilities of a transmission and distribution utility as defined in Title 35-A, section 102, subsection 20-B and the denominator of which is the total amount of useful energy produced by the facility during the property tax year immediately preceding the property tax year for which a claim is being made. [2001, c. 396, §47 (AMD) .]

D. For purposes of this subsection, unless the context indicates otherwise, the following terms have the following meanings.

(1) "Cogeneration facility" means the eligible property within a facility that produces electrical energy, thermal energy or both for commercial or industrial use when less than 2/3 of the useful energy produced by the facility during the property tax year is sold and transmitted directly or indirectly through the facilities of a transmission and distribution utility, as defined in Title 35-A, section 102, subsection 20-B. "Cogeneration facility" includes eligible property within a heat recovery steam generator.

(2) "Useful energy" is energy in any form that does not include waste heat, efficiency losses, line losses or other energy dissipation. [1999, c. 398, Pt. A, §103 (AMD); 1999, c. 398, Pt. A, §§104, 105 (AFF).]

[2001, c. 396, §47 (AMD) .]

1-D. Retail sales facilities. Reimbursement pursuant to this chapter may not be made with respect to property that is located in a retail sales facility exceeding 100,000 square feet of interior customer selling space and used primarily in a retail sales activity, unless the facility is owned by a business whose Maine-based operation derives less than 50% of its total annual revenue on a calendar-year basis from sales that are subject to Maine sales tax. This subsection applies to property tax years beginning after April 1, 2006. Property affected by this subsection that was eligible for reimbursement pursuant to this chapter for property taxes paid for the 2006 property tax year is grandfathered into the program and continues to be eligible for reimbursement to the extent permitted by this chapter as it existed on April 1, 2006, unless that property subsequently becomes ineligible.

[2005, c. 12, Pt. BBB, §2 (NEW); 2005, c. 12, Pt. BBB, §6 (AFF) .]

2. Limitation. Reimbursement may not be made by the State Tax Assessor pursuant to this chapter with respect to the payment of taxes assessed against property that is entitled to exemption pursuant to section 656, subsection 1, paragraph E or any other provision of law except that reimbursement must be made with respect to the payment of taxes assessed against property that has not been certified for exemption pursuant to section 656, subsection 1, paragraph E but that is entitled to exemption pursuant to that provision if that property has been placed in service after the December 1st immediately preceding April 1st of the tax year for which reimbursement is sought but prior to April 1st of the property tax year for which reimbursement is sought. The claimant may seek reconsideration, pursuant to section 151, of the assessor's denial of reimbursement under this subsection. If the assessor denies a reimbursement claim on the ground that the property in question is entitled to exemption under section 656, subsection 1, paragraph E and the claimant seeks reconsideration of the denial, the assessor shall, at the claimant's request, allow the claimant up to one year to obtain a statement from the Commissioner of Environmental Protection that the property at issue is not exempt. If the claimant timely produces such a statement or otherwise demonstrates that the property is not exempt, the assessor shall allow the reimbursement.

[1999, c. 398, Pt. A, §103 (AMD); 1999, c. 398, Pt. A, §§104, 105 (AFF) .]

3. Withholding for failure to report.

[2009, c. 337, §10 (RP) .]

4. Reimbursement percentage. The reimbursement under this chapter is an amount equal to the percentage specified in paragraphs A and B of taxes assessed and paid with respect to each item of eligible property, except that for claims filed for application periods that begin on August 1, 2006, August 1, 2009, August 1, 2010 or August 1, 2013 the reimbursement is 90% of that amount and for claims filed for the application period that begins on August 1, 2014, the reimbursement is 80% of that amount.

A. For each of the first to 12th years for which reimbursement is made, the percentage is 100%.

[2005, c. 623, §5 (NEW) .]

B. Pursuant to section 699, subsection 2, reimbursement under this chapter after the 12th year for which reimbursement is made is according to the following percentages of taxes assessed and paid with respect to each item of eligible property.

- (1) For the 13th year for which reimbursement is made, the percentage is 75%.
- (2) For the 14th year for which reimbursement is made, the percentage is 70%.
- (3) For the 15th year for which reimbursement is made, the percentage is 65%.
- (4) For the 16th year for which reimbursement is made, the percentage is 60%.
- (5) For the 17th year for which reimbursement is made, the percentage is 55%.
- (6) For the 18th year for which reimbursement is made and for subsequent years, the percentage is 50%. [2005, c. 623, §5 (NEW).]

§6653. TAXPAYER TO OBTAIN INFORMATION

Before filing a request for reimbursement with the State Tax Assessor pursuant to section 6654, a taxpayer must notify the assessor or assessors for any taxing jurisdiction in which eligible property is subject to tax and for which the taxpayer intends to claim reimbursement that the taxpayer intends to file a reimbursement request. The notification must also include a list of the property that the taxpayer believes constitutes eligible property, the original cost of that property, the date that property was acquired and whether the property was acquired new or used. The taxpayer must submit to the assessor or assessors of each taxing jurisdiction at the same time a request that the assessor or assessors of the taxing jurisdiction provide to the taxpayer a statement identifying the assessed just value of eligible property for which reimbursement will be requested and the associated tax attributed to that property. If the taxpayer submits the request to the assessor or assessors 60 days or more before the commitment date for the property tax year at issue, the assessor or assessors of the taxing jurisdiction shall make the statement available to the taxpayer at the time the taxing jurisdiction first bills the taxpayer for property taxes for the property tax year at issue. If the taxpayer submits the request to the assessor or assessors less than 60 days before the commitment date or after the commitment date, the assessor or assessors shall make the statement available to the taxpayer within 60 days after the request is made. §6654. CLAIM FOR REIMBURSEMENT

A person entitled to reimbursement of property taxes paid with respect to eligible property pursuant to section 6652 may file a claim for reimbursement with the State Tax Assessor. The reimbursement claim must be filed with the State Tax Assessor on or after August 1st and on or before the following December 31st for property taxes paid during the preceding calendar year for which no previous reimbursement pursuant to this chapter has been made. For good cause, the State Tax Assessor may at any time extend the time for filing a claim for reimbursement for a period not exceeding 60 days from the original due date. Except as otherwise provided, the claim must be accompanied by the statement obtained by the claimant pursuant to section 6653. If the claimant requests reimbursement of an amount of tax that differs from the amount of tax specified for the eligible property in the statement provided by the assessor or assessors of the taxing jurisdiction, the claimant must attach to the claim form an explanation of the reasons for that difference and the State Tax Assessor shall determine the correct amount of reimbursement to which the claimant is entitled, taking into consideration both the statement from the assessor or assessors and the taxpayer's explanation. If, for any reason, the claimant is unable to obtain the statement specified in section 6653 from the assessor or assessors within the time specified in section 6653, the claimant must attach to the claim form an explanation of the amount of reimbursement requested and the State Tax Assessor shall process the claim without that statement. §6656. PAYMENT OF CLAIMS

1. Reimbursement claim. Notwithstanding any other provision of law, except as provided in subsection 1-A, section 6652 and section 6662, upon receipt of a timely and properly completed claim for reimbursement, the State Tax Assessor shall certify that the claimant is eligible for reimbursement under this chapter. The assessor shall determine the benefit for each claimant and shall certify to the State Controller the amounts to be transferred to the Business Equipment Tax Reimbursement reserve account established, maintained and administered by the State Controller from General Fund undedicated revenue.

[2015, c. 239, §1 (AMD) .]

1-A. Suspension of reimbursement for nonpayment of taxes. The State Tax Assessor shall suspend reimbursement under this chapter for a claimant who is delinquent in the payment of personal property taxes. For the purposes of this paragraph, delinquency occurs when:

A. The taxpayer has a past due balance in a single municipality or the unorganized territory in the amount of \$10,000 or more in property tax on personal property; and [2015, c. 239, §2 (NEW) .]

B. The municipal tax collector certifies to the State Tax Assessor or, in the case of the unorganized territory, the State Tax Assessor determines that the taxpayer is delinquent in the payment of personal property taxes. Certification by the municipal tax collector must be made on a form prescribed by the State Tax Assessor and list the tax and interest due and the year for which it is due. The certification

by the municipal tax collector or determination by the State Tax Assessor must be made from July 1st to July 15th of the year for which the reimbursement is to be suspended. [2015, c. 239, §2 (NEW) .]

Within 10 days after certifying or determining that a taxpayer is delinquent, the municipal tax collector or, in the case of the unorganized territory, the State Tax Assessor shall notify the taxpayer that reimbursement under this chapter for the application period beginning August 1st of that year may be suspended under this subsection unless the past due taxes are paid by the end of the application period for that year.

A taxpayer receiving a notice under this subsection has until the last day of the application period prescribed under section 6654 to pay the past due tax to the municipality or, in the case of the unorganized territory, to the State Tax Assessor to redeem any otherwise eligible reimbursement under this chapter. When the municipal tax collector certifies to the State Tax Assessor or, in the case of the unorganized territory, the State Tax Assessor determines that the past due tax has been paid, the State Tax Assessor shall release the reimbursement that has been suspended to the taxpayer in the same manner as for other claims under this chapter. If the taxpayer does not pay the past due tax by the end of the application period, the taxpayer's eligibility for the suspended reimbursement is terminated.

[2015, c. 239, §2 (NEW) .]

2. Pay certified amounts. The assessor shall pay the certified amounts to each approved applicant that qualifies for the benefit under this chapter by November 1st or within 90 days after receipt of the claim, whichever is later. Interest is not allowed on any payment made to a claimant pursuant to this chapter.

[2009, c. 337, §11 (AMD) .]

3. Assignment of reimbursement payments. Upon notice of such an assignment given to the assessor by the Finance Authority of Maine and written confirmation of such an assignment signed by the claimant, the assessor shall pay to the Finance Authority of Maine any payments due to the claimant pursuant to this chapter and assigned to the Finance Authority of Maine until the Finance Authority of Maine notifies the assessor that the assignment has been released.

If a claimant has received reimbursement for property tax that is reduced, abated or credited against the tax assessed pursuant to chapter 111 or 112, the claimant shall, within 60 days of receipt of the reduction, abatement or credit, refund to the Bureau of Revenue Services the amount of the reimbursement attributable to the property tax that has been reduced, abated or credited. If the claimant fails to make the refund within the 60-day period, the State Tax Assessor, within 3 years from the claimant's receipt of reimbursement, may issue an assessment for the amount that the claimant owes to the Bureau of Revenue Services. - B. The business is engaged in retail operations but less than 50% of its total annual revenues from Maine-based operations are derived from sales taxable in this State; or [1995, c. 669, §5 (NEW) .]
- C. The business is engaged in retail operations and can demonstrate to the commissioner by a preponderance of the evidence that any increased sales will not include sales tax revenues derived from a transferring or shifting of retail sales from other businesses in this State. [1995, c. 669, §5 (NEW) .]

For purposes of this subsection, "retail operations" means sales of consumer goods for household use to consumers who personally visit the business location to purchase the goods.

[2001, c. 157, §1 (AMD) .]

12. Qualified employee. Except for an employee in a call center in Aroostook County or Washington County, "qualified employee" means a new, full-time employee hired in this State by a qualified business, for whom a retirement program subject to the Employee Retirement Income Security Act of 1974, 29 United States Code, Chapter 18 and group health insurance are provided, and whose income derived from

employment with the applicant, calculated on a calendar year basis, is greater than the most recent annual per capita personal income in the county in which the qualified employee is employed, as long as Maine income tax withholding attributed to the qualified employee is subject to reimbursement to the qualified business under this chapter. "Qualified employee" does not include an employee who is shifted to a qualified business from an affiliated business. The commissioner shall determine whether a shifting of employees has occurred.

For an employee in a call center in Aroostook County or Washington County, "qualified employee" means a new, full-time employee hired in this State by a qualified business, for whom a retirement program subject to the Employee Retirement Income Security Act of 1974, 29 United States Code, Chapter 18 and group health insurance are provided, and whose income derived from employment with the applicant, calculated on a weekly basis, is greater than the average weekly wage for the most recent available calendar year as derived from the quarterly census of employment and wages and provided annually by the Department of Labor, as long as Maine income tax withholding attributed to the qualified employee is subject to reimbursement to the qualified business under this chapter. "Qualified employee" does not include an employee who is shifted to a qualified business from an affiliated business. The commissioner shall determine whether a shifting of employees has occurred. The calculation of the average weekly wage must include data from the counties of Androscoggin, Aroostook, Franklin, Hancock, Kennebec, Knox, Lincoln, Oxford, Penobscot, Piscataquis, Sagadahoc, Somerset, Waldo and Washington. Notwithstanding this subsection, with respect to a call center in Aroostook or Washington county, in a county in which the average annual unemployment rate at the time of certification for the most recent calendar year is greater than the state average for the same year, the wage threshold is 90% of the average weekly wage as derived from the quarterly census of employment and wages. Notwithstanding this subsection, with respect to a call center in Aroostook or Washington county and upon approval of the commissioner, a qualified business located in a county in which the average annual unemployment rate at the time of certification for the most recent calendar year is greater than the state average for that same year qualifies for a phase-in of salary threshold requirements. A qualified business under this provision must meet 70% of the average weekly wage as derived from the quarterly census of employment and wages in the first year of certification, 80% of the average weekly wage as derived from the quarterly census of employment and wages in the 2nd year of certification and 90% of the average weekly wage as derived from the quarterly census of employment and wages in all following years of certification. Failure to meet any of these requirements results in automatic revocation of certification.

[2015, c. 368, §5 (AMD) .]

12-A. Quarterly census of employment and wages. "Quarterly census of employment and wages" means the comprehensive tabulation of employment and wage information for workers produced by the quarterly census of employment and wages program, a cooperative program involving the federal Department of Labor, Bureau of Labor Statistics and the state employment security agencies.

[2015, c. 368, §6 (NEW) .]

13. State unemployment rate. "State unemployment rate" means the average unemployment rate published by the Department of Labor for the State as a whole for the 12 most recently reported months preceding the date of application for employment tax increment financing and for the 12 most recently reported months preceding the beginning of the 6th year of an approved employment tax increment financing development program.

Chapter 919: SHIPBUILDING FACILITY CREDIT

§6850. PURPOSE AND INTENT

The Legislature finds that encouragement of major investments in shipbuilding facilities in this State and the preservation of substantial numbers of jobs are in the public interest and promote the general welfare of the people of the State. The Legislature further finds that the enactment of incentives as set forth in this chapter to promote major shipbuilding investments in the State and substantial job retention is necessary in order to ensure the long-term survival of the shipbuilding industry in this State, to preserve numerous opportunities for jobs for the people of the State, to make this State more competitive in the shipbuilding industry and thus to ensure the preservation and betterment of the economy of the State for the benefit of its people. The Legislature further finds that the foregoing benefits to the State and its people far exceed the costs to the State of providing the incentives set forth in this chapter. The Legislature further finds that the provisions of this chapter are necessary to accomplish these objectives. [1997, c. 449, §1 (NEW).]

The Legislature recognizes that the incentives offered by the State pursuant to this chapter are intended to induce major investments in shipbuilding facilities and that any party who accepts and reasonably relies upon these inducements in making qualified investments is entitled to the full realization of these incentives without impairment by subsequent changes in law. The Legislature recognizes that when determining whether a project is financially feasible, an investing party must rely in good faith upon the Legislature to assure that the promised incentives of this law will be available for a period of up to 20 years and that a party's confidence in the full realization of these benefits is a critical factor in inducing it to make the desired investment. It is the intent of this Legislature that all successor Legislatures honor the commitments held out by this chapter. [1997, c. 449, §1 (NEW).]

[1997, c. 449, §1 (NEW) .]

4. Transfer of certificate. If a certified applicant proposes to transfer, including, without limitation, transfer by operation of law, all or substantially all of the shipbuilding facility in which a qualified investment was made to another person, or a person proposes to acquire 50% or more of the voting stock of the certified applicant, application may be made to the commissioner to approve transfer of the certificate to that person in connection with the transfer of the stock or facility. The commissioner shall grant the transfer of the certificate only if one of the following conditions is satisfied.

A. The transferee of the shipbuilding facility or of the certified applicant's stock is a member of the certified applicant's affiliated group as defined in section 5102, subsection 1-B at the time of the transfer. [1997, c. 449, §1 (NEW) .]

B. The transferee of the shipbuilding facility or of the certified applicant's stock is not a member of the certified applicant's affiliated group as defined in section 5102, subsection 1-B at the time of the transfer and the commissioner finds that the transferee intends to continue the operations of the shipbuilding facility in substantially the same manner as prior to the transfer and has the financial capability to do so. In addition, prior to approval of any transfer, the commissioner may request and be provided with the report and audit of the transferor pursuant to section 6854. The commissioner may condition the approval of the transfer based upon the findings of the report and audit. [1997, c. 449, §1 (NEW) .]

If the commissioner grants a transfer of the certificate, the transferee must be treated as the certified applicant for all purposes of this chapter. For purposes of calculation of employment, withholding taxes, qualified investment expenditures and the number of qualified ships of the certified applicant, the qualified employees of the transferor prior to transfer, the state income taxes deducted and withheld by the transferor from the wages of those qualified employees pursuant to chapter 827 prior to transfer, the qualified investment expenditures of the transferor prior to transfer and the qualified ships of the transferor prior to transfer must be considered the qualified employees, withholding taxes, qualified investment expenditures and qualified ships of the transferee, respectively.

[1997, c. 449, §1 (NEW) .]

5. Revocation of certificate. A certificate of approval must be revoked by the commissioner if the certified applicant has not made qualified investment expenditures of at least \$150,000,000 within 5 years and \$200,000,000 within 10 years after issuance of the certificate of approval or if the shipbuilding facility is closed or transferred in an unapproved transfer within 5 years after issuance of the certificate of approval. A certified applicant whose certificate of approval is revoked within 5 years after issuance of the certificate of approval shall pay to the State the amount of any credits claimed by the certified applicant under this chapter prior to revocation of the certificate. A certified applicant whose certificate of approval is revoked between

6 and 10 years after issuance of the certificate of approval shall pay to the State the amount of any credit claimed by the certified applicant under this chapter between the 6th year and the year in which the certificate is revoked.

[1997, c. 449, §1 (NEW) .]

6. Appeal. The applicant or certified applicant may appeal in accordance with Title 5, chapter 375, subchapter VII any determination, action or failure to act by the commissioner or the State Tax Assessor.

§6853. CREDIT AGAINST WITHHOLDING TAXES ALLOWED

1. Generally. Subject to the provisions of subsection 2 and notwithstanding any contrary provisions of chapter 827, a certified applicant is allowed a credit equal to \$3,000,000 for each calendar year, beginning with the 1999 calendar year, against \$3,000,000 that otherwise would be required to be remitted to the State Tax Assessor on or after July 1st of each calendar year by the certified applicant pursuant to chapter 827 for state income taxes deducted and withheld from wages of qualified employees by the certified applicant. The credit taken with respect to withholding taxes not remitted must be reflected on the withholding returns submitted by the certified applicant pursuant to chapter 827 and constitutes a credit against the applicant's liability for and obligation to remit the withholding tax against which the credit is taken.

[1997, c. 449, §1 (NEW) .]

1-A. Calendar year 1999 credit. Notwithstanding subsection 1, the credit to be taken in calendar year 1999 may be taken in 2 parts. The first part is a credit against the first \$1,000,000 that otherwise would be required to be remitted to the assessor on or after January 1, 1999. The remainder of the credit allowed for 1999 pursuant to this section and section 6856, if applicable, may not be taken until after July 1, 1999.

[1997, c. 449, §1 (NEW) .]

2. Limitations. The following are limitations on the credit allowed under subsection 1.

A. A credit is not allowed for any calendar year beginning after the earlier of the following:

(1) December 31, 2018; or

(2) December 31st of the calendar year during which the certified applicant has launched its 30th qualified ship. [1997, c. 449, §1 (NEW) .]

B. A credit is not allowed for a calendar year in which the qualified applicant has employment of less than 5,000 unless that calendar year is an exception year. Beginning January 1, 2003, a credit is not allowed for a calendar year in which the qualified applicant has employment of less than 3,500 unless that calendar year is an exception year. [1997, c. 449, §1 (NEW) .]

C. Total credits under this section may not exceed \$60,000,000 to any certified applicant or transferee. [1997, c. 449, §1 (NEW) .]

[1997, c. 449, §1 (NEW) .]

3. Effect on employee. Notwithstanding any contrary provisions of chapter 827, the amount of income tax deducted and withheld by a certified applicant from the wages of a person pursuant to chapter 827 in any calendar year is considered paid to the State Tax Assessor on behalf of the person from whom the income tax was withheld without regard to any credit taken by a certified applicant under this chapter, and that person

is credited with having paid that amount of tax for the taxable year beginning in the calendar year without regard to any credit taken by a certified applicant under this chapter. If more than one taxable year begins in a calendar year, that person may claim that amount as a credit for the most recent taxable year.

[1997, c. 449, §1 (NEW) .]

SECTION HISTORY

1997, c. 449, §1 (NEW).

§6854. REPORTING REQUIRED

1. Annual reporting by certified applicant. On or before March 1st of each year a certified applicant shall file a report with the State Tax Assessor and the commissioner for the immediately preceding calendar year, referred to in this section as the "report year," containing the following information:

A. The employment of the certified applicant for the calendar year immediately preceding the report year; [1997, c. 449, §1 (NEW) .]

B. The number of qualified ships launched by the certified applicant from January 1, 1998 to December 31st of the report year; and [1997, c. 449, §1 (NEW) .]

C. The incremental level of qualified investments made for the calendar year immediately preceding the report year. [1997, c. 449, §1 (NEW) .]

The State Tax Assessor may prescribe forms for the annual reports described in this section.

[1997, c. 449, §1 (NEW) .]

2. Audit of report. The State Tax Assessor has the authority to audit any report or return filed under this chapter or chapter 827 to ensure the certified applicant was eligible for the credit claimed by the certified applicant. If the certified applicant has claimed a credit in an amount that the State Tax Assessor concludes exceeded the amount that the certified applicant was entitled to claim for that calendar year, the State Tax Assessor shall issue an assessment for that amount within 3 years after the date of the certified applicant's last withholding return on which the credit for that calendar year was claimed. A certified applicant may seek reconsideration of any determination or assessment pursuant to section 151.

[1997, c. 449, §1 (NEW) .]

3. Report to Legislature. The State Tax Assessor shall report, to the joint standing committee of the Legislature having jurisdiction over taxation matters, aggregate data on employment levels and qualified investment amounts of a certified applicant for each year beginning with expenditures incurred after October 1, 1996. The report must be made during the first regular session of each Legislature beginning with the 120th Legislature.

§6855. LAND

1. Public benefit. The Legislature, recognizing that the submerged and intertidal lands as those terms are defined in Title 12, chapters 202-A and 220, respectively, are owned by the State for the benefit of the public and are impressed with a public trust and having considered all factors relevant to that public trust and the impact that conveying or leasing the submerged and intertidal land described in this subsection to a certified applicant would have on the public trust and the benefits to the State and its people from the

conveyance or lease, finds that a conveyance or lease to a certified applicant of all or any part of the State's right, title and interest in and to no more than 15 acres of submerged and intertidal lands owned by the State, and located on the westerly side of the Kennebec River between the southerly side of the Carlton Bridge and a point 2 miles southerly of the Carlton Bridge, in order to construct, improve, modernize or expand a shipbuilding facility, is necessary to ensure the long-term survival of the shipbuilding industry in this State, to preserve numerous opportunities for jobs for the people of this State, to make the State more competitive in the shipbuilding industry and thus to ensure the preservation and betterment of the economy of the State for the benefit of its people and the Legislature further finds that the grant or lease will benefit a class of persons much greater than the certified applicant and that the impact, if any, on the public trust in what remains would be minimal and that the foregoing benefits to the State and its people resulting from the conveyance or lease far exceed any impact on the public trust in submerged and intertidal lands.

[1999, c. 127, Pt. A, §52 (AMD) .]

2. Conveyance by State. The State is authorized to lease to a certified applicant for a period of up to 5 years or until a qualified investment of \$150,000,000 is made, whichever is sooner, all or any part of the State's right, title and interest in the submerged and intertidal lands not exceeding 15 acres located as described in subsection 1 as necessary or convenient for the certified applicant to construct, improve, modernize or expand a shipbuilding facility. At the end of the lease period, the State is authorized to convey to a certified applicant the same property that was leased. The conveyance must be made for consideration equal to the fair market value of submerged lands at the time of conveyance. The provisions of Title 12, chapters 202-A and 220 do not apply to any conveyance or lease. Failure on the part of the certified applicant to purchase any submerged or intertidal lands under this subsection does not relieve the certified applicant of liability for violation of any state or federal environmental laws or regulations or local ordinances affecting submerged or intertidal lands during the lease period.

If employment is less 4,500 but equal to or greater than 4,000, the credit must be decreased to \$2,750,000. SECTION HISTORY

2001, c. 496, §1 (NEW).

§7124. AUTHORITY TO ENTER AGREEMENT

The State Tax Assessor shall enter into the agreement on behalf of this State, subject to the provisions of section 7126. The assessor is authorized to act jointly with other states that are members of the agreement to establish standards for certification of a certified service provider and certified automated system and to establish performance standards for multistate sellers. The assessor may take other actions reasonably required to implement the provisions of this chapter. Other actions authorized by this section include, but are not limited to, the adoption of rules and the joint procurement, with other member states, of goods and services in furtherance of the agreement. Rules adopted pursuant to this section are routine technical rules as defined in Title 5, chapter 375, subchapter II-A. §7126. AGREEMENT REQUIREMENTS

The State Tax Assessor may not enter into the agreement unless the agreement requires each state to abide by the following requirements. [2001, c. 496, §1 (NEW) .]

1. Uniform state rate. The agreement must set restrictions to achieve over time more uniform state rates through:

A. Limiting the number of state rates; [2001, c. 496, §1 (NEW) .]

B. Limiting the application of maximums on the amount of state tax that is due on a transaction; and [2001, c. 496, §1 (NEW) .]

C. Limiting the application of thresholds on the application of state tax. [2001, c. 496, §1 (NEW) .]

[2001, c. 496, §1 (NEW) .]

2. Uniform standards. The agreement must establish uniform standards for:

A. The sourcing of transactions to taxing jurisdictions; [2001, c. 496, §1 (NEW) .]

B. The administration of exempt sales; [2001, c. 496, §1 (NEW) .]

C. The allowances a seller can take for bad debts; and [2001, c. 496, §1 (NEW) .]

D. Sales and use tax returns and remittances. [2001, c. 496, §1 (NEW) .]

[2001, c. 496, §1 (NEW) .]

3. Uniform definitions. The agreement must require states to develop and adopt uniform definitions of sales and use tax terms. The definitions must enable each state to preserve its ability to make policy choices not inconsistent with the uniform definitions.

[2001, c. 496, §1 (NEW) .]

4. Central registration. The agreement must provide for a central, electronic registration system that allows a seller to register to collect and remit sales and use taxes for all signatory states to the agreement.

[2001, c. 496, §1 (NEW) .]

5. No nexus attribution. The agreement must provide that registration with the central registration system described in subsection 4 and the collection of sales and use taxes in the signatory states to the agreement are not factors in determining whether a seller has a nexus with a state for any tax.

[2001, c. 496, §1 (NEW) .]

6. Local sales and use taxes. The agreement must provide for reduction of the burdens of complying with local sales and use taxes through:

A. Restricting variances between the state and local tax bases; [2001, c. 496, §1 (NEW) .]

B. Requiring a state to administer any sales and use taxes levied by local jurisdictions within the state so that sellers collecting and remitting these taxes do not have to register or file returns with, remit funds to or be subject to independent audits from local taxing jurisdictions; [2001, c. 496, §1 (NEW) .]

C. Restricting the frequency of changes in the local sales and use tax rates and setting effective dates for the application of local jurisdictional boundary changes to local sales and use taxes; and [2001, c. 496, §1 (NEW) .]
